

RENAULT
Passion for life

New-look Renault CLIO

Even more irresistible.

You'll fall under the irresistible charm of our new-look Renault Clio. Its sensuous curves make it stand out from the crowd. Its new grille mesmerises with a new lighting signature and a front end panel that is more rewarding than ever. With the new-look Renault Clio, each day is more striking than the last.

A strong personality.

Intriguing and seductive, the new-look Renault Clio shows its modern and distinctive style. Its new lighting signature, integrated in the Pure Vision LED headlights*, is instantly recognisable. From the side, its 17" two-tone alloy wheels (standard on Intens) underline its dynamic silhouette.

Attention to detail.

Refined upholstery, full grain leather wrapped steering wheel and quality finishes set the atmosphere in the new passenger compartment. You can customise its air vents, dashboard, door panels and seat piping (optional on Intens only). So many combinations to make the new-look Renault Clio completely yours.

Overseas model shown.

*Standard on Zen, Intens and GT-Line.

GT-Line. Elegance and sportiness.

With the GT-Line look, the new-look Renault Clio takes full advantage of its dynamic design. It offers iconic, elegant sportiness: 17" 'Serdar' alloy wheels, Renault Sport rear spoiler, side skirts, satin grey details including door mirrors, boot lid strip and front bumper inserts, rear diffuser, single chrome exhaust and GT-Line badge. A dazzling rise in style. The best of both worlds: elegance and sportiness.

The new-look Renault Clio shows its assets.

The new-look Renault Clio isn't just seductive. With its forward-thinking technology and on-board comfort, the new-look Renault Clio transforms your travels into sensory experiences. Discover connectivity that is as innovative as it is intuitive with the R-Link system* and enjoy an immersive musical experience with the BOSE® premium sound system**. Take advantage of driving aids such as the reverse parking camera or the hands-free parking* for peace of mind and a choice of efficient engines to suit your needs.

Overseas model shown.

* Standard on Intens and GT-Line. Not available on Life or Zen.

** Optional on Intens and GT-Line. Not available on Life or Zen.

Performance and control.

Based on the combination of innovative technologies, some of which are the direct result of auto racing, the new-look Renault Clio ENERGY engines are a tour de force: They optimise driving pleasure while managing the consumption levels.

ENERGY TCe120 Strength and performance

Enjoy sharp acceleration with this petrol engine mated with a 6-speed dual-clutch EDC automatic transmission. The 88kW engine delivers 190Nm of torque at 2000 rpm, which guarantees a responsive behaviour in all situations. Pleasure without limits.

ENERGY TCe90 Stop & Start Efficient driving*

This efficient Stop & Start petrol engine is mated with a manual 5-speed gearbox and delivers a responsive drive whilst keeping the fuel consumption at a frugal level.

EDC Automatic gearbox

The 6-speed dual-clutch EDC automatic gearbox is available with the TCe120 petrol engine. Upshifting is fast and smooth, with no jerking or loss in acceleration.

BOSE® premium sound system: pure sound.

Get ready for an intense musical experience thanks to the optional BOSE® premium sound system (Intens and GT-Line only). With its exclusive 6-speaker system and subwoofer*, you don't just hear the music; it transports you to the centre of a live concert. This adventure in sound, with clear treble and deep bass, will ignite your senses.

Overseas model shown.

* Subwoofer in boot reduces storage space from 300L to 230L.

Stay connected on the move.

MediaNav*

Renault's on-board touch screen tablet MediaNav provides access to useful and practical features including: navigation, media from multiple sources, hands-free telephone using Bluetooth® technology# and 'Eco Driving' coach giving you advice to reduce your daily fuel consumption. Enjoy stress free travel with Renault MediaNav.

Main menu with 6 icons
Radio, Multimedia, Telephone, Eco Driving, Navigation, System settings.

Navigation
With vocal guidance.

Phone
Bluetooth® technology# allows you to make and receive calls on the move.

R-Link**

Integrated 7" touchscreen multimedia system (with navigation). In addition to its many built-in features shown below, there are also applications to download from the R-Link Store. You can control it from the screen, steering wheel controls or even voice command. R-Link also includes front and rear parking sensors and a reverse parking camera.

Main menu with 6 icons
Discover the six available menus: navigation, multimedia, telephone, vehicle information, services and applications, system settings.

Touchscreen navigation system
Provided by TomTom®.

Multimedia
FM/AM/DAB tuner, connect devices via USB and AUX sockets or Bluetooth®#.

Reverse parking camera system
Front and rear parking sensors with reverse parking camera, which displays the image on the navigation system screen alongside guidance aids.

Vehicle information
The fun 'Eco Driving' coach gives you handy tips to improve your driving style and reduce your fuel consumption.

Voice control
Set your destination, call a contact or launch an application with voice control.

Manoeuvring has never been such fun.

Renault innovation makes your trips endlessly more enjoyable. The driving aid technologies offered by the new-look Renault Clio make your manoeuvres easier. You benefit from an enhanced safety for a comfortable drive.

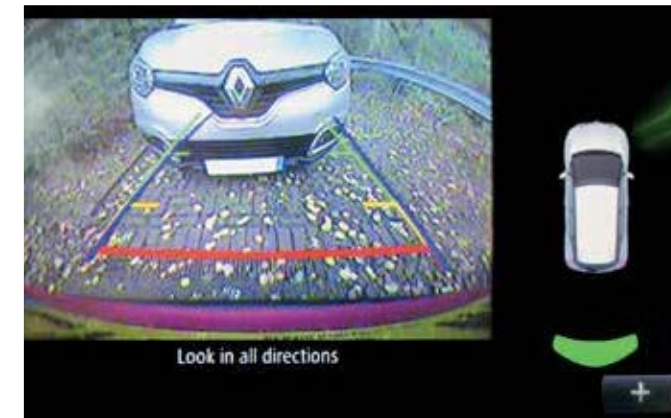

Hands-free parking (with R-Link)**

Tight spots have never been so easy to handle as with the hands-free parking. The system assesses the available space and defines the trajectory. Let it take control of the steering whilst you simply control the speed for hassle-free parking.

The hands-free parking system has 12 sensors placed on the front, rear and sides to detect a spot with adequate dimensions to park your vehicle.

Reverse parking camera system

Front and rear parking sensors with reverse parking camera which displays the image on the navigation system screen alongside guidance aids.

Hill Start Assist (HSA)

When starting the vehicle on a hill, the brake pressure is automatically maintained for two seconds, giving the driver time to manoeuvre.

Bluetooth® compatibility may vary depending on phone.

^ No front parking sensors available on Life.

* Standard on Zen only.

** Standard on Intens and GT-Line only.

Our quality. Your peace of mind.

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

Generous Comprehensive Warranties

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell.

We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all of our passenger vehicles.

Capped Price Servicing

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 30,000km (whichever occurs first) behind the wheel thanks to Capped Price Servicing.

The Capped Price Service program covers the cost of all Genuine Renault parts, lubricants and labour required for standard scheduled maintenance services.

And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like some manufacturers.

24/7 Roadside Assistance

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner, or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

Renault Specialist Technicians

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHs, they're trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHs use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

Repair and Service Courtesy Cars

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

Genuine Renault Parts

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used Genuine Renault parts to ensure continuous availability.

Renault Dealer Network – The Benefits

Everywhere, at every stage in your car's life, the Renault Dealer network is with you, providing quality service, including:

Personalised reception and advice.

The use of only Genuine Renault parts.

The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.

Equipment and tools specially designed for your Renault.

Our pricing structures are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.
