

# RENAULT MEGANE WAGON

**DRIVE THE CHANGE**

MEGANE

# SPACE FOR LIVING

THE RENAULT MEGANE WAGON IS ADVENTUROUS, VERSATILE, STYLISH AND A PURE PLEASURE TO DRIVE. DESIGNED FOR BUSY FAMILIES WHO DESIRE EXTRAORDINARY ON-ROAD PERFORMANCE, INNER-CITY STYLE AND ALL THE LATEST TECHNOLOGY TO TURN EVERY DAY INTO AN ADVENTURE.

Whether you're heading up the mountain or down to the beach, the versatile Renault Mégane Wagon provides responsive power, luxurious comfort and effortless style.

Every family is different, so the Renault Mégane Wagon makes room for every passion, from adventure sports to family time. The huge 524L boot gives you heaps of room for luggage, bikes, snow gear or a pram, and with the rear seats folded flat you get access to up to an impressive 1600L of load space.\*

For a greater comfort and driving experience, choose the Renault Mégane Wagon GT-Line. However for high-performance enthusiasts, you can't go past the Mégane GT 220 Sportwagon. This impeccable model provides authentic sports credentials, an outstanding level of technology and innovation including an amplified 2.0L engine.

# SOPHISTICATED NEW DESIGN

IT IS HARD TO BEAT THE CONVENIENCE OF A FAMILY WAGON, YET THE RENAULT MEGANE WAGON EXCEEDS ALL EXPECTATIONS. INSIDE AND OUT, IT IS DESIGNED FOR FAMILY PRACTICALITY WITHOUT COMPROMISING ON SPORT-INSPIRED STYLE.

The Renault Mégane Wagon reinvents the family car. Its styling brings out a sporty character that is refined down to the finest detail. Chrome and satin grey details subtly underline a dynamic yet strong silhouette. With its range of versatile storage areas and 60:40 flat folding rear bench seats, the Renault Mégane Wagon has practicality at its core.

The bold new design identity across the Renault Mégane Wagon range fits seamlessly with its profile to provide a graphic signature, making this a wagon like no other. Alloy wheels are standard across the Renault Mégane Wagon range, as are satin finish roof rails and a leather wrapped steering wheel and gear knob.

The Mégane GT 220 Sportwagon has been given the Renault Sport treatment, inside and out. Anthracite 18" Serdard alloy wheels, Renault Sport badging and drilled aluminium pedals leave no doubt to its performance and versatility.

# EXTRAORDINARY TECHNOLOGY

**DRIVING FEELS FLUID, SEAMLESS AND ENGAGING BEHIND THE WHEEL OF THE RENAULT MEGANE WAGON. THE LATEST IN INNOVATIVE TECHNOLOGY AND FEATURES FOR TOTAL COMFORT AND CONTROL HAVE BEEN INCORPORATED AT EVERY OPPORTUNITY.**

In the Renault Mégane Wagon GT-Line, GT-Line Premium and GT 220 Premium, the latest generation R-Link Enhanced Satellite Navigation system can be controlled via fingertip controls, voice command or a crystal-clear 7" touchscreen set into the centre console.

To make sure that nothing stands in the way of your driving enjoyment, either Classic or Radio Auditorium by Arkamys® sound systems are available across the Renault Mégane Wagon range including multiple user-friendly audio connection options such as Bluetooth® connectivity, USB and auxiliary ports for all your compatible devices.

Renault Sport is synonymous with high-performance driving and the new Mégane GT 220 Sportwagon is no exception. It features the same breathtaking engine as the renowned Mégane R.S. 265, with a Sport chassis worthy of its racetrack heritage. It also boasts automatic Stop&Start engine technology for advanced fuel efficiency and the class-leading R.S. Monitor\*

which displays real-time driving performance information including lap times, engine temperature and more.

The ultimate option for luxury and style is the Premium variant, available for both the GT 220 and GT-Line wagon models. From the panoramic sunroof to the Cool Grey heated leather seats, Premium models provide luxury and a host of extra safety and technology features you can't help but take pleasure in.

# OPTIMUM PROTECTION

SAFETY FEATURES ARE CRUCIAL TO YOUR PEACE OF MIND, ESPECIALLY WITH YOUR FAMILY ON BOARD, AND YOU CAN REST ASSURED THE RENAULT MEGANE WAGON HAS BEEN DESIGNED TO PUT SAFETY FIRST.

All Renault Mégane Wagon models have a six airbag system featuring driver and passenger head and chest airbags, plus side curtain airbags. Electronic Stability Control, ABS, Emergency Brake Assist and Electronic Brake-force Distribution react instantly when required to help you retain control. Even more convenient, all models are equipped with automatic dusk sensing headlights and rain sensing windscreen wipers as well as front and rear parking sensors.

The Premium models of the Renault Mégane Wagon GT-Line and GT 220 feature the unique Renault Visio System. This advanced technology incorporates a front camera that detects road markings and the position of the vehicle, alerting you if you stray from your lane, and automatically switches the headlights from high beam to low beam when required. The Premium models also provide the safety and convenience of a reversing camera for optimum rear way vision and hassle-free parking.

# VARIANTS

Sleek, stylish and seriously practical, the Mégane Wagon is perfect for those who want more from life. Better performance, safety and economy – Renault has thought of everything in designing the Mégane Wagon range. So you can be confident, whether you're looking for more space for a growing family or more sportiness for your active lifestyle, that there's a Mégane Wagon that's right for you.

## DYNAMIQUE

A bold new front with redesigned grille and LED daytime running lights bring a sportier and more aggressive look to the Mégane Wagon range. Available in a 1.2L turbocharged petrol or 1.5L diesel, the Mégane Wagon Dynamique wraps practicality with economy. The rear 60:40 seats fold flat to open up 1600L of cargo space while roof rails give you a further option for getting loads from A to B. Leave the Renault Smart Key Card in your pocket and you can unlock the Wagon just by touching the handle. Inside, you'll find a leather wrapped steering wheel, dark charcoal upholstery and storage spaces throughout. Technology includes Bluetooth® with audio streaming and fingertip controls, multi function trip computer and digital speedometer.

## GT-LINE

The Mégane GT-Line is a wagon like no other. It makes a performance statement with body accents, 17" alloys and signature lighting cluster featuring LED daytime running lights. The sports styling continues inside with carbon fibre effect dashboard and red highlights. The leather steering wheel and gear knob, dark charcoal leatherette upholstery and tinted rear windows complete the sports-luxury picture. You can access the R-Link Enhanced Satellite Navigation system by the 7" touchscreen and use touch, voice or fingertip controls with the Arkamys® sound system. The rain sensing wipers switch on automatically, as do the dusk sensing headlights. Opt for the GT-Line Premium and you'll upgrade to leather interior, panoramic sunroof and the Visio System with Lane Departure Warning.

## GT 220

The top of the range Mégane GT 220 Sportwagon takes performance to a new level. Its 2.0L turbocharged petrol engine has been tuned to punch out 162kW of power and 340Nm of torque, but with the kind of fuel efficiency you wouldn't expect from a performance touring wagon. The GT 220 features bigger ventilated front discs, sports chassis and 18" alloys. Inside, the carbon fibre effect dashboard comes with the acclaimed R.S. Monitor 1.0 as standard (R.S. Monitor 2.0 optional). This on-board telemetry system lets you capture your driving performance in real time to analyse and share. Upgrade to the GT 220 Premium and you'll add full leather seats, panoramic sunroof, parking sensors with camera and the R.S. Monitor 2.0.

# KEY FEATURES

FEATURE AVAILABILITY VARIES PER MODEL.

ALLOY WHEELS

They're the ultimate for sports-inspired style, which is why the Renault Mégane Wagon comes with alloy wheels standard across the range. The Dynamique variant features 16" Kaleido alloy wheels, the GT-Line sports sleek 17" Celsius alloys and the GT 220 ups the ante with stunning 18" Serdard alloy wheels.

VISIO SYSTEM

This advanced safety system is available as part of the Premium variant on the GT-Line and GT 220 models. Lane Departure Warning senses when the vehicle drifts from its lane without indicating, alerting you to help prevent an accident. The vehicle also automatically switches between high and low beams when required.

ROOF RAILS

All Renault Mégane Wagon models come with sleek satin grey roof rails built in. Extra optional accessories can be fitted allowing you to carry bikes, skis, storage pods and much more, freeing up valuable space inside the cabin.

R-LINK SATELLITE NAVIGATION

Find your way easily thanks to the R-Link Enhanced Satellite Navigation system, built in to the Renault Mégane Wagon GT-Line, GT-Line Premium and GT 220 Premium models. Maps are available in 2D and 3D, displayed on the 7" colour touchscreen with turn-by-turn guidance and easy SD updates.

ADJUSTABLE INTERIOR

The flat-folding split rear seats in the Mégane Wagon Dynamique enable an impressive 1600L of load space in the rear, allowing you to fit in anything from mountain bikes to muddy dogs. The front passenger seat can also be folded down for extra convenience when required.

RENAULT SMART KEY CARD

With the Renault Mégane, you don't even need to touch the key to get in the car and get going. The Renault Smart Key Card can stay in your bag or pocket, unlocking the doors at a single touch of the door handle. Once inside, you simply press a button to start the engine.

REVERSING CAMERA

The combination of reversing camera and parking sensors in the Renault Mégane Wagon GT-Line Premium and GT 220 Premium provides greater safety for all, both inside and outside your vehicle. The view behind your vehicle is displayed clearly on the 7" touchscreen so you can reverse and park safely, knowing your path is clear of hazards.

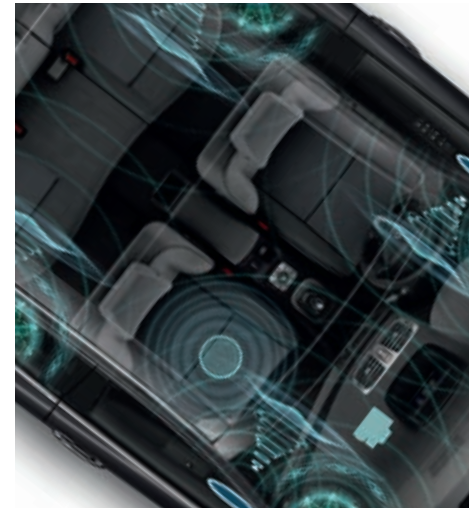

DAYTIME RUNNING LIGHTS

Not only do they make an eye-catching statement, LED daytime running lights are a safety feature that helps protect you and your family by making your vehicle more visible to other road users at any time of the day. In fact, daytime running lights are now a legal requirement for all new passenger vehicles in Europe.

AUTOMATIC PARKING BRAKE WITH HILL START ASSIST

When stopped, the parking brake in the Renault Mégane Wagon engages automatically. On steep slopes, Hill Start Assist keeps the brakes on to prevent the vehicle from rolling back down the hill before acceleration kicks in.

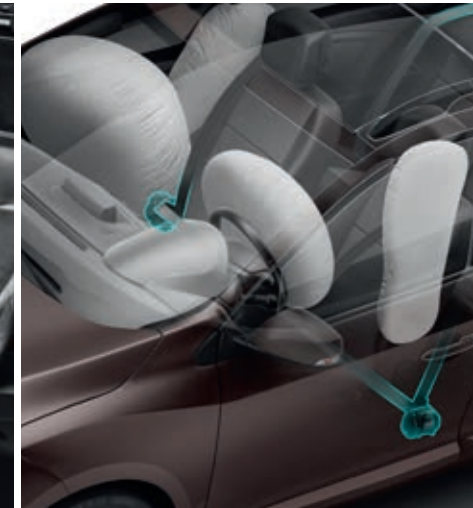

AUDIO CONNECTIVITY

There are multiple options for audio connectivity in the Renault Mégane Wagon. Bluetooth® hands-free with audio streaming can connect with your compatible smartphone and play your music wirelessly through the audio system. ^ Other options include iPod® connectivity through the auxiliary jack or USB port, with fingertip audio controls on the steering wheel.

BOOT COMPARTMENTS

The 524L boot lets you carry a lot, while helping you maintain order. The unique boot storage system lets you keep valuable objects hidden out of sight in the 38L storage compartment under the floor. Space dividers keep items separate and prevent them from shifting around on the move.

FAMILY SAFETY

A comprehensive suite of safety features in the Renault Mégane Wagon ensures you and your occupants are kept as safe as possible. Front head, chest and side curtain airbags react instantly to protect you from injury in an impact, while Electronic Stability Control, ABS and Emergency Brake Assist helps prevent loss of control.

^ Bluetooth compatibility may vary depending on phone. iPod is a trademark of Apple Inc.

# OUR QUALITY: YOUR PEACE OF MIND

## GENEROUS COMPREHENSIVE WARRANTIES

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell.

We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5-year unlimited kilometre warranty on all of our passenger vehicles.

## 24/7 ROADSIDE ASSISTANCE

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

## CAPPED PRICE SERVICING

Fantastic Renault value doesn't end once you've got your new vehicle home – thanks to the Capped Price Servicing program, you'll enjoy the benefits of lower maintenance costs for your first 3 years or 45,000km (whichever occurs first) behind the wheel of the Mégane Wagon and 3 years or 30,000km (whichever ever occurs first) in the Mégane GT 220 Sportwagon.

The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services.

And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

## RENAULT SPECIALIST TECHNICIANS

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHs, they're trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHs use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

## REPAIR & SERVICE COURTESY CARS

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

## GENUINE RENAULT PARTS

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

## RENAULT DEALER NETWORK – THE BENEFITS

Everywhere, at every stage in your car's life, the Renault dealer network is with you, providing quality service, including:

- Personalised reception and advice.
- The use of only Genuine Renault parts.
- The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.
- Equipment and tools specially designed for your Renault.
- Our pricing structures are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.
