

**THE NEW MINI CLUBMAN.**

# WELCOME THE NEW MINI CLUBMAN.

The new MINI Clubman was designed to put your head in a spin, thanks to its distinctive looks, its sophisticated array of equipment, and the legendary go-kart feeling that is so typical of a MINI. That's not to say it isn't a logical choice: it's great for long-distance trips, with 6 doors including split doors at the rear, a spacious interior and the latest communications technologies.

## EXTERIOR COLOURS.

- |   |   |
|---|---|
|  Pure Burgundy Metallic  |  Thunder Grey Metallic         |

# SPACE.

The size of the new MINI Clubman makes it the ideal car for short trips and longer journeys alike. This is largely due to its 360-litre luggage capacity and the versatility of the large rear seat bench. With the optional 40/20/40 split folding rear seats, the backrest folds forward: the middle section can be used either as a comfortable armrest (with cupholders) or as extra space to accommodate longer, bulkier items of luggage. With the optional Comfort Access System and smart-opener function, the split doors open automatically when you move your feet under the boot and back again, making it easy to load and unload the car.

## PRACTICALITY AND DESIGN.

With Ambient Lighting, you can choose from the full spectrum of colours to enhance the contours of the new MINI Clubman's sophisticated interior. Another eye-catching feature awaits passengers inside. The optional decorative trims on the front doors are backlit: the colour depends on the MINI Yours interior style you choose.

Electric seat adjustment has a memory function, allowing drivers to save their favourite seat position.

LED roof fin signals the activation of the alarm system once the new MINI Clubman is locked. It then flashes at regular intervals, so your MINI is clearly recognisable from a distance.

The exterior mirror on the driver's side projects a MINI logo onto the ground once the doors have been unlocked.

CLUBMAN**

**MINI COOPER S  
CLUBMAN**

**Engine<sup>1,2</sup>**

Cylinders/layouts/valves per cylinder		3/in-line/4	4/in-line/4
Capacity	cm <sup>3</sup>	1499	1998
Stroke/bore	mm	94.6/82	94.6/82
Max. output/max. revs	kW/rpm	100/4400	141/5000
Max torque/revs	Nm/rpm	220/1250	280/1250
Compression ratio/recommended fuel	:1	11/91-98 RON	11/91-98 RON

**Performance<sup>1</sup>**

Max. speed	km/h	205	228
Acceleration 0-100 km/h	sec.	9.1 [9.1]	7.2 [7.1]

**Fuel consumption<sup>1,2</sup>**

Urban/extra-urban/combined	L/100km	6.5 [6.3]/4.7 [4.8]/5.4[5.4]	8.0 [7.3]/5.4 [5.2]/6.4 [5.9]
CO <sub>2</sub> emissions (combined)	g/km	125 [125]	148 [138]

**Weight<sup>1</sup>/luggage capacity<sup>1</sup>**

Unladen weight (EU) <sup>3</sup>	kg	1375 [1395]	1435 [1465]
Max. permitted weight	kg	1870 [1890]	1930 [1960]
Max. permitted load	kg	530	530
Luggage capacity	l	360 – 1250	360 – 1250

<sup>1</sup> All figures relates to vehicles with the standard 6-speed manual transmission. Figures in brackets relates to vehicles with 6-speed (Cooper) or 8-speed (Cooper S) Steptronic transmission.

<sup>2</sup> All MINI models comply with the EU6 exhaust emissions standard. Fuel consumption is determined in accordance with the ECF driving cycle (as defined in directive 80/1268/EEC), made up of approximately one third urban and two thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured separately from fuel consumption. Figures relate to standard-specification vehicles, and may vary significantly where optional equipment (including wider tyres) is fitted. Figures for fuel consumption and CO<sub>2</sub> emissions may vary depending on the wheels and tyres fitted.

<sup>3</sup> Assuming car is fuelled to 90% of usable tank capacity, and allowing 68 kilograms for the driver and 7 kilograms for luggage. Figure quoted is for standard-specification vehicles. Optional equipment will increase this figure.

Provisional figures.

# MINI TLC.

BE MINIOGAMOUS.

MINI TLC lets you take care of your scheduled servicing costs upfront for a full five years or 70,000kms, whichever comes first\*. With MINI TLC, you can enjoy every second of that zippy go-kart feeling knowing that your MINI is always getting the service it deserves.

The MINI TLC Basic package offers you the following:

- Engine oil change
- Replacement of microfilter, fuel filter, air filter and spark plugs
- Brake fluid change
- Vehicle checks

Visit [mini.com.au/tlc](http://mini.com.au/tlc) for more details.

\*MINI Scheduled Servicing is based on your MINI's Condition Based Service monitoring system. Depending on the cover selected, MINI Scheduled Servicing is valid for up to 48 months from date of first registration or up to 200,000kms, whichever occurs first. Normal wear and tear items and other exclusions apply. MINI Scheduled Servicing must be conducted by an authorised MINI Garage. Fees, charges, terms & conditions apply.

# MINI FLEX.

FUTURE-PROOFED FINANCE.

MINI FLEX gives you a Guaranteed Future Value – the amount MINI Financial Services guarantees to buy your MINI back for at the end of your contract.

**You have control<sup>1</sup>, at the end of your contract you can:**

- Trade in for a new MINI
- Refinance the Guaranteed Future Value
- Pay out the contract
- Simply hand back the keys and your obligation ends

Visit [mini.com.au/finance/flex](http://mini.com.au/finance/flex) for more details.

<sup>1</sup>With Guaranteed Future Value you'll know where you stand in advance. At the end of your contract, you can trade-in your MINI; or exercise your Guaranteed Future Value (GFV) rights by paying out or refinancing the GFV or returning your MINI to MINI Financial Services, provided that your vehicle has not exceeded the contracted kilometre allowance and meets fair wear and tear conditions. MINI FLEX from MINI Financial Services (a division of BMW Australia Finance Ltd, Australian credit licence 392387). Fees, charges, terms, conditions and approval criteria applies.
