

Q60

CONVERTIBLE

INFINITI

Inspired Performance

The Infiniti Q60 Convertible gives you twice as much car in one: coupé elegance with the automatic hard-top closed, cabriolet freedom with it open.

BEAUTIFUL PERFORMANCE AT EVERY TURN. The Q60 Convertible combines power with incredible lightness to create gorgeous, dignified beauty. The designers of the convertible have made no compromises between style and versatility, developing an ingenious three-piece folding metal roof that tucks away almost magically behind the rear seats. And, because the car looks just as great with the top up, you could even mistake it for a coupé.

Q60 Convertible

DIVINE COMFORT. The sky is always within reach in the Q60 Convertible, whether you choose to open the roof or keep it closed. With stunning looks and the highest-quality interior appointments, our luxury convertible is the most indulgent way to travel.

When the sun is beating down, the ventilated seats circulate cool air; in winter, warm air quickly takes the chill away.

The Bose® 13-speaker Premium Sound System in the Q60 Convertible includes personal speakers mounted in the headrest, ensuring the purest, deepest and most true audio experience possible – with the roof up or down.

STREET SMARTS. The Q60 Convertible is as high-tech as it is high-spirited. The 30GB HDD Infiniti Navigation system enables quick access to information and entertainment on every journey. The high-resolution 7-inch touch-screen display is simple and efficient to use, and also displays the rear camera view in reverse for easy manoeuvring. And you won't need your devices to access your favourite music because the 10GB Infiniti Music Box® can store up to 300 CDs.

At a single touch, the Intelligent Key (I-Key) unlocks and adjusts the driver's seat, steering wheel and exterior mirrors to your pre-defined personal settings, with memory for two drivers. Advanced technology even extends to the exterior of the Q60 Convertible. The paint is protected by self-healing Scratch Shield technology to reduce swirl marks caused by the elements.

Lean, sensual coupé exterior design with pure cabriolet credentials delivers a uniquely exhilarating experience.

THE HEIGHT OF PERFORMANCE. Powering the Q60 Convertible is a potent 3.7-litre V6 engine, producing an impressive 235kW of refined power. Infiniti's unique Variable Valve Event and Lift (VVEL) technology improves performance and reduces emissions while ensuring power is smooth and responsive, never abrupt.

PURE THRILL. TRUE BEAUTY. NO COMPROMISE. Is it a high-performance coupé with a convertible alter-ego, or a luxurious convertible that transforms into a hard-top performance coupé? The Q60 Convertible is whatever you want it to be.

You only have to touch the accelerator and feel the instantaneous response to understand the Q60 Convertible's true sports credentials.

Yet with the top down, it radiates elegance as if it were made for the catwalk. Both driving enthusiasts and those who seek out the exquisite will find exactly what they desire behind the wheel.

ANYTHING BUT STANDARD. A luxury performance vehicle, we believe, should provide both luxury and performance in every facet. And nowhere is this more evident than the list of standard features in the Q60 Convertible. From safety to style to technology and more, Infiniti has endeavoured to address every possible need you might have behind the wheel.

For a glimpse of the luxury that awaits you, imagine the comfort you could experience with a 10-way power driver's seat or 8-way power passenger front seat, both with heating and ventilation built into the leather trim. Imagine creating your own personalised environment with the automatic dual-zone climate control. As the sun sets, imagine Bi-Xenon headlights turning on automatically, without you giving it a moment's thought.

What do you desire from a luxury performance convertible? Prepare to have your expectations exceeded. In the Q60 Convertible, you'll discover you really can't have too much of a good thing.

Overseas model shown

A ROOF LIKE NO OTHER. The feature of the Q60 Convertible that can't be overlooked is the innovative three-piece hard-top folding roof. The clamshell design retracts automatically at the touch of a button, folding away seamlessly into the rear of the vehicle. All in a mere 25 seconds.

SPORTS CREDENTIALS. The Q60 Convertible features a 7-speed automatic transmission with Adaptive Shift Control (ASC), perfectly tuned to bring out its sports prowess. For a more hands-on connection, switch into manual mode with Downshift Rev Matching and control gear changes through the magnesium paddle shifters mounted on the steering wheel.

AGILE HANDLING. Whether you're heading up the mountains or enjoying the open road, the Q60 Convertible provides a dynamic driving experience. With a reinforced body, responsive steering and extra stability, handling is precise and agile. Steering and braking are constantly monitored by the Vehicle Dynamic Control (VDC) which kicks in the moment loss of control is detected.

SAFETY FIRST. Infiniti drivers demand high performance on every level. For your peace of mind, Infiniti has developed a range of technologies to create a supportive, welcoming environment that ensures your safety.

In the Q60 Convertible, these safety technologies are designed to protect you, your passengers and your vehicle by minimising the effects of an impact, or, in some cases, even helping to prevent one.

PREVENTION AND PROTECTION. Like every Infiniti, safety is carefully considered in the Q60 Convertible. Six airbags and pop-up roll bars are integral to protecting the driver and occupants, and respond within a fraction of a second. The Q60 Convertible also features Infiniti's Adaptive Front-lighting System (AFS). This projects the trajectory of the headlamps in anticipation of the curves of the road ahead to provide extra visibility.

Vehicle Dynamic Control (VDC) and Electronic Brake-force Distribution (EBD) are standard across the entire Infiniti range.

To keep you safe whilst parking and manoeuvring, front and rear sensors and a rear-view camera help to guide you into the most difficult of parking spots with confidence and ease.

LUXURY YOU CAN FEEL. You can take time to appreciate the finer things, without missing a beat. The interior of the Q60 Convertible will remind you of the excellent choice you've made, every journey you take, using elegant materials and clever touches to capture your imagination.

The ergonomic seats hold you in the perfect position for sporty driving, creating an interior harmony that makes it easy to appreciate the beauty of the sky above.

Modernity and history collide in a beautiful display of interior styling. Japanese elements are subtly reflected in the hand-stitched leather seats and precise aluminium accents. The fine-vision instruments are a pleasure on the eyes, as is the signature Infiniti analogue timepiece.

SPECIFICATIONS

THE INFINITI Q60 CONVERTIBLE. The equipment list of this remarkable vehicle ensures your needs are met and your enjoyment maximised, no matter what your destination. For individual style and intelligence that sets you apart, the Q60 Convertible leads the pack.

SPECIFICATIONS

BEAUTY IS IN THE EYE OF EVERYONE. Roof open, roof closed, convertible or coupé – it's your choice. When closed, the electric roof protects you from the elements. When open it's sheer enjoyment. The unique wind deflector acts as a barrier to protect you from wind turbulence, ensuring conversation is easy within the cabin, even with the top down.

AUTOMATIC. It seems simple, doesn't it? We agree. Infiniti strives to simplify driving by putting extra thought and technology into even the simplest of vehicle features in the Q60 Convertible. That is why the rear view mirror dims automatically at night, before you notice the glare of headlights... Why the doors unlock without you taking the I-Key out of your pocket and why the door mirrors adjust to the perfect position upon starting the engine... And why AudioPilot® 2.0 compensates for external noise to optimise audio quality. Automatically brilliant.

SPECIFICATIONS

Transmission

- 7-speed automatic transmission with manual mode
- Adaptive Shift Control (ASC)
- Downshift Rev Matching (DRM)
- Drive Sport (DS) mode
- Lock-up torque converter
- Magnesium paddle shifters, column-mounted

Steering

- Positive-mounted steering rack
- Variable-assist power rack-and-pinion steering
- Vehicle speed sensitive

Suspension

- Independent double-wishbone front suspension
- Independent multi-link rear suspension

Wheel and Tyre

- 19-inch 5-triple-spoke alloy wheels (P225/45 R19 Front and P245/40 R19 Rear)
- Space saver alloy wheel

Braking

- 4-wheel ventilated disc brakes
- Anti-lock Braking System (ABS)
- Brake Assist (BA)
- Electronic Brake-force Distribution (EBD)
- Foot-operated handbrake pedal
- Opposed-piston sport brakes
- Power-assisted braking

Body and Exterior

- 3-piece power-folding metal clamshell roof
- Advanced aerodynamic body
- Body-colour bumpers
- Body-colour door handles
- Body-colour exterior mirrors
- Body-colour lower side sills
- Chrome front grille
- Dual chrome exhaust tip finishers
- Lightweight body components
- Scratch Shield clear-coat paint
- Wind deflector

SPECIFICATIONS

Visibility

- Adaptive Front-lighting System (AFS)
- Automatic headlight levelling
- Bi-Xenon headlights with dusk sensor
- Boot illumination
- Dual map lights
- Electrically-operated and folding exterior mirrors
- Fog lights integrated in headlights
- Front and side demisters
- Green tinted UV-reducing glass
- Headlight washers
- Heated exterior mirrors
- Illuminated switches
- Interior light logic
- LED tail lights
- Rain-sensing front wipers
- Rear high-mounted LED stop light
- Rear window defroster with timer

Interior Features

- Two driver memory positions (steering wheel, exterior mirrors and seat position)
- 8-way power front passenger's seat
- 10-way power driver's seat with lumbar support
- 12V power outlets (2)
- Automatic air recirculation
- Automatic dual-zone climate control
- Front bucket seats
- Front door storage pockets
- Front seat centre console
- Front (2) cup holders

- Glove box with lock and light
- Heated and ventilated front seats
- Power tilt and telescopic steering wheel
- Rear seat centre tray
- Rear floor heating ducts

Comfort and Convenience

- Auto-dimming rear view mirror
- Auto up/down power windows linked to I-Key
- I-Key – Intelligent key with valet function and lock out
- Keyless engine start button
- Remote keyless entry and central locking

Interior Appointments

- Aluminium pedals
- Analogue timepiece
- Infiniti-branded stainless steel side sill plates
- Leather seat trim
- Leather-wrapped steering wheel
- Leather and polished aluminium gear lever
