# HYUNDAI. NEW THINKING. NEW POSSIBILITIES.

At Hyundai, we understand that life is about continual change. Our progress as a company isn't measured by our actions in the past but by how we respond to our environment and listen to our customers.

Our focus today is on producing cars that embody quality, variety, innovation and individuality... cars that are underpinned by 5-star quality in design, build, features, accessories and safety.

And as a testament to our worldwide commitment to quality, Hyundai is now one of the world's fastest growing automotive brands. Our aim is to challenge and question the way things are done to create bigger new ideas and better quality solutions to enrich our customers' life experiences.

Only by re-imagining what tomorrow's world will bring, can we meet our customers' needs now and into the future. We invite you to join us on our journey.

## A NEW BENCHMARK IN SERVICE AND SUPPORT

Your i20 ownership is supported by all the benefits of the Hyundai iCare program, which demonstrates our commitment to back every vehicle we build and to make Hyundai ownership an enjoyable, worry-free experience. iCare includes:

- The peace-of-mind of Australia's first five-year unlimited kilometre warranty<sup>y</sup>
- Hyundai iCare Capped Price Service<sup>†</sup>, which further reduces the cost of owning a Hyundai
- The confidence of Hyundai Roadside Assist for up to 7 years\*\*
- The convenience and exclusive benefits of myHyundai
- The support of our 24/7 Customer Care Centre
- The assurance of a complimentary 1,500km vehicle inspection
- The satisfaction of having your vehicle serviced by qualified Hyundai factory-trained technicians using only Hyundai Genuine Parts
- The timeliness of updated mapping and content for factory installed satellite navigation through the NAVTEC™ MapCare™ Plan<sup>^</sup>

# live **life** your way

You've got a sense of style and live life to its fullest. You're constantly on the go and that's why you want a car that looks good, and is agile and nimble. It should have the power to go when you need it to and is a cinch to park in the tightest spots.

No wonder the eye-catching Hyundai i20 is turning heads and getting noticed. Combining cutting edge technologies with the leading levels of comfort, safety, performance and economy, the i20 is the lifestyle hatch that's big enough to let you live your life your way.

# a space you'll feel at home in

On the outside, the funky i20 has an athletic stance that gives it a solid presence on the road.

Inside, it's just as great. Well-appointed with fun and vibrant contemporary finishes, it's also packed with generous levels of standard equipment. But the real eye-opener is the ingenious use of space.

With so much legroom, headroom and shoulder room it's hard to believe the i20 is a small hatch. There's 295 litres of luggage space for your sporting goods and shopping

bags, and when you need more, you can fold down the back seats. For all the bits and pieces you like to keep handy, there are convenient pockets inside the front doors, centre console storage and even a generously deep glove box with a cooling function to keep drinks cool. Dual cup holders ensure your morning caffeine-fix is in easy reach.

A bright backlit instrument display looks cool and is easy to read, while the ergonomically designed centre fascia makes adjusting the air

conditioning and audio a snap. And because your life has its own distinctive tunes, there's a USB audio input with iPod® compatibility.

What's more, you can stay connected on the road with integrated Bluetooth® technology. Acting as a hands-free device for your mobile phone, it also streams music directly from your Bluetooth® compatible mobile phone or media device.

iPod® is a registered trademark of Apple computers Inc., registered in the U.S. and other countries. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. Overseas model shown.

iPhone and cable sold separately.

# smart enough to keep you safe

Designed by Hyundai's Research and Development headquarters in Russelsheim, Germany, the i20 deserves a gold star for looks and performance. Just as importantly, it continues Hyundai's reputation for class-leading safety with a 5-Star ANCAP rating - the highest possible safety rating for a motor vehicle in Australia.

The i20 safety story begins with engineering quality. Its reinforced body features a rigid cabin with front and rear crumple zones. The doors are also fitted with side impact intrusion bars for extra protection.

When you encounter difficult or unexpected driving situations, you can rest assured that the i20's active safety systems are constantly working

behind the scenes, giving you extra assistance when required. The Anti-skid Braking System (ABS) with Electronic Brakeforce Distribution (EBD) enhances safety under emergency braking situations. Similarly, in an emergency manoeuvre, the Electronic Stability Control (ESC) with Traction Control System (TCS) activates to help you stabilise the vehicle and aid control.

And to further enhance Hyundai's commitment to safety, the state-of-the-art Vehicle Stability Management (VSM) system helps maintain control of the vehicle in emergency situations by applying counter steering assistance, guiding your i20 to the correct steering position.

With a comprehensive six-airbag system as standard, including front and rear passenger side curtains, the i20 will protect you as well as it performs.

## the i20 can handle it

In the city, you'll love the way the i20's power steering and tight turning diameter provide responsive handling and make it easy to manoeuvre into small spaces. When you're out on the open road, you'll appreciate the smooth ride provided by a suspension system that's been especially chosen to meet the needs of Australian driving conditions.

Best of all, because the i20 complies with stringent Euro IV emissions standards and offers impressive fuel economy and low CO2 emissions, you can feel good about driving as well as having more to spend on yourself!

ESC is a cutting-edge driving stability system that keeps unexpected and dangerous situations under control.

# there's an i20 right for you

Whether you're simply looking for an easy and economical urban drive or the versatility to head out of the city every now and then, the i20 is a car that's ready to go.

Available with a 1.4 litre, 16-valve engine and either a super-slick 6-speed manual transmission or HiVec automatic transmission that adapts to your driving style, the i20 delivers the power and fuel economy

you demand. And with a fuel consumption of just 5.3L per 100km for the 1.4 litre manual,\* the i20 lets you go further.

With two different grades to choose from, a choice of transmissions, as well as both three- and five-door models, it's easy to find the right i20 for living life your way.

\* Australian Design Rule 81/02 static laboratory combined average city and highway cycle test. Fuel consumptions will vary depending on a combination of driving habits and vehicle conditions.

## colours

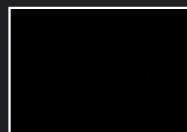

Available in six contemporary and fashionable colours, the interior of every i20 vehicle in the range has been styled to complement its exterior design.

### Interior colour

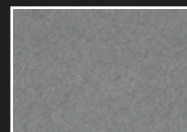

Black Cloth (Active/Elite)

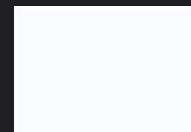

### Exterior colours

Phantom Black  
(RB7) Mica

Ember Grey  
(SAG) Metallic

Coral White  
(PHW) Solid

Sleek Silver  
(RYS) Metallic

Pristine Blue  
(WAU) Mica

Electric Red  
(BH) Solid

Note: Car colours are indicative and may vary due to printing process.

### 3 Door Active

With all the great handling and economy of the five-door, the three-door Active also features front seats with quick-release easy 'walk-in' access to the rear, which then return to their original position.

i20 Active in Electric Red

### 5 Door Active

Featuring an economic 1.4 litre engine, a wide range of comfort and safety features including 6 airbags, the Active is responsive and easy to drive. Its spacious headroom, excellent manoeuvrability and 14" wheels (including a full size spare) make it a smart choice for economical city driving.

i20 Active in Pristine Blue

\*1.4L Elite 5-door dealer forward only.

### 5 Door Elite\*

Enjoy an extra touch of luxury with a six-speaker sound system, fog lights, trip computer, 15" alloy wheels and a premium steering wheel and gear knob.

# loaded with great features

Great looks, roomy interior, zippy performance, built-in safety and impressive fuel economy. What more could you want? Well how about an exceptional level of high-quality and smart features:

## AUX & USB with iPod® Connectivity

For music on the go, plug in your MP3 or iPod®\* and enjoy your favourite tunes.

\*iPhone and cable sold separately.

## Power Windows

From the driver's side, you have one-touch electronic window operation that features an automatic power cut-off, which is activated if the window comes into contact with anything solid such as a finger or elbow.

## Folding Power Mirrors

On the 5 door the two outside side mirrors are electronically controlled and can be completely folded inwards when space is tight.

## Air Conditioning

To ensure a comfortable climate for all, air conditioning is standard across all grades of i20.

## Bluetooth®

With Bluetooth® enabled audio, you can stream music directly from your Bluetooth® compatible mobile phone or media device. Bluetooth® technology also acts as a hands-free device for your mobile phone.

## Keyless Entry with Alarm & HALO

In addition to remote keyless entry the i20 offers extra personal security with the Hyundai Active Locking Operation (HALO) system, which locks all the doors when you reach 40km/h driving and unlocks them once the key is removed from the ignition.

This feature can be independently deactivated by an authorised Hyundai dealer.

## Glove Box with Cooling System

The glove box is linked to the air conditioning system, so you can keep drinks and snacks cool all year round.

## Clever Storage

There are generous built-in pockets in both front doors, as well as a pocket in the rear of the front passenger's seat, giving plenty of space for maps, books and more. In addition, there's a built-in hook at the rear of each front passenger seat (Elite).

## Cargo Net

To help keep goods secure, the boot is fitted with an elasticised cargo net that can be mounted flat, or hammock-style (Elite).

## Steering Wheel Audio Controls

The i20 Elite is fitted with steering wheel audio controls that let you safely navigate your music preferences with the touch of your fingertips.

## Alloy Wheels

While the Active is fitted with 14" steel wheels, the Elite is fitted with 15" alloy wheels. All grades carry a full size spare in the same finish.
