NEW POSSIBILITIES.

Elantra

HYUNDAI. NEW THINKING. NEW POSSIBILITIES.

At Hyundai, we understand that life is about continual change. Our progress as a company isn't measured by our actions in the past but by how we respond to our environment and listen to our customers.

Our focus today is on producing cars that embody quality, variety, innovation and individuality... cars that are underpinned by 5-star quality in design, build, features, accessories and safety.

And as a testament to our worldwide commitment to quality, Hyundai is now one of the world's fastest growing automotive brands. Our aim is to challenge and question the way things are done to create bigger new ideas and better quality solutions to enrich our customers' life experiences. Only by re-imagining what tomorrow's world will bring, can we meet our customers' needs now and into the future. We invite you to join us on our journey.

A NEW BENCHMARK IN SERVICE AND SUPPORT

Your Elantra ownership is supported by all the benefits of the Hyundai iCare program, which demonstrates our commitment to back every vehicle we build and to make Hyundai ownership an enjoyable, worry-free experience. iCare includes:

- The peace-of-mind of Australia's first five-year unlimited kilometre warranty^Y
- Hyundai iCare Capped Price Service[†], which further reduces the cost of owning a Hyundai
- The confidence of Hyundai Roadside Assist for up to 7 years^{**}
- The convenience and exclusive benefits of myHyundai
- The support of our 24/7 Customer Care Centre
- The assurance of a complimentary 1,500km vehicle inspection
- The satisfaction of having your vehicle serviced by qualified Hyundai factory-trained technicians using only Hyundai Genuine Parts
- The timeliness of updated mapping and content for factory installed satellite navigation through the NAVTEQ™ MapCare™ Plan[^]

HYUNDAI
iCare

The BIG small car

The Elantra combines smart design, cutting-edge technology and state-of-the-art engineering to give you the manoeuvrability and agility of a compact, with all the appointments and space you'd expect in a big car.

At first glance, you'll notice that the Elantra is larger and sleeker than most small cars. Get behind the wheel and you'll discover it's also smarter with an engine that delivers impressive power while achieving outstanding fuel economy. This design not only has visual appeal, it also delivers a very low resistance with a Cd of just 0.28. This allows the Elantra to slip through the air for better performance and lower fuel consumption.

With an exceptionally high level of standard inclusions and finishes, you'll love driving - or being driven in - the Elantra. And with the inclusion of numerous cutting-edge passive and active safety technologies, you can do so with complete confidence and peace of mind.

Elantra Premium model shown in Red Allure

Windswept lines that evoke movement, power and excitement.

The Elantra breaks free from the staid appearance that's usually associated with small cars, to incorporate the "fluidic sculpture" design language that now characterises the newest members of the Hyundai family.

It's a design inspired by nature and refined by science that combines beautiful lines and curves that are seemingly carved by the wind, with an athletic 'ready-to-pounce' stance, to create a dynamic sense of continual motion.

Created by Hyundai's design team, every detail of the Elantra adds to its sophisticated visual statement. From the hexagonal grille that's connected by character lines to the wrap around tail-lights, through to the coupe-like roofline and muscular wheel arches, the Elantra turns heads and quickens pulses.

But looks are just the beginning. Detailed craftsmanship and the use of superior grade materials ensure that the Elantra backs every inch of style with an equivalent amount in substance.

Elantra Premium shown in Phantom Black

Headlight

Wing Mirror

Tail Light

A smart interior designed for relaxed driving.

The Elantra's exterior design lines sweep through to an elegant and stylish interior that features a wave-like dashboard and centre console housing a 5" colour touch screen audio system. Aesthetically pleasing textured finishes are soothing on the eyes, while two prominent gauges at the centre of the instrument panel provide at-a-glance details of drive information. From the driver's cockpit, every control, button and knob has been logically placed and is within easy reach to help you keep your eyes on the road while driving.

Audio System

Elantra Premium interior shown

Elantra Premium interior shown

All the comfort and space of a big car.

The Elantra delivers all the luxurious space you'd expect in a much bigger car. With loads of legroom, generous headroom and class-leading shoulder room for both front and rear-seat passengers, the Elantra allows five adults to enjoy the journey in comfort, putting it in a class of its own.

Elantra Elite interior shown

Superior-grade materials, inside and out.

The Elantra's high levels of standard equipment provide immediate evidence of Hyundai's vision to design and build leading quality.

But there is much more to the Elantra's quality story than simply a list of inclusions, such as the meticulous attention to detail that's reflected in everything from the design of the cat's eye headlamps through to the location - and amount - of storage areas.

Craftsmanship and superior-grade materials are likewise reflected in touches such as the premium steering wheel and gear knob, quality upholstery and the use of soft-touch surfaces.

From start to finish, the Elantra makes an adamant statement of design and engineering excellence that makes it arguably the best value car on the road today.

Power Windows

Rear Centre Armrest

An intuitive and responsive drive.

The Elantra's elegant aerodynamic design and confident stance, together with a suspension that's been tuned specifically for Australian conditions, provides you with an effortless and assured road-hugging driving performance.

Motor driven electric steering and the intuitive placement of instruments and controls, add to the ease of driving, while the Elantra's sophisticated 6-speed SHIFTRONIC® automatic or six-speed manual transmission deliver smooth acceleration with greater fuel efficiency.

The Elantra provides you with the small car benefits of being economical and easy to drive and manoeuvre in the city, combined with all the big car benefits of a roomy and comfortable interior, as well as the power to take on the open road.

Elantra Premium model shown in Red Allure

A level of appointments that's second-to-none.

At Hyundai, we believe in making rich technology and cutting-edge innovation accessible to everyone. That's why - unlike ordinary small cars - the Elantra is packed with best-choice equipment and appointments.

Push Button Start (Elite and Premium)

iPod, AUX & USB Support*

Steering Wheel Mounted Audio Controls

Features such as push-button start and Smart Key Proximity entry (Elite and Premium) set the tone for sophisticated specifications such as the Elantra's dual-zone automatic air-conditioning system (with air ioniser), which allows the front passenger and driver to adjust the climate to their individual preferences. Similarly, for total driving comfort and ease, the steering wheel offers full tilt and telescopic adjustment, and is mounted with touch button controls for audio and cruise functions.

And because taking your music with you is such an integral part of time on the road, the Elantra's integrated audio system with 5" colour touch screen provides brilliant sound reproduction which includes radio, MP3/CD player and AUX connectivity. A USB port allows you to connect a USB stick, MP3 player or your iPod®, while the audio system also allows hands-free# use of your mobile phone and enables you to stream music directly from your Bluetooth® compatible mobile phone or media device.

Elantra Premium model shown in Sleek Silver

Dual Zone Auto Climate Control
(Elite and Premium)

*iPod and connection lead not included. #The Bluetooth® word mark is owned by Bluetooth SIG, Inc. iPod® is a registered trademark of Apple Inc., registered in the US and other countries. Please check your Bluetooth® device's capabilities to ensure compatibility.

More power and 11% more efficient.[^]

At the heart of the Elantra lies a highly advanced engine (designed and built by Hyundai) that's coupled to a choice of two transmission systems.

The 1.8 litre 'Nu' engine, made of stronger yet lighter aluminium, delivers up to 110kW of power while producing 178Nm of torque at 4,700rpm.

This lighter engine, together with the use of Continuously Variable Valve Timing technology on both cam shafts, helps deliver significantly greater fuel efficiency - as little as 5.6l/100km* on highway cycle.

An electronic throttle control accurately manages air intake and engine torque, which further improves driveability, responsiveness and economy.

When combined, the Elantra's powerful performance, exceptionally low fuel consumption and reduced CO₂ emissions all add up to one of the best performances in its class.

	1.8 Petrol	
Maximum Power	110kW @ 6500 RPM	
Maximum Torque	178Nm @ 4700 RPM	
Fuel Consumption [#] (combined city and highway)	6.6L/100km M/T 7.1L/100km A/T	
CO ₂	Manual 158	Auto 169

[^] Compared to previous Elantra model.

* ADR 81/02 highway test for 1.8 manual. Fuel consumptions will vary on a combination of driving habits and vehicle conditions.

ADR 81/02 combined fuel cycle. Fuel consumptions will vary on a combination of driving habits and vehicle conditions.

Elantra Premium model shown in Santorini Blue

B

C

A Eco-driving system and silica tyres

The Eco-driving indicator in the instrument panel displays a green LED light to indicate fuel-efficient driving and flashes red when fuel is being wasted (automatic variants only). Standard silica tyres reduce rolling resistance and help to further reduce your fuel bill. The combination of a 110kW of power, and an aerodynamic body design that delivers a drag coefficient of 0.28Cd, enable the Elantra to produce a big car performance with small car economy

B 6-speed automatic

The Elantra's six-speed automatic transmission is lighter, shorter and has less moving parts to optimise engine performance and boost fuel economy.

C 6-speed manual transmission.

For purists who insist on doing their own shifting, the Elantra's six-speed manual transmission option is economical, quiet and ultra-smooth, designed to deliver many years of trouble free operation.

Elantra Premium model shown in Sleek Silver

Built-in safety - drive with confidence.

Hyundai is driven by a philosophy to build the safest cars on the road today, which means that safety considerations begin with a tough and uncompromising approach to vehicle engineering.

Designed to protect

Achieving Australia's highest possible occupant safety rating - 5 Star ANCAP - the Elantra has been engineered with ultra-high tensile strength Australian steel to provide a stronger chassis. Likewise, safety-critical areas such as door modules and intrusion beams have been reinforced to provide greater protection in the event of an impact.

Designed to avoid

Also standard on the Elantra are six airbags, including dual front airbags, front seat-mounted side airbags and roof-mounted side curtain bags that provide cocoon-like safety at every seating position.

While driving the Elantra, a myriad of active safety technologies are continuously at work, monitoring the vehicle's performance and handling, ready to spring into action to assist you maintain or regain control. These include the Electronic Stability Control (ESC) with Traction Control System (TCS), which senses the loss of wheel grip (such as when skidding) and then applies individual wheel braking, together with engine and transmission adjustments, to help you get the vehicle back on its intended course.

Safety intrusion beam

In emergency situations the state-of-the-art Vehicle Stability Management (VSM) system integrates all the active safety technologies in the Elantra including the power steering. VSM aides in maintaining vehicle control, even by providing forced counter steering to help you get back on track.

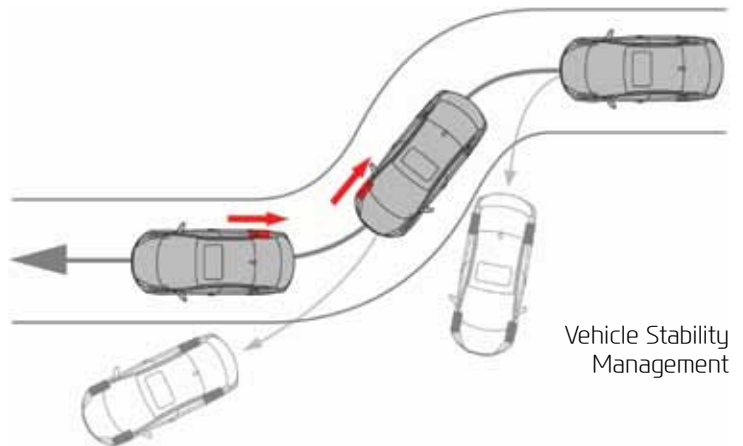

Parking sensors warn you when you're getting too close to an object, while a reverse camera (Premium only) built into the rear of the vehicle provides a colour LCD image of the area behind the vehicle, for additional safety and protection.

Rear Parking Sensor

Ultra-high tensile strength steel

Vehicle Stability Management

Packed with so much more.

The Elantra is available in three trim levels - Active, Elite and Premium - each equipped with every amenity and convenience you need to enhance your driving experience.

Active

Elite

Premium

Dusk-Sensing Headlamps

While driving, the auto light control switches on the lights at dusk and dawn, or when entering dark areas such as tunnels and underground car parks. After parking and locking the car, safety escort lamps light your way for 30 seconds. (Elite and Premium auto transmission variants only)

Sunglass Case & Map Lamp

Convenient overhead storage binnacle for your expensive shades so they don't get lost or scratched.

Steering Wheel Controls

With fingertip ease and simplicity, steering wheel-mounted buttons give you total control, with minimum distraction, over functions such as audio, cruise control and data display.

Rear Camera

For parking with safety and ease, the Elantra is fitted with a rear camera that's built into the vehicle's rear garnish and provides a colour LCD image of the area behind the vehicle that can be viewed in an integrated display within the driver's rear-view mirror. For additional safety, colour distance-indicators show the width of the Elantra and the distance to an object behind the vehicle. (Premium only)

Fog Lamps

Stylish fog lamps are integrated into the bumper. A separate switch controls high intensity rear red fog lights. (Elite and Premium)

Sunroof

The power sunroof is made for those special days when you want to enjoy the sunshine and the fresh breeze. (Premium only)

LED Side Mirror Repeaters

Aerodynamically sculpted outside mirrors with LED side repeaters enhance safety by providing greater visibility of your turning intention.

Safety Power Window

The power window controls include single touch 'auto-up' function and a power window lock-out switch. When safety sensors detect an obstacle while the power windows are being operated, they automatically reverse the windows direction.

iPod®, Aux & USB Support

USB audio input with digital iPod® compatibility allows you to stay perfectly tuned and fully connected while on the road. (iPod® and connection lead not included.)

Auto Light Control

While driving, the auto light control switches on the lights at dusk and dawn, or when entering dark areas such as tunnels and underground car parks. After parking and locking the car, safety escort lamps light your way for 30 seconds.

Audio System

With full iPod® connectivity, auxiliary and USB input ports, as well as Bluetooth® connectivity, the Elantra makes it easy for you to take your music with you and use your mobile phone safely.

Rear Centre Armrest

The folding rear console adds comfort and convenience for the rear seat passengers.

Sunvisor

The sun visor with its built-in illuminated vanity mirror adds an extra touch of convenience ladies especially will appreciate.

Parking Sensors

When reversing, four sensors mounted on the rear bumper enhance safety by sounding an audible alarm when an obstacle is detected. (Elite and Premium)

Rain Sensing Wipers

The rain sensing wipers give you one less thing to worry about by automatically activating the wipers when moisture is detected on the windscreen. (Elite and Premium)

Colour your life with the Elantra.

With a wide and vivid colour palette to choose from, the Elantra makes a smart, sophisticated and contemporary statement on the road.

HYUNDAI GENUINE ACCESSORIES

While the Elantra offers a comprehensive range of quality inclusions, you can further enhance your driving pleasure and ownership pride by choosing from a wide range of Hyundai Genuine Accessories that reflect your personality and add extra ease and enjoyment to your lifestyle pursuits.

Importantly, Hyundai Genuine Accessories are an astute way to help keep your new Elantra in original showroom condition and further enhance its already high levels of built-in occupant safety.

All Hyundai Genuine Accessories are backed by a 5 year warranty if purchased at the time of a new Hyundai vehicle and fitted by an authorised Hyundai dealer.

1. Please note that Mudflaps and/or Towbars cannot be fitted to vehicles with a Full BodyKit or Rear Skirt, and a Full BodyKit or Rear Skirt cannot be fitted to vehicles with a Towbar and/or Mudflaps.

2. Load capacity=65kg distributed evenly over 2 bars.

3. Park Assist is designed as driver assist function only and should not be used as a substitute for skilled driving and safe parking practices.

†All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai Dealer or visit our website at www.hyundai.com.au for full warranty terms and usage recommendations. Accessories pictured are all sold separately at an additional cost. Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a conjunction thereof.

The Hyundai Elantra Active Model featured above in Creamy White is accessorised with Hyundai Genuine Whispbar™ Quiet Roof Racks², Surfboard Carrier, Front & Rear Park Assist (4 head)³, Bonnet Protector, Headlight Protectors (set of 2), Tinted Stylevisors (set of 4), Mudflaps (Set of 2)¹, Front Skirt, Side Skirt, Rear Wing Spoiler and Rear Skirt with Rear Diffuser. All sold separately at an additional cost. Surfboard not included.

iCare Terms (from inside cover)

5 year/unlimited km warranty: 5 year unlimited km warranty only applies to new passenger vehicles used for private/domestic purposes. Vehicles used at any time for high mileage/commercial purposes are excluded. Refer to full warranty conditions. **12 months free Roadside Assist:** Complimentary 12 months Roadside Assist when you purchase a new Hyundai vehicle (excluding rental buyers). Roadside Assist extensions are valid for 12 months from the date of scheduled maintenance service at a participating authorised Hyundai dealer. Does not apply to vehicles when they reach 84 months from original new car sale date. **MapCare™:** MapCare™ Plan only applies to new vehicles with factory-fitted satellite navigation. Navteq™ and MapCare™ are registered trademarks of Nokia Corporation. Maximum of 2 updates taken on an annual cycle within 3 years of the vehicle's initial purchase. Vehicle must be serviced at a participating authorised Hyundai dealer to receive free map update. **Capped Price Service:** Applies to new Hyundai vehicles first registered from 1/8/12, private and nominated small business customers only, for the first 3 years/45,000km, whichever comes first. Vehicles sold to rental, government, not-for-profit and fleet customers are not eligible. Eligible vehicles entitled to capped (maximum) price for standard scheduled maintenance (ie, logbook) services at participating authorised Hyundai dealers. **Terms and conditions apply to all warranty and Hyundai iCare offers, visit www.hyundai.com.au/icare/terms for full terms, conditions, exclusions and eligibility details.**
