

OUTLANDER

love that car

LOVE THAT CAR. HERE AT MITSUBISHI, WE LOVE OUR VEHICLES.
WE LOVE THEIR SUPERIOR QUALITY, WHAT THEY STAND FOR,
AND *WHAT THEY'RE CAPABLE OF.*

AND WE WANT YOU TO FEEL THE SAME WAY. IT'S WHY WE STRIVE FOR THE HIGHEST STANDARDS IN EVERYTHING WE DO, AND IT'S WHY WE BACK ALL
OUR VEHICLES WITH OUR MITSUBISHI DIAMOND ADVANTAGE, AUSTRALIA'S BEST NEW CAR WARRANTY, CAPPED PRICE SERVICING AND CUSTOMER CARE.

STREET PRESENCE

We design attention grabbing vehicles with real street presence. We're focussed on delivering vehicle design that not only defines the best in innovation but embodies the essence of genuine performance, handling dynamics and absolute driving pleasure.

ADVANCED TECHNOLOGY

We'll continue to develop ground-breaking technology that focuses on better control, performance and lifestyle. This includes innovations such as our MIVEC engine technology, our INVECS Smart Logic transmission system and our leading Mitsubishi Multi Communication System.

DRIVER CONFIDENCE

Enjoy the peace of mind that comes with every Mitsubishi as we continue to develop new safety technologies. For example, Outlander's Mitsubishi All Terrain Technology (MATT) package and Super All Wheel Control (S-AWC) on V6 models provide advanced control, traction and stability systems for the peace of mind to all occupants.

SUPERIOR VALUE

We are constantly striving to deliver the ultimate customer experience. That's why we developed the Mitsubishi Diamond Advantage (Australia's best new car warranty and customer care), with capped price servicing. All our vehicles are packed with features, like the ASX, as we continue to make all our vehicles more cost effective and fuel efficient.

OUR PROMISE

When you buy a Mitsubishi Outlander, or any vehicle from our range, you're buying a vehicle that's backed by world-class research, technical innovation, and leading performance. In every area of our business, we're continually focussed on four key values. By following these values, we never fail to create superior vehicles that people love.

Whether you're heading out of town for the weekend, driving to the gym, beach, footy-field, or simply running errands about town, the Outlander delivers the comfort, space, versatility and safety you need to get through an active day.

The Outlander is also 4WD capable – making it great for weekend adventures that might be off the beaten track. Mitsubishi's advanced technology systems means Outlander delivers the ultimate in performance, control and safety. Outlander is also available in a 2WD model.

Outside, Outlander has a sporty look with alloy wheels, chrome trim and high definition headlamps – and practical features like roof rails and an easy to load split tailgate. Combined with Smart Key and Bluetooth® technology inside, Outlander infuses style and practicality into one.

So whatever your active life, the Mitsubishi Outlander has the style, versatility and clever technology to make it truly easy.

THE
MITSUBISHI OUTLANDER
HAS EVERYTHING
YOU
NEED *TO GET UP*
AND GO
WHEREVER YOUR DAY TAKES YOU.

ENJOY TAKING ON **LIFE**
WITH THE HELP OF THE OUTLANDER'S
STYLISH INTERIOR AND
ADVANCED TECHNOLOGY.

Whether you're zipping around town or heading away for the weekend, Outlander delivers exceptional comfort and style.

The ergonomically designed seats will keep you, and your passengers, comfortable – no matter how long the journey. The heated leather front seats are perfect for early morning starts. Add to this the leather inspired dash and door trim for a premium interior look and feel.

Inside there's plenty of room for you, your passengers and all their luggage too.

As the driver, you will enjoy innovative Mitsubishi technology at your fingertips with the Mitsubishi Multi Communication System (MMCS) which controls a raft of features from GPS to general vehicle information. Cruise control makes driving on the open road more relaxing, and the leather steering wheel mounted audio controls make setting your favourite music tracks easier – and safer.

EQUIPPED WITH
SUPERIOR ENGINE TECHNOLOGY HELPING YOU
STAY IN CONTROL, NO MATTER WHAT THE CONDITIONS OUTSIDE.
WITH THE CHOICE OF TWO **POWERFUL** MIVEC ENGINES YOU CAN ENJOY EXCELLENT
FUEL EFFICIENCY, AND LOW EMISSIONS, WITHOUT COMPROMISING ON
DRIVABILITY OR POWER.

MIVEC ENGINES

With Mitsubishi's MIVEC Engine technology (Mitsubishi Innovative Valve timing Electronic Control) Outlander has a lighter engine with intelligent valve timing technology. This delivers fuel efficiency and lower emissions, yet still provides excellent driveability and towing power. It minimises fuel consumption at lower revs while increasing airflow at high revs for greater power and performance.

2.4L MIVEC ENGINE

Choose the 2.4 litre 4 cylinder MIVEC engine for economical performance.

- 125kW of power
- 226Nm of torque
- 5 speed manual or CVT automatic

3.0L V6 MIVEC ENGINE

Choose the powerful 3.0 litre V6 MIVEC engine for superior performance.

- 169kW of power
- 291Nm of torque
- 6 speed automatic with Smart Logic

SPORTS MODE AUTOMATIC TRANSMISSION

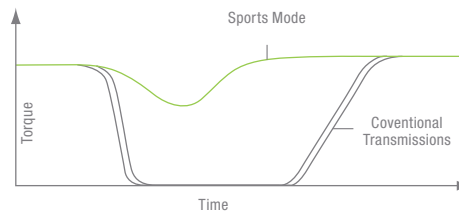

Available across both engines, Sports Mode means you can switch between the ease of an automatic and CVT auto or enjoy the control of a manual without a clutch. The clutch free operation reduces the rev and torque loss usually associated with engaging gears, meaning you can maintain momentum in off-road situations.

PADDLE SHIFTS

When the gear shift is in Sports Mode position, paddles on the Outlander steering wheel allow you to make lightning quick gear changes without your hands leaving the wheel.

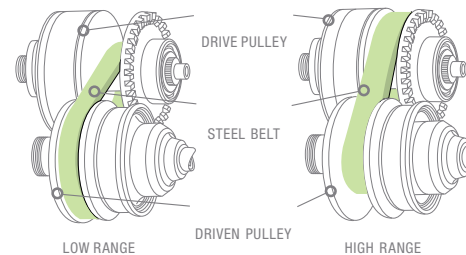

COMPARISON OF SHIFT RESPONSE

Available on both engines

CONTINUOUSLY VARIABLE TRANSMISSION (CVT)

CVT offers infinitely variable gear ratios that allow the engine to always operate at optimum RPM, irrespective of the vehicle's speed. This maximises power and economy helping to ensure a smooth, stable ride with seamless gear changes.

SMART LOGIC

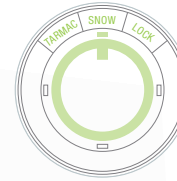

The Smart Logic transmission system learns and adapts to each driver's preferences by recording engine and foot brake data. The control logic then adapts the gearshift timing to suit your style. This means it adapts to your driving style.

ADAPTIVE SHIFT CONTROL DURING ACCELERATION

Mitsubishi Outlander 4WD brings you the latest in superior safety and four wheel drive technology. Outlander boasts MATT™ (Mitsubishi All Terrain Technology). A sophisticated combination of many four wheel drive and safety systems, designed to work together to deliver you the versatility and peace of mind to enjoy all an active life offers. Whether it's within the hustle and bustle of the city or enjoying the freedom of a weekend escape Outlander has the whole package.

SUPER ALL WHEEL CONTROL (S-AWC)

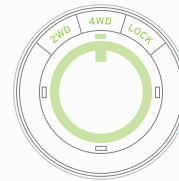

The constant All Wheel Drive V6 comes with the S-AWC system, which provides greater cornering control, traction and improved stability. S-AWC integrates Active Front Differential, Yaw Rate Feedback Control, Active Stability Control and Anti-lock Braking System to provide optimal handling on all road surfaces. Switch instantly at speeds of up to 100km/h between 'Tarmac' for paved roads, 'Snow' for when roads can become slippery and 'Lock' for steady control on rougher roads.

YAW RATE FEEDBACK CONTROL

Processing driving information this system has an enhanced calculating speed and accuracy to provide optimal control of the front differential and electronically controlled coupling. If unstable vehicle behaviour is detected the system adjusts driving force to four wheels, delivering better stability.

ACTIVE FRONT DIFFERENTIAL (AFD)

Using the electronically controlled clutch the AFD limits speed difference and controls driving force distribution between the right and left front wheels. This provides a higher level of cornering and stability performance and enables quicker automatic response for changes in road surfaces.

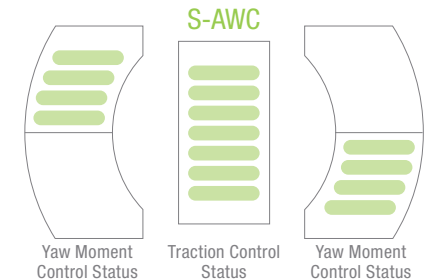

ALL WHEEL CONTROL (AWC)

With the Outlander 2.4 litre 4-cylinder 4WD comes AWC, which allows you to switch instantly at speeds of up to 100km/h between '2WD' for fuel efficiency, '4WD' for increased traction on sandy or gravel roads and 'Lock' for when roads can become unpredictable.

ELECTRONICALLY CONTROLLED COUPLING (ECC)

The ECC within the rear differential distributes driving force to the rear wheels depending on the driving conditions. This automatically increases driving performance.

S-AWC DISPLAY

This displays the selected control as well as the status of driving torque control to the right and left front wheels. This is according to left or right hand turning. The status of driving torque to the front and rear wheels is then displayed in the centre of the meter.

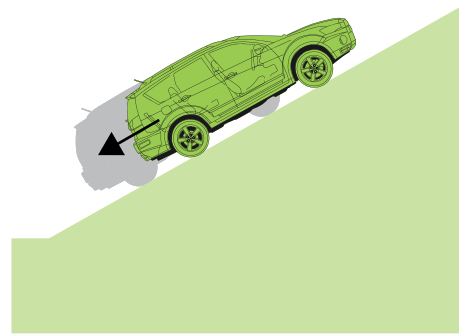

Mitsubishi's unique 4WD and safety technology.

PEACE OF MIND

EVERY TIME YOU SIT BEHIND THE WHEEL. THE OUTLANDER FEATURES SEVERAL IMPORTANT SAFETY INNOVATIONS TO PROTECT

YOU AND YOUR PASSENGERS— IN ADDITION TO MITSUBISHI'S LEADING MATT™ SYSTEM, WHICH ENSURES A STEADY AND STABLE RIDE.

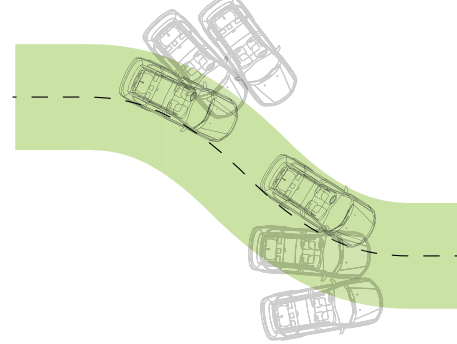

HSC

Hill Start Control

This technology makes it easier to start off a steep uphill slope by preventing the vehicle from rolling backwards. It maintains the braking force for two seconds while you move your foot from the brake to the accelerator.

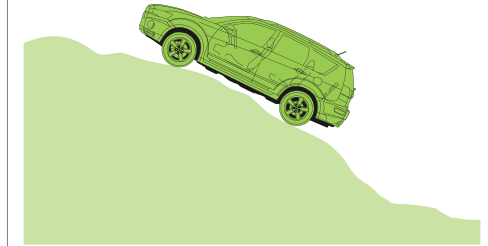

ASC

Active Stability Control

Maintains stability and control when cornering, by automatically recognising under-steer and over-steer. It applies brakes to the appropriate wheels to keep you online through corners.

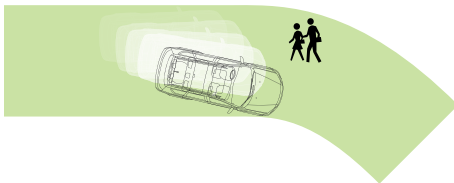

ATC

Active Traction Control

Helps you maintain traction on the most slippery or rugged of surfaces. This intelligent system automatically controls the engine output, so driving wheels are prevented from spinning. Sensing loss of traction in an independent wheel, it applies braking force to that wheel and sends extra power and torque to other wheels with traction to keep you moving.

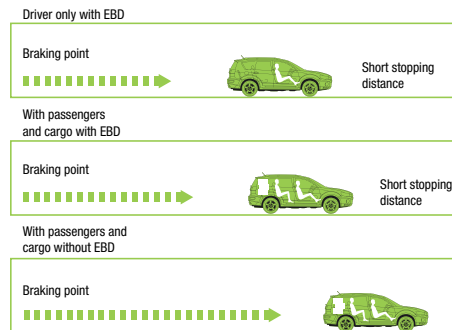

ABS

Multi-mode Anti Lock Braking System

This allows you to manoeuvre around objects under heavy braking conditions. Outlander's intelligent 4-channel, 4-sensor braking system works in conjunction with the drive mode to monitor different wheel speeds and activate brakes to individual wheels when required to deliver superior control.

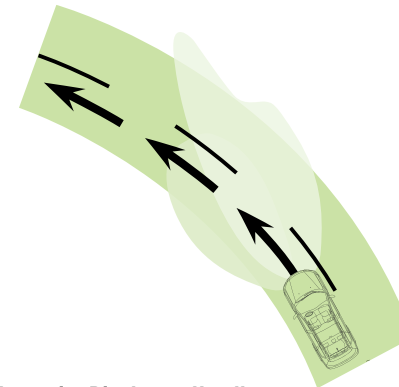

EBD

Electronic Brakeforce Distribution

This technology reduces stopping distances by detecting passengers or heavier loads and automatically increases rear-braking force.

HID/AFS

High Intensity Discharge Headlamps with Adaptive Front Lighting System

Clever self levelling HID headlamps offer brighter illumination for night time driving and AFS provides increased illumination of corners when the car is turning.

REVERSING CAMERA & REVERSE PARKING SENSORS

The reversing camera supplements the driver's rear field of view by automatically appearing on screen when reverse gear is engaged. In models that have the MMCS feature, the rear view will show on the MMCS screen. In models without MMCS, where reversing camera is available, the camera's view will appear in the electro chromatic rear view mirror. Combined with reverse parking sensors that alert you when objects get a little close, parking your Outlander easy.

Reversing Camera with MMCS

RISE SAFETY

RISE, Mitsubishi's Reinforced Impact Safety Evolution body design system with integrated chassis, is a highly rigid one-piece shell. The super strength cabin will cocoon your family and provide outstanding protection in the event of an accident. The RISE body integrates a rigid ladder frame, side impact bars, and collision absorbing joints to keep you safe. An aluminium roof reduces weight and lowers the centre of gravity for greater stability and better cornering, offering a sedan-like driving experience.

Reversing Camera without MMCS

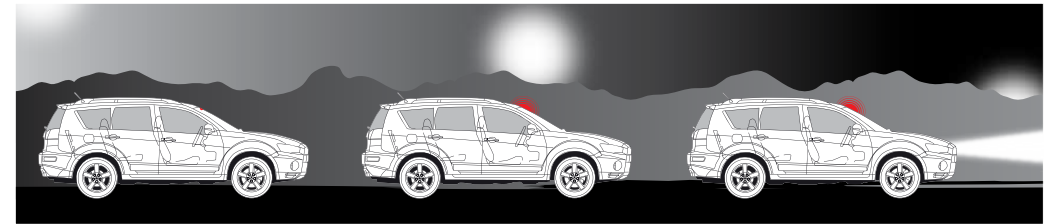

SRS AIRBAGS

To provide ultimate protection in the event of a frontal collision, the Outlander range is fitted with driver and front passenger Supplementary Restraint System (SRS) airbags, with side and curtain airbags available across the range.

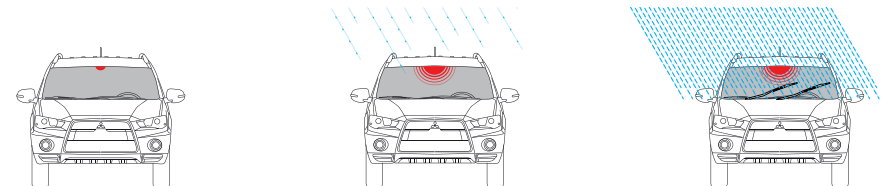

DUSK SENSING HEADLAMPS

Help you stay focused on the road at all times. A sensor on the windscreen automatically sends a signal to your lights and they will turn on when it gets dark or when you're travelling through a tunnel.

AUTO RAIN SENSING WIPERS

A sensor automatically detects moisture on the windscreen and according to the amount of rain present the system will activate the wipers at the appropriate speed.

FITS WITH YOUR WAY OF LIFE

WHETHER CARRYING A CAR-FULL OF PEOPLE, CARGO OR BOTH.

IT'S AS BIG ON **INNOVATION**
AS IT IS ON **SPACE.**

SEATS MOVE AND FOLD AWAY EFFORTLESSLY. THE LARGE LUGGAGE SPACE
MEANS BULKY ITEMS GO IN EASILY AND LOADING UP IS A BREEZE.

FLEXIBLE, SMART STORAGE

Clever storage areas throughout the cabin ensure there's plenty of room for everything you could need. It includes a range of smart storage options, including front and rear cup holders, rear underfloor storage, and even a hot-cold thermo box – so you can keep drinks warm or cool.

FIT UP TO SEVEN PEOPLE WITH EASE

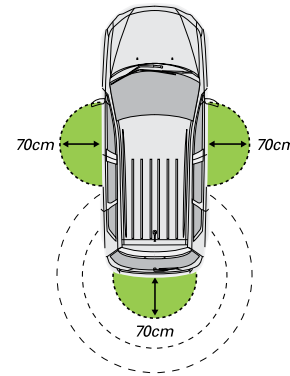

Outlander offers the option of a third row seat – which means you can comfortably seat up to seven passengers.

OVERSEAS MODEL SHOWN

SMART KEY

Smart Key is Mitsubishi's advanced security transmitter, which means completely key-less operation. Thanks to Smart Key, Outlander can recognise the key within a 70cm radius. So, you can lock and unlock the doors, open the tailgate and even start the engine, all whilst the Smart Key is still tucked in your pocket or bag. The days of searching and fumbling for keys are no longer in your new Outlander.

EASY LOADING REAR TAILGATE

Loading up just got a whole lot easier. A strong and convenient fold-down tailgate gives a lower load-in height so bulky items fit and slide in more easily.

CREATE MORE SPACE WITH THE TOUCH OF A BUTTON

The Outlander features unique, electronic roll-and-tumble seats – which roll forward to create vast interior storage space. This makes it incredibly easy to throw in items like bikes, prams, surfboards, bulky packages, or luggage – all with the flick of a switch. In fact, once the seats are folded back, there's a massive 1691 litres of storage volume.

At the rear of the Outlander, there is a cargo blind which can add extra security and help you keep precious luggage hidden away when you need it.

HANDLING IT WITH **STYLE.**

OUTLANDER HAS A RAFT
OF NEXT GENERATION

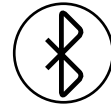

TECHNOLOGY TO MAKE YOUR ACTIVE LIFESTYLE

MUCH EASIER

FROM HANDS FREE BLUETOOTH® 2.0 MOBILE PHONE OPERATION, SO YOU CAN TALK WITHOUT HAVING TO PULL OVER, USB AND IPOD CONNECTIVITY SO YOU CAN LISTEN TO YOUR FAVOURITE TRACKS AND THE STATE OF THE ART MITSUBISHI MULTI COMMUNICATION SYSTEM (MMCS) THAT ALLOWS YOU TO STAY IN GREATER CONTROL OF YOUR ACTIVE LIFE.

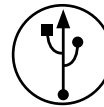

MITSUBISHI MULTI COMMUNICATION SYSTEM (MMCS)

MMCS is an integrated communication and media system that provides satellite navigation, audio control, DVD function and a host of other features, controlled via the 7" full colour in dash touch screen. MMCS allows you to customise features such as dusk sensing headlamp sensitivity, wiper speed and room lamp shutdown delay.

VOICE ACTIVATED BLUETOOTH® PHONE CONNECTIVITY

Outlander has the latest hands-free phone system technology, with voice activated Bluetooth® phone connectivity. This allows you to make calls with simple voice commands and receive them at the touch of a button. All this is integrated through the vehicle's audio system, allowing you to stay focused on the road. Bluetooth® 2.0 also allows you to stream songs straight from your compatible mobile.

CONNECT YOUR OWN MUSIC

Incorporating the latest technology to make every drive a pleasure, the Outlander is iPod compatible – which means you can connect and charge your iPod/MP3 player. Got your favourite music stored on a USB? The Outlander is USB compatible – so you can connect and play MP3s wherever you like.

ROCKFORD FOSGATE® STEREO SYSTEM

Delivering a massive 710 watts with 9-surround sound speakers and integrated 10-inch subwoofer, Outlander has the sound to match its looks.

MULTI INFORMATION DISPLAY

The LED Multi Information Display provides handy vehicle information such as fuel consumption, a trip computer and outside temperature functions. You can configure the display to show you exactly the information you want.

REAR ENTERTAINMENT DVD SYSTEM

Outlander rear seat passengers can enjoy sophisticated in-car entertainment with their very own 9-inch full colour DVD screen. Games console compatible, it includes one set of infra red cordless headphones. As the passengers watch a DVD, the rest of the car can listen to the music, or simply tune out and take in the surrounding scenery.

MITSUBISHI DIAMOND ADVANTAGE

AUSTRALIA'S

BEST NEW CAR WARRANTY AND CUSTOMER CARE PACKAGE

WARRANTY 10/5YR[†]

Mitsubishi Motors Australia Limited offers a 10 year/ 160,000km (whichever comes first) non-transferable Powertrain Warranty, a 5 year/130,000km (whichever comes first) New Vehicle Warranty and a 5 year Perforation Corrosion Warranty on all Mitsubishi cars and light commercial vehicles. Service conditions apply. See your dealer for details.

CAPPED PRICE SERVICING*

Enjoy 'no surprises' certainty when you book your Mitsubishi in for its regular service requirements. Your servicing costs will be capped for the first 4 years or 60,000km of driving, whichever occurs first up to the first four Regular Services and eight Regular Services for Ralliart and Lancer Evolution vehicles. Conditions apply.

CUSTOMER ASSIST 24/7

We're here to help, 24 hours a day, seven days a week. So just call Mitsubishi Motors Australia Customer Assistance Centre on 1300 13 12 11 if you have any questions, or for the location of your nearest Mitsubishi Dealer.

200+ DEALER NETWORK

With a network of more than 200 dealers, Mitsubishi is never too far away.

GENUINE SERVICE

Mitsubishi offers one of Australia's best service intervals of 12 months/15,000 km (whichever comes first). Regular scheduled servicing ensures the long-term reliability and safety of your Mitsubishi and our Scheduled Service Program also helps protect your car's resale value.

FINANCE

Take the burden out of financing your new Mitsubishi vehicle with our competitive range of finance products, developed by Mitsubishi Motors Australia Limited and St. George Motor Finance Limited.

5YR ROADSIDE ASSIST[^]

Peace of mind is guaranteed anywhere in Australia with our 5 year/130,000km (whichever comes first) Roadside Assist, 24 hours a day, 365 days a year. Our fast, comprehensive roadside service offers assistance, repairs, towing and storage. Our Premium Roadside Assist clients also enjoy the added benefits of accommodation, medical and transport facilities.

GENUINE PARTS

Your Mitsubishi will be serviced regularly by skilled Mitsubishi-trained technicians. Only genuine Mitsubishi parts are fitted to your car during scheduled servicing – parts that have been fully tested and meet Mitsubishi's stringent quality control. All these parts carry the Mitsubishi Genuine Parts 12 months/20,000 km (whichever comes first) warranty.

INSURANCE

With the sound backing of Swann Insurance and Mitsubishi Motors Australia Limited, Mitsubishi owners can choose between vehicle and personal protection solutions including motor vehicle, gap cover and loan protection insurance as well as a range of tailored warranty policies.

SPECIFICATIONS & FEATURES

love that car

MITSUBISHI OUTLANDER – KEY FEATURES BY MODEL

LS – 2WD

Mechanical

2.4L 4cyl DOHC 16 valve MIVEC Engine
5 speed manual transmission
Optional Continuously Variable Transmission (CVT auto) with INVECS III Smart Logic and 6 step Sports Mode
Power steering

Exterior

16" Alloy wheels
Body colour door handles
Body colour door mirrors
Body colour bumper
Rear roof spoiler with high mount stop lamp
Rear mudflaps
Roof rails
Chrome grille surround

Interior

Leather bound steering wheel
Leather bound gearshift
Leather look dash and door trim panels
Carpet floor covering

Comfort

Automatic air conditioning
Pollen filter
Tilt adjustable steering column
Side and rear window demisters
Driver's foot rest
Passenger assist grips

Convenience

Steering wheel audio controls
Cruise control
Keyless entry
Power windows front and rear (driver auto up and down)
Power door mirrors
Variable intermittent windscreen wipers
Intermittent rear wiper and washer
Accessory power socket (3-cargo, console and instrument panel)
Front map lamps
Cargo area lamp
Interior lamp with time delay
Ignition key cylinder illumination
Door courtesy lamps
Ashtray
Digital clock
Driver and passenger sunvisor with ticket holder and illuminated vanity mirror
High contrast instrument meter
Tachometer
Headlamps on warning

Storage

Warm & cool box
Glovebox – illuminated and lockable
Upper and lower glovebox
Floor console with storage box and lid
Door pockets – front and rear
Cup holders
Bottle holders in front doors
Coat hook

Seat back pocket – passenger
Cargo tie down hooks (4)
Split tail gate

Seating

Sports cloth seat trim
Front seats
Bucket seats
Slide and recline adjustment
Driver height adjustment
Height adjustable headrests
Second row seats
60:40 split folding function
Slide and recline adjustment
One touch roll away seats
Centre armrest with cupholders
Height adjustable headrests (3)

Audio & Media

Electronic tune AM/FM radio/CD/MP3 player
6 speakers (includes 2 tweeters)
USB audio input
Multi information display – includes trip computer, outside temperature, average fuel consumption

Safety

Driver & front passenger SRS airbags
Anti-lock Braking System (ABS)
Electronic Brakeforce Distribution (EBD)
Active Stability Control (ASC)
Active Traction Control (ATC)
Reinforced Impact Safety Evolution (RISE) body

Side door impact beams
Smart Brake (Brake Override System)
3 point Emergency Locking Retractor (ELR) seatbelts (all seating positions)
Auto Locking Retractor (ALR) seatbelts on outbound rear seats
Front seatbelt pretensioners & force limiters
Front seatbelt height adjustable shoulder anchorages
Seatbelt warning lamp – driver & front passenger
Child proof rear door locks
Child restraint anchorage points (3)
Power brake booster with emergency brake assist system

Security

Anti-theft encrypted engine immobiliser
Theft protection alarm
Steering lock
Diamond Advantage roadside assistance - 5 years

Options

2WD Convenience Pack

- Reversing sensors
- Electrochromatic mirror with reversing camera
- Bluetooth® handsfree phone operation¹
- Bluetooth® 2.0 wireless data transfer²
2WD Convenience Pack plus Side & Curtain airbags
Side SRS airbags (driver & front passenger) & curtain SRS airbags

LS – 4WD

(Features Additional to LS – 2WD)

Door mirrors with integrated turn indicator
Adaptive Front lighting System (AFS)
High Intensity Discharge (HID) headlamps
Cargo blind
Diamond Advantage premium roadside assistance – 5 years

Options

Luxury Pack

Chrome: door handles, side sill garnish, side window garnish, rear garnish
Electric sunroof with slide and tilt
Rockford Fosgate® premium 710 watt audio with 9 speakers and 10-inch subwoofer
Rear seat entertainment system with remote control and headphones (1 set)
Mitsubishi Multi Communication System (MMCS)² – includes satellite navigation
Leather seat facings
Power driver seat
Heated front seats
Seat back pocket – driver
Automatic dusk sensing headlamps
Automatic rain sensing wipers
Reversing camera in MMCS

VR – 4WD

(Features Additional to LS – 4WD)

Mechanical

3.0L V6 SOHC 24 valve MIVEC Engine
6 speed automatic transmission
INVECS II Smart Logic with Sports Mode
Paddle shifts
Super All Wheel Control (S-AWC) Constant 4WD system
Active centre differential
Front limited slip differential

Exterior

18" alloy wheels
Front fog lamps
Chrome dual exhaust tip
Privacy glass

Interior

Chrome interior door handles
Alloy sports pedals

Seating

Sports cloth with leather seat trim

Audio & Media

Bluetooth® 2.0 hands free phone connectivity¹
Bluetooth® 2.0 wireless data transfer²

Safety & Security

Electrochromatic mirror with reversing camera
Reverse Parking Sensors
Cargo blind

VRX – 4WD

(Features Additional to VR)

Exterior

Chrome: door handles, side sill garnish, side window garnish, rear garnish, grille
Headlamp washers
Premium 18" 7 spoke alloy wheels
Space saver spare tyre

Interior

Sports steering wheel
Dark silver accent panel

Comfort & Convenience

Electric sunroof with slide and tilt
Smart key
Automatic dusk sensing headlamps
Automatic rain sensing wipers

Storage

Seat back pocket – driver

Seating

Leather seat facings (front and second row seats)
Power driver seat
Heated front seats
Third row seats
- Front facing reclining bench
- Stows under floor
- Increasing seating capacity to 7

Audio & Media

Rockford Fosgate® premium 710 watt audio with 9 speakers and 10-inch subwoofer

ACCESSORIES AS VERSATILE AS YOUR OUTLANDER.

Whether you are spending the weekend at home, or heading out of town, we have a range of accessories as versatile as your Outlander. Ask your Mitsubishi Dealer about outfitting your getaway car today.

Mitsubishi Genuine Accessories go through an extensive program of design, development and then stringent testing to ensure they meet all applicable government standards as well as Mitsubishi's own rigorous engineering specifications and performance targets. Using Mitsubishi Genuine Accessories will ensure you get the best quality accessories that are both as durable and reliable as the Mitsubishi you drive.

When Genuine Accessories are fitted to your new vehicle at the time of delivery, they are covered by the Mitsubishi 3 year/130,000km (whichever comes first) Accessory Warranty. When they are fitted after purchase of your new vehicle they are covered for the remainder of the Accessory Warranty or for 12 months/20,000km, whichever is the longer. In the case of Diamond Spectrum Accessories the warranty is 12 months/20,000km (whichever comes first). Pictures shown for illustration purposes and may not be product specific. Please check with your Mitsubishi dealer for specific model applications. aout1109. MIT4223. 12MY September 2011
