It's amazing what fits into a Jazz Vibe

### Safety

The Jazz Vibe is full of preventative and protective features for people inside the car and out. That's why it comes with a 5-star ANCAP safety rating – and you can't do better than that.

### Versatility

With doors that open wide and unique Magic Seats that can flip and fold into 18 different combinations, the Jazz Vibe is ready for whatever the day – or shopping trip – may bring.

### Field of vision

The Jazz Vibe's cabin is designed for crystal clear, all-round vision, so you get to experience the world in full widescreen, HD glory. So there's always plenty to see in the Jazz Vibe.

### Value

Loaded with more of the features you love—automatic climate control and cruise control, for instance—the Vibe delivers class-leading value.

### Economical

Take a trip and your Jazz Vibe will sip a stingy 5.8 litres of fuel per 100km.\* (Prepare yourself for a much more pleasingly plump purse or wallet).

### Space

Small on the outside but bafflingly big on the inside, the Jazz Vibe features clever storage galore. Which leaves loads more room for you and your lucky passengers.

\*The fuel consumption figure is based on ADR81/02 combined test results for Jazz 1.3L with manual transmission. Jazz Vibe shown in Storm Silver.

Jazz Vibe shown in Fresh Lime.

Jazz Vibe-S shown in Azure Blue.

## One small car. One almighty challenge

If there's one thing Honda's engineers crave it's a challenge, and the curlier the better! So when asked to improve the already-brilliant Jazz, rather than rolling their eyes or dropping their shoulders, they scurried away positively aquiver with excitement. They returned with the Jazz Vibe.

The Jazz Vibe possesses an aerodynamic body with a sporty mix of sharp lines. Looks, however, can prove more than a little misleading.

Open the Jazz Vibe's door and its compact exterior suddenly gives way to an unfeasibly roomy cabin. And putting the ingenious Magic Seats through their multi-angle, multi-configuration paces, creates enough space to accommodate even the busiest life.

Then there's the drive. Regardless of which powerful, efficient i-VTEC engine option you choose, you'll enjoy more than ample get-up-and-go.

Just as enjoyable is cornering, which is an exercise in grace and economy thanks to the Jazz Vibe's superb rear suspension and silky-smooth steering.

Safety is always a matter of fanatical focus, and the ultimate accolade has been conferred upon the Jazz Vibe—a 5-star ANCAP safety rating.

The Vibe could also confidently be rated among the leaders in its class for value, too, thanks to a list of features that includes cruise control and automatic climate control.

All of which goes to prove that, with a little polish and a lot of hard work, even the best can be bettered.

Jazz Vibe-S shown in Milano Red.

## It's time to cut the word "cute"

For far too long, compact cars have been saddled with swarms of small words to describe them. "Zippy," "nimble" and, of course, "cute."

All perfectly fine adjectives when appropriate, but woefully inadequate when applied to the Jazz Vibe's exciting exterior

with its mesh grille, curved front and rear bumpers, raised wheel arches, rear LED brake lights and stylish headlights.

All of which demands a new library of adjectives. ("Sleek," "sporty" and "dynamic" spring to mind).

And the superlatives continue to stack up, because both the Jazz Vibe and Jazz Vibe-S now feature integrated side indicators in their auto retractable mirrors. Then there are the alloy wheels—15" on the Vibe and 16" on the Vibe-S. Finally, a sleek tailgate spoiler adds the perfect finishing

touch to both models. But now it's time to move on to a much, much bigger story: the Jazz Vibe's cavernous cabin.

## Personal space that's even more personal

The inside of a car can play many roles, from a much-needed meditation chamber to a mobile karaoke booth. In short, it's about as personal as an environment gets. Understanding this intimately, Honda's engineers have combined carpet, cloth and clever touches, like a leather-wrapped steering wheel and gear knob in both Vibe models, to create an on-road oasis.

And with blue and black accented cloth finish in the Vibe and smooth, dark blue and grey interior sports trim in the Vibe-S, each Jazz Vibe is the very model of understated elegance.

Looks, however, are only a small part of the story. Once you're settled in and buckled up, a warm orange glow will immediately draw your eye to the Jazz Vibe's dash and its brilliantly brainy multi-information display, which sits comfortably low and puts the most important information in your field of view while you keep your eyes on the road ahead.

Thanks to a cabin built for better all-round vision, there's plenty to see. A wide windscreen with slimline pillars and front quarter windows bathe the Jazz Vibe's cabin in light

and offer a panoramic spread. Generous door mirrors and retractable rear headrests create a crystal clear rear view, too.

Such glorious scenery demands a suitable soundtrack and you can enjoy your music any way you like, thanks to the Jazz Vibe's very clever 4-speaker audio system with steering wheel-mounted controls, auxiliary jack, iPod\* compatible USB connectivity, and Bluetooth phone connectivity.†

Why clever? Because its volume reacts automatically to your speed, rising and falling in harmony with your engine's

every rev. (Easy listening, indeed).

To round out the refinement, the Jazz Vibe totes a tilt and telescopic steering wheel and a height-adjustable driver's seat, so you'll always travel in perfect comfort.

\*iPod® is a trademark of Apple Inc. iPod is integrated through audio display for iPod Nano and iPods from 5th Generation onwards. Older iPod models will only operate through the audio system and firmware updates may be required for audio display compatibility. Please refer to your iPod User Guide for information on iPod firmware updates.  
†The Bluetooth word mark is owned by the Bluetooth SIG, Inc. and use of such mark by Honda is under licence. Please check the list of compatible phones at [honda.com.au/bluetooth](http://honda.com.au/bluetooth)

1.

## A brilliantly intuitive cockpit

The Jazz Vibe's backlit dashboard is positioned low with super-legible speedometer, tachometer and fuel gauge. And the rest of the interior design works together seamlessly putting everything within your eyeline and easy reach at all times. So all you need to concentrate on is enjoying the ride.

1.

2.

## Climate control

Simply set and forget the automatic climate control to keep the temperature (and tempers) pleasant at all times.

3.

## Vanity mirrors

Both driver and passenger get their own vanity mirror to ensure they look every bit as good as the Vibe itself.

4.

## Comfortable seats

When it comes to comfort, the Vibe is sure to earn your vote. Stylish and supportive seats are designed to cradle you during cornering. And the driver is especially spoiled with a height adjustable seat.

2.

3.

4.

5.

## Paddle shifters

The Jazz Vibe puts a little race-inspired fun into even the most routine trip with sporty paddle shifters. (Auto only).

6.

## Cruise control

Steering wheel-mounted cruise control puts a long, leisurely drive in your Jazz Vibe, quite literally, at your fingertips.

7.

## Steering wheel mounted audio controls

The Vibe puts audio controls within easy reach, so the perfect soundtrack is never far away.

5.

6.

7.

# "For my next trick"

"I'll make this enormous pile of oddly-shaped bits and bobs disappear!"

That's the Jazz Vibe's Magic Seats talking and there's no sleight of hand involved.

Instead, some ingenious engineering means that with the simple pull of a lever, you can fold the Jazz Vibe's seats into 18 uniquely useful set-ups, creating almost any shape you can think of.

Fold the seats down into Utility Mode and you create a perfectly flat 1450mm floor that's roomy enough to accommodate two adult bikes with the front wheels still on.

For lengthier loads – be it a bulky bookcase or a bundle of bamboo – fully recline the front and 60/40 split rear seats and you have Long Mode (you also have 2.4m of space).

Finally there's Tall Mode, where the rear seat bases flip up like cinema seats to allow awkward things that won't lie down to stand up on the floor.

Of course, there'd be no point having all this room inside the Jazz Vibe if you couldn't fit things through the doors in the first place, a problem Honda's engineers foresaw and solved with a low floor and doors that open to an extremely accessible 80 degrees.

But enough talk of big things, because the Jazz Vibe is simply brimming with clever little touches, too. For example, ten beverage holders, a two-tiered glove compartment and even a hidden under-seat compartment to keep valuables safely out of sight.

So everything has its place in the Jazz Vibe, including you.

Jazz Vibe shown.

# The power of a paradox

How can less give you more and more cost you less?

It may sound like a Zen riddle, but it was just this question that prompted Honda's engineers to develop the paradoxically powerful and economical i-VTEC engine.

Without wanting to unleash a technical tirade, here's how it works: the i-VTEC engine features two separate cam profiles – one made for sportier performance, the other for optimum efficiency – and depending on requirements, it switches between the two. In short, it's like having two engines in one. The result is a surprising amount of oomph and even more surprising economy (and with this efficiency comes impressive emissions performance, too).

And while you won't have to choose between fun and frugality when you buy a Jazz Vibe, you will have to decide between a 1.3 litre i-VTEC engine in the Vibe, or a 1.5 litre version – one of the most powerful in its class – in the Vibe-S.

Turning circle  
kerb to kerb (m)  
**10.4**

Jazz Vibe-S shown in Azure Blue.

Regardless of your decision, you'll soon notice the Jazz Vibe's awesome agility. By teaming low rear suspension, Electric Power-assisted Steering (EPS) and a rigid body with a low centre of gravity, the Jazz Vibe shows equal aplomb whether taming tight corners or even tighter parking spaces.

Vibe and Vibe-S. All automatic transmissions come with Honda's Grade Logic Control, a unique system that adjusts to inclines and declines instantly, eliminating gear hunting so you can enjoy a smoother ride.

But whichever option you decide upon, you can be sure you've found your perfect match in this particularly pleasing hatch.

As for transmissions, there's a 5-speed manual in the Vibe and a 5-speed automatic with sporty paddle shifters in the

Typical 'gear hunting' without Grade Logic Control

Optimised gear selection with Grade Logic Control

Shift patterns are examples only.

## Superbly safe and sound

By now you're well and truly aware of how well the Jazz Vibe will look after all your bits and pieces, but now it's time to explore just how well it will look after you. And in that regard you can rest easy, because the Jazz Vibe has earned the coveted 5-star ANCAP safety rating. And here are a few of the reasons why:

### Automatic tensioning seatbelts

If you're involved in a collision, the same sensors that deploy the Jazz Vibe's airbags automatically tension the front seatbelts to help hold you securely.

### Side-impact door beams

The Jazz Vibe has strategically positioned high-tensile steel beams in each of its doors. Which means four more ways to help protect you and your passengers in a side-impact collision.

### Vehicle Stability Assist (VSA)

The Jazz Vibe's VSA keeps you safely on track by watching out for oversteer and understeer, and adjusting brake pressure and reducing engine power as needed. And it's standard on all Jazz Vibe models.

### ABS with EBD

The Anti-lock Braking System (ABS) is arguably the most effective way to maintain steering control during hard braking. So naturally it comes as standard. As does Electronic Brake-force Distribution (EBD), a sensory system that monitors and calculates weight balance, and adjusts brake force accordingly.

### Six airbags

Hop in the Jazz Vibe and you're surrounded by the safety of six airbags. Along with dual front airbags, there are side airbags with Honda's Occupant Position Detection System (OPDS) which helps prevent deployment if it senses a child or smaller person in the front passenger seat. And because safety is no time to take sides, the Jazz Vibe helps lessen the chance of head or neck injuries for passengers in a lateral collision with full length side curtain airbags, too.

### Pedestrian Safety

Honda is always looking for ways to make pedestrians safer, and the Jazz Vibe does just that with features including windscreen wiper pivots which break away on impact, energy-absorbing front wing mounts and bonnet hinges, as well as extra space between the bonnet and the engine to give the bonnet room to deform and absorb impact.

### ACE body structure

Part of Honda's unique G-CON body technology, the Jazz Vibe's Advanced Compatibility Engineering (ACE) body structure helps redirect the energy of an impact over and around the body frame and away from you and your passengers.

## Jazz Vibe

The Jazz Vibe comes standard with:

### POWERTRAIN

- 1.3 litre SOHC i-VTEC engine
- 73kW @ 6,000rpm and 127Nm @ 4,800rpm
- Drive-by-Wire (DBW) throttle system
- Electric Power-assisted Steering (EPS)

### EXTERIOR

- **15-inch alloy wheels\***
- **Aero tailgate spoiler**
- Halogen headlights and LED rear combination lights
- Mesh style grille (matt black finish)
- **Power retractable door mirror with integrated side indicators**
- Power side mirrors (body coloured)
- Remote keyless entry

### SAFETY AND SECURITY

- 5-star ANCAP safety rating
- Advanced Compatibility Engineering (ACE) body structure
- Airbags SRS: dual front, side and full length curtain
- Anti-lock Braking System (ABS)
- Electronic Brake-force Distribution (EBD)
- Honda G-Con Technology
- Immobiliser system
- Vehicle Stability Assist (VSA) with Traction Control

### INTERIOR

- 10 cup holders
- AM/FM radio, CD player (MP3/WMA compatible) and 4 speakers
- Auxiliary jack and USB port (iPod\* compatible)
- **Climate controlled air conditioning**
- Cloth seat trim
- **Cruise control**
- **Driver seat back pocket**
- Hands-free Bluetooth® telephone connectivity<sup>o</sup>
- **Leather wrapped steering wheel and gear knob**
- Magic Seats system (60/40 split fold down and tip up rear seats)
- Multi-information display (MID)
- Power windows with auto-up/down driver's window
- Seat back pocket (front passenger)
- Speed sensitive volume compensation
- **Steering wheel mounted audio controls**
- Tilt and telescopic adjustable steering wheel
- Vanity mirror (driver)
- **Vanity mirror (front passenger)**

<sup>o</sup>Features new to the Jazz Vibe shown in bold. Blue/Black seat trim

## Jazz Vibe-S

Features over and above the Vibe:

- 1.5 litre SOHC i-VTEC engine
- 88kW @ 6,600rpm and 145Nm @ 4,800rpm
- **16-inch alloys wheels\***
- Aero front and rear bumpers
- Aero side skirts
- Chrome exhaust
- **Climate controlled air conditioning**
- **Driver seat back pocket**
- Front fog lights
- Mesh style grille (gunmetal paint finish)
- Sports cloth seat trim

<sup>o</sup>Features new to the Jazz Vibe-S shown in bold. Dark blue/Grey seat trim

## This time it's personal

OK, it's time to get creative, because there is a whole range of Genuine Honda Accessories available to mix and match to create your perfect Jazz Vibe. And being genuine, you can be sure they'll fit perfectly and perform flawlessly. To find out more, simply contact your local Dealer or visit [honda.com.au/jazz](http://honda.com.au/jazz)

## Modulo

Make your Jazz Vibe even more fabulous with the Modulo Sports Pack. Designed to complement and accentuate the Jazz Vibe's already sporty looks, you can choose the full kit or your own unique combination.

### Modulo Sports Pack (as shown):

- Alloy wheels
  - 15" (Vibe)
  - 16" (Vibe-S)
- Sports grille
- Door styling guards

Jazz Vibe-S shown fitted with Modulo Sports Pack including 16" alloy wheels, sports grille and door styling guards.

### Alloy wheels

Available in two different sizes depending on the model you choose, these wheels will make a slick and sporty addition to your already very stylish Jazz Vibe. 15" for Vibe (left) and 16" for Vibe-S (right).

### Fog light set

When the weather takes a turn for the worse, these precision optics will help you see better. And thanks to their integrated design, they'll help make your Jazz Vibe look better, too.

### Door sill garnish set

With a combination of stand-out style and stainless steel protection, these door sill garnish sets feature a Jazz logo on the front. They're available in Illuminated Blue<sup>o</sup> (left) and Non-Illuminated Metal-Style Finish (right).

### Carbon style accents

Here's a chance to make your Jazz Vibe uniquely your own with a customised interior trim. Each piece coordinates to create a stunningly modern look. Choose from a Door Grip Set (left), Meter Visor and Air Outlet Ring Garnish Set (right) and Audio Control Panel Garnish Set (bottom). All sold separately.

### Sports pedal set

Engineered from aluminum, clear coated and finished with moulded rubber studs, these performance pedals provide grip during braking and shifting. Clean, cool looks are an added bonus. Accent lighting also shown. Sold separately.

See your Honda Dealer for advice regarding Genuine Honda Accessories. Pictured accessories are all sold separately. All Genuine Honda Accessories installed at the time of retail sale of a new motor vehicle are covered by Honda's 3 Year/100,000km Warranty. If installed after retail sale, they are covered for the remainder of the warranty or a minimum of 12 months – whichever is greater – provided that the accessory is fitted only to the vehicle for which it was intended by Honda Motor Co.

<sup>o</sup>The illuminated door sill garnish set includes illuminated front door and non-illuminated rear door sill garnishes.

## To protect and serve

These Genuine Honda Accessories make things easier to store, and help protect your Jazz Vibe from damage, all while looking as suitably slick as anything you'll find in a Honda. To find out more, simply contact your local Dealer or visit [honda.com.au/jazz](http://honda.com.au/jazz)

### Other accessories include:

- Accent lighting
- Ash tray
- Bonnet protector
- Car body cover
- Chrome towball
- Cigarette lighter
- Door visors
- Headlight protectors
- Mud guards<sup>a</sup>
- Portable ash tray
- Tongue and towball storage bag
- Touch-up paint
- Tow bar kit
- Trailer plug adapter
- Wheel lock nut set

### Roof rack set<sup>‡</sup>

No matter what you're into, chances are there'll be an accessory to suit, with bike, ski and snowboard, surfboard, kayak and roof box attachments available. So load up and free up space inside your Jazz Vibe to give you and your passengers a clearer, more comfortable ride. (Holds up to 50kg in weight).

### Rear park assist

Squeeze into the smallest spaces without a scrape with these neatly integrated rear parking sensors. Small and colour-matched to your car's paintwork, they warn you with a beep when you get too close to another vehicle or object.

### Floor mat sets

Custom-contoured floor mats will help spare your Jazz Vibe from the wear and tear of daily driving. Choose from the Deluxe Tailored Mat Set with high quality carpet, woven binding and embroidered Jazz logo or the All-Weather Rubber Mat Set with thick ridges to trap dirt, sand, mud and water.

### Luggage area protector tray

Specifically designed to snugly fit the boot, this tray means that while you can get as muddy and mucky as you like in the great outdoors, your Jazz Vibe's interior will stay spotless.

### Door handle set

This sophisticated carbon-style garnish fits with the Jazz Vibe's already sleek contours to further enhance its style and design. Features a UV resistant finish.

### Door styling guards

These colour-matched door styling guards not only look snazzy, they help protect your Jazz Vibe from door dents and scrapes.

### Organiser box

For the more fastidious Jazz Vibe owner, the organiser box helps keep things separate, safe and secure. Sturdy canvas gives added support to your belongings, and the box collapses when not in use.

### Rear bumper and bootlip protector

Keep your Jazz Vibe's rear end in tip-top shape with this practical posterior protector.

### Arm rest console

Large enough to be used by both driver and passenger, this padded arm rest with storage compartment offers both comfort and convenience.

See your Honda Dealer for advice regarding Genuine Honda Accessories. Pictured accessories are all sold separately. All Genuine Honda Accessories installed at the time of retail sale of a new motor vehicle are covered by Honda's 3-Year/100,000km Warranty. If installed after retail sale, they are covered for the remainder of the warranty or a minimum of 12 months - whichever is greater - provided that the accessory is fitted only to the vehicle for which it was intended by Honda Motor Co. <sup>a</sup>Front and rear mud guards sold separately. Not available on Jazz Vibe-S. <sup>‡</sup>In the interest of aerodynamics, Honda recommends roof rack set be removed when not in use.

## You're never alone in a Honda

Buy a Jazz Vibe and you'll be amazed at how well you'll be looked after.

The care starts with a 3-year/100,000km warranty and 6-year rust perforation warranty.<sup>§</sup>

And for a small extra investment, you can enjoy a huge amount of peace-of-mind with Honda Warranty Plus<sup>§</sup> including Premium Roadside Assist.

Plus, as a Jazz Vibe owner you're entitled to a five year subscription to *Honda. The Magazine* and access to our exclusive HondaONE website. This secure site gives you all the important information you never knew where to find, like up-to-date service history, vehicle records, maintenance tips and personalised service reminders.

And by using your Honda Dealer, you'll also be sure that they'll protect your investment by using Honda Genuine Parts.

So with all these benefits, your Jazz Vibe will be as pleasurable to own as it is to drive.

## Insurance

If you're looking for cover every bit as reliable as your Jazz Vibe, you really need Honda Motor Vehicle Insurance.

You'll enjoy a range of benefits, including:

- 3-year new replacement if your Honda is a total loss
- Genuine Honda approved parts for the first 5 years
- Lifetime guarantee on authorised repairs.

Approved applicants only. Normal underwriting and excess payment rules apply.<sup>^</sup>

## Finance

Whether you're buying a Honda for yourself or a business, we have a wide range of flexible finance and leasing options.

So see your Honda Dealer to find a financial solution that suits you as perfectly as your Jazz Vibe does.

## What's next?

As a Jazz Vibe owner, you're part of a brand that's always doing something new.

Because if there's one thing Honda prides itself on, it's always asking, "What's next?"

It was this inventive spirit that led to developing the ingeniously clever Magic Seats, system.

It also produced the new CR-Z, the world's first sporty hybrid coupe.

And that's not our first 'world first' either.

There's the FCX Clarity, which is powered by a hydrogen cell and whose only emission is water vapour.

Or the unique CIGS solar cells that produce twice as much energy than they take to make.

Then of course there's ASIMO, the world's most advanced humanoid robot and the incredibly fuel-efficient Hondajet.

And now there's a glimpse of the future with the altogether different U3-X, a personal mobility device that takes you in any direction by simply shifting your weight.

All of these things, which were once dreams, are now realities thanks to Honda.

So what's next?

<sup>§</sup>Honda warranties apply where due care is exercised by the owner and the vehicle is maintained in accordance with the Owner's Warranty and Service Manual. Please visit [honda.com.au/warranty](http://honda.com.au/warranty) for full terms and conditions. <sup>^</sup>Honda motor vehicle insurance is issued by Allianz Australia Insurance Limited ABN 15 000 122 850. Conditions and exclusions apply. Please read the Product Disclosure Statement before making any decision regarding this product and whether it is appropriate to meet your needs. To obtain a copy, please contact Honda on 1300 780 964. Honda dealers are either authorised representatives or insurance distributors of Allianz.
