- Head Up Display
- MULTIBEAM LED
- Parking Package with 360° camera

The declared fuel and energy consumption figures are determined by testing under standardised laboratory conditions to comply with ADR 81/02. Real world fuel consumption is influenced by many additional factors such as fuel quality, individual driving style, load, traffic and vehicle condition. The declared fuel consumption figure should only be used for the purpose of comparison amongst vehicles.

*The information contained in this document is indicative only and correct at the time of printing, 25 June 2019 and may have changed since. However, packages (including model lines), specifications, features, extras, options and equipment levels are subject to change without notice. Some vehicles or equipment pictured and/or featured may not be available in Australia or may be available in a different specification. Visit www.mercedes-benz.com.au/dealer to contact your local authorised Mercedes-Benz dealer for current details and information, including pricing. Some vehicles or equipment pictured and/or featured may not be available in Australia.

**Emergency spare wheel delivered with vehicle may be a full size spare, space saver wheel, TIREFIT or collapsible wheel, depending on model/specification of vehicle, production times and availability, and optional alloy wheel ordered (if any). The type of emergency spare wheel or TIREFIT delivered is controlled by the factory and is subject to change without notice.

***Traffic Sign Assist is a driver assistance aid only and may not be accurate in all instances. The driver at all times remains solely responsible for monitoring the driving environment and observing all traffic and / or speed signs as well as complying with all applicable road rules. In particular, when accepting the displayed speed restriction when Active Distance Assist DISTRONIC, cruise control, or the speed limiter is activated, it is the driver's responsibility to adjust the speed of the vehicle in accordance with the designated speed limits.

****Leather upholstery may contain some areas upholstered with synthetic ARTICO material to increase durability and reduce long-term wear and tear.

GLE SUV
