NISSAN DUALIS

BURN TWICE AS BRIGHT IN THE DUALIS

Nissan DUALIS drivers experience the world a little differently to the rest of us. From a higher vantage point on the road, they feel a sense of excitement, and a broadened sense of the world's possibilities. The supreme confidence they have in their vehicle also fills their days with a sense of pride. Admittedly, it's hard not to admire the DUALIS, a sleek but substantial form, with an unfailing ability to perform. Innovative, dynamic and stylish, this really is the vehicle for those who would rather get amongst it, and experience life to its full. And we've opened up life's possibilities even further, as along with our ST and Ti-L petrol models, we're excited to announce the addition of the new fuel efficient TS Diesel hatch to our range. Burn twice as bright every day and lead a life worth watching in the extraordinary DUALIS.

Ivory Pearl Ti-L Hatch shown.

INFINITE OPEN-ENDED POSSIBILITIES

Just because you're cramming more into life, doesn't mean you need to feel cramped. Whether you choose the 5-seat DUALIS hatch or the 7-seat DUALIS+2, you'll benefit from a raft of intelligent design to give you greater flexibility, space and comfort. The slightly longer exterior of the DUALIS+2 belies the cleverly crafted third row of interior seats, which enable you to transport your team in style, with ease, while fitting more into your day. Or alternatively you can fold down the third row to uncover more free space. Both models give you exceptional drive height, offer a Reversing Camera and Satellite Navigation as standard, and a host of other little features to make life that bit better. And that's just for starters.

FOR THOSE DRIVEN TO PERFECTION

Survey the world from a higher vantage point in the elevated driving position of the DUALIS and you're sure to see the possibilities ahead. A spacious interior gives you room to move in comfort and an ergonomically designed dash ensures everything you need is intuitively at hand. In the DUALIS Ti-L you'll enjoy luxuries that will add pep to your day, like heated front seats with double stitched leather accented seating and trim, and Dual Climate Control to appease both driver and front passenger. The Ti-L also comes with Rain Sensing Wipers and an Intelligent Key which allows you to enter your vehicle with the key safely residing within your pocket. The DUALIS Ti-L All Wheel Drive (AWD) gives you ALL MODE 4x4 driving at your fingertips, with a centre console dial that enables you to instantly alternate between 2WD and AWD, and, cleverly, if you're in 2WD and the vehicle senses a loss of traction it will automatically engage AWD to ensure you stay in control.

Ti-L AWD +2 interior shown.

Ti-L +2 interior shown.

DISCOVER AN EXPANDING WORLD OF DEEP SPACE

The interior of the DUALIS seems impossibly larger than the exterior suggests. Inspired with all-folding seats that create a flatbed storage area that gives you plenty of options when it comes to transporting just about anything. With a third row of seating, the DUALIS+2 expands your options even further again, with 50/50 or 40/20/40 Split Fold Seating. Whether you fold seats separately or all together to create a long flat floor, whichever way you configure it, you ultimately have a mind-boggling 1,520L of space to play with. If you need more, there's more, with Roof Rails as standard on the DUALIS Ti-L and DUALIS+2 models. And on the subject of space, the DUALIS Ti-L and DUALIS+2 Ti-L come with a view to the heavens; a Panoramic Glass Roof that lets the world in once the sunshade is opened via the touch of a button. The DUALIS offers a whole new world of space waiting to be discovered.

INTEGRATED SATELLITE NAVIGATION

No matter which DUALIS you drive, you will always know how to get to your destination with Satellite Navigation via the integrated 5" QVGA colour touch screen display which is standard across the DUALIS range.

REVERSING CAMERA

You'll always know what's behind you in your DUALIS. Reversing Camera with distance guidance lines comes standard on ST and TS while Ti-L has a Reversing Camera with Predictive Path technology.

A VISION OF THE FUTURE

Innovative Around View Monitor (AVM) technology gives you a birds eye view around the DUALIS and DUALIS+2 Ti-L, via a live camera feed. Four wide-angle cameras are mounted around your DUALIS: one on the front, one on each side mirror, and one at the rear, that together give you a perfect view on all four sides. The AVMs rear camera gauges the distance of objects that may be in your way, and by displaying dynamic lines helps guide you seamlessly into the parking space. At any time, at the push of a button, you can change camera views to ensure you're aware of exactly what's going on around you. It is, quite simply, brilliant.

Ivory Pearl Ti-L Hatch shown.

LOWER EMISSIONS, SMOOTHER TRANSITIONS

The DUALIS is powered by a lightweight alloy 2.0 litre MR20 engine, which gives you both excellent fuel economy and impressively low CO₂ emissions. The New DUALIS TS grade comes with a 1.6 litre Diesel R9M Engine that not only delivers 96kW of power and 320Nm of torque, is also has a Euro 5 Emission rating, with one of the best fuel efficiency figures within its segment – on a combined cycle you can use as little as 4.5 litres per 100kms, which equates to around 1,445kms from a single tank. That's Melbourne to Sydney with plenty of fuel to spare. This efficiency is possible thanks to Idle Stop/Start technology which ensures you're not wasting valuable fuel or power. The engine stops when the vehicle is stationary, only running when you need it to.

In all our Automatic models, Continuously Variable Transmission sees the traditional idea of a limited number of gears become redundant, so you need never experience the annoying lurch of gear changes again, rather you'll enjoy smooth and continuous acceleration as you reach your desired speed. And for those who prefer being a little more hands on, the 6-speed Manual transmission in the DUALIS Hatch delivers smooth and responsive gear changes every time.

Flame Red Ti-L Hatch shown.

ABOVE AND BEYOND SAFETY

With a superior array of safety systems, the DUALIS Petrol Hatch has been awarded the highest possible 5-Star ANCAP safety rating. Across the range safety technologies are designed to assist in the prevention of collisions and to protect you and your passengers should an accident occur.

6 AIRBAGS

Dual front, dual side and dual curtain SRS airbags will protect the driver and passengers in the case of a front or side impact.

VEHICLE DYNAMIC CONTROL (VDC)

VDC compares the actions of the driver with the current vehicle behaviour and selectively brakes individual wheels, and controls engine power, to help keep the car on its intended path.

TRACTION CONTROL SYSTEM (TCS)

Sensing when a front wheel is spinning, TCS responds by reducing throttle or applying brake pressure to help improve traction.

ANTI-LOCK BRAKING SYSTEM (ABS)

In the event of an emergency situation, ABS modulates the brakes to help the driver maintain stability and steering control as well as preventing the brakes from locking.

BRAKE ASSIST & ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

Brake Assist senses emergency braking and automatically helps to apply maximum braking pressure if needed. Meanwhile, Electronic Brakeforce Distribution sends extra force to the rear brakes when it senses additional weight in the back.

Ivory Pearl Ti-L Hatch shown.

my nissan

A complete ownership experience to help you get the most out of your Nissan. It includes the following:

3 YEAR/100,000KM WARRANTY.

Receive assurance with a 3 year/100,000kms warranty with the option of extending further for up to 6 years.

24-HOUR ROADSIDE ASSISTANCE FOR 3 YEARS.

No matter where you're planning to journey, you'll have the peace of mind of knowing that if you lock your keys in the car, have a flat tyre or battery, or run out of fuel, we'll help get you back on the road at no charge. ^

CAPPED PRICE SERVICE.

For 6 years or 120,000kms* you'll always know the maximum price you'll pay when you come in for your next Scheduled Service at any Nissan Dealer.

FACTORY-TRAINED TECHNICIANS.

Using dedicated diagnostic equipment and genuine parts they'll keep your vehicle in top condition.

MYNISSAN IPHONE* APP.

Request roadside assistance and advise of your location using your phone's GPS, plan trips, search for locations, plus set registration, service and parking expiry reminders.

NISSAN GENUINE ACCESSORIES.

Your Nissan Dealer can show you a variety of accessories to protect, enhance and personalise your Nissan DUALIS.

FINANCIAL SERVICES.

Choose from a range of finance options at very competitive rates and terms, as well as various insurance solutions to protect you and your vehicle.

^Terms and conditions apply, please visit nissan.com.au/roadsideassistance. *Ask your Nissan Dealer to explain exactly what items are covered in each Scheduled Service. DUALIS HATCH

Flame Red (Z10)

Ivory Pearl (QAB)

Blade (KY0)*

Gun Metallic (KAD)*

Mineral Grey (KAQ)*

Nightshade (GAB)*

Pearl Black (Z11)*

ST Features

- 2.0 Litre MR20 petrol engine
- Xtronic Continuously Variable Automatic Transmission (CVT) with Manual Mode (M-Mode) or 6 speed manual transmission
- Satellite navigation via 5" integrated QVGA colour touchscreen display
- Reversing camera with distance guidance lines
- 17 inch alloy wheels
- Cloth seat trim
- Air conditioning
- Bluetooth® audio streaming
- Bluetooth® handsfree phone system with steering wheel controls
- Cruise control with steering wheel controls
- Single CD player with AM/FM radio and 6 speakers
- USB in centre console/iPod® connectivity
- Auxiliary MP3 player input jack
- Height adjustable driver's seat
- Vehicle Dynamic Control (VDC)
- Traction Control System (TCS)
- Anti-lock Braking System (ABS)
- Driver and front passenger front-impact SRS airbags
- Driver and front passenger side-impact SRS airbags
- Front to rear SRS curtain airbags

TS Features

All the features of the ST plus/or:

- Six speed manual transmission only
- 1.6 Litre R9M turbo diesel engine
- Idle Stop/Start Technology
- Rear privacy glass
- Front fog lights
- Chrome accents

Ti-L Features

All the features of the ST plus/or:

- Around View Monitor (AVM) technology
- Panoramic glass roof with power sunshade
- 18" alloy wheels with black highlights
- Intelligent Key with smart entry and keyless start
- Leather accented* seat trim
- Front heated seats
- Reversing camera with Predictive Path technology
- Dual zone automatic climate control air-conditioning
- Leather accented* front centre console armrest with sliding function
- Automatic on/off headlights
- Silver roof rails
- Chrome accents
- Rear privacy glass
- Front fog lights

Ti-L AWD Features

All the features of the Ti-L plus/or:

- ALL MODE 4x4 with electronic 4WD selection
- Active Brake Limited Slip Differential (ABLS)
- Xtronic Continuously Variable Automatic Transmission (CVT) with Manual Mode (M-Mode) only

DUALIS+2

Magnetic Red (NAJ)*

Ivory Pearl (QAB)

Blade (KY0)*

Gun Metallic (KAD)*

Mineral Grey (KAQ)*

Nightshade (GAB)*

Pearl Black (Z11)*

ST +2 Features

- 7 Seat Capacity
- 2.0 Litre MR20 petrol engine
- Xtronic Continuously Variable Automatic Transmission (CVT) with Manual Mode (M-Mode)
- Satellite navigation via 5" integrated QVGA colour touchscreen display
- Reversing camera with distance guidance lines
- 17 inch alloy wheels
- Cloth seat trim
- Air conditioning
- Bluetooth® audio streaming
- Bluetooth® handsfree phone system with steering wheel controls
- Cruise control with steering wheel controls
- Single CD player with AM/FM radio and 6 speakers
- USB in centre console/iPod® connectivity
- Auxiliary MP3 player input jack
- Height adjustable driver's seat
- Vehicle Dynamic Control (VDC)
- Traction Control System (TCS)
- Anti-lock Braking System (ABS)
- Driver and front passenger front-impact SRS airbags
- Driver and front passenger side-impact SRS airbags
- Front to rear SRS curtain airbags
- Rear centre armrest with integrated cup holders and 12 volt power socket
- Rear tonneau cover
- 40/20/40 split fold 2nd row
- 3rd row seats with sliding 2nd row seats
- 3 child restraint anchorage points
- Silver roof rails

Ti-L +2 Features

All the features of the ST +2 plus/or:

- Around View Monitor (AVM) technology
- Panoramic glass roof with power sunshade
- 18" alloy wheels with black highlights
- Intelligent Key with smart entry and keyless start
- Leather accented* seat trim
- Front heated seats
- Reversing camera with Predictive Path technology
- Dual zone automatic climate control air-conditioning
- Leather accented* front centre console armrest with sliding function
- Automatic on/off headlights
- Privacy glass
- Front fog lights
- Chrome accents

Ti-L +2 AWD Features
