C-Class Coupé

Mercedes-Benz

Instantly seductive.

The sporty profile with its long bonnet and perfectly proportioned rear end stands apart, demanding attention. The surroundings become a backdrop. The new C-Class Coupé goes straight to the heart. Optionally available DYNAMIC SELECT awaits your decision. Choose your preferred set-up. The next bend beckons.

The stuff of dreams.

Exciting design for unfiltered emotions: the rear of the new C-Class Coupé boasts flat LED tail lights, suggesting width and agility. A defining feature of a genuine coupé with such a progressive profile is the frameless doors with free-standing exterior mirrors. A vision to dwell on. But the will to experience the new C-Class Coupé at full stretch is stronger.

Inviting allure.

Become one with the new C-Class Coupé: courtesy of Coupé seats in integral look and Mercedes connect me. Experience a world of complete integration between you, your vehicle and your personal lifestyle. Standard Mercedes connect me services via smartphone, such as the Mercedes-Benz emergency call system or breakdown management offer immediate assistance. Optional Remote Online provides additional separately available Mercedes connect me services via smartphone, such as the Parked Vehicle Locator. An optional touch-pad enables convenient, intuitive operation.

Quickens the pulse.

Dominates the road.

The AGILITY CONTROL suspension lowered by 15 mm with selective damping system keeps you in even closer touch with the tarmac. The tauter springs and dampers give you a direct feel for the ideal line. A driving experience that's clearly visualised by the new C-Class Coupé with optional light-alloy wheels in a particularly sporty look.

Air travel in a new guise: the AIRMATIC dynamic handling package.

The optionally available AIRMATIC dynamic handling package, including AIRMATIC air suspension with infinitely variable damping control, offers a driving experience tailored to personal preferences. You can select any one of five different driving programmes via the DYNAMIC SELECT controller: Eco, Comfort, Sport, Sport+ and Individual. Your decision influences numerous parameters. Sport+ offers pure, unadulterated driving

pleasure courtesy of high agility and dynamic cornering, spontaneous throttle response and modified shift points for the automatic transmission. This represents the ultimate in sporty tuning for suspension and drivetrain. The selected driving programme is indicated directly to the driver via the instrument cluster and the media display.

All the info straight ahead: the head-up display.

Keeping tabs on the most important information for the driver, such as the vehicle's speed or speed limits, without taking your eyes off the road – the optional head-up display projects a virtual image of approx. 21 x 7 cm in size into the driver's field of vision. The optional touchpad makes operating the infotainment system as easy as with a smartphone: swiping, zooming and control via single- and multi-fingered gestures (multitouch).

Networker: Mercedes connect me.

Discover the fascinating world of services offered by Mercedes me – with the exclusive features from Mercedes connect me, for example. Optionally available Remote Online keeps you in permanent contact with the new C-Class Coupé via your smartphone. Functions on offer include the Vehicle Tracker or Remote Door Locking and Unlocking, for example. Find out more at www.mercedes.me

Standard equipment.

With the progressive diamond grille with one louvre and centrally positioned star, the new C-Class Coupé is already something special in its standard version. In the high-class interior, the Coupé seats in integral look, the overall design idiom and the selection of materials showcase the stylishly sporty character of the new C-Class Coupé. The highest safety standards are ensured by ATTENTION ASSIST and COLLISION PREVENTION ASSIST PLUS.

Optional equipment.

Individualise the new C-Class Coupé with highlights in the truest sense of the word. The LED Intelligent Light System greets you with an extraordinary light show when you unlock the vehicle. The ambient lighting conjures up a unique mood with pleasantly indirect light and illuminated door sill panels – in three different colours and five dimming levels.

The AMG Line.

From sports coupé to top athlete: with AMG 5-spoke light-alloy wheels, diamond grille in chrome, AMG bodystyling and two visible tail pipe trims integrated in the bumper. The AMG Line Interior steps on the gas with a specific seat upholstery layout in ARTICO man-made leather/DINAMICA microfibre, AMG sports pedals and a multifunction sports steering wheel with flattened bottom rim.

The Mercedes-AMG models.

The new Mercedes-AMG C 63 Coupé and the S-Model are all set for high performance – with up to 375 kW (510 hp) of power and 700 Nm of torque, AMG front apron in A-wing design and a markedly more muscular rear end. Slip into the sports seats with AMG-specific upholstery layout and optimised lateral support. Press the AMG DYNAMIC SELECT switch to choose the Sport+ driving programme. Activate the RACE START function. Are you ready to unleash undreamt-of power?

Only the best for these engines:
Mercedes-Benz genuine engine oils.

¹ Figures for rated output and rated torque in accordance with Directive (EC) no. 595/2009 in the currently applicable version. ² Electronically governed. ³ The stated values for fuel consumption and CO₂ emissions were determined according to the stipulated measuring method (Section 2, nos. 5, 6, 6a of the German Ordinance on Fuel Consumption Labelling (PkwEnVKV) in the currently applicable version). The figures are not based on an individual vehicle and do not constitute part of the product offer; they are provided solely for purposes of comparison between different vehicle models. ⁴ Figures applicable within the European Union only. May vary from country to country.

⁵ Determined on the basis of the measured CO₂ emissions, taking into account the mass of the vehicle. Further technical data can be found at www.mercedes-benz.com

Mercedes-Benz is one of the founding partners of the “Laureus Sport for Good Foundation”.

Since the foundation was established in 2000, Mercedes-Benz has been supporting and promoting the aims and values of this worldwide non-profit-making programme: to improve the lives of children and young people who are disadvantaged or suffering from illnesses through social sports projects. Laureus has become a fundamental element of Mercedes-Benz’s social responsibility. Every new Mercedes is an ambassador embodying these values. In buying a Mercedes you are supporting the “Laureus Sport for Good Foundation”.

Please note: changes may have been made to the product since going to press (20.052015). The manufacturer reserves the right to make changes to the design, form, colour or specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may include accessories and optional extras which do not form part of the standard specification. Colours may differ slightly from those shown, owing to the limitations of the printing process. This brochure is distributed internationally. Statements about legal and fiscal regulations and consequences thereof apply only to the Federal Republic of Germany. For current and more specific information in relation to the range of models, features, optional extras, colours and/or services available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.

Take-back of end-of-life vehicles. We will be glad to take back your C-Class Coupé for proper recycling and disposal as specified by the European Union (EU) End-of-Life Vehicle Directive – even though that day is a long way away.

A network of vehicle take-back depots and dismantlers is available to make returning your vehicle as easy as possible for you. You are welcome to return your vehicle to one of these establishments free of charge. In so doing, you will be making a valuable contribution towards closing the recycling cycle and preserving resources.

For further information about the recycling and disposal of end-of-life vehicles, and the take-back conditions, please visit the national Mercedes-Benz website.
