

SIMPLY CLEVER

ŠKODA

ŠKODA Fabia Ambition, Fabia Monte Carlo & Fabia RS

ŠKODA 'Simply Clever'

Being one of the world's oldest car companies, ŠKODA has a long history of excellent craftsmanship and a reputation for exacting standards and delivering on its promise to its customers. By purchasing a ŠKODA you'll join hundreds of thousands of others who enjoy the quality, reliability and safety that defines one of Europe's fastest-growing car brands.

With Volkswagen Group technology underpinning ŠKODA's platform of smart thinking, and with the experience that comes from ŠKODA's proud heritage, the Fabia range is built to exceed the expectations of Australian drivers. What sets ŠKODA apart is being able to deliver 100% European design, technology and engineering at an extremely affordable price, providing quality and value to the Australian market like never before. It's what makes ŠKODA 'Simply Clever'.

Capped Price Service

ŠKODA Extended Factory Warranty

DESIGN

The ŠKODA Fabia Ambition and Fabia Ambition Wagon design is a blend of elegance and functionality. The **front headlights** extend towards the wheel arch; and the neatly shaped **front foglights*** are equipped with **daytime running lights**.

The Fabia Ambition Wagon has black roof rails as standard. **Privacy glass*** from the B-pillar back can be added to either your Fabia or Fabia Wagon.

*Optional equipment.

ŠKODA Fabia Ambition

SPACE

The ŠKODA Fabia Ambition is a complete family vehicle, satisfying the highest requirements for **space** and **storage options**. Flexible and easy to configure, it's great for families with small children. For the Fabia Ambition Wagon, the **luggage compartment** capacity is **480 litres** that can be expanded to **1,460 litres** after tilting the rear seats.

The **flexible storage compartment** is a handy feature to ensure belongings are kept stationary whilst driving, as well as the **folding hooks** on both sides of the boot to conveniently hang shopping bags.

When fixed in the lower position, the **2-position luggage compartment cover** allows the transport of objects that would otherwise impede the driver's view.

STORAGE AND INTERIOR

The ŠKODA Fabia provides a range of functional, discreet and flexible storage options to comfortably accommodate all passengers.

Twin dashboard storage compartments. The lower compartment illuminates when opened and when Climatronic air-conditioning is equipped, the compartment can also be cooled.

The **clever storage compartments** in both the driver and front passenger's door panelling provide a 1.5L bottle holder.

The **centre console drinks holder** is accessible from both front and rear for added convenience. Further storage pockets are situated on the front seat backrests and rear door panelling.

Fabia models are equipped with a **multifunctional trip computer** that highlights fuel consumption, average speed, range, oil temperature and details of the vehicle's status, as well as the ability to display phone and audio information.

The **MDI** (Mobile Device Interface) is a standard feature that enables (by means of interconnecting cables with terminals for the Ipod, Aux-in or USB, available from ŠKODA Genuine Accessories) control of a connected external device through the radio.

The **'Swing' radio** has a dual antenna and music CD player with MP3 and WMA compatibility, as well as the ability to play/stream music via Bluetooth®.

In addition to maintaining the preselected speed, optional **cruise control** enables you to increase or reduce speed without using the pedals. This function is controlled by the button on the side of the left indicator stalk.

Sunroof shown is optional.

SAFETY

Your driving **safety** is determined by a variety of factors. As a car manufacturer, we are able to positively influence some of them and therefore provide occupants with a high level of safety. In addition to the essential prerequisites of safety such as the exceptionally **strong body** and **excellent driving characteristics** of the vehicle, the Fabia offers **six airbags** as standard across all models: **driver and front passenger airbags, front side airbags and curtain airbags.**

Tilting
halogen projector
headlights
are
standard for Fabia
Ambition for increased
safety while cornering.

Your Fabia Ambition can be
equipped with an optional **alarm**
with interior monitoring, a horn
with back-up power and an
inclination sensor.

Overseas Model Shown.

The rear seat passengers' safety is enhanced by three **height-adjustable headrests**.

Optional rear **parking sensors**, will assist you to manoeuvre your car into a tight spot.

ŠKODA Fabia Ambition

The 1.2L, 4-cylinder turbocharged 77TSI petrol engine offers the very latest in shared Volkswagen Group technology; remaining fuel efficient at 5.3L/100km* (7Sp DSG).

*Figures according to the **ADR 81/02 (l/100km)**.

The **7-speed DSG** (Direct Shift Gearbox), designed exclusively for the 77TSI (Fabia Ambition, Fabia Ambition Wagon, Monte Carlo) guarantees a dynamic drive with economic fuel consumption.

The **TPM** (Tyre Pressure Monitoring System) and **ESC** (Electronic Stability Control), which includes ASR (Anti-Slip Regulation; deactivation button shown on the photo) are standard on the entire Fabia Range.

Fabia **Ambition** comes standard with black fabric upholstery, 3-spoke black leather steering wheel and Swing Radio with Bluetooth® Streaming.

ŠKODA Fabia Monte Carlo

Overseas model shown.

The ŠKODA Fabia Monte Carlo utilises the colour black on selected exterior details (including the roof, grille and headlights) to showcase the simple yet distinctive design.

The **front door sill strips**, with Monte Carlo inscription, have both decorative and protective functions.

Overseas model shown.

The **roof spoiler** is always in black, regardless of which body paint you select. Other specific features of the Fabia Monte Carlo include **black plastic guards**, lining the lower part of the vehicle, and sports chassis.

To further enhance the overall impression as well as the passenger's comfort, the car is equipped with **tinted windows** and **privacy glass** (windows with a higher density of tint in the rear).

The distinct style of the car is underlined by **alloy wheels in a black design**: the 6.5J x 16".

ŠKODA Fabia Monte Carlo

Overseas Model Shown.

The **3-spoke steering wheel** in black perforated leather is decorated with black stitching.

The knob and sleeve of the **gear stick** and **handbrake handle** comes in black leather with black stitching as standard.

The stylish interior is complemented by the **alloy sports pedals**.

Two colour designs are on offer for the Monte Carlo interior. If you decide for the **red interior**, the upholstery of the front sports seats will be in red in combination with black backrest sides. The **black interior**, which comes as standard, features front sports seats in grey/black combination. The ceiling, columns, floor lining and door panelling are always in black for both interior versions.

ŠKODA Fabia RS

The honeycomb pattern used on the cover of the integrated inlet for the air intake adds a distinct design element. The same as applied to the grid, in which the **LED daytime running lights** are embedded.

The **LED daytime running lights** is exclusive to the RS, enhancing the sporty design.

The alloy RS inscribed **door sill strips** enhance your feeling of comfort and protect sills against possible damage.

The 7.0J x 17" **Gigaro** alloy wheels with 205/40 R17 tyres were especially developed for the RS model. You may choose from 4 different colour versions: silver, anthracite, white and black.

The **chrome dual exhaust tailpipe** and the diffuser accentuate the car's sporty rear.

The 17" Gigaro alloy wheels, chrome dual exhaust, LED daytime running lights, and rear spoiler ensure the Fabia RS hatchback and wagon have the looks to match its incredible performance.

ŠKODA Fabia RS

Paddle shifters are standard on the **3-spoke sports leather steering wheel** to sharpen the driving experience. The steering wheel also features audio controls that controls the Bluetooth® phone and audio streaming.

The **132kW super and turbo charged engine**, combined with the 7-speed Automatic DSG offers remarkable performance, while remaining frugal at 6.2L/100km.

*figures according to the ADR 81/02 (l/100km).

The **High-line instrument panel** incorporates the multifunctional display, which, among other details, displays the current automatic DSG speed gear.

Climatronic (Climate Control) air-conditioning is standard on the RS.

The standard equipment of the Fabia RS and Fabia RS Wagon is the sports **Tempo** interior. The seats are embroidered with an RS emblem. You may choose between grey or red seat upholstery.

ŠKODA Genuine Accessories add style to your car while enhancing its utility. In our range, which is essentially an extended range of the extra equipment, you will find various products including spoilers, alloy wheels, radios and navigation systems, roof racks and much more. We also offer front and rear mud flaps, a plastic boot dish, as well as a detachable tow bar. To get a full overview of our range of products, ask any authorised ŠKODA dealer for our special accessories catalogue.

The **decorative door sill covers** enhance the attractiveness of the car and at the same time protect the sills against mechanical damage.

Mud flaps

Detachable tow bar

The **roof transportation systems** will be appreciated when carrying various sports equipment. A genuine ŠKODA box with 380-litre capacity, which successfully passed the City Crash test, is also available.

General information

OWNING A ŠKODA

ŠKODA New Vehicle Warranty

Every new ŠKODA passenger vehicle is covered by a three-year unlimited kilometre manufacturer's warranty, which includes ŠKODA Assist (24-hour roadside assistance). Every new ŠKODA vehicle is also covered by a three-year paintwork and 12-year anti-corrosion perforation warranty.

ŠKODA Extended Warranty

To give you added peace of mind, you can now purchase an Extended Factory Warranty with your new Fabia. This warranty gives you an additional two years/unlimited kilometres of coverage, including roadside assistance. For further information regarding this Extended Warranty, including pricing and terms and conditions, please consult your local ŠKODA dealer or visit www.skoda.com.au

ŠKODA Extended Factory Warranty

ŠKODA Assist – 24-Hour Roadside Assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original ŠKODA warranty period. You will receive help in the event of a breakdown or accident and, if required, your vehicle will be mobilised or transported to an Authorised ŠKODA Workshop. As a ŠKODA owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100km away from home.

ŠKODA Genuine Parts®

ŠKODA Genuine Parts® are designed for your vehicle and approved by ŠKODA, with particular regard to safety. The workmanship, dimensional accuracy and materials used in these parts comply with factory specifications. To ensure safety and reliability, ŠKODA recommends the use of ŠKODA Genuine Parts®. ŠKODA Authorised Dealers offer a two-year unlimited kilometre warranty on Genuine Parts from the date of purchase.

ŠKODA Finance*

Buying, borrowing or leasing, ŠKODA Finance will certainly make you think differently about financing and insuring your new ŠKODA. Committed to meeting the needs of ŠKODA drivers across Australia, we offer a range of leasing, financing and insurance products, each with distinct advantages depending on your specific circumstances. Our packages are personalised to suit your individual requirements. You design your plan so that it meets your budgeting needs and rest assured that there will be no surprises along the way. Speak to your local participating Authorised ŠKODA Dealer today to put together a financial solution that best suits your lifestyle.

Capped Price Servicing

The Fabia range comes with peace of mind included, with Capped Price Servicing# now available at participating ŠKODA dealers. Authorised ŠKODA Service Centres have factory trained technicians equipped with the very latest diagnostic equipment, specialist tooling and ŠKODA Genuine Parts. They also undertake work in accordance to factory specified guidelines and maintenance schedules, so you can be confident that your Fabia will be well taken care of.

Capped price servicing is available at participating ŠKODA dealers on New Fabia MY14 (and subsequent year models) first sold by an authorised ŠKODA dealer on or after 8th February 2014. Capped price servicing applies to the first 6 standard scheduled services of your vehicle which are scheduled to occur at every 15,000km/12 month interval (whichever occurs first). For details on pricing, items not included in the capped price and for full terms and conditions please see skoda.com.au. ŠKODA Australia reserves the right to at any time modify or discontinue the Capped Price Servicing program.

Capped Price Service

One of the most important goals of ŠKODA AUTO is the development and manufacture of products that are as environmentally friendly as possible throughout their life cycle phases, placing principal emphasis on the selection of recyclable materials. Our ŠKODA cars are produced using progressive types of technology in modern production facilities that meet the strictest criteria. Anticorrosive protection of the cars' painted parts is based exclusively on lead-free cathaphoresis (KTL) and water-soluble paints.

Our company strategy includes limiting fuel consumption and emissions. As a result, the engines we offer meet the current emission regulations. All ŠKODA products are made using manufacturing processes that adhere to the laws and regulations concerning the protection of soil and water. As a result of these activities, ŠKODA cars meet technical, safety, quality and environmental requirements. ŠKODA AUTO contributes to the preservation of a clean environment and provides mobility and comfort to its customers.

The environmental logo expresses ŠKODA's awareness of responsibility for, and attempts at, the sustainable development of the company and a friendly approach to life and nature. For more information please visit www.skoda.com.au
