

Aurion White Limited Edition

TOYOTA

toyota.com.au

Oh what a feeling!

White Knight.

*Uncompromising style.
Unequivocally sporty.
And with an exclusive combination
of extras, the Limited Edition Aurion
White proves that the real dark horse
in motoring, is white.*

The flagship passenger sedan in the Toyota range, the Aurion is a statement of sophistication and elegance. But now, with the introduction of the Limited Edition Aurion White, our most powerful, most comfortable, and most luxurious V6 sedan has reached an all new level of prowess.

Finished in exclusive Crystal Pearl paint, the Aurion White has been limited to a release of just 250 vehicles. Bearing all the hallmarks of the premium-grade Aurion, including 200kW of power, Dual-zone climate control, 4.3" colour LCD display and much more – the Aurion White goes further, to make an impression all on its own.

Pure white. Pure class.

From its impressive white finish, to its distinctive badging, sports body kit and electric tilt-and-slide moon roof, it is instantly clear that this is a one-of-a-kind. And when teamed with 17" shadow chrome alloy wheels, rear lip spoiler, and sport-styled headlamps and rear tail lamps, its performance cues are equally obvious.

Inside, the effect is even more compelling. Classically understated two-tone leather accented upholstery with white colour stitching sets a new benchmark in comfort and style. And with the additional sleekness of carbon-fibre inspired detailing and the sportiness of the three-spoke steering wheel with multifunction controls, you have a vehicle that is not simply in a class of its own, but a realm unto itself.
