Do not touch the metallic terminals on the normal charge port or connector, or those on the quick charge port or connector. Otherwise, electric shock and/or component failure may result. Refer Owner's Manual for other warnings.

⁴- Requires iOS 4.1.0 or later for Apple iPod Touch & iPhone. Require Android 2.1.0 and subsequent OS versions. (Not compatible with some models)

⁵- The EV Remote System WIFI operates using the IEEE 802.11g standard with a maximum throughput of 54Mbps transmitting on the 2.4Ghz band. Many other home appliances operate in this frequency range and will affect the performance of the EV Remote System. Examples of devices are but not limited to, microwave ovens, Bluetooth devices, baby monitors and digital cordless telephones.
