

Q₇₀

INFINITI

Inspired Performance

It's time to step beyond.
To demand rarer rewards that
are more dynamic and utterly
unafraid. Move boldly and savour
a sensory intensity that is born
from an unwavering attention to
tactile response and a commitment
to invigorating motion. When you
look above the conventions of a
flagship luxury sedan, you discover
engineering and design that is
elevated. This is luxury you desire.
The Infiniti Q70.

FROM AMBITION

FROM IMPULSE

ACT ON THE MOMENT. ANTICIPATE EVERY OPPORTUNITY.

Apply power and intelligence in equal measure and reveal excitement that exceeds the reach of either alone. Experience responsiveness that leaves you feeling more alive.

INFINITI DIRECT RESPONSE HYBRID® does not require a choice between efficiency and exhilaration. It can use as little as 6.9 litres of petrol per 100km, yet deliver 268kW of power with heart-pounding immediacy.

True luxury places your best interests first at all times. In an Infiniti Q70, ground-breaking technologies surround you continually, actively seeking out potential risks and helping to keep you safe.

INTELLIGENT CRUISE CONTROL

automatically slows you down when traffic in front of you slows down. When the way is clear, it accelerates back to your desired speed. Less effort, more ease.

LANE DEPARTURE PREVENTION

watches road markings with a camera and can subtly apply brakes to help keep your vehicle from unintentionally drifting from your lane. Traffic may surround you, but so will confidence.

BLIND SPOT INTERVENTION®

helps increase your sense of wellbeing by using radar to watch carefully for danger you may not see. If it detects a vehicle in the blind spot area, it warns you, and can intervene to help you avoid a collision.

FROM MOTION

4-WHEEL ACTIVE STEER engages each wheel as you steer. Your Q70 turns in and tracks with clarity and precision to make cornering more immediate, stable and exciting.

ACCELERATION SWELL transforms mechanical power into emotional excitement. Precise engine tuning of the 3.7 litre engine unleashes torque over a broader rev range and the feeling of acceleration is shaped to increase the faster you go.

Design becomes great when it transcends shape and captures pure emotion. The beauty brought to life in the Infiniti Q70 isn't about conforming to existing concepts. It's about the ability of its creator to inspire and evoke a deeply personal response from all those who take it in.

ARTFUL CRAFTSMANSHIP strikes a balance of fluidity and musculature that gives the Infiniti Q70 a presence that is impossible to ignore. Its stance and double-wave hood reflect the power that surges beneath, while its glowing lines tell of the pleasure it's designed for.

WELCOME LIGHTING elegantly draws you in to the driving experience. As you approach, a sequence of exterior then interior lights rewards your presence. Walk away and the sequence occurs in reverse.

BOSE® STUDIO SURROUND® envelops you, creating depth and ambiance for a wider, more immersive sound. 16 powerful speakers deliver music with the soothing richness and thrilling intimacy of Bose® 5.1 digital sound.

FOREST AIR® SYSTEM The natural rejuvenation of a cool, scented, soothing breeze is circulated with a gentle ebb and flow as you drive.

In the richness you touch. In the space that surrounds you. In the sounds that invigorate. In the technologies that fill it. This is where you find true reward. Every time, you'll find the connection between you and the experience of driving intensified. Every time, your Infiniti Q70 will leave you moved.

FROM INDULGENCE

OBJECT OF ATTRACTION

2014 INFINITI Q70

FINER FABRICS The seat belt is one of the few surfaces you continually touch, so we found a variable herringbone weave that is softer than standard fabrics. Not only is it more pleasing to the touch, but being more compliant, it allowed us to reduce the friction of the seat belt mechanisms. The seat belt is more comfortable to wear, easier to pull out and even less likely to catch the thread of your finest fabrics. No element is too small.

ABUNDANT SPACE The interior of the Q70 was designed to emphasise the feeling of space. It offers excellent head and hip room for all passengers. Interior elements like the roof and windshield pillars are shaped to give a feeling of openness. Each seat is rewardingly supportive and even taller rear passengers will have comfortable leg room. What's more, a wide boot opening gives you easy access to a spacious compartment.

Natural rejuvenation - Inspired by the way nature simultaneously calms and invigorates your senses, we created the one-of-a-kind Forest Air® climate control system. It emulates the sensation of a natural breeze by varying the strength of the airflow. It intermittently cycles in an ebb and flow so smooth that you only notice the satisfaction it provides.

MATCHLESS MATERIALS The craftsmanship in a Q70 is not limited to the exquisite ergonomics and trim. Your fingertips will seem to recognise an instinctively rewarding feel in the armrest and other surfaces. We've imbued the surfaces you'll engage most with the perfect touch.

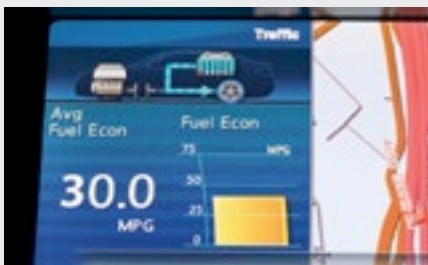

PERFORM

Underneath its muscular physique and spacious luxury lies the foundation of the thrilling performance of Infiniti Direct Response engineering.

INNATELY RESPONSIVE BALANCE

The engineering philosophy behind Infiniti performance coupes and sedans, the front-midship platform, also underlies the design of the spacious Infiniti Q70. Placing the engine's centre of mass just behind the front wheel creates a near-equal front-to-rear weight ratio, with a slight front bias that you'll feel as quicker turn-in and even balance as you accelerate out of a corner. Experience precision and engagement you might expect from a sports car.

EFFICIENT INVIGORATION No hybrid design is quite like it or can match its emotional intensity. The 50kW electric motor and cutting-edge lithium ion batteries of the Infiniti Direct Response Hybrid® give power to maintain cruising speed in all-electric mode. When not needed, the 3.5-litre V6 petrol engine is turned off and disconnected, maximising mechanical efficiency. And yet, it responds to your call for power with intensity.

THE SOUND OF PERFORMANCE A performance car speaks to you through its exhaust, and the specialty exhaust tuning on the Q70 shapes that sound into something uniquely compelling. Not only does it make an Infiniti unmistakable, it makes every revolution an experience that transcends engineering and enters the realm of pure emotion.

MORE RESPONSIVE BRAKING With ventilated discs and aluminium 4-piston opposed front calipers and 2-piston opposed rear calipers, the available Sport Brakes provide great stopping force from both sides of the rotor at the same time for better bite, more friction and direct feel.

LIGHT ON ITS FEET These stunning 20-inch alloy wheels heighten both the looks and performance of the Q70. Lightweight, thanks to both material and design, they reduce unsprung weight. That reduction of mass makes driving more exciting by allowing the suspension to be more finely tuned, more responsive and more nimble.

TIGHTER TURNS 4-Wheel Active Steer sharpens handling and increases precision by actively turning all four wheels as you manoeuvre. The system adjusts steering angle and ratio to vehicle speed, creating a more responsive and fluid sense of control. With natural low-speed feel, responsive mid-speed turn-in and precise high-speed stability, 4-Wheel Active Steer makes cornering gracefully easy.

POWER

Award-winning build quality, fuel efficiency and output can be measured with instruments or graphs, but the true excellence of Infiniti engines is in the feeling unleashed as you drive.

STANDARD SPECIFICATIONS

Transmission

- 7-speed automatic transmission with manual mode
- Adaptive Shift Control (ASC)
- Downshift Rev Matching (DRM)
- Lock-up torque converter (Not available in Q70 3.5H Premium)
- Infiniti Drive Mode Selector (Standard, Snow, Economy & Sport)

Steering

- Positive-mounted steering rack
- Variable-assist power rack-and-pinion steering
- Vehicle speed sensitive

Braking

- 4-wheel ventilated disc brakes
- Antilock Braking System (ABS)
- Brake Assist (BAS)
- Electronic Brake-force Distribution (EBD)
- Foot-operated handbrake pedal
- Power-assisted braking

Suspension

- Independent double-wishbone front suspension
- Independent multi-link rear suspension

Wheel & Tyre

- 18-inch 5-twin-spoke alloy wheels (P245/50 R18)
- Space saver alloy wheel

Body & Exterior

- Advanced aerodynamic body
- Body-colour bumpers
- Body-colour exterior mirrors
- Chrome door handles
- Chrome grille
- Dual chrome exhaust tip finishers
- Energy-absorbing bumpers
- Engine bay cover & under-bonnet insulation
- Lightweight body components
- Scratch Shield clear coat paint
- Zero aerodynamic lift

Infotainment & Communication

- 6-speaker premium sound system
- 8-inch high resolution touch screen display
- 10GB Music Box[®]
- 30GB HDD Navigation System
- Active Noise Control (ANC)
- AUX connection
- Bluetooth[®] audio streaming
- Bluetooth[®] hands-free phone system
- DVD audio/video playback capability
- Front & rear parking sensors with display
- iPod[®] connection (via USB port – cable not included)
- Rear-view camera
- Single-disc CD MP3/WMA compatibility
- Speed-sensitive volume control
- Steering wheel audio controls

Interior Features

- 2-driver memory positions (steering wheel, exterior mirrors, seat position & climate control)
- 10-way power driver's seat with lumbar support
- 10-way power passenger's seat
- 12V power outlets (2)
- Automatic air recirculation
- Automatic dual-zone climate control
- Automatic soft-close boot function
- Coat hanger hooks
- Fold-down centre armrest with cup holders and storage
- Forest Air[™] system with advanced ventilation control, breeze mode & humidity control
- Front (2) & rear (2) cup holders
- Front backrest storage
- Front bucket seats
- Front door storage pockets
- Front overhead console
- Front-seat centre console
- Glove box with light & lock
- Grape seed polyphenol air filter
- Heated & ventilated front seats
- Heated steering wheel
- Plasmacluster[™] air purifier
- Power tilt & telescopic steering wheel
- Rear floor ducts and rear vents

Interior Appointments

- Analogue clock
- Authentic White Ash Wood with Silver Powder finish
- Infiniti-branded stainless steel side sill plates
- Leather & polished aluminium gear lever
- Leather-wrapped steering wheel
- Semi-aniline leather seat upholstery

Comfort & Convenience

- Auto-dimming rear view mirror
- Auto up/down power windows
- I-Key – Intelligent Key with valet function & lock-out
- Power boot lid release
- Keyless engine start button
- Remote keyless entry and central locking
- Sunroof and sliding shade

STANDARD SPECIFICATIONS

Safety & Security

- 3-point emergency locking retractor (ELR) seat belts
- Active front-seat head restraints
- Adjustable speed limiter
- Adjustable upper anchors for front seats
- Airbags (6), driver and front passenger airbags, side airbags for driver and front passenger & roof-mounted curtain airbags
- Automatic hazard warning signals
- Child restraint top tether and ISOFIX system
- Cruise control
- Energy-absorbing steering column
- Front seat belts with pre-tensioners and load limiters
- High-strength steel side-door guard beams
- Traction Control System (TCS)
- Tyre Pressure Monitoring System (TPMS) with display
- Vehicle Dynamic Control (VDC) (ESC)
- Vehicle Security System (VSS)
- Zone body construction

Visibility

- Adaptive Front-lighting System (AFS)
- Automatic headlight levelling
- Bi-Xenon headlights with dusk sensor
- Cargo area light
- Door-mounted step lights
- Double-glazed side windows
- Dual map lights
- Electric-operated & folding exterior mirrors
- Exterior mirrors tilt when reversing
- Follow-me-home headlights
- Foot well lamps
- Front & rear fog lights
- Front, rear & side demisters
- Headlight washers
- Heated exterior mirrors
- Illuminated switches with pin lighting
- Interior auto-off lighting
- LED tail lights
- Rain sensing front wipers
- Rear high mounted LED stop light
- Rear reading lights
- Sequential welcome lighting system

Q70 3.5 Hybrid

GT PREMIUM

Technology On Board

- Eco Pedal

Transmission

- Magnesium paddle shifters

Body & Exterior

- 'Hybrid' badge

Interior Features

- Power rear-window sunshade

Infotainment & Communication

- Bose® 16-speaker Studio Surround®
- AudioPilot® 2.0 noise compensation
- Centerpoint® 2

Safety & Security

- Blind Spot Intervention™ (BSI)
- Blind Spot Warning (BSW)
- Distance Control Assist (DCA)
- Forward Collision Warning (FCW)
- Intelligent Brake Assist (IBA)
- Intelligent Cruise Control (ICC)
- Lane Departure Prevention (LDP)
- Lane Departure Warning (LDW)
- Vehicle Sound for Pedestrians (VSP)

OVERVIEW

EVERY MOVEMENT LEAVES YOU BREATHLESS.

The design of the Infiniti Q70 Sedan is influenced by the stunning powers of nature. The curved form echoes ocean waves and shifting dunes, yet also give the Q70 some of the best aerodynamics in its class. Its V6 3.7-litre VVEL (Variable Valve Event and Lift) engine puts formidable power under your complete control. The Q70 is also available in diesel and class-leading hybrid models.

	Q70 3.7	Q70 3.0d	Q70 3.5 Hybrid
Engine	3,696cc (3.7-litre) V6 DOHC 24-valve VVEL engine	2,993cc (3.0-litre) V6 DOHC 24-valve engine	3,498cc (3.5-litre) V6 DOHC 24-valve VVEL engine with Infiniti Direct Response Hybrid®

SELECTION

Hues that change in response to light and angle. Matching exterior and interior colours to reflect the distinctive energy and mood of the seasons. These are just a few ways Infiniti uses colour to express feeling, evoke confidence and shape the emotional essence of a vehicle.

Exterior Colours

INTERIOR DESIGN. Sleek, chic and sophisticated, the Q70 welcomes Infiniti classic yet modern interior trims including Black Lacquer or White Ash Wood. The seats are upholstered in your choice of smoothest leather in Wheat, Stone or Graphite.

Wheels

18 X 8-INCH, 5 TWIN-SPOKE ALUMINIUM-ALLOY WHEELS

20 X 9-INCH, 5 TWIN-SPOKE ALUMINIUM-ALLOY WHEELS

CONNECTED TO THE ROAD. Style shouldn't end where the car body does. The Q70 comes standard with 18-inch, 5 twin-spoke alloy wheels with run flat tyres for excellent grip and performance. Or you may upgrade to 20-inch, 5 twin-spoke alloy wheels.

*Metallic paint available at additional cost.
^Only available on GT models.

ADDITIONAL PACKAGES

GENUINE INFINITI ACCESSORIES

TEXTILE BOOT MAT. Moisture resistant and durable construction from high-density, cut-pile carpeting provides superior spill protection and anti-wear characteristics as it helps guard your cargo area from damage.

COAT HANGER. Keep your outfit looking as sharp as your vehicle. The optional coat hanger attaches to the driver's seat to hold your evening or office wear, keeping it perfectly crease-free until you arrive at your destination.

BICYCLE CARRIER. The perfectly constructed aluminium cycle carrier is the smartest, most elegant solution for loading and transporting a bike on the roof.

SKI CARRIER. For those who love the snow, the practical Infiniti Ski Carriers are a must-have. They connect to your roof bars conveniently and safely, ensuring your gear is easily accessed and ready to go when you reach the top of the mountain.

For a complete list of high-quality accessories available to enhance your Q70, please consult your Infiniti Centre.

PARTNERS IN THE INTENSE

The pulse races. Seconds split. Victories are won and lost. In Formula 1™, technology and human ingenuity are pushed to the limit. Yet, success is ultimately a measure of the passion that goes into every invention and is released every lap. This passion has led Infiniti Red Bull Racing to become, in recent years, the most dominant force on track.

Infiniti is drawn to Formula 1™ racing because it is engineering genius applied purely to creating emotional excitement. A feeling of exhilaration that extends from the track to the fans, to the culture, through our partner, Infiniti Red Bull Racing. The heart and determination the team has shown has led to four Formula 1™ Constructors' World Championships in a row. Our relationship is one that promises thrilling new performance capabilities for both Formula 1™ and Infiniti vehicles. This exchange of both technology and ideas now includes the appointment of 4-time Formula 1™ Drivers' World Champion, Sebastian Vettel, as our Director of Performance. Sebastian has aided in the development of the all-new Infiniti Q70—harnessing his supreme driving senses and passion for performance to ensure this new vehicle is as dynamic as possible. And now, future Infiniti vehicles will be imprinted with the genius and unrivalled passion that defines his greatness.

Ultimate luxury is more than perfection. It is the feeling of unrestrained joy that unleashes something special in your heart. We at Infiniti believe there are times when reason should take a backseat and emotion—pure and primal—should be the driver. Tangibles play a part, of course: the sensual, flowing lines; the smell of leather; the visceral roar of the engine. Established in 1989, Infiniti's flagship line has now grown to include sedans, coupes, convertibles and crossovers, all available in 49 countries worldwide. Infiniti has generated respect as the provocateur in premium vehicles, with a reputation for defying convention and creating irresistible automobiles, engineered with obsessive attention to detail. Our passion for ultimate precision, exhilarating performance and that exuberant driving experience is also manifested in the partnership that Infiniti established with Red Bull Racing in 2011. All of which contributes to the feeling that to drive an Infiniti is something special.
