

VITARA

Way of Life!

VITARA | THE COMPACT SUV RE-INVENTED

Suzuki pioneered the Compact SUV. Now we've re-invented it. Whether travelling around town or up to the snow, nothing stands out like the Vitara. With its head turning looks, ground-breaking technology, Suzuki's ALLGRIP 4WD system and a unique range of personalisation accessory options, the Vitara is set to redefine the Compact SUV category.

SUV LIFESTYLE | CITY CONVENIENCE

With its car-like handling, excellent fuel economy (5.8L/100km*) and spacious interior, the Vitara blends SUV lifestyle with city convenience like never before. In fact, the Vitara RT-S has already taken out the top 'Drive Car Of The Year - Best City SUV 2015' award. For the thrill of turbo performance, the Vitara S Turbo delivers more power and super smooth acceleration with comparable fuel efficiency.

The 6-speed automatic transmission improves performance, fuel efficiency and quietness, while the lightweight rigid body and MacPherson-strut suspension enhances overall driveability. A diesel engine option is also available that turns in impressive City/Highway figures of 4.9L/100km^.

Perfectly suited to city driving thanks to its compact design and hatch-like cornering and stability, it feels just as comfortable navigating tight city streets as it does enjoying the freedom of the open road.

TECHNOLOGY | RE-INVENTED

Whether you want to listen to your music, call your friends or plan a journey, Vitara's multimedia satellite navigation system with Apple CarPlay® makes it easy.

INDIVIDUALITY | RE-INVENTED

Make your Vitara truly yours. With the ability to choose striking two-tone body colours, add bold interior trim colours and even more accessories, you can take your Vitara and personalise it.

ADVENTURE | RE-DISCOVERED

The Vitara S Turbo 4WD and the RT-X Diesel option both come with ALLGRIP, Suzuki's fully integrated 4WD system. ALLGRIP maximises road grip in varying conditions while decreasing running costs.

VITARA S Turbo

- 1.4L Boosterjet Direct-Injection Turbo Engine
- Multimedia satellite navigation system
- Apple CarPlay®
- 7 airbags & ESC
- ABS, EBD & BA
- Cruise control with speed limiter
- 5.9L per 100km fuel economy**
- Reversing camera
- Keyless entry & start system
- Digital climate control
- Bluetooth® connectivity
- iPod® USB connectivity
- Steering wheel audio controls
- LED daytime running lights
- Power windows and mirrors
- 17" black alloy wheels
- Front and rear parking sensors
- Chrome grille
- LED headlights
- Auto levelling headlights
- Auto on/off headlights
- Automatic wipers
