NEW POSSIBILITIES.

i20

HYUNDAI. NEW THINKING. NEW POSSIBILITIES.

At Hyundai, we understand that life is about continual change. Our progress as a company isn't measured by our actions in the past but by how we respond to our environment and listen to our customers.

Our focus today is on producing cars that embody quality, variety, innovation and individuality... cars that are underpinned by 5-star quality in design, build, features, accessories and safety.

And as a testament to our worldwide commitment to quality, Hyundai is now one of the world's fastest growing automotive brands. Our aim is to challenge and question the way things are done to create bigger new ideas and better quality solutions to enrich our customers' life experiences.

Only by re-imagining what tomorrow's world will bring, can we meet our customers' needs now and into the future. We invite you to join us on our journey.

A NEW BENCHMARK IN SERVICE AND SUPPORT

Your i20 ownership is supported by all the benefits of the Hyundai iCare program, which demonstrates our commitment to back every vehicle we build and to make Hyundai ownership an enjoyable, worry-free experience. iCare includes:

live **life** your way

You've got a sense of style and live life to its fullest. You're constantly on the go and that's why you want a car that looks good, and is agile and nimble. It should have the power to go when you need it to and is a cinch to park in the tightest spots.

No wonder the eye-catching Hyundai i20 is turning heads and getting noticed. Combining cutting edge technologies with the leading levels of comfort, safety, performance and economy, the i20 is the lifestyle hatch that's big enough to let you live your life your way.

a space you'll feel at home in

On the outside, the funky i20 has an athletic stance that gives it a solid presence on the road.

Inside, it's just as great. Well-appointed with fun and vibrant contemporary finishes, it's also packed with generous levels of standard equipment. But the real eye-opener is the ingenious use of space.

With so much legroom, headroom and shoulder room it's hard to believe the i20 is a small hatch. There's 295 litres of luggage space for your sporting goods and shopping

bags, and when you need more, you can fold down the back seats. For all the bits and pieces you like to keep handy, there are convenient pockets inside the front doors, centre console storage and even a generously deep glove box with a cooling function to keep drinks cool. Dual cup holders ensure your morning caffeine-fix is in easy reach.

A bright backlit instrument display looks cool and is easy to read, while the ergonomically designed centre fascia makes adjusting the air

conditioning and audio a snap. And because your life has its own distinctive tunes, there's a USB audio input with iPod® compatibility.

What's more, you can stay connected on the road with integrated Bluetooth® technology. Acting as a hands-free device for your mobile phone, it also streams music directly from your Bluetooth® compatible mobile phone or media device.

iPod® is a registered trademark of Apple computers Inc., registered in the U.S. and other countries. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. Overseas model shown.

iPhone and cable sold separately.

smart enough to keep you safe

Designed by Hyundai's Research and Development headquarters in Russelsheim, Germany, the i20 deserves a gold star for looks and performance. Just as importantly, it continues Hyundai's reputation for class-leading safety with a 5-Star ANCAP rating - the highest possible safety rating for a motor vehicle in Australia.

The i20 safety story begins with engineering quality. Its reinforced body features a rigid cabin with front and rear crumple zones. The doors are also fitted with side impact intrusion bars for extra protection.

When you encounter difficult or unexpected driving situations, you can rest assured that the i20's active safety systems are constantly working

behind the scenes, giving you extra assistance when required. The Anti-skid Braking System (ABS) with Electronic Brakeforce Distribution (EBD) enhances safety under emergency braking situations. Similarly, in an emergency manoeuvre, the Electronic Stability Control (ESC) with Traction Control System (TCS) activates to help you stabilise the vehicle and aid control.

And to further enhance Hyundai's commitment to safety, the state-of-the-art Vehicle Stability Management (VSM) system helps maintain control of the vehicle in emergency situations by applying counter steering assistance, guiding your i20 to the correct steering position.

With a comprehensive six-airbag system as standard, including front and rear passenger side curtains, the i20 will protect you as well as it performs.

the i20 can handle it

In the city, you'll love the way the i20's power steering and tight turning diameter provide responsive handling and make it easy to manoeuvre into small spaces. When you're out on the open road, you'll appreciate the smooth ride provided by a suspension system that's been especially chosen to meet the needs of Australian driving conditions.

Best of all, because the i20 offers impressive fuel economy and low CO2 emissions, you can feel good about driving as well as having more to spend on yourself!

ESC is a driving stability system which helps keep you in control during unexpected and dangerous situations.

there's an i20 right for you

Whether you're simply looking for an easy and economical urban drive or the versatility to head out of the city every now and then, the i20 is a car that's ready to go.

Available with a 1.4 litre, 16-valve engine and either a super-slick 6-speed manual transmission or HiVec automatic transmission that adapts to your driving style, the i20 delivers the power and fuel economy

you demand. And with a fuel consumption of just 5.3L per 100km for the 1.4 litre manual*, the i20 lets you go further.

With two different grades to choose from, a choice of transmissions, as well as both three and five-door models, it's easy to find the right i20 for living life your way.

*Australian Design Rule 81/02 static laboratory combined average city and highway cycle test. Fuel consumptions will vary depending on a combination of driving habits and vehicle conditions.

colours

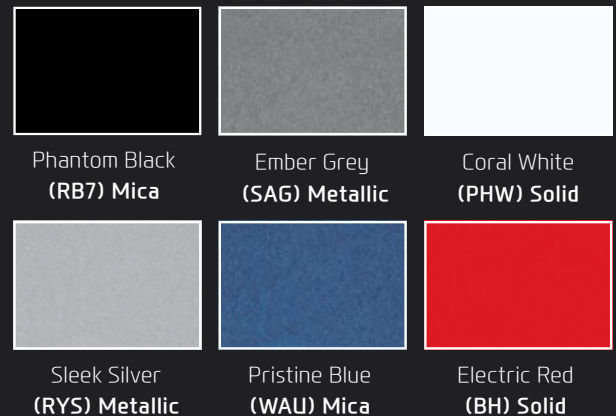

Available in six contemporary and fashionable colours, the interior of every i20 vehicle in the range has been styled to complement its exterior design.

Interior colour

Black Cloth (Active/Elite)

Exterior colours

Note: Car colours are indicative and may vary due to printing process.

3 Door Active

With all the great handling and economy of the five-door, the three-door Active also features a front passenger seat with quick-release easy 'walk-in' access to the rear seats.

i20 Active in Electric Red

5 Door Active

Featuring an economic 1.4 litre engine, a wide range of comfort and safety features including 6 airbags, the Active is responsive and easy to drive. Its spacious headroom, excellent manoeuvrability and 14" wheels (including a full size spare) make it a smart choice for economical city driving.

i20 Active in Pristine Blue
∞1.4L Elite 5-door dealer forward only.

5 Door Elite[∞]

Enjoy an extra touch of luxury with a six-speaker sound system, fog lights, 15" alloy wheels and a premium steering wheel and gear knob.

loaded with great features

Great looks, roomy interior, zippy performance, built-in safety and impressive fuel economy. What more could you want? Well how about an exceptional level of high-quality and smart features:

AUX & USB with iPod® Connectivity

For music on the go, plug in your MP3 or iPod®* and enjoy your favourite tunes.

*iPhone and cable sold separately.

Power Windows

From the driver's side, you have one-touch electronic window operation that features an automatic power cut-off, which is activated if the window comes into contact with anything solid such as a finger or elbow.

Folding Power Mirrors

The two outside side mirrors are electronically controlled and can be completely folded inwards when space is tight.

Air Conditioning

To ensure a comfortable climate for all, air conditioning is standard across all grades of i20.

Bluetooth®

With Bluetooth® enabled audio, you can stream music directly from your Bluetooth® compatible mobile phone or media device. Bluetooth® technology also acts as a hands-free device for your mobile phone.

Keyless Entry with Alarm & HALO

In addition to remote keyless entry the i20 offers extra personal security with the Hyundai Active Locking Operation (HALO)~ system, which locks all the doors when you reach 40km/h driving and unlocks them once the key is removed from the ignition.

~ This feature can be independently deactivated by an authorised Hyundai dealer.

Glove Box with Cooling System

The glove box is linked to the air conditioning system, so you can keep drinks and snacks cool all year round.

Clever Storage

There are generous built-in pockets in both front doors, as well as a pocket in the rear of the front passenger's seat, giving plenty of space for maps, books and more. Plus, the 60:40 split folding rear seats offer versatile seating arrangements to accommodate all your gear.

Cargo Net

To help keep goods secure, the boot is fitted with an elasticised cargo net that can be mounted flat, or hammock-style (Elite).

Steering Wheel Audio Controls

The i20 Elite is fitted with steering wheel audio controls that let you safely navigate your music preferences with the touch of your fingertips.

Alloy Wheels

While the Active is fitted with 14" steel wheels, the Elite is fitted with 15" alloy wheels. All grades carry a full size spare in the same finish.

iPod® is a registered trademark of Apple computers Inc., registered in the U.S. and other countries. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. ^Please check your Bluetooth® devices capabilities to ensure compatibility.

show your style and personality

While the i20 offers a comprehensive range of quality inclusions, you can further enhance your driving pleasure and ownership pride by choosing from a wide range of Hyundai Genuine Accessories that reflect your personality and add extra ease and enjoyment to your lifestyle pursuits. Importantly, Hyundai Genuine Accessories

are an astute way to help keep your new i20 in original showroom condition and further enhance its already high levels of built-in occupant safety. All Hyundai Genuine Accessories are backed by a 5 year warranty if purchased at the time of a new Hyundai vehicle and fitted by an authorised Hyundai dealer.*

† All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai Dealer or visit our website at hyundai.com.au for full warranty terms and usage recommendations. All Accessories are sold separately at an additional cost. Some images published are of illustrative purposes only.

1. iPad® is a registered trade mark of Apple Inc. The iPad® holder has been designed to hold iPad® 1, 2 or 3 securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad® when in use. iPad® not included.

2. Only suitable for use with a retractable seatbelt.

3. Please note that mudflaps cannot be fitted in conjunction with a full bodykit or rear skirt.

4. Load Capacity = 70kg evenly distributed across 2 bars. Whispbar Quiet™ Roof Racks available on 5 door models only.

5. Park Assist is designed as driver assist function only and should not be used as a substitute for skilled driving and safe parking practices. While the Park Assist Sensors monitor objects on approach,

there may be occasions where blind spots affect the sensitivity of the sensors and as a result, the area into which the vehicle is heading must be visually monitored by the driver at all times while parking.

i20 Elite model featured above in Electric Red is accessorised with Hyundai Genuine Whispbar™ Quiet Roof Racks⁴, Surfboard Carrier, Front & Rear Park Assist (4 head)⁵, Bonnet Protector, Headlight Protectors (set of 2), Tinted Stylevisors (set of 4), Front & Rear Mudflaps³. All sold separately at an additional cost. Surfboard not included.

iCare Terms (from inside cover)

*5 year/unlimited km warranty: 5 year unlimited km warranty only applies to new passenger vehicles used for private/domestic purposes. Vehicles used at any time for high mileage/commercial purposes are excluded. Refer to full warranty conditions. *12 months free Roadside Assist: Complimentary 12 months Roadside Assist when you purchase a new Hyundai vehicle (excluding rental buyers). Roadside Assist extensions are valid for 12 months from the date of scheduled maintenance service at a participating authorised Hyundai dealer. Does not apply to vehicles when they reach 84 months from original new car sale date. *MapCare™: MapCare™ Plan only applies to new vehicles with factory-fitted satellite navigation. NAVTEQ and MapCare™ are registered trademarks of Nokia Corporation. Maximum number of 2 updates, delivered on an annual cycle within 3 years of the vehicle's initial purchase. Free map updates only apply if the vehicle is serviced at a participating authorised Hyundai dealer. *Capped Price Service: Applies to new Hyundai vehicles first registered from 1/8/12, private and nominated small business customers only, for the first 3 years/45,000km, whichever comes first. Vehicles sold to rental, government, not-for-profit and fleet customers are not eligible. Eligible vehicles entitled to capped (maximum) price for standard scheduled maintenance (ie, logbook) services at participating authorised Hyundai dealers. Terms and conditions apply to all warranty and Hyundai iCare offers, visit www.hyundai.com.au/icareterms for full terms, conditions, exclusions and eligibility details.
