Oh what a feeling!

Freedom, every day.

This is a Camry that is truly accomplished in every way. Start a new journey, wherever that may be.

The 2011 Camry Touring adds sports inspired touches to Camry's already-sophisticated looks – with the addition of 17" alloy wheels, a rear spoiler, sports grille and headlamps.

In fact you'll find sports-bred finishes throughout the car – such as the chrome exhaust diffuser, and the premium steering wheel and shift knob. But the real beauty of the 2011 Camry Touring is on the open road, where a host of brilliantly intelligent technologies will make getting away even more of a pleasure.

Dual Zone Climate Control air conditioning ensures you always keep your cool, whatever the outside temperature. And a 6-CD Audio System* with a 4.3" colour LCD display, USB and MP3 connectivity^, plus steering wheel audio controls* will keep everyone entertained – all the way to your destination. And once you arrive, the reverse camera means even parking will be a breeze.
