SUBARU DNA

ALL 4 THE PERFORMANCE. THE SAFETY. THE RETAINED VALUE

Our DNA is what makes every Subaru a Subaru. It's our constant focus on Performance, Safety and protecting the Retained Value of your Subaru that makes Subaru distinct from any other car brand. Our DNA delivers you, the Driver, the confidence to exploit your Freedom everyday.

POISED PERFORMANCE

Subaru has long been highly regarded for its performance technologies. From the rally circuit to the highway, Subaru's engineering and driving characteristics are focused on delivering a driving experience unlike any other, handling road and weather conditions with ease, control and comfort.

→ SYMMETRICAL ALL-WHEEL DRIVE

Delivers outstanding grip, balance and control in a variety of road conditions when combined with Subaru's horizontally-opposed Boxer engine technology and a symmetrical drivetrain.

→ HORIZONTALLY-OPPOSED BOXER ENGINE

Ensures smooth power delivery, with less vibration and its low centre of gravity gives optimum balance and control to you, the Driver.

SUPERIOR SAFETY

Impressive safety credentials have earned Subaru the maximum five-star ANCAP occupant safety rating, plus freedom from worry for you, thanks to Subaru's -

→ VEHICLE DYNAMICS CONTROL SYSTEM

→ RING-SHAPED PASSENGER SAFETY CELL

→ DUAL FRONT, DUAL FRONT SIDE, CURTAIN AND DRIVER'S KNEE AIRBAGS

→ ABS, EBD AND 4-WHEEL DISC BRAKES

RETAINED VALUE

Freedom comes from knowing that you've made a great investment. Every Subaru comes into the world as the best car it can be, and then we help you to keep it that way. We promise to protect your freedom by looking after the performance, safety and the retained value of your vehicle. With our dedicated Subaru Service Centres and microscopic **DATADOT**™ theft protection, your car is in good hands for many years to come.

**ALL OF THIS ADDS UP TO A GREATER EXPERIENCE FOR YOU –

MAKE 'EM GREEN WITH ENVY

MAKE THE OTHERS ENVIOUS WITH THE SUBARU XV. AN SUV THAT'S FUN - IT DOESN'T JUST UNLOCK LIFE, IT UNLEASHES IT! IT'S ALL THE BEST THINGS WE'VE EVER DONE, IN THE BEST THING WE'VE EVER DONE. IT'S THE REAL THING!

The embodiment of Subaru's 'fun to drive' philosophy, the Subaru XV blends exceptional SUV capability with exhilarating sports handling, innovative design and electrifying lines. Distilling the best technologies, and the rich heritage that Subaru has to offer, it's an exciting fun machine designed for adventure.

The Subaru XV makes a statement with eye-catching 17-inch alloy wheels which are matched by a dynamic body kit featuring a striking front grille, hawk-eye headlights, bold bumper, rear roof spoiler, roof rails, side mouldings, front fog lights and 220mm of ground clearance¹ - all this adds up to serious SUV ability.

The Subaru XV is available in three variants - Subaru XV 2.0i, Subaru XV 2.0i-L and Subaru XV 2.0i-S.

GET LOST IN SPACE

FOR THOSE WHO PURSUE A LIFE LESS ORDINARY, THE SUBARU XV DELIVERS IT. THIS DYNAMIC CROSSOVER VEHICLE PERFECTLY BLENDS LUXURIOUS URBAN LIVING WITH AN ACTIVE AND ADVENTUROUS LIFESTYLE.

You've got the gear - we've got the space! Built on an extended wheel base, the Subaru XV has a spacious wide body cabin that's ergonomically designed for passenger comfort, with generous shoulder and leg room both front and rear. Like the Subaru XV itself, the cabin is far from ordinary with high quality interior features including intuitive controls, elegant dashboard styling and generous storage throughout. Up front there's a centre tray and centre console box for all your knick-knacks and plenty

of cup holders for those essential refreshments.

The adaptable cargo area has been designed for weekend adventures with 60/40 split-folding rear seats that fold completely flat and luggage hooks to tie down all your gear. And the child restraint anchors are located on the rear seat backs, so the tether straps do not intrude into the boot cargo area.

FUNK-TIONAL ON THE INSIDE

THE SUBARU XV BOASTS A FUTURISTIC DESIGN AND IS PACKED WITH HIGH-TECH CONNECTIVITY, A MULTI-FUNCTION DISPLAY UNIT AND INTUITIVE CONTROLS. ALL DELIVERING FUNCTIONALITY THAT FREES YOU UP TO HAVE MORE FUN.

This bold package includes a funky interior with soft touch surfaces, dynamic contours and intuitive controls. The advanced Multi-Function Display (MFD) puts a wealth of information at your fingertips, via steering wheel switches which allow the driver to stay focused on the road ahead.

Positioned at the top centre of the instrument panel the 4.3-inch colour MFD screen displays a range of vehicle

information. The driver can quickly view various screens to access information including fuel economy, eco-evaluation, Auto Stop Start status, active safety, clock/outside temperature, air-conditioning information, self-maintenance check and more.

The Subaru XV's functionality is enhanced by audio and cruise controls on the steering wheel, climate control air-conditioning, *Bluetooth*^{®1} wireless

technology and a rear view reverse camera. The Subaru XV 2.0i-L and Subaru XV 2.0i-S feature a multi-information in-dash satellite navigation system with single CD player, six speakers and a 6.1 inch touch screen.

OPTIMISED PERFORMANCE

THE SUBARU XV BOASTS THE TYPE OF PRECISION PERFORMANCE THAT HAS BEEN OVER 50 YEARS IN THE MAKING. IT IS THE CULMINATION OF EVERYTHING THAT SUBARU HAS LEARNT SINCE BUILDING ITS VERY FIRST VEHICLE. THE SUBARU XV COMBINES ALL THE BEST OF SUBARU'S LEGENDARY TECHNOLOGIES, INCLUDING VEHICLE DYNAMICS CONTROL, HORIZONTALLY-OPPOSED BOXER ENGINE AND SYMMETRICAL ALL-WHEEL DRIVE. THEN THEY ADDED AN IMPRESSIVE 220MM GROUND CLEARANCE¹ TO CREATE A VEHICLE WITH SERIOUS SUV ABILITY.

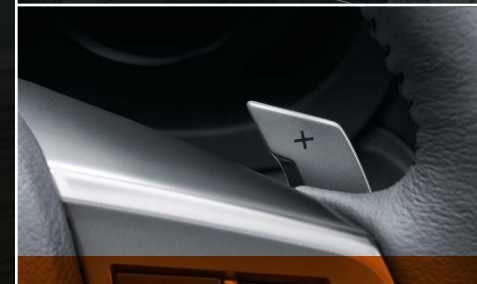

Subaru XV's impressive and lively acceleration is delivered from a combination of Subaru's third generation Boxer engine and the compact and light weight Lineartronic™ CVT (Continuously Variable Transmission). This CVT has been optimised to couple seamlessly with the Boxer engine and chassis to deliver highly responsive acceleration, improved drivability and higher fuel efficiency. The six-speed manual

Subaru XV transmission also delivers excellent fuel efficiency and smooth shift quality.

Together with the high performance Boxer engine, Subaru's fuel-saving Auto Stop Start technology, takes petrol engine efficiency to a new level while meeting EURO5 emission standards. The Auto Stop Start function contributes to efficiency by saving fuel normally consumed

while the engine is idling, while stopped in heavy traffic or at traffic lights. The system works by automatically stopping the engine and then restarting it in a fraction of a second - with no driver intervention needed. The actual fuel savings delivered by this system can then be monitored using the Multi-Function Display that shows cumulative travel time, engine stop time and fuel saved.

THINK OUTSIDE THE BOXER

SOLID. BRAVE. PROVEN. SUBARU'S BOXER ENGINE DESIGN LIES AT THE HEART OF THE SUBARU XV. HOWEVER THE INNOVATION DOESN'T STOP THERE. EVERY INCH OF THE SUBARU XV IS A TRIBUTE TO THE BOLDNESS OF SUBARU'S VISIONARY ENGINEERS.

- Compact 2.0-litre four cylinder DOHC horizontally-opposed Boxer petrol engine with Dual Active Valve Control System (Dual AVCS).
- Electronic Throttle Control (ETC).

Consistent across the Subaru XV range is the famous Subaru Boxer engine that has been designed to sit lower and flatter in the engine bay than traditional engines. Due to this unique design it delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road. Coupled with the Subaru XV's symmetrical drivetrain, this configuration delivers superior handling confidence, better balance, smoothness and ultimately, outstanding driver enjoyment.

The intelligent drive systems incorporated into the Subaru XV include ETC which seamlessly translates commands from the driver's right foot to automatically select the

optimum throttle position for an effortless performance. The ETC system also considers the environment, optimising exhaust gas emissions and fuel economy.

The Subaru XV range has also been finely tuned to deliver optimum fuel economy, power and torque, via Subaru's Dual Active Valve Control System. This engine efficiency is also enhanced by the Auto Stop Start system which stops the engine 0.5 seconds after the car comes to a standstill and rapidly restarts the engine just 0.35 seconds after the brake pedal is released (CVT), or clutch pedal depressed (MT).

ALL WHEELS, ALL OF THE TIME

SCIENTIFICALLY CONCEIVED. RIGOROUSLY TESTED FOR THE LAST 40 YEARS. SUBARU'S ICONIC SYMMETRICAL ALL-WHEEL DRIVE SYSTEM IS THE PINNACLE OF SUPERIOR JAPANESE TECHNOLOGY. TECHNOLOGY THAT SETS YOU FREE.

CONFIDENCE UNDER ALL CONDITIONS

The sign of a true performer, is good balance. And when it comes to driving a Subaru, superior balance equals superior vehicle control. That's why Subaru has built its reputation on its Symmetrical All-Wheel Drive (SAWD) system and a symmetrical drivetrain that deliver an innate sense of balance from the ground up.

SAWD delivers engine power to all four wheels simultaneously. Having power distributed across all four wheels, rather than two on conventional vehicles, gives you twice the grip capacity. So under acceleration there's more grip for cornering and more capacity to keep on track through the corners. Ultimately, having the driving force

spread across all four wheels means greater control and confidence.

The traction and control delivered by SAWD is further enhanced by the Subaru XV's suspension. The wide track front suspension produces more responsive steering and cornering, while the double wishbone rear suspension ensures a smooth, controlled ride with outstanding handling, comfort and quietness.

For you, the driver, it all adds up to an agile and responsive vehicle with optimum balance, control and confidence in a variety of driving conditions.

SAFETY AS ACTIVE AS YOU

THE LIFE YOU'VE LONGED FOR IS ACTIVE, ADVENTUROUS, UNPREDICTABLE. THE BEST TIMES ARE OFTEN THOSE THAT HAPPEN WHEN NOTHING'S PLANNED. THAT'S BECAUSE SUBARU HAS PLANNED EVERYTHING FOR YOU. BUILDING ACTIVE AND PASSIVE SAFETY INTO EVERY ASPECT OF YOUR XV.

CRUNCH TIME

Because you never know what's around the corner, Subaru have made safety an integral part of every vehicle. By incorporating the very latest safety technology, every vehicle in the Subaru range proudly carries the maximum five-star ANCAP* crashworthiness rating for occupant safety. The ring-shaped passenger cell is made from high-tensile strength steel, which directs impact energy around the passenger compartment, not through it.

Thanks to Subaru's electronic driver assist system, called Vehicle Dynamics Control (VDC), a range of stability and braking technologies step in to help maintain safety in extreme situations. By automatically acting on information transmitted from a sophisticated array of sensors, the factors influencing the Subaru XV's stability are constantly monitored to help the driver stay in control.

Subaru Vehicle Dynamics Control incorporates:

- Electronic Stability Control (ESC)
- Traction Control System (TCS)
- TCS Limited Slip Device (LSD)
- Anti-lock Braking System (ABS)
- Electronic Brakeforce Distribution (EBD)
- Brake Assist

Active safety features on the Subaru XV are complemented by an optimum blend of passive safety, designed to enhance driver and passenger protection:

- The Boxer engine sits low in the engine bay to help protect occupants by sliding below the cabin - not into it - in the event of a severe frontal collision.
- Ring-shaped passenger safety cell combines rigid reinforced sections with crumple zones designed to absorb impact energy and reduce injury.
- Seven SRS airbags - dual front, dual front side, curtain and driver's knee airbags.
- Front seatbelts feature pretensioners and load limiters.
- Whiplash reducing front seat design.
- Automatic Emergency Locking Retractors on all rear seatbelts.
- Height adjustable headrests throughout the cabin.
- Rear view reverse camera.

SUBARU NEW CAR WARRANTY - THREE YEARS / UNLIMITED KILOMETRES

Whether you're off the beaten track or cruising the open highway, you can rest assured knowing that your new Subaru is covered by a three year unlimited kilometre manufacturer's national warranty. That's three full years of worry free driving!

For full details and our latest new car warranty information, visit subaru.com.au/service/warranty

But why stop there, when you're sure to have your Subaru for much longer? Protect your investment by purchasing an additional two year Subaru Assured New Vehicle Warranty. Ask your Subaru Retailer for more information.

DATADOT™[®]

Every Subaru is fitted with advanced engine immobilisers and the DataDot Theft Deterrent System - DATADOT™[®]. Approximately 7,000 microscopic dots are laser-etched with your vehicle's unique Vehicle Identification Number (VIN) - making your Subaru a much less attractive target for potential thieves. DATADOT™[®] is a theft deterrent not a theft prevention mechanism. Through publicity, word of mouth and stickers on the vehicle, thieves are discouraged from stealing Subaru vehicles due to the higher chance of successful prosecution when the vehicle or part is found.

SUBARU ASSURED USED VEHICLES

Owning a Subaru that has already traversed highways and byways is like travelling with an old friend. Every Subaru Assured Used Vehicle has passed a 116-point

quality inspection and comes with a one year unlimited kilometre Subaru Assured Warranty - to complement the balance of a new vehicle warranty or the statutory warranty that remains - from participating Subaru Assured Retailers.

SUBARU FINANCE

Relax with Subaru Finance and enjoy your freedom faster with our range of comprehensive and affordable financial solutions to approved customers. Our finance specialists can help you find a competitive finance package quickly and conveniently. So let Subaru Finance do the work for you, it's what we do best.

SUBARU INSURANCE

Freedom is limitless. So why keep your car in the garage. Explore your freedom, but also protect it. There is a range of Subaru Insurance options that offer features and benefits to complement your Subaru, including:

- Subaru Comprehensive Motor Vehicle Insurance
- Subaru Motor Equity Insurance
- Subaru Loan Protection Insurance

SUBARU LIFESTYLE

You wear your freedom like a badge of honour and now you can embrace all things Subaru with our range of quality merchandise. To see the entire Subaru merchandise range, visit shop.subaru.com.au, or ask your local authorised Subaru Retailer.

MY SUBARU OWNER'S PROGRAM

Purchasing a Subaru is more than just gaining a shiny new vehicle. You're joining a club - one that comes with a range of perks and access to a number of benefits which begin the moment you proudly drive your new Subaru out of the showroom.

MY SUBARU OWNER'S PROGRAM INCLUDES:

→ Subaru Capped Price Servicing

With our first ever range-wide Capped Price Servicing Program you'll be in complete control on, off and beyond the road. Subaru Capped Price Servicing applies for every standard scheduled service during the lifetime of

your vehicle. This means you'll now know the maximum amount you will have to pay for the lifetime of your vehicle's scheduled servicing¹. All with the peace of mind that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru parts. Subaru Capped Price Servicing is only available at participating Subaru Retailers.

1. Prices are subject to change. See subaru.com.au for latest capped price information applying to your vehicle.

→ 3-Year Service Plans

With a Subaru Service Plan you will have control over your scheduled service costs by paying upfront. This locks in the price for your first 4 Scheduled Service for a Subaru BRZ 3-Year/60,000Km Service Plan, with no Consumer Price Index increases and no increase in parts and labour charges for the life of the plan.

→ Your 1-Month Health Check & Chat

The 1-Month Health Check & Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, as well as answer any of your questions, to help ensure an ongoing, worry-free experience.

→ My Subaru - Online Owner's Destination

My Subaru is an online destination for owners which provides access to exclusive benefits, tailored content and much more. Here you can also update your contact information and see your vehicle ownership history.

→ Subaru Roadside Assistance

A peace-of-mind, Australia-wide Roadside Assistance program run in partnership with your local state Motoring Club. As a new Subaru owner, you receive complimentary 12-months standard roadside assistance as well as all the extras that come with Motoring Club membership like member magazines and *Show Your Card and Save* discounts.

For more information visit

subaru.com.au/owner-experience/benefits/roadside.

→ DATADOT™[®] Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess (up to a maximum of \$800 including GST) should your new Subaru be stolen and not recovered within 45 days despite the presence of DATADOT™[®] and warning labels². This benefit is available during the first three years of your new vehicle purchase. For full terms and conditions visit subaru.com.au/subaru-dna/retained-value.

2. Vehicle must be comprehensively insured. Terms and conditions apply.

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. 3. SRS: Supplemental Restraint System. Effective when used in conjunction with seat belts. 4. Instrument cluster includes speedometer, tachometer, trip meter, fuel gauge, AT select indicator, cruise control indicator, high beam indicator and front fog light indicator. 5. *Bluetooth*[®] is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to the *Bluetooth*[®] wireless technology specification of individual's phone. 6. Some parts of the seating are not full natural leather. 7. MAP (message access profile) required for Hands Free SMS read functionality. Not all phones (including Apple iPhone) have MAP. Please refer to specifications of your phone to see if your phone has MAP. Hands free SMS read functionality is only available when factory satellite navigation is fitted. 8. There may be restrictions on features available for certain devices that are not fully compliant with AVCRP. 9. 12 Month Roadside Assistance Program is standard upon activation with relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 Month Roadside Assistance program at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru on or after 1st June 2013 and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. 10. Available at participating Subaru retailers only. Prices are subject to change. See subaru.com.au for latest capped price information applying to your vehicle.
