A Member of

DRB-HICOM

Being part of the giant DRB-HICOM group of companies, PROTON is Malaysia's leading car brand with exports to over 25 countries. With the legendary Lotus engineering at our core, we are committed to putting driving pleasure and peace of mind into every car that leaves our factory. We are confident that with every Proton you'll enjoy care-free motoring for years to come.

New to PROTON is the family inspired Exora. Defining practicality with a massive seven seater capacity and two seater compactability, the Exora is making life especially easy for the family on the go. The Exora's Charged Fuel Efficiency (CFE) engine's intelligence saves you money each time you drive by maintaining low running costs of a 1.6L engine and only increasing its power to an equivalent 2.0L engine during acceleration of inclines and take-offs.

Long trips are no longer a problem with on-board entertainment.

PROTON'S QUALITY CARE

- 5 YEARS OR 150,000 KM FACTORY BACKED WARRANTY
- 7 YEARS ANTI-CORROSION WARRANTY
- 5 YEARS OR 150,000 KM 24 HOUR ROADSIDE ASSISTANCE
- 5 YEARS OR 75,000 KM FREE SCHEDULED SERVICING

KEEP YOUR FAMILY MOVING.

The convenient split fold seats allow you to convert from a massive seven seater down to a two seater in a few simple steps, making space for either the one's you love or the things you love.

Always room for one more.

Dual-front and dual-side airbags.

ACTIVE SAFETY

The Exora comes packed with safety features as standard to keep you and your family safe and in full control while on the move. Awarded a 4 star ANCAP safety rating with Electronic Stability Control (ESC), Traction Control, Anti-lock Brake System (ABS) and Electronic Brake Force Distribution (EBD), the Exora is designed with your family's safety in mind.

The GXR has a rear view camera for extra safety.
