ŠKODA

# ŠKODA Fabia RS

Introducing made of meaner stuff, the 132kW twin-charged SKODA Fabia RS

From rally to road: everyday performance from our motorsport engineers.

Put the sport back into Wagon. Big boot, big power the ŠKODA Fabia RS Wagon.

Head for the hills, leave the spectators behind.

With an aggressive **front grille** and black honeycomb air intake the distinctive front means business. Combined with **LED daytime running lights** the Fabia RS is ready for the road.

The alloy RS inscribed **door sill strips** enhance the driver surround.

The 7.0J x 17" **Silver Gigaro** alloy wheels with 205/40 R17 tyres were especially developed for the RS model. You may also choose from additional colour variations: white, anthracite, black-and-silver.

The **chrome dual exhaust tailpipe** and the **diffuser** reinforce the car's sporty design.

The **rear spoiler** sharpens the cars looks and enhances airflow.

**Tilting halogen projector headlamps** enhance safety by assisting drivers to see around corners.

**LED daytime running lights** compliment the car's sporty design.

The Fabia RS Wagon is also equipped with a **rear spoiler** and **roof rails**.

With standard Paddle shifters the **3-spoke sports leather steering wheel** sharpens the driving experience. It also features audio control and Bluetooth® phone operation.

The **High-line instrument panel** incorporates the Maxi DOT multifunctional display, which, among other details, displays the current automatic DSG gear speed.

The **132kW super and turbo charged engine** mates seamlessly with the 7-speed Automatic DSG offering remarkable performance. The Fabia RS accelerates from 0 to 100 km/h in just 7.3 seconds while only sipping 6.2L/100km.

The standard equipment of the Fabia RS and Fabia RS Wagon features the attractive **Tempo** interior in black.

Both the driver and the front passenger **sports seats**, are designed exclusively for the RS range, they are specially moulded in a racing style. The seats are embroidered with an RS emblem. You may choose between grey or red seat upholstery.

# Technical specifications

Model	Fabia RS	Fabia RS Wagon
Engine	Turbocharged petrol engine with supercharger	Turbocharged petrol engine with supercharger
Cylinders/Cubic capacity (cc)	4/1,390	4/1,390
Max. performance/Revs (kW/min <sup>-1</sup> )	132/6,200	132/6,200
Max. torque/Revs (Nm/min <sup>-1</sup> )	250/2,000-4,500	250/2,000-4,500
Air pollution regulation/Fuel quality	EU5 <sup>*</sup> /petrol (98 RON)	EU5 <sup>*</sup> /petrol (98 RON)
<b>Performance</b>		
Maximum speed (km/h)	224	226
Acceleration 0-100 km/h (s)	7.3	7.3
Fuel consumption 99/100 (l/100 km)		
- urban	7.7	7.7
- extra-urban	5.2	5.2
- combined	6.2	6.2
Combined CO <sub>2</sub> emissions (g/km)	148	148
Turning circle/Clearance turning circle diameter (m)	10.0/9.8	10.0/9.8
<b>Power transmission</b>		
Type	Front-wheel drive	Front-wheel drive
Clutch	Twin coaxial dry multiple-disc clutch, electro-hydraulically operated	Twin coaxial dry multiple-disc clutch, electro-hydraulically operated
Transmission	Automatic 7-speed DSG	Automatic 7-speed DSG
<b>Weight</b>		
Tare Mass (kg)	1,253	1,248
Max. Roofload (kg)	75	75
Total weight (kg)	1,718	1,713
<b>Body</b>	5-seater, 5-door, 2-compartment	
Drag coefficient C <sub>w</sub>	0.345/0.335*	
<b>Chassis</b>		
Front axle	McPherson suspension with lower triangular links and torsion stabiliser	
Rear axle	Compound link crank-axle	
Braking system	Hydraulic dual-diagonal circuit braking system, vacuum assisted	
- front brakes	Disc brakes with inner cooling and single piston floating caliper	
- rear brakes	Disc brakes	
Steering	Direct rack-and-pinion steering with electro-hydraulic power steering	
Wheels	7.0J x 17"	
Tyres	205/40 R17	
<b>Liquids</b>		
Tank capacity (l)	45	
<b>Exterior dimensions</b>		
Length (mm)		4,029/ 4,276*

## General information

### OWNING A ŠKODA

#### ŠKODA New Vehicle Warranty

Every new ŠKODA passenger vehicle is covered by a three-year unlimited kilometre manufacturer's warranty, which includes ŠKODA Assist (24-hour roadside assistance). Every new ŠKODA vehicle is also covered by a three-year paintwork and 12-year anti-corrosion perforation warranty.

#### ŠKODA Assist - 24-Hour roadside assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original ŠKODA warranty period. You will receive help in the event of a breakdown or accident and, if required, your vehicle will be mobilised or transported to an Authorised ŠKODA Workshop. As a ŠKODA owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100km away from home.

#### ŠKODA Extended Warranty

To give you added peace of mind and the assurance of added security, you have the option to extend the factory warranty to suit your ownership cycle. If your ŠKODA was purchased new by you, we can offer you a 36 month/60,000km extension on your already existing ŠKODA manufacturer's warranty. Alternatively, if your vehicle is already outside the ŠKODA manufacturer's warranty period we can also offer you an extension of your factory warranty. Have the assurance that your ŠKODA remains a ŠKODA. For further information regarding warranty and extending your vehicle's factory warranty, please consult your local ŠKODA dealer, refer to your owner's handbook or visit [www.skoda.com.au](http://www.skoda.com.au)

#### ŠKODA Service

Your Authorised ŠKODA Service Centre is part of ŠKODA's global Quality Management System, ensuring all dealers are certified to ISO 9001:2000 – an internationally recognised Quality Standard. Authorised ŠKODA Service Centres have factory trained Technicians equipped with the very latest diagnostic equipment, specialist tooling and ŠKODA Genuine Parts®. An Authorised ŠKODA Service Centre undertakes work in accordance with factory specified guidelines and maintenance schedules.

#### ŠKODA Genuine Parts®

ŠKODA Genuine Parts® are designed for your vehicle and approved by ŠKODA, with particular regard to safety. The workmanship, dimensional accuracy and materials used in these parts comply with factory specifications. To ensure safety and reliability, ŠKODA recommends the use of ŠKODA Genuine Parts®. ŠKODA Authorised Dealers offer a two-year unlimited kilometre warranty on Genuine Parts from the date of purchase.

#### ŠKODA Finance\*

Buying, borrowing or leasing, ŠKODA Finance will certainly make you think differently about financing and insuring your new ŠKODA. Committed to meeting the needs of ŠKODA drivers across Australia, we offer a range of leasing, financing and insurance products, each with distinct advantages depending on your specific circumstances. Our packages are personalised to suit your individual requirements. You design your plan so that it meets your budgeting needs and rest assured that there will be no surprises along the way. Speak to your local participating Authorised ŠKODA Dealer today to put together a financial solution that best suits your lifestyle.

### GLOSSARY

#### Anti-lock Braking System (ABS)

When braking, sensors in each wheel measure the road speed. If one or more wheels start to lock, the ABS reduces brake pressure to those wheels. This prevents the wheels from locking during heavy or emergency braking and allows you to continue to steer the vehicle.

#### Anti-Slip Regulation (ASR)

ASR is a switchable traction control system that prevents the front wheels from spinning under acceleration. When a difference in driving wheel speed is detected (e.g. due to differences in road surfaces), the system automatically reduces engine torque accordingly.

#### Electronic Brake-pressure Distribution (EBD)

This sophisticated system provides an electronic means of regulating the ratio of front to rear brake pressure. The system automatically varies the settings according to driving and load conditions to ensure each wheel is braked to the optimum extent.

#### Electronic Stability Control (ESC)

The ESC is made up of the ABS and ASR traction control systems. Simply put, it helps ensure that the vehicle goes where you steer it – even in extreme driving conditions. By constantly comparing the actual movement of the vehicle with pre-determined values, ESC will apply the brakes to individual wheels and automatically adjust the engine's power output to correct a problem the very moment it arises.

#### Brake Assist

Brake Assist aids the driver during emergency braking by automatically increasing the brake pressure to a level exceeding the locking limit. Then, the ABS is quickly brought into the operating range, thereby enabling maximum vehicle deceleration.

\* ŠKODA Finance, a trading name of Volkswagen Financial Services Australia Pty Ltd ABN 20 097 071 460

One of the most important goals of ŠKODA Auto is the development and production of products that are as environmentally friendly as possible throughout their life cycle phases, placing principal emphasis on the selection of recyclable materials. Our ŠKODA cars are manufactured using progressive types of technology in modern production facilities that meet the strictest criteria. Anticorrosive protection of the cars' painted parts is based exclusively on lead-free cathaphoresis (KTL) and water-soluble paints.

Our company strategy includes limiting fuel consumption and emissions. As a result, the engines of ŠKODA Auto meet the current emission regulations. We also offer diesel engines with Diesel Particulate Filters (DPF). All products made by ŠKODA Auto adhere to the laws and regulations concerning the protection of soil and water. As a result of these activities, ŠKODA cars meet technical, safety, quality and environmental requirements. ŠKODA Auto contributes to the preservation of a clean environment and provides mobility and comfort to its customers.

The environmental logo expresses ŠKODA's awareness of responsibility for, and attempts at, the sustainable development of the company and a friendly approach to life and nature. For more information please visit [www.skoda.com.au](http://www.skoda.com.au)

ŠKODA is distributed by Volkswagen Group Australia Pty Limited trading as ŠKODA Australia, 24 Muir Road, Chullora NSW 2190. ABN 14 093 117 876. Specifications are as planned at June 2012, for Model Year 2013 and are subject to change without notice or obligation. Cars and accessories shown may not depict Australian specifications. Fuel consumption figures according to Australian Design Rules (ADR) 81/02. All ŠKODA approved parts and accessories are warranted for 2 years/unlimited kilometres. All information in this brochure is correct at the time of publication, however variations may occur from time to time and ŠKODA, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this brochure.
