

THE NEW LOTUS-ENGINEERED PROTON SUPRIMA S MOTOR ON

Welcome to a new era of motoring.

The Proton Suprima S is living proof that an exhilarating motoring experience and value are not mutually exclusive.

With its legendary Lotus ride and handling there's no doubt the Suprima S is our most exciting Proton yet.

As well as housing a 1.6L turbo charged engine under the bonnet, it comes packed with all the features you'd expect in a car built to the highest global standards.

Features such as 7" Android based touchscreen with reverse camera and GPS sat nav (GXR), alloy wheels and USB, Bluetooth™ and iPod® connectivity just to name but a few.

And with its ultra sleek body styling it definitely doesn't hold back in the looks department either.

With this much car for your money compromise is definitely a thing of the past.

That's why we say Proton. Motor on.

LED daytime running lights come on automatically when you start the car.

Auto Headlights come on in dark areas or dusk when set to automatic.(GXR)

Rear LED lights complete the distinctive look.

Touch-control WiFi enabled Android infotainment centre lets you stay connected. (GXR)

Rear LED lights complete the distinctive look.

Reverse park-assist sensors.

Push start for added security and convenience. (GXR)

SUPRIMA S

Rear spoiler reduces drag and maximises fuel economy.

Remote tail gate release for improved security.

Adjustable electric side mirrors (GX & GXR). They fold automatically for extra safety and parking. (GXR)

Uncompromising safety with a maximum 5-star ANCAP safety rating.

Peace of mind comes as standard with every Proton.

With our 5 years Free Scheduled Servicing, Factory Backed Warranty and 24 hours Roadside Assistance you can look forward to many kilometres of care-free motoring.

SUPRIMA
