

RENAULT MEGANE HATCH

DRIVE THE CHANGE

CRUISE THE CITY

WITH ITS STYLISH GOOD LOOKS AND SOPHISTICATED DESIGN, THE RENAULT MEGANE HATCH IS YOUR KEY TO EXPLORING THE CITY AND HAVING FUN IN STYLE. YOU'LL BE CHARMED BY ITS LUXURIOUS FEEL AND INSPIRED BY ITS AGILE HANDLING AS YOU GLIDE THROUGH CITY STREETS.

The Mégane Hatch is as smart as it is stylish; featuring some impressive technological features such as Electronic Stability Control, Bluetooth® with audio streaming, cruise control with speed limiter and the enviable, industry-leading R-Link Enhanced Satellite Navigation and Media Centre*. The sporty yet refined GT-Line model also features an integrated 7" touchscreen tablet, LED daytime running lights, front and rear parking sensors and carbon fibre effect dash.

From the affordable Authentique to the fashionable GT-Line or motorsport infused GT 220, there's a Mégane Hatch to suit every lifestyle.

^GT-Line, GT-Line Premium and GT 220 Premium models

SOPHISTICATED DESIGN AND PERFORMANCE

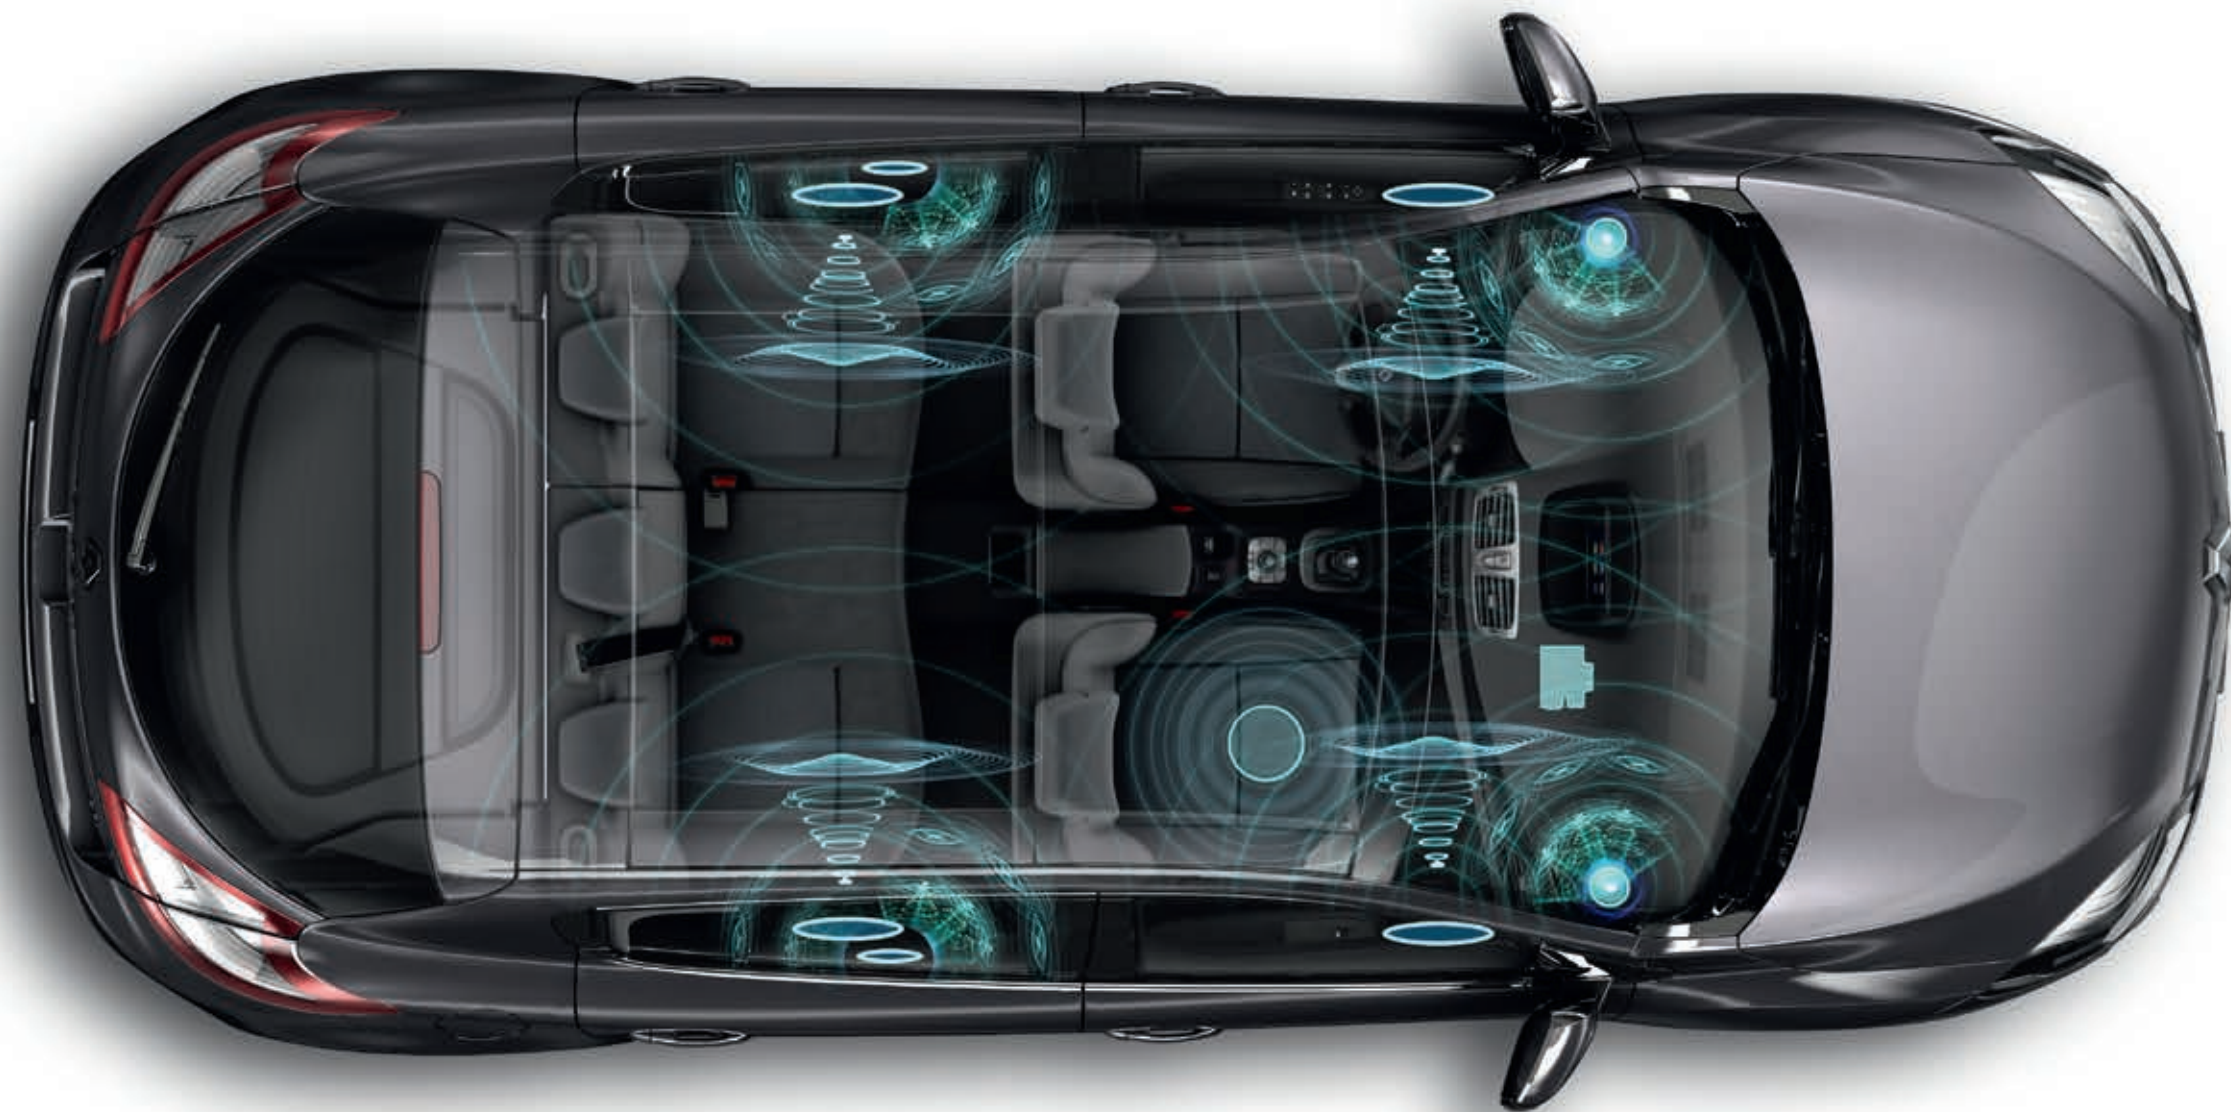

THE CONFIDENT CHARACTER OF THE RENAULT MEGANE HATCH IS IMMEDIATELY EVIDENT. ITS SMOOTH YET PRECISE LINES CREATE A CAPTIVATING SLEEK AND EYE-CATCHING SILHOUETTE; ONE THAT STANDS OUT FROM THE CROWD. FINISHING TOUCHES OF SATIN GREY HIGHLIGHTS ENHANCE THE ELEGANT FEEL AND CREATE A STRIKING OVERALL EFFECT.

The Mégane GT-Line and GT 220 have been co-developed with Renault Sport to exhibit unique styling and performance. It makes a statement with its specially designed bumpers, signature lighting arrangement with LED daytime running lights, exclusive 17" alloy wheels and enhanced interior trim.

The dynamic power and responsive performance you feel behind the wheel of your Renault Mégane Hatch is a benefit of Renault's decades of motorsport expertise. Since 1977 Renault has been a driving force in FORMULA ONE, designing and developing the engines for some of the most successful teams in history. The cutting-edge engine and technological advancements that win on the FORMULA ONE track have led to vast improvements in performance and efficiency. What is learned on the racetrack, the Renault engineering team adapts for all Renault road vehicles, including the Renault Mégane Hatch.

INTUITIVE TECHNOLOGY

DRIVING THE RENAULT MEGANE HATCH IS ALWAYS A THRILL THANKS TO AN ABUNDANCE OF MODERN, INTUITIVE AND EXCLUSIVE TECHNOLOGY.

The high performing R-Link Enhanced Satellite Navigation system means you will never get lost again and can be controlled using fingertip controls, voice commands or the 7" touchscreen inbuilt into the centre console. Other technological advances from Renault such as the hands-free entry and engine start, dual zone climate control air conditioning and front and rear sensors* with reversing camera^ make everyday driving a breeze. And if you love music, all Mégane Hatches come with Bluetooth® audio streaming, USB and auxiliary ports so you can take your music with you*.

SMART SAFETY

YOU CAN FEEL ASSURED WHEN CRUISING ALONG IN YOUR RENAULT MEGANE HATCH THAT SAFETY WAS A CRUCIAL ELEMENT IN EVERY STAGE OF ITS DESIGN.

Electronic Stability Control keeps things together, automatically detecting any loss of control and applying the brakes to keep you on the road. With its ASR anti-skid system and understeer control, your vehicle stability is maximised, even under tough conditions.

And in the case of impact, the active safety system provides instant and effective protection for every occupant. Consisting of six airbags and side impact sensors, it is designed to envelope the driver and passengers and even prevents submarining (a passenger sliding under the seat belt in the event of a frontal impact).

The GT-Line Premium and GT 220 Premium models are also fitted with the innovative Visio System to provide an enhanced level of safety assurance. The Visio System detects road markings and the position of your vehicle to alert you when you stray from your lane. This system even automatically adjusts the headlights from high to low beam when required.

VARIANTS

SMART, SPORTY AND SOPHISTICATED, THE MEGANE HATCH WILL INSPIRE YOU WITH ITS AGILE HANDLING AND ADVANCED TECHNOLOGICAL FEATURES. WHETHER YOU'RE EXPLORING THE CITY OR DISCOVERING THE COAST, YOU'LL LOVE TACKLING EVERY TWIST AND TURN IN A MEGANE HATCH.

AUTHENTIQUE

The Mégane Hatch Authentique puts European style and a luxurious range of features within your reach. Its bold new design identity with redesigned face brings a sportier and more commanding look to the Mégane range. Daytime running lights are now standard and with the Renault Smart Key Card in your pocket, you can unlock the Mégane Hatch by just touching the handle. Inside you'll find a leather wrapped steering wheel, dark charcoal upholstery and the practicality of 60:40 flat folding rear seats. Technology includes Bluetooth® phone pairing with audio streaming[^], fingertip controls and automatic Start&Stop engine technology to save fuel and the environment.

GT-LINE

The Mégane Hatch GT-Line, developed with Renault Sport, makes a statement with satin grey accents, 17" alloys and signature lighting cluster featuring LED daytime running lights. The sports styling continues inside with a carbon fibre effect dashboard and red highlights, dark charcoal leatherette upholstery and tinted rear windows complete the sports-luxury picture. You can access the R-Link Enhanced Satellite Navigation and media centre by the 7" touch screen, voice command or fingertip controls mounted on the steering column. The rain sensing wipers switch on automatically, as do the dusk sensing headlights. Opt for the GT-Line Premium and you'll upgrade to Cool Grey leather interior, panoramic sunroof and the Visio System with Lane Departure Warning.

GT 220

The Mégane GT 220 takes performance to a new level. Its 2.0L turbocharged petrol engine has been tuned to punch out 162kW of power and 340Nm of torque, but with the kind of fuel efficiency you wouldn't expect from such a hot hatch. The GT 220 features bigger ventilated front discs, a stiffer Sport chassis and 18" alloys. Inside, the carbon fibre effect dashboard comes with the acclaimed R.S. Monitor 1.0 on the standard model. The GT 220 Premium comes with R-Link and the superior R.S. Monitor 2.0. This industry-leading on-board telemetry system lets you capture your driving performance in real time to analyse and share online. Also featured on the GT 220 Premium model are Cool Grey full leather seats, a panoramic glass sunroof, and rear view camera.

AUTHENTIQUE

KEY FEATURES

KEY FEATURES

FEATURE AVAILABILITY VARIES PER MODEL

BLUETOOTH® WITH AUDIO STREAMING
Bluetooth® phone pairing technology[^] in every Renault Mégane model allows you to wirelessly connect your smartphone to the vehicle for hands-free mobile usage or to stream your music and playlists. You can also play music via USB or auxiliary input and control play from the fingertip controls near your steering wheel or charge your devices on the go.

REAR VIEW CAMERA
Reversing is a breeze in the Mégane GT-Line Premium and GT 220 Premium; a rear view camera is tucked away in the licence plate recess, perfectly positioned to provide a clear view of the road behind you when reversing or parking. Distance guidelines help guide you into place.

DUAL ZONE CLIMATE CONTROL
No matter what's going on outside, you'll always feel comfortable inside thanks to the dual zone climate control system, available with the Mégane GT-Line and GT 220 models. While keeping front seat occupants at their ideal temperature, the pollen filter keeps nasties out and provides only the freshest air so you can breathe easily.

ALLOY WHEELS
The Renault Mégane is connected to the road with the latest in alloy wheel design and technology. Its 17" Celsius or 18" Sordard alloy wheels (on Mégane GT-Line and GT 220 models) have a fresh and modern design with solid, lightweight alloy construction.

LED DAYTIME RUNNING LIGHTS
LED daytime running lights are a safety feature that helps protect you and your family by making your vehicle more visible to other road users at any time of the day. In fact, daytime running lights are now a legal requirement for all new passenger vehicles in Europe.

HANDS-FREE ENTRY AND ENGINE START
With the Renault Mégane, you don't even need to touch the key to get in the car and get going. The Renault Smart Key Card can stay in your bag or pocket, unlocking the doors at a single touch of the door handle. Once inside, you simply press a button to start the engine.*

R-LINK ENHANCED SATELLITE NAVIGATION
Find your way easily thanks to the R-Link Enhanced Satellite Navigation system, in-built in the Renault Mégane Hatch GT-Line, GT-Line Premium and GT 220 Premium models. Maps are available in 2D and 3D, displayed on the 7" colour touchscreen with turn-by-turn guidance and easy SD updates.

PARKING SENSORS
Whether reversing down a driveway or finding that last tricky space in the car park, front and rear parking sensors (available on all GT-Line and GT 220 models) make manoeuvring easier and safer for you and your family. The sensors provide an audible warning as you approach objects helping you to position the car.

REAR PRIVACY WINDOWS
The Renault Mégane GT-Line, GT-Line Premium and GT 220 Premium models are fitted with the additional luxury of tinted rear privacy windows, which assist in keeping belongings more secure and reflecting the heat of the sun.

PANORAMIC SUNROOF
The Renault Mégane GT-Line Premium and GT 220 Premium models feature an electric panoramic glass sunroof, allowing you to enjoy a full view of the sky above. The front section adjusts electronically between multiple positions, while the rear section is fixed to protect your passengers from the elements.

VISIO SYSTEM
The advanced safety system is available with the Mégane GT-Line Premium and GT 220 Premium models. Lane Departure Warning senses when the vehicle drifts from its lane without indicating, alerting you to help prevent an accident. The vehicle also automatically switches between high and low beams when required.

CURTAIN AIRBAGS
You can be assured when driving the Renault Mégane that your safety has been a crucial consideration in every stage of its design. As well as driver and front-passenger airbags, side curtain airbags are placed strategically along the inside of the vehicle for additional protection, reacting within a fraction of a second in the case of impact.

OUR QUALITY: YOUR PEACE OF MIND

GENEROUS COMPREHENSIVE WARRANTIES

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell.

We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5-year unlimited kilometre warranty on all of our passenger vehicles.

24/7 ROADSIDE ASSISTANCE

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

CAPPED PRICE SERVICING

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 45,000km (whichever occurs first) behind the wheel thanks to Capped Price Servicing.

The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services.

And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

RENAULT SPECIALIST TECHNICIANS

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHS, they're trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHS use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

REPAIR & SERVICE COURTESY CARS

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

GENUINE RENAULT PARTS

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

RENAULT DEALER NETWORK – THE BENEFITS

Everywhere, at every stage in your car's life, the Renault dealer network is with you, providing quality service, including:

- Personalised reception and advice.
- The use of only Genuine Renault parts.
- The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.
- Equipment and tools specially designed for your Renault.
- Our pricing structures are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.

WHEN YOU PURCHASE A NEW VEHICLE, YOU WANT TO BE SURE IT WILL GIVE YOU YEARS OF ENJOYABLE, WORRY-FREE MOTORING, BACKED BY A TRUSTED AND RELIABLE BRAND. AND WHEN YOU CHOOSE A RENAULT, THAT'S EXACTLY WHAT YOU'LL GET.
