## Your perfect eight seater.

We have one goal – to be Australia's most loved car company. To get there, we're driven by the simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

The Hyundai iMax is an impressive lifestyle solution that's designed to outperform – whether it's ferrying the kids home or shuttling guests to the hotel or airport.

With its luxuriously spacious and well-equipped interior, the iMax seats eight people comfortably (including the driver) plus features a rear compartment for everyone's luggage and gear. Easy.

**iMax.**

# Maximum security.

Protecting passengers is paramount, and we take our commitment to your safety seriously. That's why we've designed our trusted 8 seater van to be robust, reliable, and fitted with advanced safety technology.

In the event of an accident, dual front and side airbags provide passengers with an extra layer of cushioning defense, while the four-ring reinforced body and robust cabin help further protect you from impact. For those with young toddlers, ISOFIX child seat anchor points in the second row to help keep the little ones secure.

When driving in hazardous conditions, Electronic Stability Control (ESC) and Traction Control work in harmony to protect your grip on slippery roads. Should you need to brake suddenly, the 4 channel Anti Lock Braking (ABS) with Electronic Stability Control (EBD) provides your 8 seater van with exceptional stopping power, and prevents the brakes from locking up.

Parking is easier, too. The rear view camera gives you the benefit of (active) hindsight on your LCD multimedia screen, while rear parking assist sensors will guide you to an expert park each time. As an extra protective measure, we've also fitted the iMax with an alarm system, as well as a folding key with remote controls for your keyless convenience.

It's no wonder people trust the iMax to deliver them, their passengers, and their cargo safely – and now you can too.

# Smooth journey.

Engineered to handle the heaviest of loads, our iMax tackles even difficult conditions with ease, and offers excellent suspension and handling. Passengers are able to enjoy a smooth journey, and you, a smooth ride.

The iMax is fitted with a MacPherson strut front suspension, making your journey more comfortable no matter what you're hauling.

Available in either 6-speed manual or 5-speed automatic transmission, the iMax's high output 2.5L diesel engine delivers serious torque, to ensure it's reliably ready to go, everytime.

2.5 CRDi diesel engine

**125** Maximum Power  
kW/3,600 rpm  
**441** Maximum Torque  
Nm/2,000 - 2,250 rpm

# More than a minivan.

From the body colour coded front grille to the 16" designer alloy wheels, the iMax people carrier delivers more than just a solid performance.

Sliding doors on each side help your passengers easily climb in and out the minivan (and are childlock-friendly should you have little ones on board), while the rear door makes packing and unloading luggage feel less like hard work.

On the front, fog lamps increase your visibility and safety when driving in misty conditions, while automatic headlamps and a rear High-mounted Stop Lamp will further alert other drivers of your presence.

With its quality two-tone finish, practical styling and elegant appearance, the iMax is a vehicle that'll continue to charm you every day.

# Room for everyone.

Inside the iMax, there's room for everyone to claim their personal space. Adaptable 60:40 split seating adds more convenience for your rear row passengers, whilst the generous 842L of space to the back allows luggage and cargo to fit comfortably, too.

The iMax's spacious, air-conditioned interior (with air vents in every row) keeps everyone comfortably lounging on grey fabric seating, while sliding doors on each side allow easy access, quickly. Keep the driver comfy with the height adjustable seat and tilt-adjustable steering wheel, along with 7" touchscreen and steering wheel mounted controls.

A must for any long journey, the iMax people carrier ensures no passenger lacks for space or comfort.

**Top:** 8 seater spacious interior

**Bottom:** Separate air conditioning for 2nd & 3rd row passengers

**Top:** Glovebox with cooling

**Bottom:** Front seat back pockets

# Stay connected anywhere.

The iMax puts a smile on everyone's face, with a suite of technology designed to keep your family and passengers entertained on the road.

We've integrated Apple CarPlay™<sup>1</sup> and Android™ Auto<sup>2</sup> so you can use the 7" touchscreen display to safely play music, make calls or ask for directions via the maps app on your smartphone device.

The iMax is convenient and has you covered. With power windows and mirrors, steering wheel mounted audio controls, and a rear view camera, it makes reversing simple, and safe.

The iMax will allow you to enjoy features that'll help you stay in sync with your world, yet still focus on the road.

# The right balance for your business.

Serious about choosing the right minivan for your business? If you're looking to improve your fleet's environmental impact, whole of life costs and your employees' and customers' safety, give your business the edge with Hyundai's Fleet Advantage.

## The smart fleet choice

The iMax has great fuel efficiency and class leading cost of ownership that minimises off road time and service costs. It also comes with an impressive 5-year/160,000 kilometre warranty!

## Hyundai fleet safety

With the iMax's comprehensive safety technology and 4-star ANCAP rating, this 8 seater van helps make sure your greatest assets, your people, remain protected.

## Environmental credentials

While reducing your fleet is not always an option, making the smart choice of people carrier is. With our vehicles' low CO<sub>2</sub> outputs, we can help reduce your carbon footprint, reach your fleet emission goals and meet government targets.

## Whole-of-life

Whole-of-life calculates the total projected cost of your fleet's operation. With Hyundai's low costs at your advantage, you can feel confident that your expenditure will help bring in solid returns.

1. For ultimate peace of mind, each Hyundai commercial use van is backed by an impressive 5-year/160,000km warranty, whichever comes first.

# Hyundai Genuine Accessories.

The iMax is the smart people carrier of choice, thanks to an array of practical and stylish Hyundai Genuine Accessories<sup>1</sup> you can add to give it your personal touch.

From Whispbar™ quiet roof racks<sup>7</sup> for stowing oversize luggage, to bike, ski and snowboard roof-mounted carriers;<sup>10</sup> you'll find a Hyundai Genuine Accessory to suit whatever your family lifestyle or fleet needs.

1. All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai Dealer or visit [www.hyundai.com.au](http://www.hyundai.com.au) for full warranty terms and usage recommendations. 2. Auxiliary cable not suitable for Apple® devices. 3. iPad® is a registered trademark of Apple Inc. The iPad® holder has been designed to hold iPad® 1, 2, 3, 4 & iPad Air securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad® when in use. iPad® not included. 4. Only suitable for use with retractable seatbelt. 5. 2.5 CRDi (Diesel) Automatic, maximum ball download 150kg, towing capacity 1500kg braked & 750kg unbraked, 2.5 CRDi (Diesel) Manual maximum ball download 150kg. Towing capacity 2000kg braked & 750kg unbraked. Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. 6. Maximum ball download 150kg, requires fitment of Towbar, Towball & Trailer Wiring Harness at an additional cost. 7. Load capacity = 75kg evenly distributed across 2 bars with secure lock function. 8. 2 bar commercial set load capacity = 100kg, 3 & 4 bar commercial set load capacity = 125kg evenly distributed across 2, 3 and 4 bars with secure lock function. 9. Requires fitment of Commercial Roof Racks (3 bar or 4 bar set) at additional cost, load capacity = 75kg evenly distributed across 2 bars with secure lock function. 10. Requires fitment of Whispbar Quiet™ Roof Racks at an additional cost, load capacity = 75kg evenly distributed across 2 bars with secure lock function, at an additional cost. 11. Requires fitment of Whispbar Quiet™ Roof Racks at an additional cost, load capacity = 75kg evenly distributed across 2 bars with secure lock function, at an additional cost. 12. Not suitable for manual transmission. Park assist is designed as a driver assist aid only and should not be used as a substitute for skilled driving and safe parking practices. While the park assist sensors monitor objects on approach, there may be occasions where blind spots affect the sensitivity of the sensors and as a result the area into which the vehicle is heading must be visually monitored by the driver at all times while parking.

# Relax, we'll take it from here.

There's a reason why our iCare program is so highly regarded. We built Hyundai iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our 5 years/unlimited kilometre warranty (commercial application is 5 years/160,000km)<sup>1</sup> means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan<sup>2</sup> – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception. Or as we like to say, amazing as standard. That includes 24/7 Roadside Support<sup>3</sup> for up to ten years when you service with us.

iCare

1. An iMax is provided with a 5 year unlimited kilometre warranty if the vehicle has been used for private and domestic purposes is not and has not been previously used for a commercial purpose, including but not limited to taxi, hire, rental, courier, security, driving school, tour or bus operator and emergency vehicles. An iMax which is or has been used for a commercial purpose is provided with a 5 year / 160,000km warranty (whichever occurs first). Refer to full warranty terms and conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [www.hyundai.com.au](http://www.hyundai.com.au), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 3. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

iMax.

## Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™\*

Hyundai Help for Kids™\* offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids™\* you're empowering thousands of young Australians and giving them a better future.

\*Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

iMax.

# Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
