# Veloster Series II

## HYUNDAI. NEW THINKING. NEW POSSIBILITIES.

At Hyundai, we understand that life is about continual change. Our progress as a company isn't measured by our actions in the past but by how we respond to our environment and listen to our customers.

Our focus today is on producing cars that embody quality, variety, innovation and individuality - cars that are underpinned by 5-star quality in design, build, features, accessories and safety.

And as a testament to our worldwide commitment to quality, Hyundai is now one of the world's fastest growing automotive brands. Our aim is to challenge and question the way things are done to create bigger new ideas and better quality solutions to enrich our customers' life experiences. Only by re-imagining what tomorrow's world will bring, can we meet our customers' needs now and into the future. We invite you to join us on our journey.

## A NEW BENCHMARK IN SERVICE AND SUPPORT

Your Veloster Series II ownership is supported by all the benefits of the Hyundai iCare program, which demonstrates our commitment to back every vehicle we build and to make Hyundai ownership an enjoyable, worry-free experience.

iCare includes:

- The peace-of-mind of a 5 year unlimited kilometre warranty\*
- Hyundai iCare Lifetime Service Plan,# to protect your car with genuine servicing
- The confidence of Hyundai Roadside Support Plan for up to 10 years^
- The convenience and exclusive benefits of myHyundai
- The support of our Customer Care Centre. Feel free to call 1800 186 306
- The assurance of a complimentary 1,500km vehicle inspection
- The satisfaction of having your vehicle serviced by qualified Hyundai factory-trained technicians using only Hyundai Genuine Parts
- The timeliness of updated mapping and content for factory installed satellite navigation through the 3 Year HERE® Satnav Update Plan†

Find out more about all Hyundai iCare plans and offers, including terms and conditions, by visiting [www.hyundai.com.au/icareterms](http://www.hyundai.com.au/icareterms)

Veloster Series II + model shown in White Crystal

# DESIGN NEED

# A FRESH TAKE ON URBAN COMMUTING

The all-new Hyundai Veloster Series II is a car like no other. It combines the exciting styling cues and aggressive stance of a sports car with the space and everyday practicality of a hatch.

The Veloster Series II offers a spirited performance and a fun driving experience that's made even more pleasurable through exceptional fuel economy and low emissions.

At the same time, it's also been designed to meet the demands of today's modern world, and matches its impertinent good looks with the down-to-earth functionality that makes a hatch so practical.

That means there's room for all your stuff, as well as driving comfort for four occupants.

Just like your portable electronic devices, the Veloster Series II is packed with all the technology you need to keep connected to the things that matter most. What's more, it's loaded with safety features that will also help to keep you connected to the road.

As exciting to drive as it is to look at, the Veloster Series II is a fresh take on urban commuting.

**Veloster Series II +** model shown in Vitamin C

Veloster Series II + model shown in Vitamin C

# 2 DOOR STYLE, 3 DOOR ACCESS

With its confident and energetic design lines, unique 1+2 asymmetric door configuration and a bold colour palette, the Veloster Series II brings to the street all the exhilaration, excitement and flair you'd expect from a futuristic concept car.

In developing the Veloster Series II, Hyundai has broken new ground by thinking beyond the limits of conventional coupés to create an innovative vehicle that combines sports car style and dynamics with hatchback practicality. Similarly, while maintaining the classic two-door look of a coupé, the Veloster Series II incorporates a hidden third door on the passenger side for safe and easy kerbside access to the rear seats.

## 1+2 door configuration

Setting it apart from the competition, the Veloster Series II features one large door on the driver side and two doors on the passenger side.

## Hidden door handle

To maintain the integrity of the Veloster Series II's two-door coupé styling, the handle to the third door is hidden in the window frame.

## Generous boot space

Even opening the Veloster Series II's tailgate reveals a pleasant surprise. With 440 litres of luggage space, plus the versatility of 60:40 split folding rear seats, there's more than enough room to hold everything you need for a holiday.

PULSE  
QUICKENING  
CURVES

BOLD MODERN COLOURS

Veloster Series II + model shown in Vitamin C

Unconventional and highly-individual, the Veloster Series II reflects the spirit of a new generation that thinks differently and sets the trend for others to follow.

Muscular wheel arches combine with a low stance, hood detailing and character lines that continually ebb and flow, to create a sense of movement and balance. The coupé styling is further reinforced by wraparound headlights and taillights, as well as a dynamic rear design with centred chrome finished dual exhaust outlets and a black lower fascia that complements the assertive front grille.

A lively and bold colour palette including red, orange, yellow,\* blue,\* white, silver and black means you can choose a hue that suits you.

#### Sculpted fluidic design language

Aerodynamic character lines inspired by Hyundai's "Fluidic Sculpture" design language, create a streamlined exterior that looks as though it's been carved by light rays.

#### LED Daytime Running Lamps (DRL)\*

LED DRLs create a striking impression and increase visibility of the vehicle to other road users.

#### Chrome radiator grille

An aggressive interpretation of Hyundai's signature hexagonal front grille provides the Veloster Series II with a confident, dynamic and daring face to the world.

#### Bonnet character lines

The aggressive hood, with its character lines and shallow bonnet cut outs, adds to the sporty look and distinguishes the Veloster Series II from the competition.

#### Dual centre exhaust

Chrome finished and flush with the rear bumper, the dual centre exhaust outlets provide the perfect mix of style and performance.

\*Only available on Veloster Series II SR Turbo and SR Turbo +

# STYLE THAT STANDS OUT

Veloster Series II + model shown in Veloster Red

Designed for the digital age, the Veloster Series II delivers as much fun to passengers as it does to the driver. The roomy and comfortable interior is inspired by the design elements of a high-performance motorbike, with the centre fascia shaped like a fuel tank and the air vents fashioned like exhaust pipes.

When you want to experience the thrill of driving with the top-down, one press of a button in the Veloster Series II will open the full-length panorama glass roof and let the world around you rush in. (Veloster Series II + and Veloster Series II SR + only)

# INNER BEAUTY

Veloster Series II + model shown

**Cup holder and storage space**  
A cup holder and storage space located in the rear console provides a convenient place to hold drinks and other items.

**Sunglass compartment**  
Located in the front centre ceiling, the sunglass case can be easily accessed by both driver and front seat passenger. (Veloster Series II + and Veloster Series II SR + only)

**Alloy sports pedals**  
Distinctive alloy pedals complement the sports flair in the interior and enhance the sports driving experience.

#### Panorama glass roof

With the touch of a button, the full length two-piece panorama glass roof transforms the comfortable cabin by filling it with light and air. (Veloster Series II + and Veloster Series II SR + only)

#### Front sports bucket seats

Bolstered sports comfort bucket seats for the driver and front passenger enhance the coupé feel and provide high levels of support to reduce fatigue during long journeys.

Veloster Series II + model shown

#### Push button start and Proximity smart key

Starting the Veloster Series II's engine is as simple as pushing the start button while the key is still in your pocket or bag.

(Veloster Series II +, Veloster Series II SR and Veloster Series II SR + only)

#### Steering wheel remote controls

Remote control switches on the steering wheel enable fingertip operation of the audio and Bluetooth® functions as well as the auto cruise control.

#### Auto air conditioning

Once you've set the desired temperature, the auto air conditioning system takes care of the rest, ensuring the interior climate remains constant and comfortable.

(Veloster Series II + and Veloster Series II SR + only)

#### Premium sound system

The Premium audio system powered by an external amplifier and featuring 5 speakers, 2 tweeters and an 8-inch subwoofer turns the Veloster Series II into a mobile sound lounge.

Bluetooth® is a registered trademark of Bluetooth SIG, Inc. \*Please check your Bluetooth® device's capabilities to ensure compatibility. ^Satnav Update Plan: Only applies to new vehicles with factory-fitted satellite navigation. HERE® is a registered trademark of Nokia Corporation. Maximum number of two updates, delivered on an annual cycle and must be undertaken within 3 years of the vehicle's initial purchase. Complimentary map updates only apply if the vehicle completes a scheduled service at a participating Hyundai dealer. \*SUNA™ Traffic channel coverage is available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney and the following regional areas: Geelong, Bendigo, Ballarat, Hobart, Darwin, Newcastle, Central Coast, Wollongong, Sunshine Coast and Ipswich.

## RICH TECHNOLOGY AT YOUR COMMAND

Inside and out, the Veloster Series II is a showcase of cutting-edge innovation. Throughout, smart and intuitive technologies have been pushed to the limits to make your driving experience safer, easier and more enjoyable.

An impressive 7-inch multimedia touch screen dominates the centre console and supports a range of advanced applications and systems that keep you connected, informed and entertained. Stream music, talk hands free<sup>#</sup> on your mobile or watch movies when you're parked. Also activated by touch screen, the Veloster Series II's Satellite Navigation system is one of the most advanced available. And because navigation information is always evolving, we provide free map updates for 3 years with our HERE<sup>®</sup> Satnav Update Plan<sup>^</sup> when you service with a Hyundai dealer.

- Live SUNA<sup>™</sup> traffic updates<sup>1</sup>: provides alternate routes, delay times and estimated arrival times
- Dead Reckoning: uses the vehicle inputs to continue to calculate your location in the case of satellite signal loss
- Points of Interest: displays places of interest including restaurants, hotels, petrol stations and parking
- Driver Alerts: identifies accident black spots and knows hazards to help you avoid dangerous situations.

here

# COMMAND NEED TECH

**Double Clutch Transmission (DCT)**  
The 6-speed (Veloster Series II and Veloster Series II +) and 7-speed (Veloster Series II SR and Veloster Series II SR +) double clutch transmissions with steering wheel-mounted paddle shifters, enables fast gear changes and features an electric motor operated type clutch that provides fast and smooth automated gear changes and an uninterrupted transfer of power.

**Manual Transmission**  
The 6-speed manual transmission is built with a key and ball-type synchromesh, and optimised gear teeth for enhanced precision and smoother shifting.

The Veloster Series II has been designed to achieve outstanding weight efficiency, which in turn allows greater agility, performance and fuel efficiency.

**Aerodynamics**  
The Veloster Series II's low coupe profile enhances its aerodynamics, while its smooth contours provide lower fuel consumption with a Coefficient drag rating of 0.32.

Out on the open road, the spirited performance of the Veloster Series II's all-aluminium Gamma 1.6 litre engine makes for an invigorating drive.

Using a highly efficient Gasoline Direct injection (GDi) fuel system, this responsive and robust new engine is lightweight, quiet and vibration free. Combined with a 6-speed manual, or 6-speed (Veloster Series II and Veloster Series II +) and 7-speed (Veloster Series II SR and Veloster Series II SR +) double clutch transmission, this world-class powertrain delivers reduced fuel consumption and low emissions.

The Veloster Series II's suspension has been specifically tuned for Australian road conditions and features a range of engineering technologies that provide a smoother ride and nimble handling.

Engine	Gamma 1.6 GDi		Gamma 1.6 Turbo GDi	
Variant	Veloster Series II and Veloster Series II +		Veloster Series II SR and Veloster Series II SR +	
Displacement	1,591 cc		1,591 cc	
Maximum Power	103 kW @ 6,300 RPM		150 kW @ 6,000 RPM	
Maximum Torque	167 Nm @ 4,850 RPM		265 Nm @ 1,750 - 4,500 RPM	
Fuel Consumption*	Manual	6DCT	Manual	7DCT
Combined	6.4	6.4	6.9	7.1
CO <sub>2</sub> (g/100km)	153	151	163	165

\*Based on Australian Design Rule 81/02 static laboratory combined average city and highway cycle test. Fuel consumption will vary depending on a combination of driving habits and the condition of the vehicle.

GENEROUS PERFORMANCE  
EXCEPTIONAL ECONOMY

Veloster Series II + model shown in Veloster Red

# A UNIQUE WAY TO DRIVE

Veloster Series II + model shown in Veloster Red

# EXCEPTIONAL LEVELS OF STANDARD SAFETY

At Hyundai, safety is one of our highest considerations and begins at the design stage of each vehicle. It influences our choice of superior materials in chassis construction (such as high tensile strength steel, produced using Australian iron ore) and continues through to exacting engineering practices.

The Veloster Series II achieved the maximum 5-star ANCAP safety rating. It comes standard with numerous active and passive safety technologies and measures, which are designed to help the driver stay in control at all times, and reduce the possibility of injury should an accident occur.

Plus with features like a rear view camera that allows you to see what's behind you via the centre console's 7-inch LCD screen, and a rear park assist system that uses sensors to deliver an audible alert when the back of the car is getting too close to an object – the Veloster Series II makes sure your driving remains as safe as the vehicle itself.

#### Dual centre rail roof

To provide further protection in a collision, both the dash cross member and side members, as well as the roof structure and pillars are made from reinforced sheet steel.

#### 6 Airbags

With a system of 6 airbags including driver and front passenger airbags, nearside and offside curtain airbags, as well as left and right front side airbags, the Veloster Series II takes every precaution to reduce the risk of injury in the event of a collision.

#### Hillstart Assist Control (HAC)

Hillstart Assist Control minimises the Veloster Series II from rolling backwards when starting from a complete stop on a steep ascent. (DCT only)

#### Traction Control System (TCS)

Working in tandem with ESC, the Traction Control System helps the driver prevent wheel spin under hard acceleration, when starting on a slippery surface or driving up a steep incline.

#### ABS with Electronic Brake-force Distribution

The four-wheel disc brakes with Anti-lock Braking System (ABS) are enhanced by Electronic Brake-force Distribution, which balances braking forces for each brake of the vehicle, depending on road conditions, speed and load.

#### Brake Assist System (BAS)

The Brake Assist System minimises the stopping distance in an emergency braking situation by applying the maximum braking force.

#### Vehicle Stability Management (VSM)

The VSM system uses state-of-the-art technology to help keep you in control of the vehicle by applying counter steering assistance when needed, guiding you to the correct steering position.

#### Electronic stability control (ESC)

Electronic stability control (ESC) improves the safety of a vehicle's stability by detecting and minimising skids. When ESC detects loss of steering control, it automatically applies the brakes to help "guide" the vehicle where the driver intends to go.

Veloster Series II SR Turbo + model shown in Blue Sprinter

**TURBO**

***Veloster SR***  
***TURBO***

THE

POWER

# BORN TO PERFORM

The Veloster Series II SR Turbo and SR Turbo +'s undeniably forceful on road presence is backed by on-demand power that's itching to unleash a dynamic sports-fuelled performance. And with the Veloster Series II SR Turbo and SR Turbo +'s brilliant weight-to-power ratio, when you want to open it up, it'll do just that.

**46% MORE POWER**  
**60% MORE TORQUE**

Powered by Hyundai's new Gamma 1.6 litre twin-scroll turbocharged GDi engine with front-mounted air-guided intercooler, the Veloster Series II SR Turbo and SR Turbo + pumps out 150 kW power at 6,000 rpm and packs 265Nm of torque delivered between 1,750 to 4,500 rpm. The drive is quick and responsive and there's loads of grunt that's ready to kick in whenever you need it. And to ensure the smooth and precise handling of all that extra torque, the 6-speed manual transmission has been built with a wider gear ratio spread.

## TOTALLY TURBOCHARGED

The powerful twin-scroll turbocharger reduces turbo lag at low revs during everyday driving and provides instantaneous power for fast acceleration. This turbine set-up also boosts heat recovery and turbo efficiency, while the GDi fuel delivery system improves fuel efficiency and lowers emissions.

### REAR DIFFUSER

The dynamic sports-inspired rear diffuser in the lower fascia, integrates with the sculpted body kit to reinforce the aggressive styling while also improving aerodynamics.

# TUNED FOR PURE PLEASURE

The Veloster Series II SR Turbo and SR Turbo +'s hot looks and power are complemented by a finely tuned sports suspension. It features a quicker ratio steering rack (2.78 turns from lock to lock) with revised calibration for more precise cornering, feedback and control. The turning circle is just 10.4 metres, and the electric power steering automatically adjusts to driving conditions.

With the McPherson strut front and V-beam type torsion beam axle tuned to Australian conditions, the Veloster Series II SR Turbo and SR Turbo + offers outstanding stability, agility and handling, while maintaining exceptional ride comfort.

And of course, with loads of power under the hood and a sleek streamlined body that cheats the wind, you also need the assurance of serious braking. That's why the Veloster Series II SR Turbo and SR Turbo +'s braking package has been upped to include 300mm front discs that deliver outstanding brake performance and stopping power.

# TRUE SPORTS STYLE

When it comes to looks, the Veloster Series II SR Turbo and SR Turbo + is the real deal. Every panel of its body shell has been designed to improve performance. For example, the wide-mouth, hexagonal grille hides an ingenious air-guiding duct, which lowers intercooler outlet temperature while improving performance and fuel economy. Eight LED daytime running lights and LED rear lights improve visibility; 18-inch

alloys and 225/40 R18 tyres provide added grip to corners; and the large, twin circular exhaust pipes add extra voice to the turbo experience. And of course with its unique 1+2 asymmetric door design (with hidden rear door handle), the Veloster Series II SR Turbo and SR Turbo + is more than just a hot sports hatch.

#### SPORTS FRONT BAR

A bold and aggressive hexagonal grille and a sports-styled bumper dominate the front fascia of the Veloster Series II SR Turbo and SR Turbo +, enhancing its low, ready-for-action stance.

#### FRONT SPORTS BUCKET SEATS

The Veloster Series II SR Turbo and SR Turbo + includes bolstered, leather appointed\* front sports bucket seats, while 60:40 split folding rear seats increase luggage carrying capacity and allow extra room for unusual shaped items.

#### FOG LAMPS

Set low in the front fascia that frames the wide-mouthed grille, the round sporty fog lamps enhance near range visibility of the road ahead during difficult weather conditions.

\*Leather appointed seats mean parts of the seats have a combination of genuine and artificial leather, but are not wholly leather.

# HIGH TECH

Just like the exterior, everything inside the Veloster Series II SR Turbo and SR Turbo + is high-tech and leading edge. The centre console is dominated by a 7-inch LCD multifunction touch screen that provides fingertip control of the latest multimedia technologies. The state-of-the-art satellite navigation system incorporates live SUNA™ traffic updates† and assists you with lane guidance, speed warnings and camera alerts. Just as impressive, the Hyundai 3 years HERE® Satnav Update Plan^ provides mapping and content updates to ensure you're never out of touch with changes to the urban landscape.

# HIGH COMFORT

The premium audio system lets you connect to your favourite tunes and playlists, and you can control the lot via steering wheel remote controls. The leather appointed\* sports bucket seats and power driver's base seat (with lumbar control) provide the required sports support, together with the auto air conditioning\* add comfort to performance, while sports alloy pedals and a full length panorama glass roof provide an extra shot of adrenalin when you're putting the speedo to the test.

**STEERING WHEEL REMOTE CONTROLS**  
Remote control switches on the steering wheel provide you with fingertip control over the operation of audio functions, auto cruise control and the trip computer. With your hands firmly on the wheel, these controls help you get the most out of every drive, safely.

**PREMIUM 8-SPEAKER SOUND SYSTEM**  
The premium audio system turns the Veloster Series II SR Turbo and SR Turbo + into a fast-moving sound lounge. It is powered by an external amplifier and features eight speakers, including two tweeters and a subwoofer.

**BLUETOOTH**  
The audio system with integrated Bluetooth® connectivity# allows hands-free mobile phone use while also enabling direct streaming of music from any Bluetooth® compatible mobile phone or media device.

†SUNA™ Traffic channel coverage is available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney and the following regional areas: Geelong, Bendigo, Ballarat, Hobart, Darwin, Newcastle, Central Coast, Wollongong, Sunshine Coast and Ipswich. ^Satnav Update Plan: Only applies to new vehicles with factory-fitted satellite navigation. HERE® is a registered trademark of Nokia Corporation. Maximum number of two updates, delivered on an annual cycle and must be undertaken within 3 years of the vehicle's initial purchase. Complimentary map updates only apply if the vehicle completes a scheduled service at a participating Hyundai dealer. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. #Please check your Bluetooth® device's capabilities to ensure compatibility. \*Auto air conditioning available for SR Turbo + only.

# TO IMPRESS

The Veloster Series II SR Turbo and SR Turbo + matches muscular design with an equally powerful performance. Inside and out has been seriously amped up. With its low stance and sculpted styling it's not just athletic, but raring to go. The raw power of the twin-scroll, turbocharged engine delivers a satisfying growl under the hood, while sports-tuned suspension and steering ensures a total sports driving experience.

*Veloster SR*
