# NISSAN QASHQAI

# INTRODUCING THE ALL-NEW NISSAN QASHQAI

**SAY HELLO TO THE ALL-NEW NISSAN QASHQAI.** It's the ultimate package, comprised of daring, defiant design and enhanced by advanced, intuitive technology with state-of-the-art connected services. The all-new Nissan QASHQAI not only looks slick, it delivers dynamic ride and handling that puts you in complete control. Get ready to experience the intensity of the all-new Nissan QASHQAI.

# HERE AND NOW

**BOLD, CAPABLE AND COMMANDING** all at once, the all-new Nissan QASHQAI is designed with inner-city street smarts in mind. With razor sharp reactions, a playful, predatory nature and a provocative profile, it's an SUV like no other, with the good looks you want, and all the power you need.

# MAKE A LASTING IMPRESSION

## OPULENT ENVELOPING CABIN

A premium, **DARK AND RICH LEATHER-ACCENTED INTERIOR\*** holds you close with spinal support seats, cushioned kneepads and ambient lighting to soothe your driving experience. And to further enhance the mood, gaze upwards for a serene view to the moon and back through a Panoramic Glass Roof\*, revealed via a retractable sunshade at the touch of a button. This is a supremely lavish and comfortable environment you'll never want to leave.

\*Ti/TL models only. Leather accented features and upholstery may contain synthetic material.

QASHQAI Ti interior

**TAKE CONTROL**

# FACE THE FUTURE

FROM A COMMANDING POSITION AT THE HELM you can take everything in, and enjoy complete control via your Advanced Drive-Assist Display, which delivers detailed info-graphics in real time. Intuitive and accessible, it's ready to make your own.

**CALLER ID.** The simplest and smartest way to safely see who's calling.

**AUDIO DISPLAY<sup>+</sup>** All the details of your favourite music and artists on screen.

**COLOUR SELECTION.** Customise the display vehicle colour to complement your vehicle.

**TURN BY TURN NAVIGATION<sup>+</sup>** Never miss a turn thanks to rapidly relayed navigation information.

**STEERING FEEL.** Select sport for an engaging thrill, or choose normal for everyday performance.

**PARKING DISPLAY SENSORS<sup>++</sup>** Watch while QASHQAI delivers an effortless parking display.

<sup>+</sup>Ti & TL models only.

<sup>++</sup>Parking display sensors are a driver's assistance device only and should not be used as a substitute for safe driving practices. Always check surroundings before moving vehicle.

QASHQAI

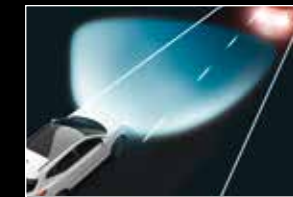

# NISSAN SAFETY SHIELD® FEEL EMPOWERED

**DISCOVER A DRIVE THAT'S ALIVE WITH TECHNOLOGIES,** empowered and enriched by Nissan's advanced Safety Shield®. Using cameras and sensors the all-new Nissan QASHQAI delivers six different safety systems\*, which work together to build your confidence and keep you on top of every situation.

## PROTECT

**6 STANDARD AIRBAGS**  
Dual front, dual side and dual curtain SRS airbags that extend to the second row protect the driver and passengers in the event of front or side impact.

## HIGH BEAM ASSIST\*

When driving in low visibility, high beam is automatically activated with generous, wider LED headlamps to deliver a more comprehensive and illuminated view. When the system recognises oncoming or distant traffic, lights are automatically adjusted.

## LANE DEPARTURE WARNING\*

If the all-new Nissan QASHQAI detects that you're straying from your lane, the LDW system will give both an audio and visual alert. The system is so smart, it stops the warnings whenever your turn indicator is engaged.

## MOVING OBJECT DETECTION\*

When the Around View® Monitor is in use and detects something moving by the vehicle, it gives you both an audio and visual alert.

## BLIND SPOT WARNING\*

What you can't see, the all-new Nissan QASHQAI can. When driving, if there's a vehicle in the blind spots on either side of your car, a light will illuminate on the door mirror. If you're indicating to change lanes and a vehicle is dangerously close, the light will flash, and you'll hear a warning too.

## DRIVER ATTENTION SUPPORT\*

Reduce the risk of nodding off or losing focus. An advanced safety system that judges your concentration and level of fatigue according to your driving input, and warns you if you need a break.

QASHQAI Ti in Ivory Pearl

\*Ti & TL models only. These features are driver's assistance devices only and should not be used as a substitute for safe driving practices. The area into which the vehicle is driven must be visually monitored by the driver.

# NISSANCONNECT™ PLUG IN

**Make the most of your journey.** NissanConnect™# is smart technology that keeps your world within reach when you're on the move. And with NissanConnect™ Apps, your all-new Nissan QASHQAI becomes your smartphone's best friend, with all the music, information and apps you and your friends love, coming together through the all-new Nissan QASHQAI's display and audio system.

**Nissan Navigation System with Traffic Monitoring.** The most direct routes and the smartest way to get to your destination on time in the most fuel efficient manner. Both the Ti and TL models of the all-new Nissan QASHQAI have 7" touch screen displays.

**Pandora® radio capability.** Looking for something new? Explore the latest tunes using Pandora® radio capability. Connect your Pandora®-equipped smartphone through the audio system to listen to Pandora® free internet radio and use the 'thumbs up' or 'thumbs down' icons to rate songs.

**Online search - powered by Google®.** Based on the latest information, Google® Online Search helps you pinpoint your desired destination, even if you don't know the name or category – so you can find that new restaurant or brilliant beach in a snap.

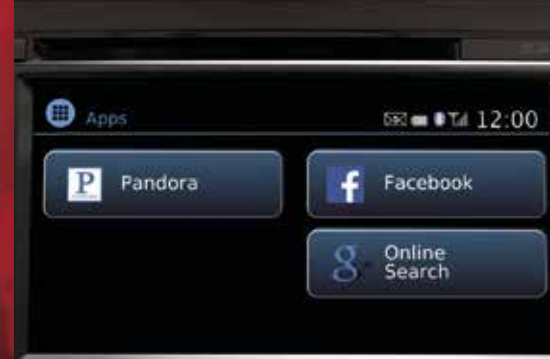

**Facebook®.** Launch the Facebook® app and your all-new Nissan QASHQAI has room for more than 200 friends. Follow your news feed to find out what everyone's up to, check in with your network on arrival at your destination and you can even update your status to suit where you're currently at.

\* Features and functions may vary by model grade. Pandora® and Facebook® apps may not be fully operational on ST and TS models at launch.

~ Ti & TL models only

\* Pandora is currently only supported on the Android™ platform.

Driving is serious business. Only use NissanConnect™ services when safe to do so and in accordance with local Road Rules. Never program while driving. Use of NissanConnect™ services is subject to agreeing to a Subscription Agreement containing important restrictions, terms and conditions (see [nissan.com.au/nissanconnect](http://nissan.com.au/nissanconnect) for details). Complimentary 36 month subscription starts on vehicle registration date, subsequently a paid subscription is required at the then current rate. Standard data usage charges apply. Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. Google® is a registered trademark of Google Inc. Pandora® is a registered trademark of Pandora Media Inc.

# TAKE IT EASY

USING 4 CAMERAS, Around View® Monitor\* delivers a panoramic, 360 degree view to make reversing and parking a cinch. Choose a bird's eye view to see the lay of the land from above, and then opt for different dual views while manoeuvring. You'll soon wonder how you ever parked without it.

QASHQAI Ti in Ivory Pearl

## INTELLIGENT PARK ASSIST<sup>+</sup>

**PARALLEL PARKING.** Size up your space and if Intelligent Park Assist says 'OK', you can position the all-new Nissan QASHQAI within the frame and enable it to help you to complete the perfect park.

**BAY PARKING.** In multi-storey car parks and busy supermarket bays, the Intelligent Park Assist system can help reverse park the all-new Nissan QASHQAI for you.

## NISSAN AROUND VIEW® MONITOR<sup>\*</sup>

**AVOID SCRATCHES.** In Drive or Reverse, push the camera button to switch off the overhead view for a side view – ideal for checking how close you are to the kerb.

**NO MORE BLIND SPOTS.** In Reverse, see what's directly behind and use the overhead view to check for short objects that may be hidden below your window.

<sup>+</sup> Intelligent Park Assist is a driver's aid only and driver intervention is required to control accelerator and brake vehicle operation. Ti & TL models only.

<sup>\*</sup> Around View® Monitor is a driver's aid only and may not cover all blind spots. Moving object detection may not detect every object. Always check surroundings before moving vehicle. Ti & TL models only.

#### CHASSIS CONTROL

Your Advanced Drive-Assist Display will show you when the chassis control features are activated.

#### ACTIVE TRACE CONTROL

A turn for the better, this innovative technology improves control when cornering, and can brake each wheel individually to help you steer through any turn with confidence.

#### ACTIVE ENGINE BRAKE\*

Whether slowing for a corner or coming to a stop, Active Engine Braking uses the Continuously Variable Transmission to apply engine braking (like shifting to a lower gear in traditional transmissions), to deliver smoother deceleration and a more confident driving experience.

#### ACTIVE RIDE CONTROL

Lets you and your all-new Nissan QASHQAI down gently. Active Ride Control automatically applies braking and adjusts engine torque after you hit a bump to smooth out your ride.

## CHASSIS CONTROL

# REVEL IN THE RESPONSE

**CONFIDENT COMPOSURE.** The all-new Nissan QASHQAI is engineered with a range of innovative technologies which enables it to have an intuitive response to every driving situation, for a smoother and more controlled ride. With automatically activated chassis control functions to back you up, you'll experience responsive and engaging handling on every drive.

\*Active Engine Braking on CVT models only.

## NISSAN PURE DRIVE TECHNOLOGY

# GO BEYOND

### SELECT AN INNOVATIVE POWERTRAIN.

Nissan's Pure Drive Technology embodies our action to reduce fuel consumption and CO<sub>2</sub> emissions. The all-new Nissan QASHQAI provides you with Pure Drive Technology choices in either Petrol or Diesel, when using Xtronic Continuously Variable Transmission (CVT).

The new Xtronic CVT not only increases driving pleasure with smooth acceleration and responsiveness, it simultaneously optimises your fuel consumption.

The fuel economy benefits of the super-efficient diesel powertrain (1.6 dCi XTRONIC CVT) are further enhanced by Idle Stop/Start technology, which stops the engine when stationary, to improve fuel economy and reduce CO<sub>2</sub> emissions.

Diesel	Power kW	Transmission	Fuel Consumption l/100km <sup>^</sup>	CO <sub>2</sub> g/km
1.6 dCi 	96	Xtronic CVT	4.9	129

Petrol	Power kW	Transmission	Fuel Consumption l/100km <sup>^</sup>	CO <sub>2</sub> g/km
2.0 	106	Xtronic CVT	6.9	159

### NEW XTRONIC TRANSMISSION

The new Xtronic transmission enhances driving pleasure by providing better acceleration and responsiveness while improving fuel economy.

<sup>^</sup>Figures have been calculated in accordance with ADR81/02. Actual fuel consumption, range and emissions will vary depending on driving conditions, driver behaviour, the condition of your vehicle and the accessories fitted.

QASHQAI Ti interior

**VERSATILE STORAGE**

# OPEN A WORLD OF POSSIBILITIES

**VERSATILE FLAT FLOOR STORAGE.** When the rear seats are folded, the all-new Nissan QASHQAI converts to a flat luggage floor that makes it easy to load and unload long items, and features clever under-floor storage\* to keep valuables out of sight.

**HAVE IT YOUR WAY.** With the rear seats upright, you can flip up the cargo divider for up to 16 storage combinations\* - you can even store the cargo blind under the floor. The range of adaptable storage solutions makes it easy to transport just about anything.

**KEEP IT AT YOUR FINGERTIPS.** A clever center console design ensures you can keep all your every day essentials close at hand.

\*Ti, TS & TL models only.

## my nissan

A complete ownership experience to help you get the most out of your Nissan. It includes the following:
