

This Brochure is prepared by Daimler AG and it predominantly reflects the capabilities and performance of vehicles sold in Europe. Some characteristics, capabilities, performance features and optional extras (e.g. towing systems) may not be available or may not apply in Australia or under Australian conditions. The information in this Brochure is therefore indicative, illustrative and provided only for guidance and should not be relied on. To obtain current and accurate information on a vehicle and any options applicable to Australia, contact your local authorised Mercedes-Benz dealer.

Mercedes-Benz

# Grand Edition Viano AVANTGARDE

Mercedes-Benz

Trend-setting design underscores its powerful character: the Grand Edition Viano AVANTGARDE

# True greatness The Grand Edition Viano AVANTGARDE

Fascinating, sporty, exclusive – the Grand Edition Viano AVANTGARDE

**The inner values of the Grand Edition Viano AVANTGARDE** live up to what the first exterior impression promises. The aesthetically-placed trim strips in satin burr walnut look round off the exceptional design and complete the impeccable look of the whole vehicle interior. Only the Grand Edition Viano AVANTGARDE bears the “Grand Edition” label on the dashboard.

**Harmonious yet rich in contrast.** The interplay of black strokes of colour on the radiator and the exclusive rock crystal white paint finish constitute a true eye catcher. This way, the Grand Edition Viano AVANTGARDE sets entirely new standards with its unequalled exterior.

**Harmonising perfectly with the new colour accents of the car's radiator grille,** the perfectly-designed black, 5-spoke 48.3-cm (19-inch) light-alloy wheels brilliantly round off the exceptional, unique design of the Grand Edition Viano AVANTGARDE and, together with the standard sports suspension, underscore its dynamic character.

# Further equipment and technical data

**A pioneering spirit is standard equipment for the Grand Edition Viano AVANTGARDE.** Apart from the reversing camera and the bi-xenon headlamps with integrated cornering lights, foglamps and LED daytime running lamps, there are many other standard-fit functions that make everyday tasks easier for you and help you reach your destination safely. And since handsome design does not exclude functionality, the Grand Edition Viano AVANTGARDE offers you electric sliding doors on both sides for ease of loading and unloading and to facilitate access and exit.

---

5-speed automatic transmission

---

Automatically folding left- and right-hand exterior mirrors

---

Automatically-dimming interior mirror

---

<sup>1</sup> The figures shown were obtained in accordance with the prescribed measuring process (Directive [EC] 715/2007 in the currently applicable version). The figures are not based on an individual vehicle and do not constitute part of the product offer; they are provided solely for purposes of comparison between different vehicle models

<sup>2</sup> The equipment listed in the following increases the vehicle height by the values listed, respectively: alternative comfort suspension (no-cost option): 34 mm; roof rails (optional equipment): 48 mm; COMAND (due to the roof aerial): 52 mm

Thanks to the high-quality interior and select design elements, such as for instance the striking trim strips in satin burr walnut look, or the anthracite Twin DINAMICA leather seats, the way literally becomes the destination. And the time spent in your Grand Edition Viano AVANTGARDE becomes a sporty but at the same time luxurious journey.

**Take-back of end-of-life vehicles.** You can return your Viano to us for environment-friendly disposal in accordance with the European Union (EU) End-Of-Life Vehicle Directive. But that day lies a long way off. A network of vehicle take-back depots and dismantlers has been established to make it as easy as possible for you to return your vehicle. You can leave it at any of these points free of charge and, by doing so, make an important contribution to completing the recycling process and conserving resources. For further information about the recycling and disposal of end-of-life vehicles, and the take-back conditions, please visit your national Mercedes-Benz homepage.

**Please note:** changes may have been made to the product since this brochure went to press (07.12.2012). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations and descriptions may include accessories and items of special equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure may contain models and services which are not available in certain countries.

This brochure is distributed internationally. Information given regarding statutory regulations, legal requirements and taxation and the consequences thereof applies to the Federal Republic of Germany only and is correct at the time of going to press. Please consult your Mercedes-Benz van dealer for final details.
