

SORENTO

The Power to Surprise

An expression of unrivaled refinement

A host of improvements to the award-winning Sorento has resulted in a more mature and sophisticated SUV that sets a new standard for style, comfort, performance, safety and convenience. Uncompromising in its every detail, Sorento is the perfect lifestyle complement to those who aspire to be the best.

SORENTO

Platinum model shown

King of the urban jungle

From its early roots as a true off-roader, Sorento has evolved into a captivating city cruiser that's sure to attract looks at every turn.

Overseas model shown

Platinum model shown

Eye-catching style, up-close and from afar

Our talented team of international designers have created a contemporary and elegant silhouette accentuated by striking aesthetic details. Sorento radiates class and sophistication from every angle thanks to LED daytime running lights, distinctive LED rear combination lamps (SLi/Platinum), vertical fog lamps with cornering lamps for added safety and newly designed alloy wheels.

SLi / Platinum

Built-in satellite navigation system

A built-in touchscreen navigation system allows you to get to any destination with confidence and ease. Navigation comes with traffic information (SUNA™) and 2nd & 3rd year map updates (MapCare™) from your Kia dealer as well as a 10 speaker premium audio system including external amplifier. (SLi navigation & Platinum)

Platinum model shown

High-tech form and function combined to perfection

Sorento's cockpit is a showcase for advanced technologies that work seamlessly together as a cohesive suite of intuitive and ergonomically designed controls. The sporty instrument gauge cluster and highly functional centre console and fascia layout combine with elegant yet understated shapes and materials to provide the ultimate in driving pleasure.

1. Radio + CD + MP3 + Rear view camera

The stylish integrated audio system features premium sound with a CD player and MP3 playback compatibility, while the 4.3" full touch LCD display screen serves as a monitor for the rear view camera. (7" display screen on SLI navigation and Platinum models)

2. Aux and iPod® Enjoy virtually any music source in your Sorento with built-in AUX, USB and iPod® connectivity (on selected iPod® models) plus high-fidelity output.

3. Dual zone climate control Both driver and passenger can control the fully automatic air-conditioning system with an eight-level fan adjustment to suit their temperature preference. (SLI navigation & Platinum models have display in navigation screen.)

7" TFT LCD SUPERVISION CLUSTER

A high-visibility display located in the centre gauge provides useful, on-demand trip computer information graphics such as distance to empty, average and instant fuel consumption and outside temperature. (SLI & Platinum)

SLi / Platinum

Interior colour schemes

Classic yet contemporary at the same time, Sorento's cabin colour combinations and choice of premium leather[†] or soft-touch cloth seats make the inside of this SUV a space you'll want to call home.

Black wood (Si)

Metallic insert (SLi / Platinum)

Cloth (Si)

Leather[†] (SLi / Platinum)

Steel Black The steel black scheme combines black cloth seats with black wood-look interior trim or black leather[†] seats with metallic silver-look interior trim for a contemporary feel to the cabin.

[†] Leather trim includes some leather-like material on selected high impact surfaces

Overseas model shown

A spacious sanctuary of comfort and refinement

Passengers will appreciate Sorento's generous second row seat legroom while Kia's engineers have drastically reduced noise and vibration with an improved suspension featuring DFD (Dual Flow Damper) technology and a host of insulating enhancements.

Overseas model shown

Overseas model shown

Ultimate relaxation on the road

Whether on your daily commute or an extended family road trip, Sorento will get you to your destination in maximum comfort. Thanks to an airy and plush interior space featuring the latest high-tech comfort and convenience technologies, Sorento lets you leave the stresses of the outside world behind while all the occupants will appreciate its soothing cabin environment.

1. VENTILATED FRONT SEATS / DRIVER MEMORY SEAT

Air blown through the cushion and back of both front seats help keep 1st row occupants cool in extreme summer temperatures, while two different users can restore the driver's seat to their preferred positions at the touch of a button. (Platinum)

2. HEATED FRONT SEATS

The front (cushion and back) seat has a seat warming function for welcome added comfort in cold climates. (Platinum)

3. PANORAMIC SUNROOF

The huge dual-pane panoramic sunroof lets you and your passengers enjoy the fresh outdoor breeze while creating an even more spacious interior ambience. A one-piece motor-driven roller blind and the elimination of the centre beam provide more openness compared to competitors' sunroofs. (Platinum)

Overseas model shown

Unleash your wild side

Sorento has grown over the years into a more stylish and sophisticated all-rounder, it is still a highly competent weekend warrior that is sure to provide all of the thrill and adventure you could ask for.

Not your ordinary SUV

It's only natural that a car that rewrites the rules for an SUV doesn't conform to stereotypes. Sorento is a robust, masculine and capable off-roader, but its sophisticated modern design, advanced comfort features and smooth road manners make this the perfect vehicle for any lifestyle.

Platinum model shown

6 Airbags

Sorento offers the highest levels of protection for you and your family. The dual front, side and curtain airbags have finely tuned sensors for the best possible performance. In combination they provide enhanced protection against chest and head injuries in the event of an impact.

A never ending quest for best-in-class safety

Sorento's all-new lightweight, monocoque construction boasts a high-rigidity bodyshell which results in enhanced crash safety. A host of new active safety features gives Sorento high levels of both collision prevention as well as reduced risk of injury in the event of an accident.

HAC Hill-start Assist Control is an added safety feature that automatically applies the brakes when starting on an ascent to prevent the vehicle from rolling backwards.

1. ACTIVE HID HEADLIGHTS

Motor-powered HID headlights automatically point in the same direction the vehicle is heading based on travelling speed and steering handle movements, resulting in improved night time driver visibility. (Platinum)

2. ACTIVE HEADRESTS

The active headrests move forwards and up within milliseconds of an impact to cushion the head and prevent whiplash.

3. PARKING ASSIST SYSTEM

Ultrasonic sensors at the front and rear trigger a beeping sound alert with increasing frequency the closer the vehicle gets to an obstruction.

High tensile steel

The Sorento chassis employs low-alloy, high-tensile steel plates to enhance structural strength of the vehicle without adding a lot of weight. The result is high torsional stiffness, which not only ensures more protection during a collision but also benefits handling, ride quality and overall refinement.

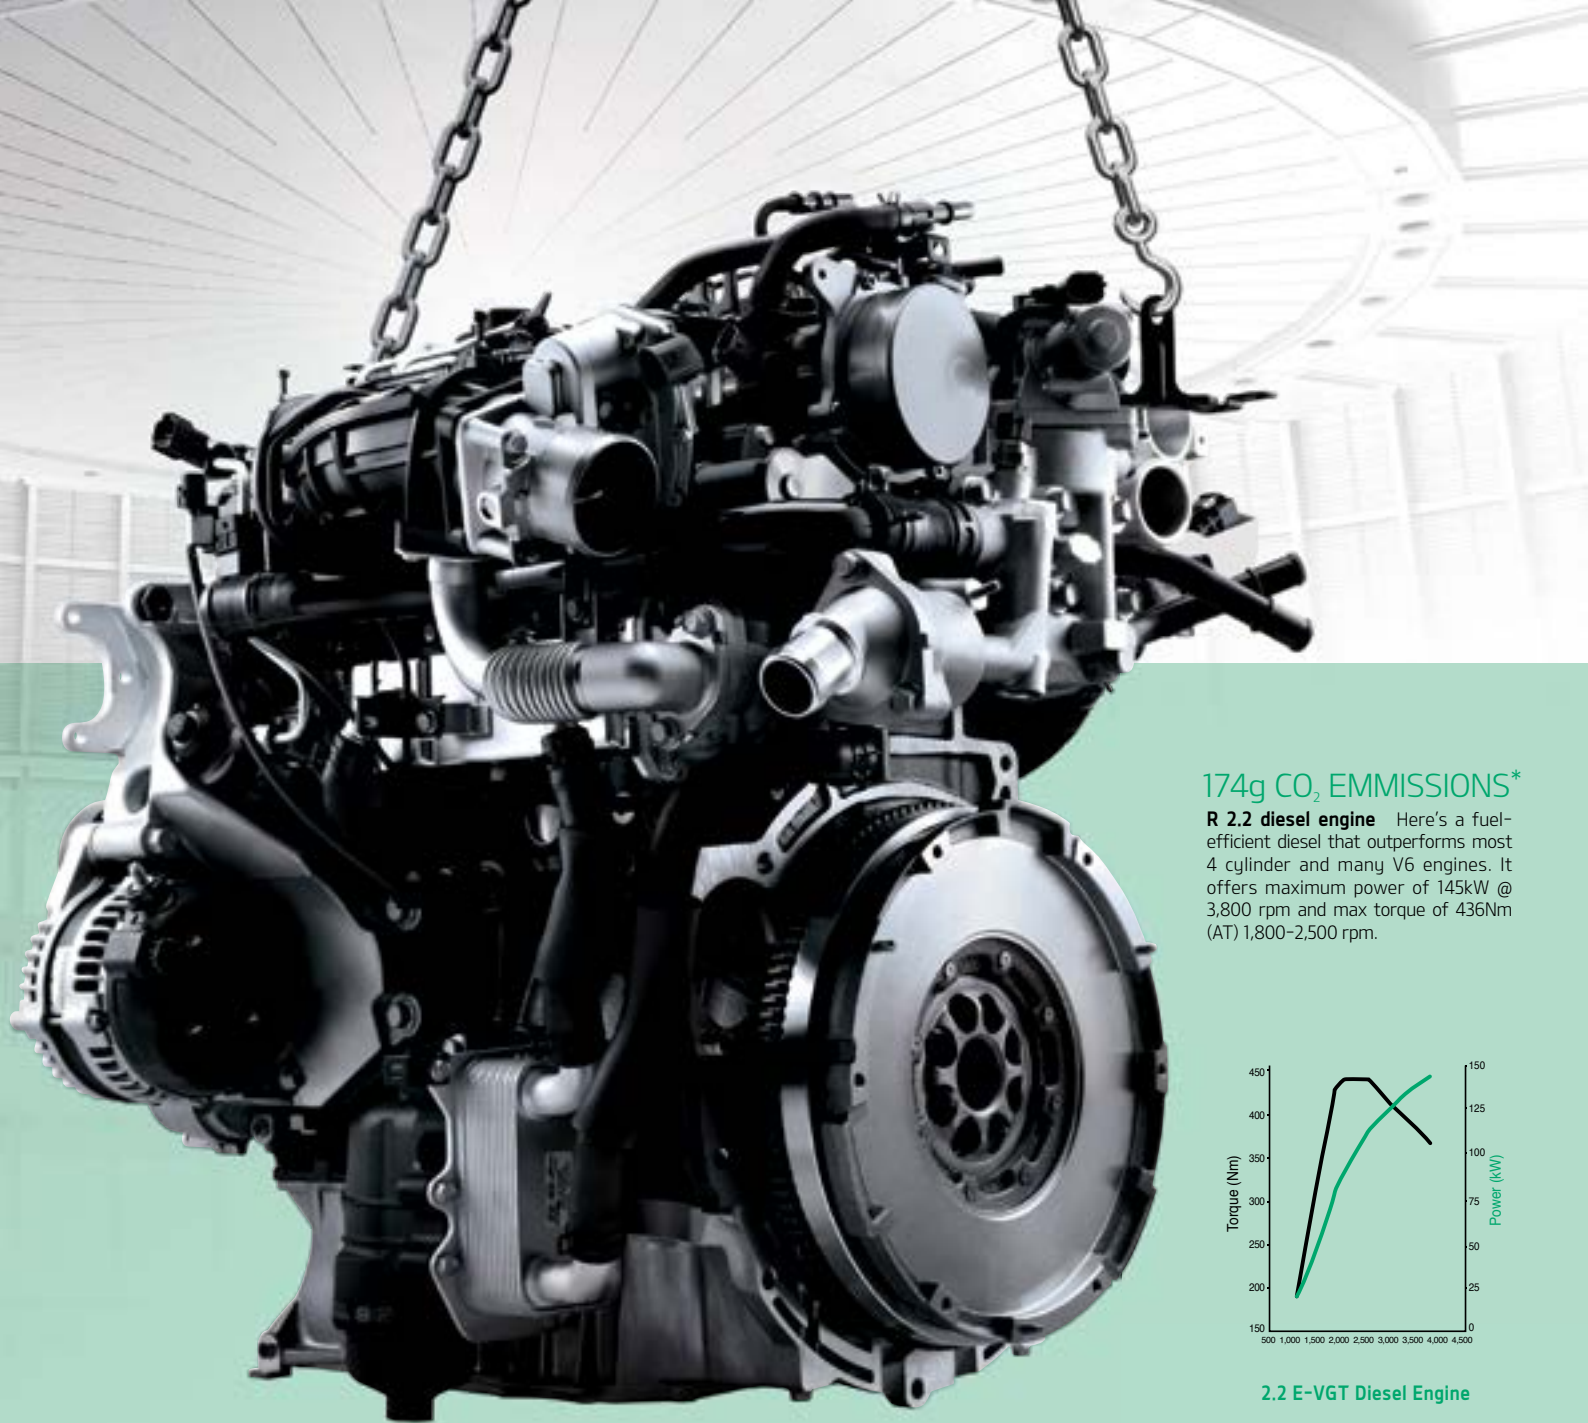

Platinum model shown

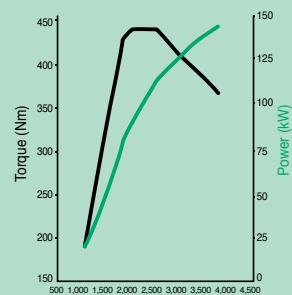

The vibrant pulse of the city

Urban life is filled with endless possibilities, and Sorento lets you experience all that the city has to offer. From a stylish daily commuter to a versatile family companion, Sorento stands head and shoulders above the rest of the pack.

174g CO₂ EMISSIONS*

R 2.2 diesel engine Here's a fuel-efficient diesel that outperforms most 4 cylinder and many V6 engines. It offers maximum power of 145kW @ 3,800 rpm and max torque of 436Nm (AT) 1,800-2,500 rpm.

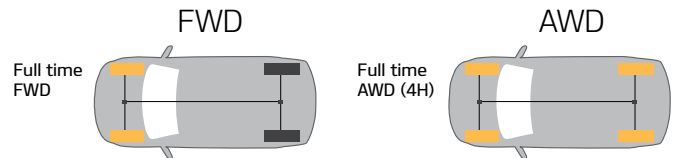

2.2 E-VGT Diesel Engine

*(AWD/manual transmission; combined mode)

Superior power, performance and efficiency

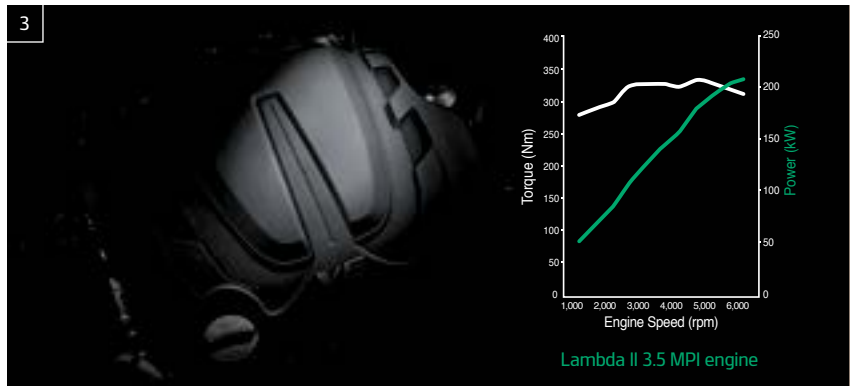

Whether you're on country roads, off-road or cruising city streets, Sorento's two state-of-the-art, fuel efficient engines - diesel and petrol - with a choice of 6-speed automatic or manual transmissions provide a responsive and smooth driving experience. An advanced AWD system gives you added peace of mind no matter the road surface or weather.

1. 6-speed auto transmission An electronically controlled 6-speed automatic transmission provides smooth, seamless shifting and improved fuel efficiency. Its Manu-matic design allows you to choose between automatic shifting clutch-free manual shifting for a sportier driving experience.

2. 6-speed manual transmission Sorento's 6-speed manual gearbox is the sporty choice and provides hands-on control, higher torque capacity, excellent acceleration and smooth, fuel efficient gear changes.

3. Lambda II 3.5 MPI engine This 24-valve, multi-point fuel injected V6 petrol engine delivers all the the responsiveness and power you'll need in any driving situation while also offering reduced fuel consumption and silky smooth refinement. It produces 204kW @ 6,300 rpm with maximum torque of 335Nm @ 5,000 rpm.

Beauty that never goes out of style

Who said that an SUV can't make a serious fashion statement? Kia's world-acclaimed dynamic design DNA marked by straight, clean lines has been infused into Sorento to make sure you stand out from the crowd.

Platinum model shown

Partial 3rd row folding

3rd row folding

Partial 2nd row & 3rd row folding

2nd row & 3rd row folding

Multiple seat configurations for maximum flexibility

Sorento's numerous seat variations made possible by partial or full row seat folding provide not only comfort for passengers, but also convenience and practicality for transporting long and odd-shaped cargo and leisure equipment.

Steering wheel remote control Conveniently located and ergonomically designed for easy operation while keeping your eyes on the road, the audio system remote control lets you adjust volume, skip tracks, switch modes and mute sound.

Centre console A redesigned centre console features more flexible cup holder spaces with a sliding lid (A/T only), large armrest storage bin and an additional tray for small, easily lost items like keys or coins.

Button start/stop system Sorento's secure ignition system allows you to conveniently start the engine with a simple push of a button as long as the smart key is in your possession. (Platinum)

Sunshade blind The manually retractable sunshades on the 2nd row windows provide protection from harsh sun glare and also helps keep the cabin cool on hot summer days for maximum comfort. (Platinum)

Pocket lamps For easier vehicle access at night, the smart key automatically turns on the pocket lamps located under the door handles when you approach the car. (Platinum)

Mood lamp LED-illuminated strips emit a subtle reddish glow to create a warm ambience within the vehicle cabin while adding to the overall luxurious feel of the Sorento's interior. (SLi and Platinum)

Rear cup holder Twin cup holders in the rear centre armrest let your passengers store beverages without spillage and are especially appreciated by Sorento owners with children.

Door map pocket Maps and documents can be stored within easy reach of the driver and front passenger while the pocket also has a recess to keep bottled drinks upright when you're on the move.

Glove box The spacious glove box compartment not only features a locking mechanism for safekeeping of personal items but is also illuminated for added convenience at night.

Open up a world of new possibilities

Sorento has much more to offer than dynamic styling and driving capability, as it has been designed with practicality in mind. It has plenty of space, and even with the seven seats in use you'll find a host of creative storage ideas and thoughtful accessories that enhance your journeys. The second row seating, for example, features a walk-in device, reclining seat backs and a centre armrest. Third row headroom is a generous 906mm while leg room has been extended by 9mm to 804 mm.

Flex Steering System Sorento's Flex Steering System provides a variety of steering modes to fit driver preferences with MDPS and supervision cluster. With 3 modes - normal, sport and comfort, flex steering mode is changeable even while stopping and driving. (SLi and Platinum)

Remote keyless entry system The smart key unlocks the doors the moment you touch the door handle so that you never have to worry about fumbling around for keys. (Platinum)

Cargo screen With retractable spring-loaded operation, the cargo screen is a sensible way to keep your personal belongings under cover. It is a practical way to deter would-be thieves and shield stored items from direct sunlight.

Body colours

There's a paint finish to suit your style with ten different colours (one standard, nine premium).

Snow Pearl White* (SWP)

Clear White (UD)

Bright Silver* (3D)

Glittering Metal* (K3G)

Golden Beat* (K3N)

Mahogany Brown* (NBM)

Temptation Red* (K3R)

Aurora Black* (ABP)

*Premium paint

Wheels

A choice of three newly-designed alloy wheels gives Sorento maximum curb appeal.

235/65R 17" Alloy Wheel (Si)

235/60R 18" Alloy Wheel (SLi)

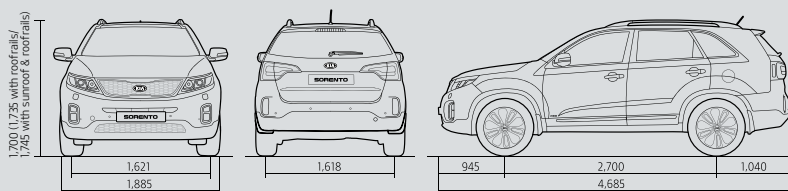

235/55R 19" Alloy Wheel (machine finished) (Platinum)

As eco-conscious as you are

So you value sustainable living? We do too. That's why we take pride in rising to meet the expectations and

challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society as a whole.

Kia Motors designated environmental management as one of the core objectives of our socially responsible management initiative launched in 2008 and has put the environment at the forefront of all our business activities. We aim to spearhead efforts to combat the global challenges of natural resource depletion and climate change.

We are applying innovative automotive technologies to dramatically improve energy efficiency and are making consistent investments in technology innovation to commercialize hybrid, electric and fuel cell vehicles. We are also building a clean production system, raising the

resource recovery rate, designing vehicles with the disposal phase in mind, increasing energy efficiency, and adopting low-carbon fuels.

Wherever possible, recycled and recyclable materials are being used in the production of every Kia. Even at the end of your car's life, one of our environmental targets is the eco-friendly return and treatment of end-of-life vehicles. Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

In short, we are committed to finding fundamental solutions to cut energy consumption and combat climate change. As you see, what you do on a small scale with your household refuse, we at Kia motors do on a large scale around the world.

The Power to Surprise

Kia Motors Australia
350 Parramatta Rd, Homebush, NSW, 2140

Phone 131 KIA (542)

www.kia.com.au

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Rio to the Sorento, Kia offers a full lineup of sedans, SUVs and MPVs that are not only practical but downright exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

About Kia Motors Corporation

Kia Motors Corporation (www.kia.com.au) -- a maker of quality vehicles for the young-at-heart -- was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. As part of the Hyundai-Kia Automotive Group, Kia aims to become one of the world's premier automotive brands. Over 2 million vehicles a year are produced in 13 manufacturing and assembly operations in eight countries which are then sold and serviced through a network of distributors and dealers covering 172 countries. Kia today has over 44,000 employees worldwide and annual revenues of over US\$20 billion. It is the major sponsor of the Australian Tennis Open and an official automotive partner of FIFA -- the governing body of the FIFA World Cup. Kia Motors Corporation's brand slogan -- "The Power to Surprise" -- represents the company's global commitment to surpassing customer expectations through continuous automotive innovation.

Kia's unlimited km 7 year warranty. Note: 7 year/150,000km warranty for vehicles used for the following: rental vehicles, hire cars, taxis, courier vehicles, driving school vehicles, security vehicles, bus and tour vehicles. For full details, visit www.kia.com.au
