

**CHALLENGER**

**LOVE THAT CAR**

Challenger gives you the confidence of an elevated driving position so you'll get a commanding view of the traffic conditions ahead. The view from behind you will come from large electric side mirrors and a reversing camera image that appears in the touch screen display mounted in the centre console. All Challenger models feature rear parking assist sensors to give you complete confidence when reversing.

Challenger comes standard with six airbags – essential protection for your family in the event of a collision. The side airbags inflate from the flanks of the seat to protect the torso while curtain airbags activate from the roof to protect the head. The front seatbelt systems also include pretensioners and force limiters that combine to minimise the potential for serious injury in the event of a collision.

All Challenger models feature a state of the art colour display screen audio system featuring a 6.1" QVGA resolution touch screen. Easy to understand icons and large text allow you to configure your system with ease.

Challenger's technology makes driving easier, safer and more enjoyable. Bluetooth® 2.0 connects your mobile device to the vehicle audio system for hands free mobile phone calls and wireless audio streaming, all operated by steering wheel switches or voice command.

All Challenger models feature a USB and AUX ports so you can connect your music device to the vehicle sound system. The USB port will even charge your iPod.

In Challenger LS, you can also choose the ultimate in car infotainment, our 2nd generation Mitsubishi Multi Communication System (MMCS). MMCS adds a 3D map navigation system to your audio display, featuring a large database of Australian Points of Interest (POI) and speed limit information. An extra SD card slot is available for you to load your favourite music and videos to play through the rich media interface.

## RISE SAFETY

At the heart of any integrated safety system is outstanding design. The Mitsubishi Reinforced Impact Safety Evolution (RISE) design combines an energy absorbing front section with a strong, rigid occupant cell to provide outstanding family protection in the event of an accident. The RISE body is coupled with a rigid ladder frame, side impact bars, and collision absorbing joints.

## Super Select 4WD

Let's you alternate between 2WD and 4WD modes – the choice of around town fuel efficiency and off-road traction. You can change between modes at speeds of up to 100 kilometres per hour on any surface.

### 2H (2WD High Range)

Whether you're cruising down the highway or just going across town, 2H mode shifts you into rear-wheel drive for smooth, quiet, fuel-efficient performance.

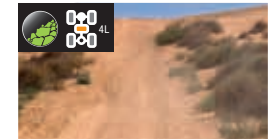

### 4H (Full-Time 4WD)

When the weather turns bad and the road gets rough, get added traction in 4H mode. The dynamic front/rear torque split adjusts between 33:67 and 50:50 for greater control in high-speed driving.

### 4HLC (4WD High Range with Locked Centre Differential)

Keeping you on track in rugged or slippery conditions, 4HLC distributes power equally to all four wheels to meet off-road challenges with a steady sense of control.

### 4LLC (4WD Low Range with Locked Centre Differential)

Switch to 4LLC when you need all the tractor-like crawling power your Mitsubishi 4WD is capable of. Maximised low-end torque pulls you through even the roughest terrain to get to that isolated spot that only a truly capable 4WD can take you.

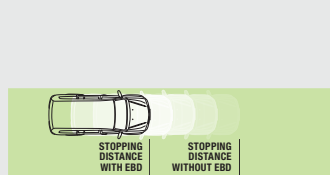

## MULTI-MODE ABS

### Multi-mode Anti-Lock Braking System

This allows you to manoeuvre around objects under heavy braking conditions. Challenger's intelligent 4-channel, 4-sensor braking system works in conjunction with the drive mode to monitor different wheel speeds and activate brakes to individual wheels when required to deliver superior control.

## EBD

### Electronic Brakeforce Distribution

This technology reduces stopping distances by detecting passengers or heavier loads and automatically increases rear-braking force.

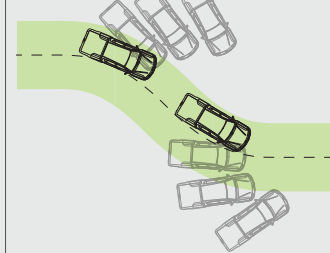

## ATC

### Active Traction Control

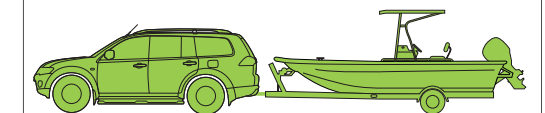

Helps you maintain traction on the most slippery or rugged of surfaces. This intelligent system automatically controls the engine output, so driving wheels are prevented from spinning. Sensing loss of traction in an independent wheel, it applies braking force to that wheel and sends extra power and torque to other wheels with traction to keep you moving.

## ASC

### Active Stability Control

Maintains stability and prevents loss of control when cornering, automatically recognising under-steer and over-steer and applying braking force to the diagonal wheel to keep you online through corners.

Challenger is equipped with a powerful 3,000kg towing capacity making towing a boat, caravan or trailer on your next family holiday a breeze.

LS Interior Shown

## Enjoy a comfortable drive no matter where you're heading.

All Challenger models feature the latest in common rail turbo diesel technology. The enhanced Variable Geometry Turbocharger (VGT) works to optimise the turbine flow rate, to achieve high torque at low engine speeds and maximise power at high engine speeds. The 2.5 litre turbocharged diesel engine is quiet, smooth and fuel efficient, to take you further for less

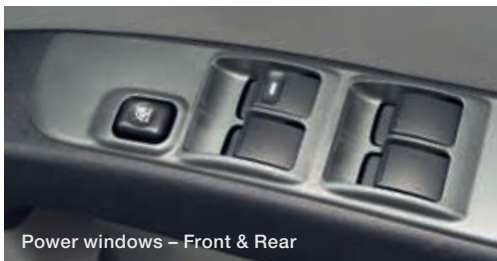

without compromise. This power plant delivers an impressive 131kW of power and 400Nm of torque for the manual and 350Nm for the automatic.

Challenger's luxurious styling and agile seating versatility comfortably seats a family of five. And the generous cargo area will carry everything today's adventurous family needs, from a stock up of weekly shopping, to the bags and sports gear of the daily school run, right through to a big weekend getaway.

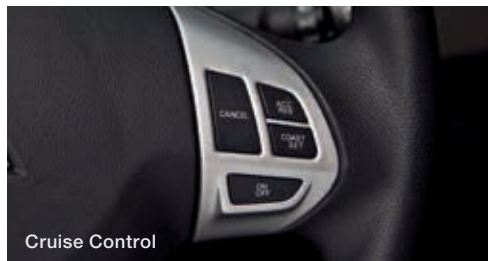

The clean, sleek, unbroken surfaces of the interior with its soft touch upholstery, chrome accents and handles and elegant dark titanium inlays add an extra element of style. Add to that the leather seat trim exclusive to the LS model.

To help you stay focussed on the road at all times, a sensor automatically activates your lights in fading light even when you are travelling through a tunnel. Even the windscreen wipers turn on automatically when moisture is detected on the screen, and at the appropriate speed.

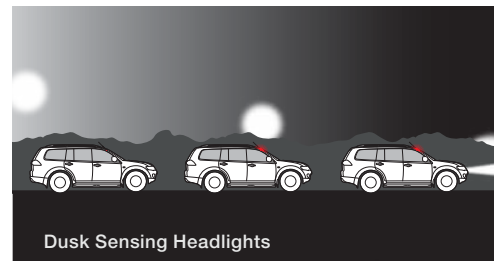

Challenger is a car you can rely on, feel confident and relaxed in, and be proud of when you sit behind the wheel. The versatile Mitsubishi Challenger is the right choice for you and your family.

## CHALLENGER 4WD (Key Features)

### Mechanical

2.5L High Power Common Rail Direct Injection Turbo diesel engine  
5 speed manual transmission  
5 speed Sports Mode automatic transmission with INVECS II,  
Smart Logic and Paddle Shift  
Super Select 4WD  
Power steering  
Front skid plate  
Fuel tank protector  
Front and rear tow hooks  
Auto free wheeling hubs  
Centre differential  
Rear differential lock

### Exterior

16" alloy wheels  
Body colour door mirrors  
Door mirrors with integrated turn indicator  
Body colour door handles  
Body colour bumper  
High mount stop lamp  
Black door sash  
Fender flares  
Chrome grille  
Mudflaps (front & rear)  
Side steps - tube type  
Chrome rear garnish  
Halogen headlamps  
Roof rails (black)  
Body coloured tailgate garnish

### Interior

Leather bound steering wheel  
Inner scuff plates  
Chrome interior door handles  
Carpet floor covering

### Comfort

Climate control air conditioning  
Rear seat heater ducts  
Tilt adjustable steering column  
Pollen filter  
Side and rear window demisters  
Driver foot rest  
Driver assist grip  
Passenger assist grips

### Convenience

Cruise control  
Central door locking with keyless entry  
Power door mirrors  
Door mirrors with power fold control  
Speed sensitive variable intermittent windscreen wipers  
Intermittent rear wiper and washer  
Steering wheel audio controls  
Steering wheel phone controls  
Steering wheel cruise control switches  
Accessory power socket  
Room lamp  
Rear passenger room lamps  
Cargo area lamp  
Front map lamps with sunglasses holder  
Interior lamp with time delay  
Ignition key cylinder illumination  
Door courtesy lamps  
Cigarette lighter  
Coat hook  
Driver sunvisor with ticket holder  
Passenger sunvisor with vanity mirror  
Tachometer  
Trip meter  
Headlamps on warning  
Door ajar warning  
Low fuel warning  
Remote fuel filler release  
Tailgate inside grip  
Day/night rear view mirror

### Storage

Glovebox – illuminated and lockable  
Floor console with upper and lower storage  
Door pockets – front and rear  
Cup holders  
Bottle holders  
Sunglasses storage  
Seat back pocket - passenger  
Fully trimmed cargo area  
Luggage tie-down hooks  
Cargo room hook

### Seating

Cloth seat trim  
Front seats  
– Bucket seats  
– Slide and recline adjustment  
– Driver height adjustment  
– Height adjustable headrests  
Second row seats  
– 60:40 split folding function  
– Recline and tumble fold up function  
– Centre armrest with cupholders  
– Height adjustable headrests x3

### Audio & Media

AM/FM radio/CD/MP3 player  
4 speakers  
Audio input jack  
USB Input  
iPod control  
Multi information display – includes trip computer,  
outside temperature, average fuel consumption  
Bluetooth 2.0 phone connectivity & audio streaming  
with voice control  
6.1" QVGA full colour touch screen

### Safety

Driver & front passenger SRS airbags  
Driver & front passenger side SRS airbags  
Curtain SRS airbags  
Electronic Brakeforce Distribution (EBD)  
Smart Brake  
Multi mode Anti-lock Braking System (ABS)  
Power brake booster with emergency brake assist system  
Active Stability Control (ASC)  
Active Traction Control (ATC)  
Reinforced Impact Safety Evolution (RISE) body  
Side door impact beams  
Intrusion minimising brake pedal  
Reverse camera  
3 point Emergency Locking Retractor (ELR) seatbelts  
(all seating positions)  
Auto Locking Retractor (ALR) seatbelts on outbound 2nd row seats  
Front seatbelt pretensioners & force limiters  
Front seatbelt height adjustable shoulder anchorages  
Seatbelt warning lamp – driver  
Child proof rear door locks  
Child restraint anchorage points  
ISO-FIX child seat mounting

### Security

Anti-theft encrypted engine immobiliser  
Auto relock function for central door locking  
Steering lock

## LS 4WD (Features additional to Challenger 4WD)

### Mechanical

5 speed Sports Mode automatic transmission with INVECS II,  
Smart Logic and Paddle Shift

### Exterior

Chrome door mirrors  
Chrome door handles  
Fog lamps (front)  
Privacy glass  
17" alloy wheels

### Interior

Leather bound gearshift  
Leather bound park brake  
Leather bound transfer lever

### Convenience

Automatic rain sensing wipers  
Automatic dusk sensing headlamps  
Electrochromatic mirror

### Seating

Leather seat facings  
Power driver seat  
Power front passenger seat

### Audio & Media

6 speakers (includes 2 tweeters)

### Security

Cargo blind

### Options

Mitsubishi Multi Communication System featuring 7" WVGA touch  
screen display with 3D navigation mapping and SD Card input<sup>†</sup>

<sup>†</sup>When the MMCS option is selected on the Challenger LS, the audio  
input jacks are deleted.
