Passion for life

New-look Renault CAPTUR

Overseas model shown

Urban adventure

Start celebrating, city people: Renault Captur, the popular crossover, has had a makeover. With its new colours, redesigned grille with finely-chromed edging and fixed panoramic sunroof*, new-look Renault Captur is geared toward urban adventurers like never before. Its Pure Vision LED headlights* and its C-shaped daytime running lights show its assertive, determined character.

*Standard on Intens, not available on Zen.

Rediscover the city

Tackle the urban landscape and experience the feeling of dominating the streets and avenues. Thanks to its raised ground clearance, skid plates built into the front and rear bumpers and fixed panoramic sunroof*, you can explore everyday urban life from all angles. Settle into a welcoming, colourful and innovative interior, where all your senses will be primed to capture the joys of city life.

*Standard on Intens, not available on Zen.

DISCOVER NOW

Strong design

With its 17" two-tone 'Emotion'* or 16" two-tone 'Discover'^ alloy wheels, new-look Renault Captur is ready to take you on the urban excursions of your dreams. Your crossover boasts an assertive character, with a finely-honed design and strong personality. Its front and rear LED lights** shed a new light on your everyday life. Its two-tone bodywork and wide range of customisable features let you fully express your individuality. New-look Captur enhances your city experience.

* 17" two-tone 'Emotion' alloy wheels on Intens.

** Standard on Intens, not available on Zen.

^ 16" two-tone 'Discover' alloy wheels on Zen.

A smart interior

New-look Captur Intens has everything you need to feel good. Place your hands on the full-grain leather* steering wheel, enjoy the new comfort of the more supportive seats, rest your arm on the central armrest or take advantage of the LED courtesy lighting, featuring reading lights. All around you, the colours are understated and elegant, the chrome trim both discrete and attractive. The BOSE® premium sound system^ gives you an exceptional listening experience with its seven high-definition speakers. Let it take you away.

*Bovine-sourced leather.

^Optional on Intens. Not available on Zen.

DISCOVER NOW

Making life easier for you

With its many, cleverly-designed storage spaces, new-look Renault Captur makes your everyday life easier. Carefully integrated in the dashboard is another handy storage compartment, where you can keep your mobile phone or wallet! The passenger compartment features a 60:40 split-fold sliding rear bench that can be fastened in different positions, offering you between 377 litres and 455 litres of boot space with the rear bench in up right position, depending on your needs. As for the boot, it comes with a multi-position floor that can be removed and reversed.

Touch & explore

New-look Renault Captur offers you two fully touch-sensitive multimedia systems: Media Nav Evolution* and R-LINK Evolution^.

Media Nav Evolution*

With its 7" touchscreen, intuitive voice control and steering wheel-mounted controls, Renault R-LINK Evolution^ lets you access innovative, practical features, including TomTom navigation, multimedia, a telephone system and vehicle data.**

*Standard on Zen. Not available on Intens.

**Voice control uses Bluetooth® capability. Bluetooth® compatibility may vary depending on phone.

^Standard on Intens. Not available on Zen.

DISCOVER NOW

Overseas model shown

The best of the city

New-look Renault Captur has its eyes on everything: it weighs up parking spaces before helping you park*, warns you about potential hazards to help you brake in time in an emergency and observes everything that goes on around you. New-look Captur: stay in control of your adventures!

*Easy Park Assist: Standard on Intens. Not available on Zen.

Protection

Reinforced structure, high-efficiency front airbags, head/chest side airbags for driver and front passenger, pressure sensor to detect impact, seat belts with pre-tensioners, anti-whiplash headrests, and Isofix3-point seat attachments on rear outermost seats.

Hill Start Assist

When starting the vehicle on a slope, brake pressure is automatically maintained for two seconds, giving you time to move away.

Easy Park Assist*

Make parallel parking painless! With its sensors, the system measures the available space before taking over the steering and completing the manoeuvre for you.

*Standard on Intens. Not available on Zen.

Blind spot warning*

The system detects the presence of any vehicle in the area that your rear-view mirrors do not allow you to see. Enabled between 30 and 140km/h, the blind spot warning system immediately activates a warning light.

Additional cornering lights*

When taking corners, the fog light on the side nearest the bend lights up automatically to give you a wider field of vision.

*Standard on Intens. Not available on Zen.

ENERGY TCe 90 engine

The ENERGY TCe 90 engine is ideal for city centre driving. Highly responsive at low revs and combined with a five-speed manual gearbox, it delivers the very best in fuel economy.

TCe 120 engine

If you opt for the ENERGY TCe 120 engine, then you're choosing performance. The TCe 120 engine is mated to an automatic dual-clutch EDC gearbox for greater comfort and a consistently smooth and enjoyable driving experience. You will also enjoy reduced maintenance thanks the lifetime guarantee on the timing belt.

[BOOK A TEST DRIVE](#)

EDC automatic gearbox

Maximise your driving pleasure. The automatic dual-clutch EDC gearbox offers you dynamic performance and fluidity at fuel economy levels that are close to those you enjoy with a manual gearbox.

Renault Services. For peace-of-mind.

Comprehensive Warranty

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all of our passenger vehicles.

24/7 Roadside Assistance

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel. You could run out of fuel, lose your car keys or have a flat tyre near or far from your home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

Capped Price Servicing*

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or up to 90,000km (whichever occurs first) behind the wheel thanks to Capped Price Servicing. The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. And because you're busy, Renault vehicles are designed to require servicing only once per calendar year or every 30,000km (whichever occurs first) – not every six months like some manufacturers.

Genuine Renault Parts

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty. Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

Terms and conditions apply. Call our Customer Service Team on 1800 886 885 or view the Terms and Conditions statement at www.renault.com.au/drivingpeaceofmind for details.
 *New-look Captur is subject to adaptive servicing requirements, as determined by the Oil Condition Sensor, and may require servicing prior to the standard 12 months or 30,000km service interval.
