SPECIFICATION

Page 16

The New Discovery Sport is the first in a new generation of Land Rover SUV design. This is a modern, relevant and compelling vehicle, with its well-proportioned compact body and purposeful stance. Its distinctive silhouette and beautifully sculptured surfaces all combine to create a vehicle that truly connects on an emotional level.

The desirability of the exterior design continues into the cabin with bold horizontal and vertical lines. Complemented by clean surfaces, superb finishes and optional premium leathers to promote what is a highly versatile package. Inside and outside seamlessly blend into a vehicle that clearly communicates its Discovery DNA, whilst firmly looking forward.

Land Rover has always been synonymous with capability and the New Discovery Sport lives up to even the most demanding expectations. Confident, assured and responsive, the drive is further enhanced by generous wheel articulation and innovative off-road technologies such as Terrain Response® and optional Wade Sensing™*.

The vehicle gives maximum performance in even the most challenging conditions. Terrain Response® adapts the responses of the vehicle's engine, gearbox, centre differential and chassis systems to optimise your drive and comfort. In fact, such technologies have been tested for over 18 months in the most gruelling conditions and in more than 20 countries. Taking you above and beyond.

The New Discovery Sport bristles with all the advances you'll need to make driving a real pleasure. Optional driving systems including Active Driveline*, Torque Vectoring by Braking system and Adaptive Dynamics* with MagneRide™ combine to deliver the most assured, confident drive imaginable. And as system information is continually relayed to the vehicle's eight-inch Touch-screen, you'll always feel in control.

Family and friends keen to get out there and make the most of a new day? The New Discovery Sport has been designed and engineered to meet any challenge. With a loadspace of up to 1,698 litres and the option of flexible seating which, when stored flat, gives a load floor that is as long as a Range Rover, it accommodates passengers and their kit with ease.

One look tells you this isn't the usual seating configuration or loadspace. The second row is both comfortable and spacious, thanks to the flexibility of the seats to travel 160mm forward and back; in fact, when fully rearward, the second row offers similar legroom to that of a Range Rover. The optional third row, with its simple, single-handed 50:50 deployment, has been incorporated without compromising the exterior design. So you can make the most of having more space and seating options than ever.

NOW IT'S TIME TO CHOOSE...

The New Discovery Sport offers you great options and flexibility to personalise your vehicle. The following pages take you through a logical series of steps to make it suit your lifestyle. There are several choices: from selecting your engine and model to exterior and interior colours, wheels, finishes and those detailed touches to enable you to personalise your vehicle.

If you'd like to bring your options to life, go to our online configurator at landrover.com.au

Step 1

Choose your engine

Page 18

You can select from a powerful range of petrol or diesel engines.

Step 2

Choose your model

Page 20

Compare the standard features on each model.

Step 3

Choose your colour

Page 24

There's a wide range on offer to enable you to express yourself.

Step 4

Choose your wheels

Page 28

There's a range of styles, each one designed to complement the bold exterior.

Step 5

Choose your interior

Page 30

Carefully selected colours complemented by the finest metals. You can personalise your interior space.

STEP 2 CHOOSE YOUR MODEL – CHOICES

Each model has a choice of engines and unique features. This guide will help you to select your ideal Discovery Sport. On the following pages you'll see the standard features for each model.

DISCOVERY SPORT SE

- Grille in Dark Atlas with Narvik Black surround
- Fender vents in Dark Atlas
- Body coloured door handles
- Body coloured mirror caps
- Tow eye covers in Dark Techno Silver
- Discovery script on bonnet and tailgate in Brunel
- Tailgate finisher in Narvik Black
- Halogen headlamps
- 18 inch nine split-spoke 'Style 109' alloy wheels
- Seats in Grained leather.

DISCOVERY SPORT HSE

- Grille in Atlas with Narvik Black surround
- Fender vents in Atlas
- Body coloured door handles
- Body coloured mirror caps
- Tow eye covers in White Silver
- Discovery script on bonnet and tailgate in Brunel
- Tailgate finisher in Narvik Black
- Xenon headlamps with LED signature
- 19 inch five split-spoke 'Style 521' alloy wheels
- Seats in Grained leather.

DISCOVERY SPORT HSE LUXURY

- Grille in Atlas with Narvik Black surround
- Fender vents in Atlas
- Noble plated upper and lower door handles
- Body coloured mirror caps
- Tow eye covers in White Silver
- Discovery script on bonnet and tailgate in Atlas
- Tailgate finisher in Atlas
- Xenon headlamps with LED signature
- Fog lamp surrounds in Atlas
- 19 inch nine-spoke 'Style 902' alloy wheels
- Seats in Windsor leather.

STEP 3 CHOOSE YOUR COLOUR

Body Colour

Contrast Corris Grey

STEP 3 CHOOSE YOUR COLOUR – BLACK DESIGN PACK

Personalising the exterior

For an even more striking effect the New Discovery Sport can be further personalised with the optional Black Design Pack. Emphasising the assertive, confident stance of the vehicle, the Black Design Pack makes Discovery Sport your own.

The Black Design Pack is available in all exterior colour options and includes the following: Santorini Black contrast roof*, Narvik Black grille, fender vents and mirror caps with Black 'DISCOVERY' bonnet script and tailgate badging. A choice of 19 inch Gloss Black alloy wheels or 20 inch Gloss Black alloy wheels is available.

*Barolo Black vehicles maintain a Barolo Black roof.

Visit landrover.com.au for more information.

STEP 5 CHOOSE YOUR INTERIOR

The cabin in the New Discovery Sport embodies the finest of contemporary living. Bold horizontal and vertical lines and superb levels of comfort create a space in which you and your family and friends will want to spend time. A wide range of colourways and seat materials are available to suit all tastes.

STEP 5 CHOOSE YOUR INTERIOR – INTERIOR SEAT OPTIONS

60:40 Second Row Seats with Slide and Recline

These seats have forwards/backwards movement of 160mm allowing truly flexible use of space for luggage or to maximise passenger legroom. The seats can also recline to provide even greater comfort.

5 + 2 Seating

A neatly integrated third row of seats can be specified to give you even more versatility. These seats are ideal for children and teenagers, or adults on short journeys. They are easily accessed by tipping and sliding forward the second row seats. When folded, the third row seats leave a flat floor in the luggage compartment as if it were a five-seat model.

COLOUR AND TRIM MATRIX

Centre Stack Side Rails

Satin Brushed Aluminium

KEY FEATURES

Blind Spot Monitoring with Closing Vehicle Sensing**^

These optional systems are designed to see what you might miss. Using discrete sensors hidden in the side and the rear bumpers, blind spot monitoring alerts you via an icon displayed in the appropriate door mirror when a vehicle enters a blind spot on either side of your vehicle.

If a vehicle approaches at speed from behind when changing lanes, the closing vehicle sensing function will alert you to the potential dangers by flashing the icon in the door mirror.

Autonomous Emergency Braking

Autonomous Emergency Braking helps further enhance the active safety aspects of Discovery Sport. Using a forward-facing digital camera, the system detects objects and automatically reduces impact speed if it calculates that a collision is likely. The driver is alerted of the risk by a visual and audible warning signal.

Parallel Park and Perpendicular Parking*^

Optional Parallel Park identifies suitable parking spaces and automatically steers into the space whilst you operate the pedals. Perpendicular Park is an optional addition to the system. Truly useful in car parks and tight spaces, it automatically assesses whether the chosen space is wide enough before steering the vehicle centrally into place as the driver operates the pedals.

Reverse Traffic Detection**^

Activated whilst reversing, this optional system works by informing the driver in the event of a vehicle approaching from either side which may present a hazard, with both audible and visual warnings.

Adaptive Xenon Headlamps^

With their signature design, these optional distinctive LED lights combine distinctive looks with real capability. Adaptive Xenon lights swivel to follow the road while static bending lamps follow the kerb to give the driver greater confidence at night.

Panoramic Roof^

The optional full glass fixed panoramic roof enhances the sense of space in the vehicle's interior and floods it with natural light. To maintain a comfortable interior temperature and to provide a sense of privacy, the toughened glass has a dark tint to offer a high degree of solar protection. When additional shade or privacy is required, an electric fabric sun blind can be extended across the full surface of the glass roof.

*Available as part of the parking pack **Offered for vehicles equipped with five-seat configuration only ^Optional Feature.

Visit landrover.com.au for more information.

KEY FEATURES

Eco Mode

An optional driver-selected feature which prioritises the most efficient vehicle settings including auto transmission*, Active Driveline*¹ and comfort features like heating and air conditioning in order to minimise fuel consumption and CO₂ emissions.

Climate Front Seats**

For the ultimate comfort whatever the temperature, climate front seats are available. This option provides both heated and cooled ventilation through perforations in the leather seats. Driver and passenger preferences can be independently controlled via the Touch-screen.

Powered Tailgate

This feature allows the tailgate to be opened using the key fob, a switch on the fascia or operated independently using a button on the tailgate itself. A button located inside the tailgate allows the tailgate to be closed automatically.

Wade SensingTM**¹

An optional feature designed to aid you when the vehicle is wading, sensors in the door mirrors provide real-time information including the depth of the water and the vehicle's maximum wading capability.

Surround Camera System**¹

An optional feature using five digital cameras, discreetly placed around the vehicle, to provide an almost complete 360 degree view on the Touch-screen. It aids parking and is perfect for more complex driving assignments such as towing a boat or horsebox.

Along with the capacity to display several different views at the same time, this impressive technology also has the facility to zoom and pan, ensuring objects and angles, normally below the line of sight, will be seen.

Dual View Touch-Screen**

This optional technology enables both the driver and front passenger to view independent display content via the Touch-screen. For example, while the driver is guided by the navigation system, the front seat passenger can watch a DVD.

Meridian™ Audio System**

The optional Meridian Audio System delivers superb sound and is noted for its excellent reproduction quality from all sources – radio, CD, iPod® or USB. The optional Meridian Surround Sound System features 17 speakers including a subwoofer for full surround sound.

Rear Seat Entertainment**

The optional Rear Seat Entertainment package ensures passengers can always be amused. With two eight-inch screens built into the front headrests, a pair of WhiteFire® digital headphones, one USB port in the second row and a dedicated remote control, passengers can feel truly at home with their choice of film, TV, music or games console.

USB Charging Points**

Want to charge a games console, tablet or smartphone whilst you're on the move? Discovery Sport has the option of charging USB ports for all occupants to make charging your device effortlessly simple.

iPod® is a registered trademark of Apple Inc., registered in the US and other countries.

WhiteFire® is a registered trademark of Unwired Technology LLC and any use of such marks by Land Rover is under licence.

ACCESSORIES

Side Steps*
VPLCP0210

The side steps aid entry and exit to the vehicle and improve access to the roof. Design features include bright stainless steel edge trim and a rubber tread mat.

Side Tubes*
VPLCP0209

Manufactured from stainless steel with a highly polished finish. The rugged off-road appearance complements the vehicle's exterior design.

19 inch five split-spoke 'Style 523'
VPLCW0104

With ceramic finish, contrasting Gloss Black inner spokes and a laser etched red pinstripe.

Stainless Steel Front Undershield
VPLCP0212

The off-road styled undershield features a premium bright polished finish for the front of the vehicle.

Stainless Steel Rear Undershield**
VPLCP0213

The off-road styled undershield features a premium bright polished finish for the rear of the vehicle.

20 inch five split-spoke 'Style 524'
VPLCW0105

With satin polished finish.

*Fitting of side tubes or side steps may affect the off-road capability of vehicle.

**Not available with towing systems for vehicles equipped with 5+2 seating and reduced section spare wheel.

ACCESSORIES

Dog Divider – Full Height*
VPLCS0299

The dog divider is designed to prevent pets from entering the passenger compartment. It incorporates a useful integral ski hatch that allows longer items to be carried where a suitable rear seat option is fitted. The design of the dog divider has been optimised to second row seating featuring tilt functionality.

Dog Divider – Loadspace Partition*
VPLCS0301

Dog Divider – Half Height*
VPLCS0300

The dog divider is designed to prevent pets from entering the passenger compartment. The design of the dog divider has been optimised to second row seating featuring tilt functionality.

Loadspace Mat – Rubber
VPLCS0279

Waterproof rubber mat helps to protect the rear loadspace carpet from general dirt. Rubber mat extension for protection of the back of the rear seats when folded down also available – Part No: VPLCS0273.

Loadspace Liner Tray
VPLCS0274
VPLCS0268 – With dog divider (not shown)

This liner provides superior protection to the loadspace floor and side wall carpets from dirty or wet equipment.

Flexible Loadspace Liner
VPLCS0272

Heavy duty fabric helps protect loadspace with floor, side trim and second row seat backs covered.

Loadspace Rails
VPLGS0171

Luggage Retention Kit
VPLVS0125

Loadspace Rails enable a number of convenient carrying accessories. The Luggage Retention Kit consists of a pack of attachments that fix into the loadspace rails via a quick lock/quick release system to provide a flexible solution for retaining items. The attachment pack includes a retractable strap with inertia reel, telescopic rod and stowage bag.

*Can be fitted with Loadspace Rubber Mat (VPLCS0279) and Loadspace Liner Tray (VPLCS0268).

Please note: The design of accessories is subject to change and may differ from the images shown.

Aperture Retention Net
VPLCS0267

The aperture retention net keeps loads secure when tailgate is opened and maximises packing space.

Loadspace Retention Net
VPLCS0269

The loadspace retention net utilises loadspace tie-down points to prevent items from moving when driving. Includes floor net and two ratchet straps.

Rear Bumper Protection Cover
VPLVS0179

Provides protection to the bumper paintwork while loading and unloading.

Rear Loadspace Treadplate Finisher
VPLCS0287LAA – Lunar
VPLCS0287PVJ – Ebony (not shown)

Manufactured from stainless steel with a bright finish, the rear loadspace treadplate finisher provides protection for the loadspace trim when loading or unloading.

ACCESSORIES

Premium Carpet Mats

 iPad® is a registered trademark of Apple Inc., registered in the US and other countries.
 Please note: The design of accessories is subject to change and may differ from the images shown.

ACCESSORIES

Roof Rails
 VPLCR0137 – Silver finish (panoramic roof)
 VPLCR0133 – Silver finish (fixed roof)*
 VPLCR0136 – Black finish (panoramic roof)
 VPLCR0132 – Black finish (fixed roof)*

Roof rails facilitate easy fitment of cross bars. Pre-set positioning points ensure cross bars are fixed in optimum position for weight distribution and dynamics. Maximum payload is 75kg.**

Cross Bars
 VPLCR0131

T-track design utilises the full length of the bars, providing space to mount multiple accessories. Aerodynamic profile minimises drag and noise. Roof rails not included.

Roof Mounted Bike Carrier†
 VPLFR0091

Lockable bike carrier designed for holding a single bike. Cross bar kit will accommodate up to three bike carriers.

Luggage Carrier†
 LR006848

Flexible rack system to facilitate roof carrying. Maximum payload 75kg.**

Ski/Snowboard Holder†
 LR006849

Carries four pairs of skis or two snowboards. Lockable for security. Maximum payload 36kg.**

Aqua Sports Carrier†
 VPLGR0107

Carries one surfboard, sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry a mast, oars or paddles. Tilts to facilitate easy loading/unloading. Maximum payload 45kg.**

Roof Box†
 VPLWR0100 – Large Sports Roof Box†
 VPLVR0061 – Sports Roof Box* (not shown)
 VPLVR0062 – Luggage Roof Box* (not shown)

Available in a range of sizes, all versions can be mounted either side for kerbside opening in any country and include integral locks for security and peace of mind. Carrying capacity ranges from 320 litres for the Sports Box to the 410 litre Luggage Box or the capacious 430 litre Large Sports Box. Maximum payload 75kg.**

*Vehicles with a fixed roof require separate ditch finishers, colour matched to the rails. Part No. Silver – VPLCR0135 and Black – VPLCR0134.

**Maximum payload equals the load capacity of the roof mounted accessory.

†Roof rails and cross bars are required for all Land Rover roof mounted accessories.

Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio system, if fitted.

Front Lamp Guards
VPLCP0211

Off-road inspired clip on headlamp guards provide protection from stone chips and debris. Not available with Xenon headlamps.

Front Mudflaps

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealer within one month or 1,600 kilometres (whichever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealer who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealer. Distributors and dealerships are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

Castrol EDGE Professional exclusively recommended by Land Rover.
