AUSTRALIAN SPECIFICATION AND PRICE GUIDE

IMPORTANT NOTICE

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

This Australian specification and price guide should be read in conjunction with Jaguar brochure Publication number JLM/37/02/03/0812, but it is important to note that Jaguar brochure JLM/37/02/03/0812 only represents a general global specification, and in the event of any inconsistency, the details contained within this Australian specification and price guide apply in Australia.

Comparisons are based on manufacturer's own data and testing.

OPTION PRICES

All option prices shown in this Australian specification and price guide are for factory fitted options. They include Luxury Car Tax (LCT) and are Recommended Retail Prices.

The Recommended Retail Prices set out or referred to herein are recommended prices only and there is no obligation to comply with the recommendation.

Bowers & Wilkins is a registered trademark of B&W Group Limited.
Poltrona Frau® is a registered trademark of Poltrona Frau Group.

SEDUCTIVE DESIGN

Power, style and uncompromised luxury, XK is the grand tourer that makes every journey unforgettable.

Its contemporary fusion of dramatic sweeping curves with low-riding profile epitomises Jaguar's reputation for stunning and seductive design. XK delivers breathtaking performance and unparalleled comfort plus the versatility of a 2 + 2 seating configuration. Advanced automotive technology gives exhilarating handling, while the hand crafted cabin and seats ensure absolute comfort. XK is designed and engineered in two distinct bodystyles, Coupé and Convertible. Both are built in aluminium for strength and rigidity.

The following pages provide details and specifications for the XK range. In-depth descriptions of key features and available options are designed to give you all the information you require to create the XK that's just right for you. Please use this guide in conjunction with the XK main brochure's colour and trim sections for illustrations of colour and materials available.

Alternatively, you may prefer to use the XK configurator at jaguar.com.au to specify and price your new car.

¹All fuel economy data has been measured in accordance with current Australian ADR 81/02 test procedures. Under normal use a vehicle's actual fuel consumption may differ from that achieved through the test procedure, depending on the driving technique, road and traffic conditions, environmental factors and vehicle condition. If in doubt, please consult your dealer; the information is correct at the time of publication

²Please consult your local Jaguar dealer for details of charges associated with option fitment. Weights reflect vehicles to standard specifications. Optional extras increase weight

NOTE: The dimension details refer to a nominal car but may vary marginally from car to car due to design and production tolerances. The nominal condition has been used wherever possible. Please consult your local Jaguar dealer for details of changes associated with option fitment

1. ALL-WEATHER CAR COVER 2. BLACK AND CHROME GRILLE SETS 3. XKR DECAL 4. XKR AERODYNAMIC PACK

GLOSSARY

POWERTRAIN AND DRIVING DYNAMICS

JAGUAR SEQUENTIAL SHIFT™

Provides the choice of Drive, Sport Automatic or Manual gear shift modes, with one touch paddles mounted behind the steering wheel to control gear changes up and down manually.

JAGUARDRIVE CONTROL™

Interacts with the DSC (Dynamic Stability Control) engine and transmission management systems to change the characteristics of engine mapping, transmission shifts and brake interventions. It offers different modes selectable by a button and is designed to optimise the vehicle response depending on driving conditions and style.

WINTER MODE

Softens the responsiveness of the engine and modifies the gear change strategy to improve traction in icy or slippery conditions. The vehicle performs in a more gentle and controlled manner, allowing more confident progress. When active, winter mode selects 2nd gear for pulling away on level ground (no incline).

DYNAMIC MODE

Designed to optimise vehicle systems to deliver a more involving driving experience. When dynamic mode is selected, Trac DSC is automatically engaged, and engine torque delivery characteristics and gear shift points are modified to further improve responsiveness. When selected while the transmission is in full manual mode, transmission up-shifts are fully controlled by the driver, with no automatic up-shift when the rev limit is reached.

ADAPTIVE DYNAMICS

Designed to provide the optimum balance between low speed ride comfort and high speed handling precision, analysing body movement, steering and road wheel inputs up to 500 times a second and continuously adjusting the suspension settings through electronically controlled dampers.

DYNAMIC STABILITY CONTROL (DSC) WITH TRAC DSC MODE

Intervenes in demanding driving situations by applying braking to individual wheels and reducing engine torque.

ACTIVE DIFFERENTIAL

An electronically controlled, active differential with handling functionality that limits the slip between the rear wheels to improve traction and stability in different driving conditions, working in harmony with the traction, ABS and DSC systems.

PERFORMANCE ACTIVE EXHAUST WITH QUAD TAILPIPES

A unique performance tuning gives a distinctive aural signature.

JAGUAR PERFORMANCE BRAKING SYSTEM

Single piston sliding and part aluminium calipers with single piston sliding rear calipers. Internally vented discs, 355mm front, 326mm rear.

JAGUAR HIGH PERFORMING BRAKING SYSTEM

Twin piston sliding and lightweight aluminium calipers with single piston sliding rear calipers. Internally vented discs, 380mm front, 376mm rear.

SAFETY AND SECURITY

ROLL-OVER PROTECTION SYSTEM

Two automatically deployable hoops which are designed to activate in a roll-over event (Convertible only).

VALET MODE

When Valet mode is enabled, the vehicle can be parked by a parking attendant who can lock the vehicle, but cannot open the luggage or glove compartments. Valet mode can be enabled and disabled through a secure function in the Touch-screen.

EXTERIOR FEATURES

ADAPTIVE FRONT LIGHTING WITH DYNAMIC PIVOTING HEADLAMPS AND INTEGRATED CORNERING LIGHTS

Sensors react to the car's speed and steering input, and the system can deflect headlamp beams by up to 15 degrees casting light deeper into corners, and giving added confidence at night.

INTERIOR FEATURES

AUTOMATIC AIR-RECIRCULATION WITH 5 SETTINGS

Automatic cabin recirculation triggered by external odour sensor with 5 sensitivity settings.

JAGUAR SMART KEY SYSTEM™ WITH KEYLESS START AND ENTRY

With the Jaguar Smart Key in your pocket or bag, the car automatically unlocks as you pull the door handle. Simply push the ignition button to start the engine. Upon leaving, press a button on the door handle to lock the car or use the Jaguar Smart Key.

INTERIOR THEMES

STANDARD INTERIOR - XKR

Luxury Interior, soft grain leather interior*, Luxury seats in soft grain leather with contrast stitch, 16x16 way driver's and passenger's electric adjustment, variable manual headrest, includes 4-way power lumbar, driver and passenger memory, front cushion length adjust, variable bolster and perforated (front and rear). *Seat backs composed of non-leather. Steering wheels (all models) may include some non-leather materials on certain surfaces. Please consult your local dealer for details.

OWNERSHIP EXPERIENCE

Service, assurance, and peace of mind are all part of the pride of owning your XK.

THE JAGUAR ACCESSORY RANGE†

Enabling you to personalise your car, to create a driving experience that is even more individually rewarding. All Jaguar accessories are tested rigorously for safety and durability in the most arduous of climates and conditions. A comprehensive range of styling options, interior and exterior accessories, enabling you to tailor your XK to suit your personal style. The full range of Jaguar accessories is available to view on-line, please visit jaguar.com.au for further information.

Any genuine Jaguar Accessories (excluding gift items and luggage from Jaguar Collection) supplied and fitted by a Jaguar dealer within one month or 1,500km (whichever occurs first) of a new vehicle being put into service will benefit from the same warranty terms and duration as the Vehicle Warranty. Accessories purchased outside of this period will be subject to 12 month unlimited mileage warranty.

BECAUSE ONLY THE BEST WILL DO

An official Jaguar dealer or Approved Service Centre can ensure that Jaguar trained, specialist technicians, with access to the full range of Jaguar approved parts and tools, will always be on hand to guarantee that every fitting, or repair, is carried out exactly the way Jaguar intended. Your Jaguar dealer or Approved Service Centre can also supply and fit Jaguar approved accessories to personalise and add to the practicality and style of your XK model.

FREE SCHEDULED SERVICE

3 year/100,000 kilometre free* scheduled service programme (wear and tear items not included).**

WARRANTY*

3 year unlimited kilometre Mechanical Warranty together with a 3 year unlimited kilometre Paint Surface Warranty and 6 year unlimited kilometre Corrosion (Perforation) Warranty.

JAGUAR MAGAZINE

Jaguar Magazine is the official magazine of Jaguar Cars. It features the Jaguar XJ, XK, XF and new F-TYPE, and the worlds of luxury, style, design and travel. The fully interactive Jaguar Magazine iPad app takes the very best of the print edition of the Magazine and adds extra images, and exclusive information, allowing you to explore Jaguar's world in a whole new way.

JAGUAR.COM.AU

Jaguar's official interactive website contains the latest information on Jaguar models and pricing. It also features helpful tools such as a dealer locator and a new model configurator allowing you to see the car tailored to your specification and colour.

JAGUAR ROADSIDE ASSISTANCE

All Jaguar vehicles purchased in Australia benefit from complimentary Jaguar Roadside Assistance service for the length of the new car warranty. This covers you Australia-wide 24 hours per day, every day.

†All Jaguar Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out so that Accessories are both durable and importantly, continue to comply with current legislation

*Terms and conditions apply. Please contact your local Jaguar dealer for more information

**Wear and tear items include battery, tyres, oils and additives
