

## STYLED TO SUIT ANY OCCASION.

Whether you're headed on a family road trip or a night on the town, it's not enough to simply get where you're going. These days you need to make an impression. And with the Honda CR-V, you're sure to leave a lasting one — wherever you go or whoever's along for the ride.

From head to taillight, the CR-V has been completely reimagined — updated to intrigue and reflect the modern and sophisticated aesthetic of our time. The sharp styling starts from the ground up with the distinctively designed 18-inch alloys\*

And if those weren't enough to catch your eye the LED headlights^ and Daytime Running Lights will. They gleam with confidence, day or night.

But you can't have style without a bit of substance, and the CR-V has always delivered. The CR-V steps it up with the power tailgate! Not only does it open and close with the push of a button, it allows you to adjust the height of the tailgate to suit your needs or parking space. No matter how you look at it, the Honda CR-V has both the style and substance to suit any occasion.

Power tailgate#

18" Alloy wheels\*

\*Available on VTi-E7 models and above. ^LED headlights available on VTi-LX AWD only. #Available on VTi-S, VTi-L7 and VTi-LX models.

# **STYLE AND SOPHISTICATION,** INSIDE AND OUT.

The adventure-ready CR-V sets a new standard for interior quality, comfort and sophistication.

Contemporary design meets premium finishes, with every detail carefully considered, so you'll always want to take the long way home.

The cockpit-inspired driver's seat puts all the tools and controls within reach, so you can keep your eyes squarely on the road ahead. Luxurious leather-appointed<sup>†</sup> seats with 8-way

power adjustable seat memory\* for up to two drivers, makes for a comfortable ride, every time.

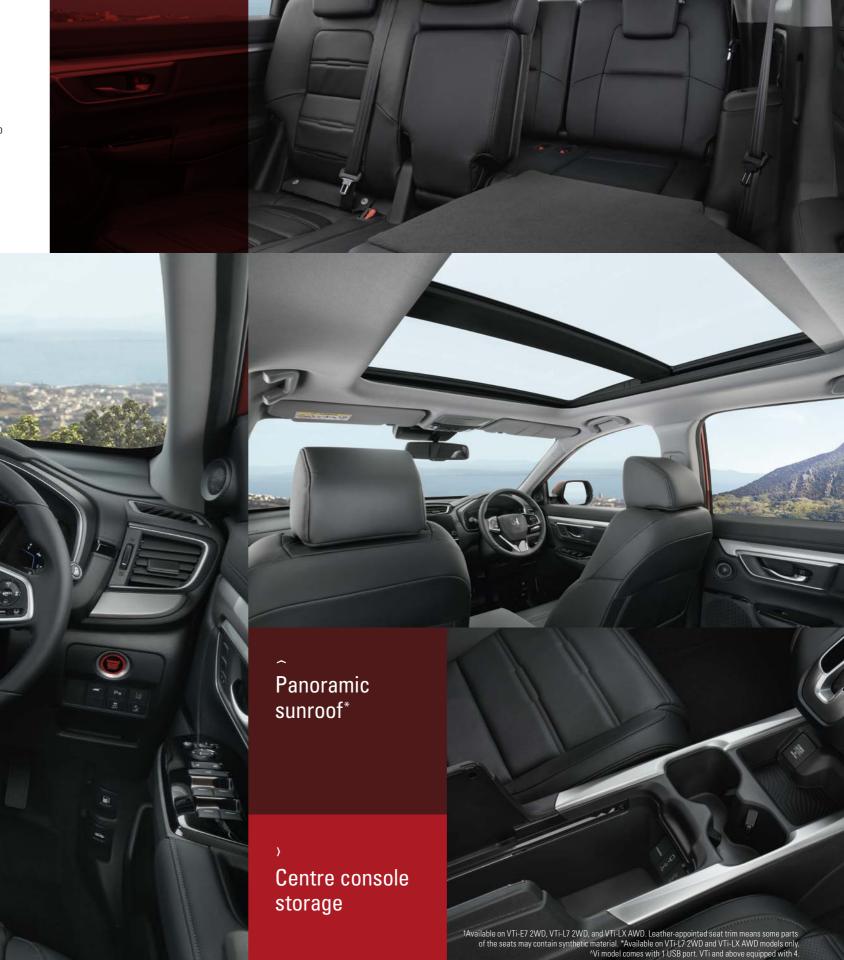

But comfort doesn't stop at the front seats.
Little (and bigger) adventurers enjoy generous legroom, with clever space and functionality, like cupholders hidden in the centre armrest and USB ports<sup>5</sup> to keep devices charged. With rear doors that swing open 90 degrees, access to the back seats doesn't require a gymnastic feat!

The large windows accompanied by a spectacular panoramic sunroof\* brings the great outdoors in.

5-seats or

7-seats

The 7-seater option provides the flexibility every family craves. From weekends away with the kids to a trip with the grandparents too, the 7-seater opens up a world of possibilities. With so much storage potential, it's the ultimate family getaway car.

# **ADVENTURE** READY.

Be it near or far, big or small, the Honda CR-V has the right mix of power and efficiency to fuel all of your adventures.

While the advanced turbocharged engine# and enhanced handling capabilities will ignite your sense of adventure straight away, the all-wheel drive system\* makes it a versatile SUV capable of getting you into, or out of, any unforeseen situations that may come your way.

On par with all that power and handling is a focus on efficiency. The Honda CR-V with Earth Dreams Technology# is engineered to maximise fuel economy and reduce emissions. Boasting 7 litres per 100km^, it maximises your driving enjoyment while minimising your impact on the world around you. So you can focus on exploring the road ahead and not what you leave behind.

Enhanced AWD capability\*

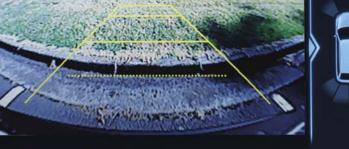

Continuously Variable Transmission

~ 7" Display audio\*

**Check Your Surroundings** 

Climate control

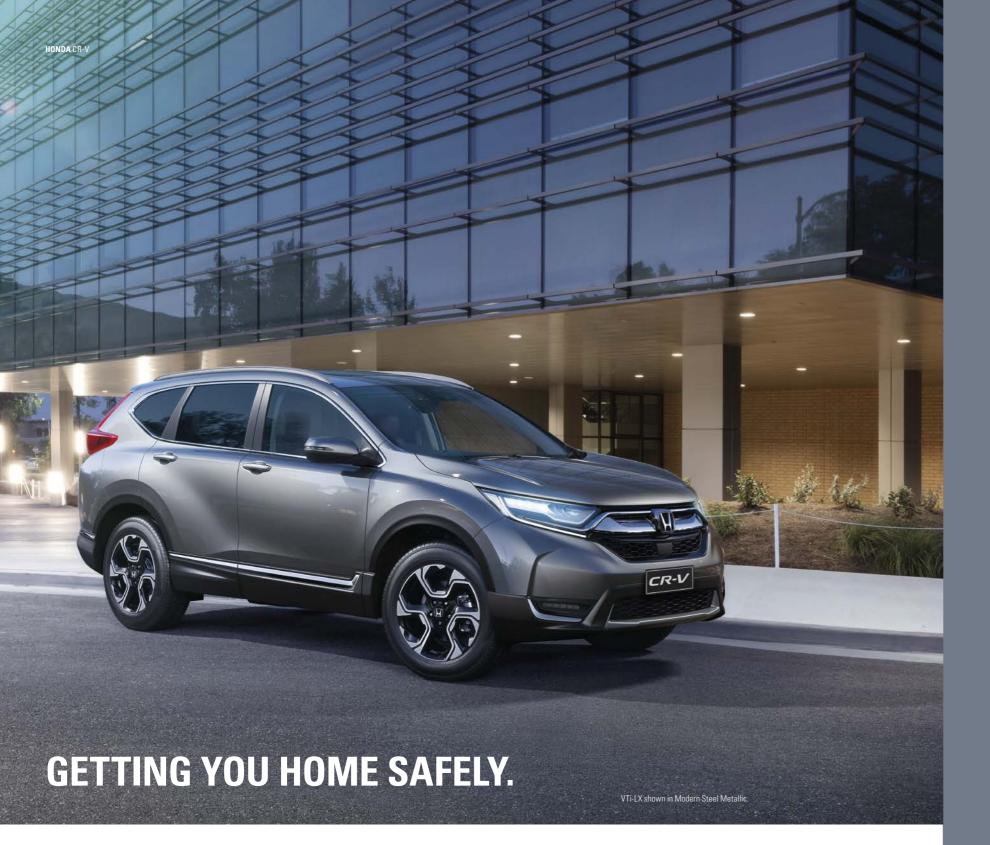

# **CONNECTED**AND IN CONTROL.

The Honda CR-V keeps you connected and in control from the moment you push start. Apple Carplay®+ or Android® Auto° allow you to seamlessly connect your phone via USB and Bluetooth®± to the crisp 7-inch touchscreen#, allowing you to make calls, listen to music, get turn-by-turn directions or access many of your favourite apps with a simple tap or via steering wheel-mounted controls.

The reversing camera makes backing out of tight spots a breeze. And if things happen to get too breezy, the advanced climate control system# will keep everyone on board comfortable. And to keep your attention focused squarely on the journey ahead, all these refined features can be accessed via contoured steering wheel-mounted controls or with simple voice commands. It's an intuitive suite of cutting-edge technology designed to help you make the most of all your everyday adventures.

No matter what adventure you're on, it's our priority to get you home safely. That's why the Honda CR-V features some of the latest and most advanced safety features on the road.

Safe journeys start with keeping an eye on the road around you. LaneWatch\* uses a small camera in the passenger side mirror to eliminate kerbside blind spots.

When it comes to keeping you and your passengers safe, the CR-V has you more than covered. The Driver Attention Monitor watches your driving behaviour to determine your level of attention and fatigue. If it's time to pull over for a break, the system will alert you.

ISOFIX keeps your most precious cargo safe and secure. It's a quick, safe and internationally recognised standard for attaching child safety seats.

# SENSING

#### WHAT IS HONDA SENSING?

Honda Sensing is a suite of driving features that support and enhance your driving senses to help keep you safer on the road?

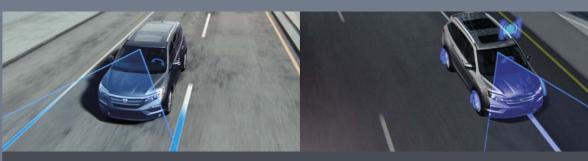

#### **REACTS TO A HAZARD BEFORE YOU MIGHT**

#### FORWARD COLLISION WARNING

By constantly keeping an eye out for vehicles ahead, Forward Collision Warning (FCW) reduces the stress of driving in heavy traffic. If the system determines that a collision may occur, you'll be given an instant visual and audible alert to help you avoid whatever is in your path.

#### **COLLISION MITIGATION BRAKING SYSTEM**

If you happen to miss the FCW and a collision is likely, the Collision Mitigation Braking System (CMBS) will go one step further by applying the brakes. This helps to mitigate the severity of an accident that's unavoidable.

#### PAYS ATTENTION TO HELP KEEP YOU ON TRACK

#### LANE DEPARTURE WARNING

By reading the markings on the road beneath you, this technology triggers an on-screen message and sounds an audible alert if you accidentally cross into another lane without indicating.

#### ROAD DEPARTURE MITIGATION SYSTEM

If the Road Departure Mitigation System detects that you are drifting out of a lane with solid lines without signalling, you'll be steered gently back into the lane. In rare cases, gentle braking will be applied to keep you safe.

#### **KEEPS YOU IN A SAFE POSITION**

#### LANE KEEPING ASSIST SYSTEM

On a long drive, you'll truly come to appreciate the magic of Lane Keeping Assist System (LKAS). When you switch the system on, LKAS will read the lane and sense as you drift from its centre, this technology applies corrective steering to maintain perfect lane position.

#### ADAPTIVE CRUISE CONTROL WITH LOW-SPEED FOLLOW

By detecting the vehicle in front of you, this lets you maintain a set speed and following distance. Even in start and stop traffic conditions, Adaptive Cruise Control knows to keep your distance.

^Available on VTi-S AWD and VTi-LX only.

### **SELECT YOUR MODEL**

## 5 SEATS, 2WD

#### The CR-V Vi 2WD comes standard with:

- 2.0L SOHC i-VTEC engine
- 113kW @ 6,500rpm and 189Nm @ 4,300 rpm
- Continuously variable transmission
- Electric parking brake with automatic brake hold
- 17-inch allov wheels
- Halogen projector beam headlights
- LED Daytime Running Lights (DRLs)
- Cloth seat trim
- Air Conditioning with rear vents
- 5" Display audio including:
- 4 speakers
- AM / FM radio
- Bluetooth and audio connectivity
- USB connectivity x1
- AUX port x1
- Multi-angle reversing camera
- Anti-lock Braking System (ABS)
- Electronic Brake-force Distribution (EBD)
- Emergency Stop Signal (ESS)
- Hill Start Assist (HSA)
- Vehicle Stability Assist (VSA)
- SRS airbags: dual front, side and full length curtain
- Driver Attention Monitor (DAM)
- Full size alloy spare wheel
- Tyre Pressure Monitoring System (TPMS)
- Electrically retractable door mirrors

### VTi 5 SEATS, 2WD

#### Additional features over the Vi:

- 1.5L Turbo engine
- 140kW @ 5600rpm and 240Nm @ 2000-5000rpm
- Front fog lights
- Dual zone climate control
- Smart keyless entry with push start button
- Advanced Display Audio
- (7-inch colour touchscreen) including:
- 8 speakers
- AM/FM radio
- Bluetooth° phone and audio connectivity
- USB connectivity x4
- Apple CarPlay®^
- Android® Auto\*
- HDMI port - Roof rails
- Multi-angle reversing camera with dynamic guidelines
- Tonneau cover

VTi-E7

7 SEATS, 2WD

- Exhaust pipe finishers

### VTi-S 5 SEATS, 2WD OR AWD

#### Additional features over the VTi:

- Honda Sensing suite of driver-assist technologies (AWD only)
- 18-inch alloy wheels
- Power tailgate
- Built-in satellite navigation
- Front and rear parking sensors
- LaneWatch camera
- Automatic dusk-sensing headlights
- Leather-wrapped steering wheel

#### Additional features over the VTi:

- Leather-appointed† seat trim
- 18-inch alloy wheels
- 8-way adjustable electric driver seat
- Leather-wrapped steering wheel

### VTi-L7 7 SEATS, 2WD

## Additional features over the VTi-S:

- Panoramic sunroof
- Leather-appointed† seat trim
- Heated front seats
- 8-way adjustable electric driver seat with lumbar support and seat memory
- Automatic rain-sensing wipers

## **COLOURS**

**Brilliant Sporty Blue Metallic** 

Passion Red Pearlescent

Crystal Black Pearlescent

# Black fabric seat trim#

**TRIMS** 

Black leather-appointed<sup>†</sup> seat trim

Modern Steel Metallic

Lunar Silver Metallic

White Orchid Pearlescent

## **WHEELS**

17" alloy wheels - Vi and VTi 2WD

18" alloy wheels – VTi-S and above

°Requires compatible device. The Bluetooth word mark is owned by Bluetooth SIG, Inc. and use of such mark by Honda is under licence. ^Apple CarPlay is a trademark of Apple Inc. Apple CarPlay works with iPhone 5 models and above running iOS 7.1 or higher. \*Android Auto is a trademark of Google Inc. Android Auto works with Android 5.0 (Lollipop) or above. Leather-appointed seat trim means some parts of the seats may contain synthetic material. #On Vi, VTi and VTi-S models.

11

VTi-LX

5 SEATS, AWD

- Panoramic sunroof

- Front LED fog lights

- Heated front seats

- Heated door mirrors

- Digital radio

- Leather-appointed† seat trim

- 8-way adjustable electric driver seat

- Automatic rain-sensing wipers

- Auto dimming rear view mirror

- Leather-wrapped shift knob

with lumbar support and seat memory

- 4-way adjustable electric front passenger seat

**TECHNOLOGY** 

Honda Sensing suite of driver-assist technologies including:

- Collision Mitigation Braking System (CMBS)

- Road Departure Mitigation System (RDM)

Honda Sensing is only available on VTi-S AWD and VTi-LX AWD.

- Forward Collision Warning (FCW)

- Lane Departure Warning (LDW)

- Lane Keeping Assist (LKAS)

SENSING

- Adaptive Cruise Control (ACC) with Low-Speed Follow (LSF)

- Privacy glass

Additional features over the VTi-S:

- Honda Sensing suite of driver-assist technologies

- Full LED headlights with active cornering lights

•Standard feature. —Not available. ■Accessory option. \*The figures quoted are based on ADR81/02 test results. †Leather-appointed seat trim means some parts of the seats may contain non-leather material. #Android Auto is a trademark of Google Inc. Android Auto works with Android 5.0 (Lollipop) or above. ‡Apple CarPlay is a trademark of Apple Inc. Apple CarPlay works with iPhone 5 models and above running iOS 7.1 or higher. \*Requires compatible device. The Bluetooth word mark is owned by Bluetooth SIG, Inc. and use of such mark by Honda is under licence. \*Digital radio station coverage dependent on vehicle location. "Garmin® is a trademark of Garmin Ltd. or its subsidiaries, registered in the USA and other countries.

\*SUNA is a registered trademark of Intelematics Pty. Ltd. Coverage includes Melbourne, Sydney, Brisbane, Gold Coast, Adelaide, Perth and Canberra metropolitan areas. Refer to sunatraffic.com.au for full details. \*More frequent servicing may be required if vehicle is subjected to certain driving conditions. For more information visit honda.com.au/driving-conditions. \*5-year unlimited kilometre warranty available on all vehicles except those used for a Commercial Purpose, where a 5-year/140,000 kilometre (whichever occurs first) warranty is applicable.

You can't focus on the adventure ahead without having the right gear for the road. That's where our range of Honda Genuine Accessories come in. Specially-designed for our Honda CR-V, they're built to last and ready for anything.

#### KEY:

- 1. Sports grille
- 2. Roof racks
- 3. Door lining illumination
- 4. Luxury carpet mats
- 5. Door visors
- 6. Durable rubber mats
- 7. Side steps
- 8. Cargo tray (shown in 7 seat model)
- 9. Door sill garnish set
- 10. Illuminated door sill garnish

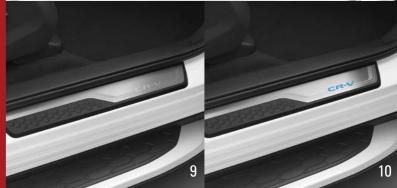

#### ADVENTURES PLUS PACK:

- Side steps
- Roof racks - Mats (your choice of luxury
- carpet or durable rubber)
- Cargo tray
- Roof pod

#### **ADVENTURES PACK:**

- Side steps - Roof racks
- Mats (your choice of luxury carpet or durable rubber)
- Cargo tray
- Your choice of attachment: bicycle, kayak, ski or surfboard
