Superb 4x4 Outdoor Special Edition

The **Superb 4X4 Outdoor Special Edition** handles roads better than ever before. This special addition to the Superb range is distinctively tougher and agile in design allowing you to drive with added confidence behind the wheel.

Equipped with a protective body the 4x4 Outdoor includes practical enhancements such as covers on both the front and rear wheel arches and bumpers, door sill covers, a protective strip on the loading edge and protective side moulding strips. This robust design combined with a well-defined look allows the 4x4 Outdoor to deliver an exceptional high performance driving experience and continue to deliver the comfort and convenience found in the Superb range without losing its urban functionality. Offered in either Candy White or Moon White Metallic*.

Available for the first time in Australia the 4x4 Outdoor is equipped with the powerful 125TDI engine to provide a sporty angle to the luxurious driving experience of the Superb range. The modern day family can feel safer with state of the line Volkswagen Group technology – the rear axle of the 4x4 versions is controlled by the exceptional Haldex clutch control unit which immediately responds to changes in driving conditions and prevents the front wheels from slipping to create a smoother drive. With better handling and optimal traction, feel in control with the responsive capabilities found in the 4x4 Outdoor and combat a range of driving conditions from wet roads to gravel and rough surfaces.

*The print process does not allow for exact reproduction of the exterior or upholstery colours. Please contact your SKODA dealer for further information on colours, price and availability

The two tone black/silver **protective front and rear bumpers** give the 4x4 Outdoor a dynamic shape to match its sportier appeal.

The unique **18" Trinity Anthracite wheels** complement the rugged and sporty design of the 4x4 Outdoor.

Complementing the bold design of the car, the **front and rear wheel arch covers** further protect the car from damage.

Adding to the driving performance and aesthetics of the car is the rear **spoiler with diffuser**.

Enhancing its outdoor use a **protective silver strip on the loading edge** of the boot prevents damage when loading or unloading objects.

Durable **protective door sill covers** are easy to clean keeping the car easy to maintain from outdoor adventures. The **side moulding strips** accent the sportier image of the 4x4 Outdoor and increase protection against unwanted bumps and scratches.

The generous array of simply clever technologies featured in the premium Superb Elegance model are also found on the 4x4 Outdoor. These include: 6.5" touch-screen Columbus Satellite Navigation with 10-speaker premium sound system, front and rear heated seats and electrically adjustable front seats (driver's seat with memory function), electrically-adjustable and heated exterior mirrors with foldable functionality, automatically dimming side and rear view mirrors, Automatic Parking Assist* and automatic boot opening.

To match the rugged character of the 4x4 Outdoor the spacious interior reveals a refined space with metallic inserts and exclusive black Alcantara appointed upholstery.

In addition to these features the 4x4 Outdoor is further equipped with the following enhancements: Advanced Keyless Entry including Smart Start (KESY), Fatigue Detection* and adjustable sun shade for the rear side windows which come as standard.

Model	4x4 Outdoor 125TDI DSG*	
Engine type	diesel engine with variable vane turbocharger, in-line, liquid cooling system, high-pressure direct injection system, DOHC, transverse in front	
Cylinders/Displacement (cm ³)	4/1968	
Max. engine performance/revs (kW at rpm)	125/4200	
Max. torque/revs (Nm at rpm)	350/1750–2500	
Fuel quality	diesel	
Air pollution regulation	EU5	
Performance		
Maximum speed (km/h)	218	
Acceleration 0–100 km/h (s)	8.8	
Consumption (l/100km) (ADR 81/02)		
– combined	5.9	
– urban	7.1	
– extra-urban	5.3	
CO ₂ emissions (g/km)	154	
Transmission		
Driven wheels	4x4	
Clutch	Haldex clutch: two coaxial wet multiple-disc clutch, electro-hydraulically operated	
Transmission	DSG 6-speed	
Weight		
Tare Mass (kg)	1605	
Max. roof load (kg)		
Max. trailer load w/o brakes	700	
Max. trailer load with brakes (kg)	1500	
Max. downball weight (kg)	75	
Body		
Drag coefficient C _w	0.29	

Model	4x4 Outdoor 125TDI DSG*	
Chassis		
Front axle	MacPherson suspension with lower triangular links and torsion stabiliser	
Rear axle	Independent, four-link with coil springs, anti-roll bar	
Braking system	hydraulic dual-diagonal circuit braking system vacuum assisted with Dual Rate system	
– front brakes	disc brakes with inner cooling, with single/piston floating caliper	
– rear brakes	disc brakes	
Steering	direct rack-and-pinion steering with electro mechanic power steering	
Wheels	7.5Jx18"	
Tyres	225/40 R18	
Tank capacity (l)	60	
Outside dimensions		
Length (mm)	4863	
Width (mm)	1817	
Wheelbase (mm)	2761	
Track front/rear (mm)	1543/1516	
Inside dimensions
