

LIBERTY 2015

SUBARU
ALL 4 THE DRIVER™

THE BEST AND NOTHING LESS IS WHAT YOU'VE COME TO EXPECT FROM SUBARU.

SYMMETRICAL ALL-WHEEL DRIVE

Subaru's renowned Symmetrical All-Wheel Drive (SAWD) and symmetrical drivetrain underpins the vehicle's superb balance and handling. By driving power simultaneously to all four wheels all of the time, SAWD delivers optimum grip, greater control and superior driving confidence.

BOXER ENGINE

At the heart of every Subaru lies the finely-tuned, high performance and legendary Boxer engine. The configuration and positioning of the horizontally-opposed Boxer engine results in a lower centre of gravity which delivers improved stability, cornering and traction with the road. This unique combination also creates a smoother power delivery, with less noise and vibration to the cabin and a superior safety performance.

my OWNERS PROGRAM

It's reassuring to know that every Subaru is backed by a 3-Year/Unlimited Kilometre Warranty, plus lifetime Capped Price Servicing¹, guaranteeing quality and affordable on-going maintenance. However, should anything go amiss, you can relax with 12 months of complimentary Subaru Roadside Assistance².

Your Subaru ownership experience is protected even further by the advanced DataDot Theft Deterrent System – DATADOT³.

SAFETY

Subaru's advanced safety technologies are built around three pillars, protective, preventative and predictive safety. Starting with a chassis and body frame reinforced to increase frontal, side and rear crash safety, Subaru's maximum five-star ANCAP crashworthiness rating is achieved through the inclusion of seven airbags, a reinforced passenger safety cell, energy absorbing crumple zones and pre-tensioner front seat belts. Subaru's SAWD coupled with enhanced driving technologies such as Vehicle Dynamics Control, torque vectoring, Anti-lock Braking System, Electronic Brakeforce Distribution and Electronic Stability Control helps prevent loss of control, while the predictive EyeSight[®] driver assist system helps to monitor the road ahead.

1. Available at participating Subaru Retailers only. Prices are subject to change. See subaru.com.au for latest capped price information applying to your vehicle.
2. 12 Month Roadside Assistance Program is standard upon activation with relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 Month Roadside Assistance Program at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru on or after 1st June 2013 and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. 3. Vehicles must be comprehensively insured. Terms and conditions apply.

ALL OF THIS ADDS UP TO A GREATER EXPERIENCE FOR YOU – THE LIBERTY DRIVER.

SUBARU. ALL 4 THE DRIVER™

Model shown: Liberty 2.5i Premium

PURE FREEDOM

Integral to every Subaru is freedom. The freedom that comes from knowing the finest engineers in the world have designed, debated and then perfected every inch of your Subaru. The result is a reassuring confidence that is evident in the performance, safety and retained value of every Subaru.

The sixth generation, all-new 2015 Liberty sedan shares the unique DNA sequence that only Subaru can re-create. It's what makes every Subaru unique, and yet, the same. Superbly engineered, technically sophisticated and dynamically designed to deliver a performance that is All 4 the Driver™. Available in 2.5-litre four cylinder or 3.6-litre six cylinder petrol engines.

GET UP CLOSE AND PERSONAL WITH THE SUBARU LIBERTY AT [SUBARU.COM.AU](https://www.subaru.com.au)

AVOID CONVENTION

THE NEW 2015 LIBERTY IS A VEHICLE THAT HAS BEEN DISTILLED DOWN TO ITS PUREST ESSENCE OVER SIX GENERATIONS. SLEEK. SOPHISTICATED. SPACIOUS.

Liberty is a term often used, yet rarely understood. Ask Subaru's engineers the meaning of Liberty and be prepared for a long and passionate answer. Alternatively, get behind the wheel and experience it for yourself.

The allure of the Liberty lies in its ability to transcend conventional thinking. Anchored by the pure power of Subaru's horizontally-opposed Boxer engine, the Liberty celebrates success and unveils cutting edge innovation including our EyeSight® driver assist system on all variants. Executed with flair and distinctive new styling, the Liberty has evolved over successive models to become a sedan without rival. Lively, responsive and boasting an array of Subaru technologies that others will envy.

Model shown: Liberty 2.5i Premium

CONSCIOUS EVOLUTION

THE SIXTH GENERATION OF THE
SUBARU LIBERTY IS THE RESULT OF A
CAREFULLY BLENDED HERITAGE.

Model shown: Liberty 2.5i

Engineers have pored over every inch to deconstruct and reconstruct the soul of this motoring icon. Gaining a fresh momentum, the Liberty's surefooted design boasts a bold, sculptured body, dynamic side character lines and sweeping curves. Distinctive styling extends to a larger electric sunroof¹, Subaru's classic hexagonal grille with chrome surround and hawk-eye headlights that integrate with the sleek bonnet lines.

The stronger and more powerful design also boasts new advanced aerodynamic credentials. The sleek Liberty silhouette is enhanced by a lower rear roof line, enlarged boot lip, smoother front and rear bumpers and 18-inch alloy wheels which unite to deliver an overall improved aerodynamic performance.

DASHING DEBUT

THE INSPIRED LIBERTY CABIN HAS BEEN LUXURIOUSLY EXECUTED AND EXPANDED TO GENEROUSLY ACCOMMODATE FIVE ADULTS IN SUBLIME COMFORT.

Upfront the contemporary cabin features greater visibility and a clever use of space, coupled with premium soft-touch interior trim and a sporty height adjustable driver's seat. An improved front and rear seat shape and a larger headrest design have both been created for improved ergonomics, comfort and safety. Increased interior space delivers more shoulder, elbow, waist, head and rear legroom, plus higher rear seats provide better visibility.

The quiet cabin atmosphere is maintained by automatic dual zone climate control air-conditioning, which delivers optimum performance via a single switch. The polished dashboard design, silver highlights, stylish seat stitching and front and rear cup holders complete the sophisticated aesthetic.

Push a button and Liberty's split fold rear seats unlock and fold down to allow full use of the larger overall cargo space. The wide rear cabin combines with the generous boot capacity, which has been boosted by 17-litres.

Step up to the Liberty 2.5i Premium or Liberty 3.6R model and enjoy leather seats¹, a large electric sunroof and an eight-way electrically adjustable driver's seat with lumbar support.

1. Some parts of the seating are not full natural leather.

GENERATIONS AHEAD

AN IMPRESSIVE LINE-UP OF INTERACTIVE TECHNOLOGY ENABLES THE REAL TIME TRANSFER OF INFORMATION BETWEEN THE CAR, THE DRIVER AND THE ROAD.

The Liberty 2.5i has a large centre display with a touch LCD screen featuring audio, smart phone, driving and vehicle information using easy-to-understand graphics. Access to *Bluetooth*^{®1} is standard including a premium audio system with a range of simple touch and voice commands. In addition to this the Liberty 2.5i Premium model offers a new level of on-board infotainment with the LCD touch screen displaying satellite navigation and Pandora[®] compatibility, while the Liberty 3.6R comes alive with a harman kardon[®] 12-speaker sound system including subwoofer and custom acoustics.

A coloured Multi Information Display screen is strategically placed in the centre of the dual gauge instrument cluster displaying a range of colour-coded functions. The leather wrapped, three-spoke steering wheel evokes a sense of true control and lets the driver directly interact with the vehicle's satellite navigation², audio, *Bluetooth*^{®1}, SI-DRIVE and adaptive cruise control.

1. *Bluetooth*[®] is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to *Bluetooth*[®] wireless technology specification of individual phone.

2. Available on Liberty 2.5i Premium and Liberty 3.6R.

FIND OUT ABOUT THE TECHNOLOGY THAT LIES WITHIN THE LIBERTY AT SUBARU.COM.AU

THE 2015 LIBERTY COUPLES PURE POWER,
WITH PURE PRECISION TO DELIVER CUTTING
EDGE PERFORMANCE AND DRIVABILITY.

AN INTOXICATING FORMULA

The heart and soul of the Liberty is Subaru's unsurpassed horizontally-opposed Boxer engine which is designed to sit lower and flatter in the engine bay than traditional engines. Due to this unique configuration the engine delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road. Coupled with the Boxer engine is Subaru's iconic Symmetrical All-Wheel Drive which simultaneously drives power to all four wheels for superior grip and traction. Also due to its low height, the engine is driven downwards and under the floor of the cabin in the event of a severe frontal collision to reduce the risk of injury to occupants. Liberty offers a choice of lively and responsive petrol engines.

→ Liberty's 2.5-litre four cylinder, horizontally-opposed naturally aspirated Boxer engine which has been calibrated to deliver 129kW at 5800rpm and increased mid to low range torque of 235Nm at 4000rpm.

→ The 3.6-litre six cylinder engine has been mated to Subaru's Lineartronic™ Continuously Variable Transmission (CVT) for the first time, with an impressive 191kW at 6000rpm and 350Nm torque at 4400rpm. The CVT has been optimised to couple seamlessly with the 3.6-litre engine for responsive acceleration and improved drivability.

Meanwhile the Automatic Stop-Start on vehicles fitted with the 2.5-litre engine coupled with the Lineartronic™ CVT and a lighter body weight deliver impressive new environmental credentials. As a result Liberty can boast exceptional fuel economy, achieving 7.3-litre/100km for the 2.5-litre engine and 9.9-litre/100km for the 3.6-litre engine¹.

Liberty's nimble performance is further enhanced by Subaru Intelligent Drive (SI-DRIVE) on all model variants, which offers a selection of driving modes. Choose from Intelligent (I) mode for everyday driving or Sport (S) mode for enhanced acceleration and all-round sporty performance. The Liberty 3.6R sees the addition of Sport Sharp (S#) mode for a truly thrilling drive.

1. Results based on testing conducted in accordance with ADR81/02.

ALL WHEELS, **ALL OF THE TIME**

SUPERIOR VEHICLE CONTROL FROM THE GROUND UP.

Model shown: Liberty 2.5i

THE DYNAMIC FULLY INDEPENDENT DOUBLE WISHBONE REAR SUSPENSION, LETS YOU ENJOY SHARPER HANDLING, INSTINCTIVE RESPONSIVENESS, BETTER BALANCE AND A BETTER FEEL ON THE ROAD.

The sign of a true performer is good balance. And when it comes to driving a Subaru, superior balance equals superior vehicle control. That's why Subaru has built its reputation on its Symmetrical All-Wheel Drive (SAWD) system and a symmetrical drivetrain that delivers an innate sense of balance from the ground up.

SAWD delivers engine power to all four wheels simultaneously. Having power distributed across all four wheels, rather than two on conventional vehicles, gives you twice the grip capacity. So under acceleration there's more grip for cornering and more capacity to keep on track through the corners. Ultimately, having the driving force spread across all four wheels means greater control and confidence.

Driver enjoyment is delivered with Subaru Intelligent Drive (SI-DRIVE) which regulates key engine functions to suit your driving style. Working in unison with the Boxer engine, the SI-DRIVE manages and fine-tunes the engine's power characteristics to offer optimum drivability and a smooth, responsive power delivery across the engine's operating range.

FIND OUT ABOUT THE TECHNOLOGY THAT LIES WITHIN THE LIBERTY AT SUBARU.COM.AU

DYNAMIC SAFETY

THE 2015 LIBERTY INCORPORATES ADVANCED SAFETY TECHNOLOGIES BUILT AROUND THE THREE PILLARS OF PROTECTIVE, PREVENTATIVE AND PREDICTIVE SAFETY.

Safety starts with an improved chassis and a body frame reinforced to increase frontal, side and rear crash safety. The shock absorbing bonnet design and designated crumple zones direct impact energy away from the reinforced passenger safety cell, while seven airbags - including dual front, side, curtain and driver's knee airbags help protect occupants. Front seats have Emergency Locking Retractors (ELR) and pre-tensioners, and rear seats have Automatic Emergency Locking Retractors (A/ELR). The result is a maximum five-star ANCAP¹ crashworthiness rating.

Safety designed to help prevent loss of control is delivered via improved Vehicle Dynamics Control (VDC) which constantly monitors vehicle movement, engaging a range of technologies when required. With precision timing the VDC controls the Antilock Braking System (ABS), Traction Control System (TCS), Electronic Stability Control (ESC), TCS Limited Slip Device, Brake Override System (BOS), Electronic Brakeforce Distribution (EBD) and Hydraulic Brake Assist (HBA).

Intelligent sensors activate Liberty's active torque vectoring, to automatically control braking and torque for improved cornering and more precise steering response. While a new, ultra wide-angle reversing camera provides an improved rear field of vision.

EyeSight[®] driver assist system monitors the road ahead using three-dimensional images captured by cameras mounted at the top of the windscreen. EyeSight[®] provides audible and visual warnings to prompt the driver to take action in potentially dangerous situations and will also apply automatic braking intervention, when necessary, to help avoid or reduce the severity of a detected frontal collision.

1. ANCAP – Australasian New Car Assessment Program.

INBUILT INTUITION

EYESIGHT® DRIVER ASSIST SYSTEM

AVAILABLE ACROSS THE ENTIRE LIBERTY RANGE

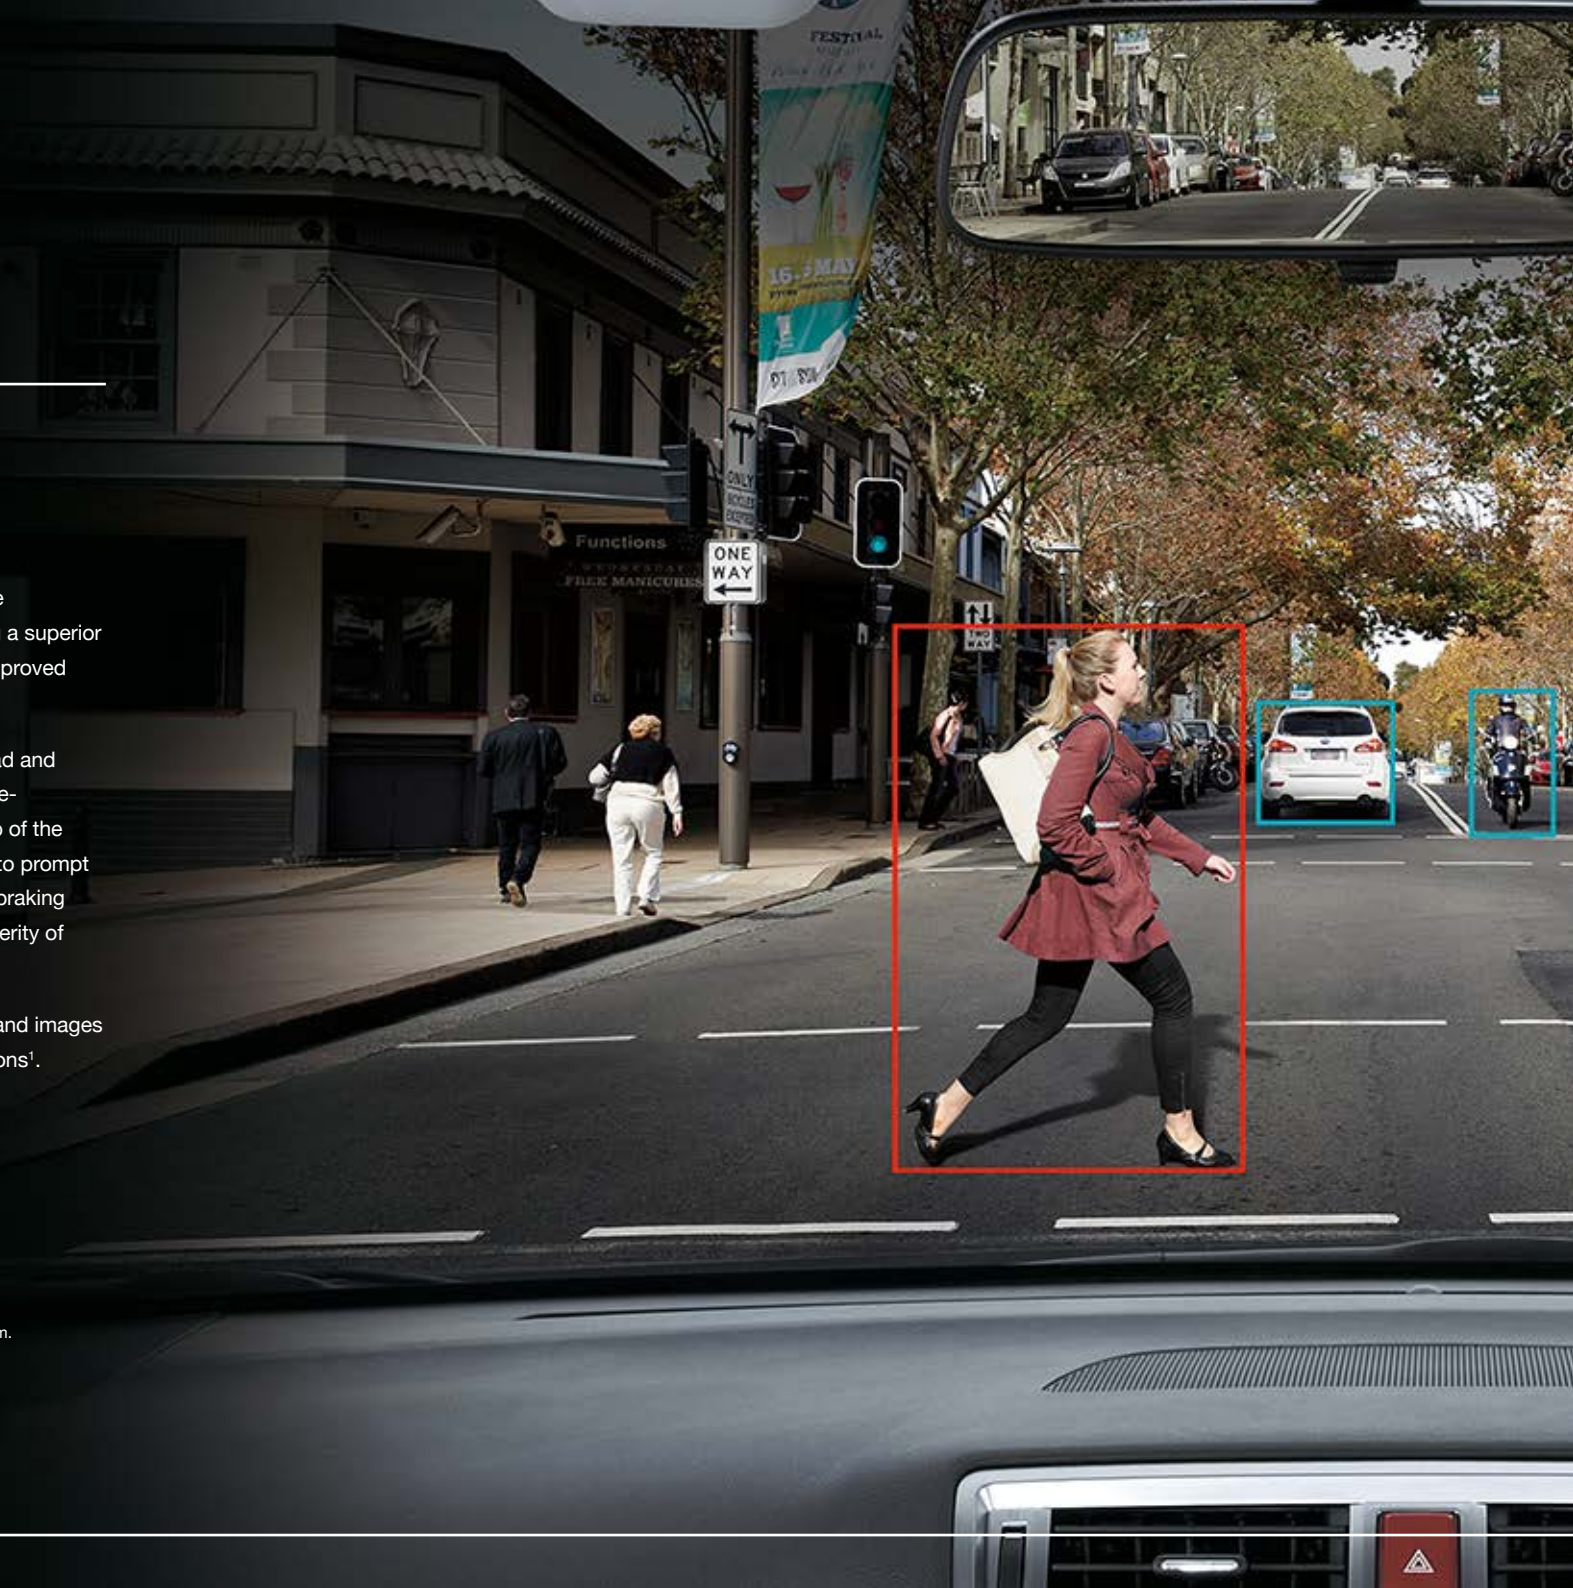

They say that to be forewarned, is to be forearmed. That's the philosophy behind the EyeSight® driver assist system offering a superior level of reassurance, with both field-of-vision and distance improved around 40 per cent¹.

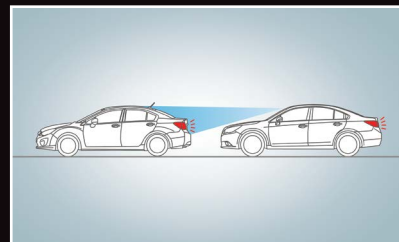

EyeSight® is a second pair of eyes that monitor the road ahead and recognise potentially dangerous driving situations. Using three-dimensional images captured by cameras mounted at the top of the windscreen, EyeSight® provides audible and visual warnings to prompt the driver to take action. EyeSight® will also apply automatic braking intervention, when necessary, to help avoid or reduce the severity of a detected frontal collision.

New features include enhanced stereo camera performance and images at all speeds and better performance in poor weather conditions¹.

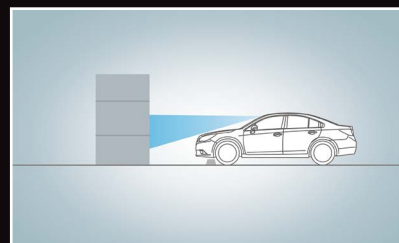

1. Improvements based on comparison with previous generation EyeSight® system.

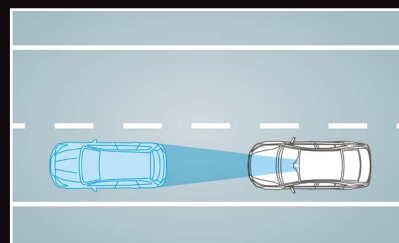

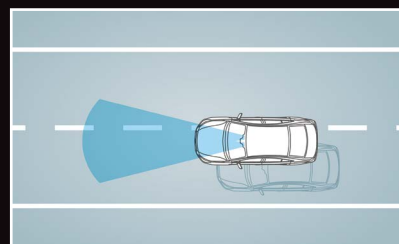

Pre-Collision Braking provides automatic braking to help avoid or reduce the severity of detected frontal accident impacts. Should the driver be distracted, or just not register the risk of a collision, braking will be automatically applied when a potential frontal collision is recognised by EyeSight®.

Pre-Collision Brake Assist recognises a potential frontal impact, alerts the driver and assists the driver by applying full braking force in a detected emergency-braking situation.

Pre-Collision Throttle Management reduces available acceleration when the system detects objects in front of the vehicle, which it is likely to impact. Engine output is restricted to reduce the possible impact force and frontal impact damage, and to help minimise injury should the driver mistakenly accelerate.

Adaptive Cruise Control maintains the speed set by the driver, but also regulates the vehicle's speed in order to maintain a set distance from the car in front. The driver can select from different distances and the EyeSight® system will automatically regulate the vehicle's speed in line with the traffic flow.

Lane Sway and Departure Warning monitors the vehicle's position within the road lane markings and sounds a warning when it recognises the potential for the vehicle to unintentionally move out of its lane, or when swaying within the lane is recognised.

Colour Recognition EyeSight® can now see and interpret red brake lights to monitor a vehicle ahead and trigger a driver alert if required.

WELCOME TO THE FAMILY

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits:

Subaru New Car Warranty - 3 Year/Unlimited Kilometres

Every new Subaru is covered by a three year unlimited kilometre manufacturer's national warranty. Or protect your investment further, by purchasing an additional Subaru Assured New Vehicle Warranty of up to three years. Visit subaru.com.au/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our lifetime Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for every scheduled service¹. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

Service Plans

With a Subaru Service Plan you will have control over your scheduled service costs by paying upfront, at the time of your vehicle purchase. This locks in the price for your first 6 scheduled services with no Consumer Price Index increase and no increase in parts or labour charges during the life of the plan. The Plan also includes complimentary 3 years Roadside Assistance.

DataDotrds®

Every Subaru is fitted with advanced engine immobilisers and the DataDot Theft Deterrent System – DATADOT_{TDS}[®]. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves. DATADOT_{TDS}[®] is a theft deterrent not a theft prevention mechanism.

1-Month Health Check & Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure ongoing, worry-free experience.

My Subaru - Online Owner's Destination

The My Subaru Owner's Portal is an online destination for owners which provides access to exclusive benefits, tailored content, your vehicle's ownership history and much more. Login to My Subaru, the online destination for Subaru owners that will help you get more out of your vehicle, and more out of your life.

my.subaru.com.au

Subaru Roadside Assistance

Enjoy 12 months of Australia-wide, standard Roadside Assistance³ provided in partnership with your local state Motoring Club - plus complimentary extras such as member magazines and Show Your Card and Save⁴ discounts.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess (up to a maximum of \$800 including GST) should your new Subaru be stolen and not recovered within 45 days despite the presence of DATADOT_{TDS}^{®2} and warning labels².

Subaru Preferred Collision Repairer Network

A dedicated Subaru Preferred Collision Repairer helpline is available on 1800 737 179, 24-hours a day, seven days a week.

Genuine Subaru Accessories & Merchandise

You will enjoy special discounts and offers for Genuine Subaru Accessories when purchased via the Subaru Retail Network. You will also receive special discounts and offers when purchasing Genuine Subaru Merchandise from our Online Shop shop.subaru.com.au

Model shown: Liberty 3.6R

LIVE LIFE WITHOUT LIMITS

LET SUBARU ENHANCE THE WAY YOU LIVE - FROM GENUINE ACCESSORIES DESIGNED TO HELP YOU ENJOY ACTIVE PURSUITS, TO COMMUNITY-BASED PARTNERSHIPS THAT WILL INSPIRE YOU TO LIVE WITHOUT LIMITS.

Genuine Accessories

Subaru Genuine Accessories are designed to enhance your vehicle, are factory approved by Subaru and are protected by our manufacturer's warranty. For full warranty, pricing and applicability information visit us at subaru.com.au

Subaru Finance

Subaru Finance provides a range of personalised and affordable financial solutions to approved customers. Our finance specialists will help you find a finance package tailored to your individual needs - quickly and conveniently.

Subaru Insurance

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Our range of Subaru Insurance options provides a variety of choices, including: Subaru Comprehensive Motor Vehicle Insurance, Subaru Motor Equity Insurance and Subaru Loan Protection Insurance.

Subaru Assured Used Vehicles

Every Subaru Assured Used Vehicle has passed a 116-point quality inspection and comes with a one year unlimited kilometre Subaru Assured Warranty - to complement the balance of a new vehicle warranty or the statutory warranty that remains - from participating Subaru Assured Retailers.

Subaru Active Communities

At Subaru we believe in living life to the fullest - from cycling and triathlons, to holidays and the arts. Through Subaru Active we promote the importance of a balanced lifestyle through a number of sponsorships and associations.

Cycling Australia Partnership

Subaru's strong focus on improving safety, whether on two wheels or four, is reflected in our relationship with Cycling Australia. This partnership is aimed at building greater involvement in sport through state and national events including the Santos Tour Down Under, Subaru National Road Series, BMX Australia and more. While Subaru's association with the Amy Gillett Foundation, is integral to promoting the key message of sharing our roads for the safety of every road user.

Perisher Partnership

Subaru and Perisher share a long history, so it's not uncommon to find car parks full of Subarus at the resort. As the official vehicle sponsor of Perisher, Subaru's sure-footed SAWD system comes into its own, while we also use our profile to encourage safe driving, especially in the snow.

Capped Price Servicing Program ⁶	•	•	•
12 Month Roadside Assistance Program ⁷	•	•	•

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. Colour MID includes Eco gauge, driving time, gear select indicator, cruise control set speed, odometer, SI-Drive and EyeSight® displays. 3. Bluetooth® is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to the Bluetooth® wireless technology specification of individual's phone. 4. Some parts of the seating are not full natural leather. 5. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 6. Available at participating Subaru retailers only. Prices are subject to change. See subaru.com.au for latest capped price information applying to your vehicle. 7. 12 Month Roadside Assistance Program is standard upon activation with relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 Month Roadside Assistance program at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru on or after 1st June 2013 and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded.

ACCESSORIES¹

Freedom is in Subaru's DNA. But your DNA is unique. That's why we give you the freedom to exploit your individuality with Subaru Genuine Accessories. Factory approved by Subaru – for your Subaru – they can enhance your vehicle to meet your lifestyle. From the practical, to the purely aesthetic, the possibilities are endless. And naturally when you purchase Subaru Genuine Accessories, you are protected by our manufacturer's warranty.
