

Jeep®

(1) No system, no matter how sophisticated, can overcome the laws of physics or careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully and safely consistent with conditions. (2) ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes and steering to avoid collisions. (3) ERM and TSC are driver convenience systems and not substitutes for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes and steering to avoid collisions. (4) FCW system is solely an alert system for the front of the vehicle which does not take any actions to change vehicle dynamics to avoid a collision and is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes and steering to avoid collisions. (5) Do not attempt water fording unless depth is known to be less than 508 mm. Traversing water can cause damage that may not be covered by the new vehicle warranty. Only off-road responsibly and in approved areas. (6) Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. (7) Always look before proceeding, electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (8) The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. (9) Always check visually for vehicles prior to changing lanes.

YOUR PASSION TO SUCCEED HAS MET ITS MATCH

TODAY IS THE DAY YOU COMMIT TO GREATNESS. NOW IS THE TIME TO GIVE PURPOSE TO YOUR DRIVING PASSION. EVERY MINUTE. EVERY SECOND. NOTHING IS GREATER THAN WHAT LIES AHEAD. THE JEEP® GRAND CHEROKEE DEFINES ACHIEVEMENT. HERE, YOU CAN ACHIEVE IT ALL.

Not all features shown may be available in Australia. For the full details of features available in Australia, please contact an authorised Jeep dealer.

MATCH YOUR CAPABILITY TO THE ROAD AHEAD

HARSH TERRAIN IS WORRY-FREE WITH GRAND CHEROKEE'S EXPANSIVE MENU OF CAPABILITIES. DESIGNED TO WORK TOGETHER IN TRUE HARMONY, THEY USHER YOU OVER AND THROUGH NEARLY ANY CHALLENGE MOTHER NATURE PUTS BEFORE YOU. EXPERIENCE LEGENDARY JEEP® BRAND DNA IN ITS MOST ELEGANT FORM.

Not all features shown may be available in Australia. For the full details of features available in Australia, please contact an authorised Jeep dealer.

SNOW

Adjusts for ultimate performance over snow- and ice-covered roads by maximising vehicle stability and minimising oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

SAND

Traction control operates with aggressive response to wheel spin. The suspension raises for optimal performance. Deeper wheel-slip antilock brake settings and off-road-tuned Electronic Stability Control (ESC)¹ are among the primary systems engaged.

AUTO

In Auto, Selec-Terrain[®] does all the work, automatically adjusting vehicle dynamics to best suit the terrain.

MUD

In this setting, the Quadra-Lift[®] Air Suspension System (Available*) raises to Off-Road 1 Mode, traction control operates with sensitive response to wheel spin and torque is tuned for optimal performance.

ROCK

This Selec-Terrain setting raises the vehicle to the maximum ground clearance of 271 mm (where available Quadra-Lift[®] Air Suspension System fitted); the transfer case, differential and throttle coordinate to provide low-speed control. ESC¹ is tuned appropriately for off-road conditions.

AVAILABLE SELEC-TERRAIN[®] TRACTION MANAGEMENT

FIVE SELECTABLE SETTINGS GIVE YOU ULTIMATE DRIVING CONFIDENCE BY COORDINATING 12 VEHICLE SYSTEMS, INCLUDING THROTTLE CONTROL, TRANSMISSION SHIFTING, TRANSFER CASE, TRACTION CONTROL AND ELECTRONIC STABILITY CONTROL (ESC)¹.

ULTIMATE CAPABILITY TAKES YOU FAR WITH THE AVAILABLE* TRAIL READY JEEP® GRAND CHEROKEE. RISE ABOVE CHALLENGING ROAD OBSTACLES THANKS TO ITS IMPRESSIVE GROUND CLEARANCE. FOR UNSHAKABLE CONFIDENCE FACING THE MOST CHALLENGING ROAD CONDITIONS, THE CHOICE IS CLEAR. GREATNESS LIES AHEAD.

QUADRA-LIFT® AIR SUSPENSION SYSTEM*

This is how to move ahead with an air-cushioned, adjustable ride height that smooths on-road handling, increases fuel efficiency, eases entry and loading, and lifts Grand Cherokee to great heights – all with finger-touch control. Raise up to 271 mm above rocks and snowbanks. Lower it 40.6 mm for easier entry, exit and loading. Available.*

JEEP® 4x4 CONFIDENCE

Choose from two available* 4WD systems:

+ **QUADRA-DRIVE® II** employs an electronic limited-slip differential that can transfer up to 100 percent of torque to the rear wheel(s) with traction to help you maintain forward movement. Only available as part of the Off-Road Adventure Group II at additional cost.

+ **QUADRA-TRACK II®*** offers all-speed traction control via a two-speed low transfer case that can quickly distribute power to the axle with the most traction. Standard on 4x4 variants. Not available in conjunction with Quadra-Drive® II or Laredo 4x2 variants.

SELEC-SPEED® CONTROL*

Selec-Speed adds Hill Ascent Control to the familiar Hill Descent Control. Hill Ascent engages the throttle to help provide stable low-range control when going uphill, where Hill Descent uses engine and physical braking to aid in vehicle control when going downhill. Only available in conjunction with both the Off-Road Adventure Group II and 3.0L Diesel or 5.7L V8 engines.

TRAIL READY CAPABILITY

Excel if conditions include snow, sand, mud or ice when your Grand Cherokee is equipped with an authentic trail ready 4WD system.

Not all features shown may be available in Australia. For the full details of features available in Australia, please contact an authorised Jeep dealer.

3.0 V6 DIESEL ENGINE

LOVE THE PLANET ALONG WITH GREAT FUEL ECONOMY? THEN THE JEEP® BRAND'S DIESEL ENGINE WILL RING TRUE. IT LETS YOU ADHERE TO YOUR PRINCIPLES AND GET EXTRA POINTS FOR EMBRACING INNOVATIVE TECHNOLOGY.

EFFICIENCY Impressive fuel economy allows you to go farther between fill-ups, so you can make the most of every tank of fuel.

PERFORMANCE Awe-inspiring performance comes courtesy of 184 kW of power and 550 Nm of torque, providing a surge of towing strength that can haul up to 3,500 kg when properly equipped.

CLEAN A marvel of modern engineering, with a block made of compacted graphite iron and aluminium twin-cam heads, the engine delivers quiet, clean-diesel technology with low CO₂ emissions.

8-SPEED AUTOMATIC TRANSMISSION

It glides with a smooth and quick efficiency, consistently using energy to its best advantage. This is Grand Cherokee's standard 8-speed automatic transmission. Its construction provides additional gears with no gain in weight, enhanced acceleration with reduced fuel consumption and increased torque with added strength to pull. This Grand Cherokee drives to engage a stratum of automotive connoisseurs who desire a premium driving experience paired with efficient performance. Fine-tuning elevates your ride quality to levels experienced in the most luxurious sedans. Engage the steering wheel-mounted paddle shifters when you want to customise your shift schedule. The best possible fuel economies can be attributed to a wide ratio spread that supports lower engine rpm driving in both city traffic and on the highway. When equipped with a two-speed transfer case, crawl ratio is improved by 46 percent, enhancing Grand Cherokee's legendary prowess.

Switch to the available* Sport Mode and your shift schedule and engine power are both adjusted to hand over a sportier driving experience. It all adds up to a ride that delivers powerful strength without compromise.

ECO MODE

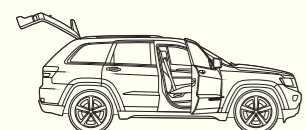

This selectable feature constantly works to maximise your fuel economy by automatically modifying the shift schedule of the 8-speed automatic transmission and torque converter. Your idle speed is gently lowered, allowing gains in precious L/100 km. The Multi-View Display in your instrument panel can inform you of just how efficiently Eco Mode is performing every kilometre along the way.

IMPRESSIVE STRENGTH AND CAPABILITY IS MATCHED WITH AN INCREDIBLY SMOOTH AND LUXURIOUS RIDE. ELEGANT ROAD MANNERS ARE ENHANCED BY THE ADDITION OF PREMIUM ACOUSTIC GLASS, MAKING GRAND CHEROKEE'S CABIN QUIETER THAN EVER. AVAILABLE.*

INDEPENDENT THINKER

Independent front and rear suspensions provide a greater sense of precision and control. Isolated cradles help absorb all the irregularities that roads and trails offer up. Or upgrade to the available* Quadra-Lift® Air Suspension. Here, fingertip control allows you to easily raise your vehicle higher for a maximum available ground clearance of 271 mm above ridges and rocks. Or lower it 40.6 mm for easier entry, exit and loading. This closed-air suspension system uses four-corner air springs that help to provide a cushioned and comfortable ride at every altitude. Standard on Overland models.

PARK

AERO

OFF-ROAD 1

OFF-ROAD 2

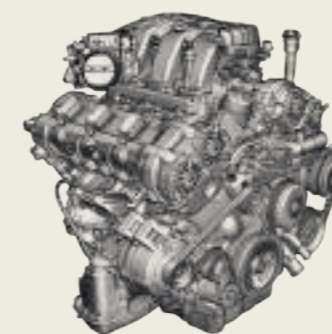

ECODIESEL 3.0 V6 ENGINE

Delivers impressive economies that treat your fuel budget with respect, while its reduced CO₂ emissions display reverence for the environment. That's because, compared to petrol, a litre of diesel fuel converts to a greater amount of usable energy. And with its command of 184 kW of power and 550 Nm of torque, the EcoDiesel provides a surge of towing strength that can haul up to 3,500 kg when properly equipped. Available.*

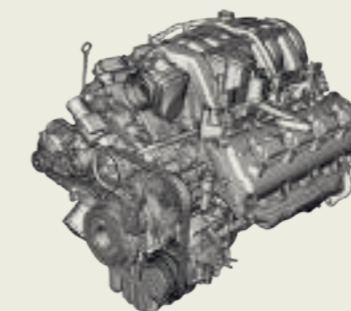

3.6 V6 PENTASTAR® ENGINE

The FlexFuel Pentastar paired with the 8-speed automatic transmission, gives you plenty of strength to tow up to 2,812 kg when properly equipped. Available.*

5.7 V8 ENGINE

This available* workhorse churns out a maximum towing power of up to 3,500 kg when properly equipped. It gives out 259 kW and a brawny 520 Nm, while also employing additional fuel-saving efficiencies, thanks to VVT, Fuel Saver Technology and the 8-speed transmission. Available.*

Not all features shown may be available in Australia. For the full details of features available in Australia, please contact an authorised Jeep dealer.

KNOWLEDGE IS POWER.
YOU WILL USE IT WELL.

CONFIGURABLE 7-INCH

MULTI-VIEW DISPLAY

FINGERTIP CONTROLS ON YOUR STEERING WHEEL CAN INSTANTLY SCROLL YOU THROUGH A RICH SELECTION OF VEHICLE DATA DISPLAYED WITHIN YOUR INSTRUMENT PANEL ON A 7-INCH FULL-COLOUR SCREEN. IF KNOWLEDGE IS POWER, THIS VAST ARRAY OF WISDOM MAKES YOU VERY STRONG, INDEED.

NAVIGATION Partnering with your available* Nav Radio, the Multi-View Display can show turn-by-turn directions, as well as additional details that help you navigate your way.

PERFORMANCE Get real-time fuel economy data. See how many kilometres you can travel before you need to refuel. When the available* Adaptive Cruise Control (ACC)² with Stop senses a vehicle ahead, it will apply limited braking or acceleration automatically to maintain a preset following distance, while matching the speed of the vehicle ahead.

CAPABILITY See the current settings for your available* Quadra-Lift[®] Air Suspension System and steering-wheel position. You can also see how your available* Selec-Terrain[®] system is functioning via perspective visuals.

VEHICLE DYNAMICS Are your tyres properly inflated? You'll be notified if the pressure is low on any tyre. Driving off-road? See available graphic depiction of how your wheels are articulating.

VEHICLE ALERTS You'll receive visual notification here for safety systems, such as available* Forward Collision Warning (FCW)⁴ with Crash Mitigation and Advanced Brake Assist. Set the distance for the available* ACC² with Stop.

+ AVAILABLE* REAL WOOD

+ MULTI-VIEW DATA CONTROLS

+ PADDLE SHIFTERS

+ AVAILABLE* HANDS-FREE VOICE COMMAND CONTROL FOR BLUETOOTH[®] ENABLED PHONE, AUDIO, CLIMATE (WHERE FITTED), AND MORE

+ CRUISE CONTROL

+ AVAILABLE* ADAPTIVE CRUISE CONTROL² WITH STOP

+ AVAILABLE* LEATHER TRIM

GRASP THE FINER THINGS IN LIFE

Take hold of an array of interior luxuries. Like an extraordinarily functional leather-wrapped steering wheel with standard paddle shifters. Keyless Enter 'n Go[™] with push-button start lets you get in and drive with ease. Delivery of informative vehicle functions arrives with the simple touch of a button. This is how life on the road becomes a highly anticipated event.

+Additional costs may apply. Not all features shown may be available in Australia. For the full details of features available in Australia, please contact an authorised Jeep dealer.

IMMERSIVE SOUND The premium Alpine® Surround Sound System, standard on Limited, utilises a high-powered, 12-channel, 506-watt amplifier powering nine speakers and a subwoofer optimally placed throughout the cabin. Standard on Limited and Overland only.

CLIMATIZED FOR COMFORT Dual-Zone Automatic Temperature Control (ATC) constantly adjusts the air temperature inside the cabin to create a customised environment. Standard on all models.

HEATED AND AVAILABLE VENTILATED FRONT SEATS Add quick warmth on cool days and welcome relief when temperatures rise – a small fan gently circulates cool air via perforations within the front seat coverings. Available.*

BLU-RAY™ PLAYER WITH SEATBACK-MOUNTED VIDEO SYSTEM Two available* 9-inch high-resolution screens are integrated into the seatback to entertain rear-seat passengers. The system can play standard DVDs as well as Blu-ray discs and includes independent HDMI and RCA inputs for each screen.

CARRY-ON WITH EASE Configure your interior to suit the situation. An ample rear cargo area offers a full 994-litre of available* space with the 60/40 split rear seats up. Fold them down and there's a generous 1,945-litre capacity. Attractive Chrome runners and four tie-down loops offer protection and convenience.

POWER LIFTGATE Keep hold of packages and open the liftgate without any fancy footwork. The available* power liftgate adds graceful accessibility to Grand Cherokee's rear cargo area (standard on Limited, Overland, Summit & SRT models). Standard Keyless Enter 'n Go™ offers hands-free control via the key fob, so you can avoid fumbling last-minute to unlock the gate.

CRAFTSMANSHIP

GRAND CHEROKEE LIMITED

The impressive exterior details will turn heads; the luxurious interior amenities will turn you into a bit of a show-off. From its stunning chrome body trim to a cabin lush with leather-trimmed seats, Limited exudes pride.

POWERFUL DRIVE IS YOUR COMMON DENOMINATOR

THIS IS WHERE ALL-WEATHER AND ALL-TERRAIN CONFIDENCE CAN TAKE YOU – TO DESTINATIONS THAT OTHERS DREAM OF REACHING, THROUGH THE MOST CHALLENGING CONDITIONS. GRAND CHEROKEE ANSWERS THE CALL, WITH STUNNING STYLE AND GRACE.

FROM THE MOUNTAIN'S CHALLENGING
TERRAIN TO THE CITY'S GLOWING STREETS,
GRAND CHEROKEE'S LEGENDARY CAPABILITY
AND AUTHENTIC STYLE ARE FORTRESSED WITH
THE LATEST DESIGN TECHNOLOGY. EVERY
LANDSCAPE OFFERS OPPORTUNITY; YOUR
CONFIDENCE TRAVELS WELL.

PHONE/TEXT

Use your voice to reply to a text message using Voice Text Reply. You can dictate and send out a group text or use Voice Command to place a hands-free call. Pair up to eight compatible Bluetooth® enabled phones. Voice-to-text functionality available with compatible handsets only.

NAVIGATION

You'll hear turn-by-turn directions and see detailed maps. The Nav is integrated into your 7-inch Multi-View Display so you can see directions front and center. Not available on Laredo.

VOICE COMMAND®

It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Select radio stations, make calls, cabin temperatures and much more.

ENTERTAINMENT

Connect your compatible media device via the USB port, SD card media slot or 3.5mm auxiliary port.

AN ADVANCED LEVEL OF INNOVATION

UCONNECT®

WITH THE AWARD-WINNING UCONNECT® SYSTEM, YOU'RE ALWAYS CONNECTED, INFORMED, ENTERTAINED AND MORE PRODUCTIVE. YOU CAN ALSO VOICE YOUR CHOICE TO CONTROL NEARLY EVERY FEATURE HANDS-FREE WITH THE LATEST AVAILABLE* VOICE RECOGNITION TECHNOLOGY. THIS IS HOW YOU CONNECT IN A WORLD THAT'S VERY ADVANCED.

**ALL ROADS
LEAD TO
PEACE OF MIND**

UCONNECT® VOICE COMMAND Multitasking is the way of today's world, even when you're on the road. Uconnect Voice Command allows drivers to safely send, reply or listen to a text,* take or make phone calls, request real-time information, get navigation directions (where fitted) and more, while keeping both hands on the wheel. Standard. Voice-to-text functionality only available with compatible handsets

ELECTRONIC STABILITY CONTROL (ESC)¹ A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should they detect you're veering off your intended path. ESC¹ coordinates Electronic Roll Mitigation (ERM)³; antilock brake system (ABS) and Brake Assist, all-speed traction control and available* Trailer Sway Control (TSC)³; sending them into action when needed. Standard.

PARKVIEW® REAR BACK-UP CAMERA Back out safely with grace. This system helps bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react. Standard. (Dealer fitted item on Laredo which does not feature Dynamic Gridlines).

PARKSENSE® FRONT AND REAR PARK ASSIST SYSTEMS⁷ Available* Front Park Assist system helps you nestle into parking spots by detecting objects in front of the vehicle and providing an audible warning when you are too close for comfort. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors or an audible chime. Available*.

A SECURE AIR BAG SYSTEM⁸ Your sense of security is fully met with Grand Cherokee's all-around air bag system. Full-length side-curtain, seat-mounted side thorax, advanced multistage front and driver inflatable knee blocker air bags all work in tandem to help provide protection. Standard.

ADAPTIVE CRUISE CONTROL (ACC)² WITH STOP Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The ACC automatically adjusts cruising speed to maintain a preset distance between your Grand Cherokee and the vehicle in front of you. It can even help bring your vehicle to a complete stop if conditions require. Available*.

TRAILER SWAY CONTROL (TSC)³ Crosswinds and traffic hold no sway over you and your payload. As part of ESC; TSC³ helps keep you and the toys you are towing safely on course. Standard.

BLIND SPOT MONITORING⁹ AND REAR CROSS-PATH DETECTION SYSTEM⁷ These sentry systems constantly monitor the space between you and other vehicles. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors or an audible chime. Available*.

ELECTRONIC ROLL MITIGATION (ERM)³ As an extension of ESC; ERM³ employs ESC sensors to anticipate potential risk situations. If things get rough, ERM takes immediate action to help you maintain stability and remain under control. Standard.

SELEC-SPEED® CONTROL Smoothly navigating steep hills can be daunting. Engage Selec-Speed Control on the Selec-Terrain® dial of your 4WD Grand Cherokee and you'll climb and descend with greater safety. Fuses Hill Ascent Control and Hill Descent Control into one incredibly capable feature. Available* Hill Ascent Control is only available in combination with both Off-Road Adventure Group II and 3.0L Diesel or 5.7L V8 engines.

SENTRY KEY® ENGINE IMMOBILISER A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where it belongs. Standard.

RAIN-SENSING WIPERS AND RAIN BRAKE SUPPORT Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected, and a "smart" brake system helps dry the brake rotors on wet roads. Available*.

FORWARD COLLISION WARNING (FCW)³ WITH CRASH MITIGATION Radar sensors detect when Grand Cherokee may be approaching another vehicle too rapidly and send an audible and visual alert to the driver. The system also provides 1.5 seconds of braking assistance if the driver does not react in time. Available*.

ADAPTIVE HID HEADLAMPS/DAYTIME RUNNING LAMPS/HEADLAMP WASHERS They follow your cue as you turn the wheel, illuminating curves in the road ahead and helping to reveal what was once hidden. Available* Signature LED daytime running lamps add even greater visibility. Standard headlamp washers keep your lenses free of debris. Available*.

GRAND CHEROKEE SURROUNDS YOU WITH MORE THAN 70 STANDARD AND AVAILABLE* SAFETY AND SECURITY FEATURES. YOU'LL FEEL THE STRENGTH OF ITS REINFORCED STRUCTURE, SHELTERED WITHIN AN ENVIRONMENT THAT SERVES YOU WELL. GO BOLDLY FORTH, EMPOWERED WITH INSPIRED CONFIDENCE.
