

XE

AUSTRALIAN SPECIFICATION AND PRICE GUIDE

XE CHANGES EVERYTHING

The most advanced, efficient and refined sports saloon car that Jaguar has ever produced. The latest in an illustrious bloodline. Instantly recognisable as a Jaguar, it feels like a Jaguar, it drives like a Jaguar – XE is a Jaguar to its core.

XE is alive with the latest innovation, technology and design, connecting road to car, car to driver. It has a true sporting character and is packed with systems that empower the driver as well as enhancing the driving experience. XE rewrites the rules.

The following pages provide details and specifications for the XE range. In-depth descriptions of key features and available options are designed to give you all the information you require to create the XE that's right for you. Please use this guide in conjunction with the XE main brochure's colour and trim sections for illustrations of colours and materials available. Alternatively, you may prefer to use the XE configurator at jaguar.com.au to specify your new car.

1. RUBBER FLOOR MATS 2. IPAD HOLDER 3. RUBBER LOADSPACE LINER 4. HEADREST MOUNTED COAT HANGER
5. CENTRAL ARMREST CHILLER/WARMER 6. SEAT BACK STOWAGE 7. PREMIUM SEAT BACK STOWAGE

GLOSSARY

POWERTRAIN AND DRIVING DYNAMICS

JAGUARDRIVE CONTROL

Offers different modes selectable by a button to optimise the vehicle response depending on driving conditions and style.

DYNAMIC MODE

Dynamic Mode remaps the car's software to further emphasise its sporting character. It sharpens the throttle response, increases steering weighting and performs gear shifts more quickly and at higher engine speeds.

WINTER MODE

By selecting Winter Mode, the system automatically dampens acceleration and applies more gradual traction for slippery conditions.

ADAPTIVE DYNAMICS

Continuously monitors the road and driver inputs and optimises the car's suspension settings for ride comfort and control.

CRUISE CONTROL WITH AUTOMATIC SPEED LIMITER (ASL)

In tandem with cruise control, an Automatic Speed Limiter (ASL) allows the driver to select a maximum speed that should not be exceeded.

ADAPTIVE CRUISE CONTROL (ACC) WITH INTELLIGENT EMERGENCY BRAKE (IEB)

For effortless long distance driving, Adaptive Cruise Control will maintain a pre-set gap between you and the vehicle in front. If it slows, so will XE; if it accelerates, or turns off, XE will return to your pre-set cruising speed.

INTELLIGENT STOP/START

Stop/Start is a technology that stops the engine when it is not needed, improving the fuel economy and reducing the car's CO₂ emissions. The engine will restart immediately as soon as the driver's foot comes off the brake pedal. The engine will be operating at full capacity before the driver's foot has touched the accelerator pedal.

TORQUE VECTORING BY BRAKING

Torque Vectoring technology provides controlled braking on the inside rear wheel delivering sports car agility and added driver confidence.

SAFETY AND SECURITY

PARKING AIDS

XE's front and rear parking aids provide audible proximity warnings complemented by a Reverse Park Camera that not only shows the view from the rear on the Touch-screen, it provides an overlay of graphical information about the space the car is reversing into.

PEDESTRIAN CONTACT SENSING SYSTEM

A system that senses an impact between a pedestrian and the front of the car. It instantaneously raises the bonnet through a small distance in a very controlled way, to help prevent the pedestrian from contacting hard points under the bonnet.

AUTONOMOUS EMERGENCY BRAKING

Utilising a camera with image processing, should a potential collision be detected, XE beeps a 'forward collision' warning, giving you time to take action. A visual warning in the instrument cluster and Head-Up Display follows. If no action is taken, with a collision still anticipated, the system then applies the brakes to help reduce the severity of a possible impact.

LANE DEPARTURE WARNING

A forward facing camera detects lane markings and warns you by vibrating the steering wheel if you stray from a lane without indicating.

BLIND SPOT MONITOR

Jaguar's extended range Blind Spot Monitoring technology not only counteracts the danger of changing lanes while a vehicle is in a blind spot, it also senses vehicles approaching XE at high speed.

REVERSE TRAFFIC DETECTION

Reversing into unseen potential traffic, like emerging backwards from a parking bay, is made less hazardous with Reverse Traffic Detection which senses moving objects approaching XE's rear and provides warnings if the exit is not clear.

EXTERIOR FEATURES

ADAPTIVE FRONT LIGHTING

Sensors react to the car's speed and steering input, and the system can deflect headlamp beams casting light deeper into corners, giving added confidence at night. Intelligent high beam automatically maximises driver visibility. When sensing preceding, oncoming traffic or street lights, the headlamps will automatically switch to low beam.

INTERIOR FEATURES

JAGUARSENSE

JaguarSense makes it possible to operate the overhead lights with the very lightest touch.

JAGUAR SMART KEY SYSTEM WITH KEYLESS START AND KEYLESS ENTRY

With the Jaguar Smart Key in your pocket or bag, the Keyless entry system allows the XE to be conveniently unlocked by simply pressing a button on the door handle. Jaguar's Keyless start system also allows the XE to be started at the simple press of a button.

DUAL ZONE CLIMATE CONTROL

With humidity control, air filtration and dual temperature control for driver and front passenger.

MULTIMEDIA

NAVIGATION SYSTEM¹

SD based system, providing faster access to data including voice guidance, Jaguar Voice input and Dynamic Route Guidance, accessed through Touch-screen control system.

8" CAPACITIVE TOUCH-SCREEN

With controls for audio, climate control, Bluetooth® audio streaming and Navigation system.

BLUETOOTH® AUDIO STREAMING

A Bluetooth® equipped Jaguar, enables hands free use of your mobile phone at any time when the phone is in the car through the Touch-screen. Bluetooth® also provides the ability to stream audio content, and full function control enables easy track selection. Bluetooth® is compatible with many mobile phones from most manufacturers including Apple, BlackBerry® and HTC - ask your local Jaguar dealer or visit jaguar.com for more details.

MERIDIAN 380W SOUND SYSTEM

Designed in conjunction with British audio experts Meridian specifically for XE. Featuring advanced technology, such as Digital Signal Processing (DSP) technology, to optimise every element of the system and use Meridian Cabin Correction's advanced algorithm to tailor the music experience to the precise acoustics of the vehicle's interior. The Meridian Sound System features 11 speakers - including 2 subwoofers, 380W and 12 channels.

HEAD-UP DISPLAY (HUD)

XE incorporates a Head-Up Display (HUD) that projects key information, onto the windscreen, directly in your line of vision. Using the latest, brightest laser display technology for maximum clarity, it allows you to watch your speed, see navigation turn-by-turn guidance and gear placement.

¹The Navigation system must always be used in conditions that will not affect the driver's ability to drive safely or affect the safety of other road users

Please consult your local Jaguar dealer for details.

OWNERSHIP EXPERIENCE

Service, assurance, and peace of mind are all part of the pride of owning your XE.

THE JAGUAR ACCESSORY RANGE†

Enabling you to personalise your car, to create a driving experience that is even more individually rewarding. All Jaguar accessories are tested rigorously for safety and durability in the most arduous of climates and conditions. A comprehensive range of styling options, interior and exterior accessories, enabling you to tailor your XE to suit your personal style. The full range of Jaguar accessories is available to view on-line, please visit jaguar.com.au for further information.

Any genuine Jaguar Accessories (excluding gift items and luggage from Jaguar Collection) supplied and fitted by a Jaguar dealer within one month or 1,500km (whichever occurs first) of a new vehicle being put into service will benefit from the same warranty terms and duration as the Vehicle Warranty. Accessories purchased outside of this period will be subject to 12 month unlimited mileage warranty.

BECAUSE ONLY THE BEST WILL DO

An official Jaguar dealer or Approved Service Centre can ensure that Jaguar trained specialist technicians, with access to the full range of Jaguar approved parts and tools, will always be on hand to guarantee that every fitting, or repair, is carried out exactly the way Jaguar intended. Your Jaguar dealer or Approved Service Centre can also supply and fit Jaguar approved accessories to personalise and add to the practicality and style of your XE model.

JAGUAR ROADSIDE ASSISTANCE

All Jaguar vehicles purchased in Australia benefit from complimentary Jaguar Roadside Assistance service for the length of the new car warranty. This covers you Australia-wide 24 hours per day, every day.

WARRANTY*

3 year unlimited kilometre mechanical warranty together with a 3 year unlimited kilometre Paint Surface Warranty and a 6 year unlimited kilometre Corrosion (Perforation) Warranty.

JAGUAR MAGAZINE

Jaguar Magazine is the official magazine of Jaguar Cars. It features the new Jaguar XE, XJ, XK, XF and new F-TYPE, and the worlds of luxury, style, design and travel. The fully interactive Jaguar Magazine iPad app takes the very best of the print edition of the Magazine and adds extra images, and exclusive information, allowing you to explore Jaguar's world in a whole new way.

JAGUAR.COM.AU

Jaguar's official interactive website contains the latest information on Jaguar models and pricing. It also features helpful tools such as a dealer locator and a new model configurator allowing you to see the car tailored to your specification and colour.

*Terms and conditions apply. Please contact your local Jaguar dealer for more information

†All Jaguar Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out so that Accessories are both durable and importantly, continue to comply with current legislation

IMPORTANT NOTICE

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and accessories and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this Australian specification and price guide should not be regarded as an exactly up-to-date guide to current specifications and option prices in Australia. Jaguar Land Rover Limited, in consultation with Jaguar Australia, reserves the right to alter these specifications and option prices at any time. This specification and price guide does not constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited or Jaguar Australia and have absolutely no authority to bind Jaguar Land Rover Limited or Jaguar Australia by any express or implied undertaking or representation. Illustrations in this specification and price guide may include optional extras. This Australian specification and price guide should be read in conjunction with Jaguar brochure Publication number: JLM/37/02/86/0315 but it is important to note that Jaguar brochure JLM/37/02/86/0315 only represents a general global specification, and in the event of any inconsistency, the details contained within this Australian specification and price guide apply in Australia. Comparisons are based on manufacturer's own data and testing.

OPTION PRICES

All option prices shown in this Australian specification and price guide are for factory fitted options. They do not include Luxury Car Tax (LCT) and are Recommended Retail Prices. The Recommended Retail Prices set out or referred to herein are recommended prices only and there is no obligation to comply with the recommendation.
