

Corolla

The world's most popular car.

TOYOTA

toyota.com.au

Oh what a feeling!

There's a spirit that runs through Toyota. It's a feeling of achievement. It pushes us. Inspires us.

— It's what saw us mass produce the first hydrogen fuel cell cars, what will see us define the very future of movement. Our Japanese founders called it 'Kaizen,' but we simply call it 'continuous improvement.' A relentlessness to always move forward, never settle for good enough. And here's the exciting part.

This feeling of achievement is yours to experience. Life changing moments, just waiting to be told. Whether it's the thrill of experiencing the latest in technology, venturing somewhere completely new or simply spending more time with your family. That sense of achievement, whatever form it comes in, will be a feeling you never forget.

This is a journey for which we don't know the destination, but looking back at how far we've come, it's safe to say tomorrow looks exciting beyond imagination.

“

We are a group of passionate perfectionists who can't let well enough alone...

That's Toyota.

That's the spirit.

And that's our contribution to the world. We will be the best we can.

And we will help as many as we can to be the best they can...

— Eiji Toyoda

Ready for life's great adventures.

Sleek, sporty and economical, it's easy to see why Corolla is the world's most popular car. Packed full of features and offering outstanding performance, Corolla is available in two engine types – petrol and hybrid (Hatch only.) Whichever you choose, you'll love the smooth drive and impressive fuel efficiency.

Front cover: ZR Hatch with optional Skyview™ roof shown

This page: ZR Hatch with optional Skyview™ roof, ZR Sedan, and Hybrid Hatch with optional Toyota Safety Sense¹ shown

Sporty, agile and good looking.

Corolla is more than just eye-catching and dynamic on the road. With its low, wide stance, it's a whole new dimension of style with an exciting array of exterior finishing touches and features. Corolla will have you arriving in style.

Ascent Sport Hatch shown

Head turning Corolla Sedan.

The smooth aerodynamic lines of Corolla Sedan are an elegant extension of Corolla Hatch with all of its refinement and attention to detail. On the ZR, the bi-LED headlamps will light the way on the darkest nights.

ZR Sedan shown

ZR Hatch shown

Small outside, surprising within.

However long the adventure, inside the Corolla Hatch's spacious interior with air conditioning and electric power steering, everyone will love their ride.

To make parking even easier, a reversing camera² is standard in every Corolla. The six speaker CD tuner audio system with an impressive 7" touchscreen colour display with Toyota Link³ is available on the Ascent Sport, SX, Hybrid and ZR Hatch, alongside a USB input for iPod,⁴ MP3 players⁵ and Bluetooth⁶ connectivity for added flexibility.

Steering wheel controls put everything you need at your fingertips, including audio, Multi Information Display (MID) and phone connectivity. In the ZR Hatch, you'll feel like you can touch the stars through the optional Skyview™ roof. There's also plenty of flexible luggage space with the 60/40 split fold rear seats, allowing you to quickly and easily load a little or a lot.

ZR Sedan shown

The spacious Sedan.

The Corolla Sedan interior features all the creature comforts of Corolla Hatch within a sleek and stylish four-door sedan.

When driving on the open road, you'll enjoy the convenience of cruise control. Upon reaching your destination, rear parking sensors² will help you park with minimum fuss.

Then when it's time to load up with luggage and personal items, Corolla Sedan features a generous and versatile 470 litre boot capacity.

In the ZR Sedan, you'll have the one-touch, steering wheel mounted sequential shift paddles for the 7-speed Continuously Variable Transmission (CVT), the luxury of leather accented interior and a 7" touchscreen colour display with satellite navigation⁷ and SUNA™ traffic channel.⁸

Advanced performance and efficiency.

Corolla has evolved into an agile and sporty drive that promises a dynamic driving experience.

Genuine performance and admirable fuel efficiency are delivered with equal ease from the 1.8L engine featuring Dual Variable Valve Timing with intelligence (VVT-i) technology that's under the bonnet of every Corolla.

Available on the Corolla Hatch, Toyota's Hybrid Synergy Drive® is the world's leading hybrid technology. It's proven to deliver remarkable fuel efficiency without compromising performance.

Hybrid Synergy Drive®
engine – 2ZR-FXE

1.8L petrol engine – 2ZR-FE

4 key benefits

Quietness.

The peaceful performance of the electric 'EV' mode, combined with the high-performance soundproofing materials throughout the engine and passenger compartments, delivers a uniquely tranquil driving experience.

Emissions.

By ensuring high-level fuel efficiency, Hybrid Synergy Drive® helps minimise the output of CO₂ and other harmful emissions. All of Toyota's hybrid vehicles are designed to comply with relevant global exhaust emissions regulations.

Fuel economy.

The aerodynamic styling of Toyota's hybrid vehicles, and clever pairing of an electric motor and robust petrol engine, deliver significant fuel economy. Each vehicle also provides ongoing feedback via its Multi Information Display, so you can actively evaluate and change the way you drive for even greater efficiency.

Power.

Hybrid Synergy Drive® combines the power of two energy sources to deliver powerful, smooth acceleration. Your vehicle can be powered by electricity, petrol, or a combination of both – and it's discreet and seamless.

How the hybrid system works.

Starting off

The electric motor is used primarily and power stored in the battery is used to turn the motor.

Full acceleration

Power is provided by the petrol engine in addition to the electric motor. Power output is maximised for very powerful acceleration.

Deceleration

The electric motor functions as a generator during deceleration and braking. Regenerated energy is used to recharge the battery.

At rest

Braking to a stop at a traffic light, the petrol engine is cut off and the car is brought to a gentle stop. The system automatically avoids wasteful idling to conserve fuel and stop CO₂ emission.

Safety without compromise.

Drive with confidence, knowing every Corolla is equipped with a range of advanced safety features and awarded a maximum 5-star ANCAP safety rating.

Seven SRS airbags help protect the driver and passengers, Anti-lock Braking System (ABS) prevents wheel lock-up and skidding, and Vehicle Stability Control (VSC) counteracts any over steer or under steer when cornering. Traction Control (TRC) also automatically controls engine output or applies

the brakes to any wheel that's skidding on slippery surfaces or where there's variable grip. Emergency brake signal alerts trailing vehicles if you're forced to make a sudden stop, and on Hatch models, Hill-start Assist Control (HAC)² helps to prevent unwanted rolling when taking off on an incline.

Enjoy the added benefits of Toyota Safety Sense (TSS) technology, standard on ZR Hatch and ZR Sedan and optional on all other grades.

Toyota Safety Sense

The road is an unpredictable place – you can never be certain of what dangers may lie ahead. Which is why we developed Toyota Safety Sense (TSS),¹ a multi-feature active safety package to help keep you and your passengers out of harm's way.

TSS incorporates Lane Departure Alert, Pre-Collision Safety system

and Automatic High Beam.

With automated pre-collision warning and braking at its core, TSS uses intuitive technology to sense danger, providing greater reassurance to the driver and extra protection for passengers across a varying range of driving speeds and conditions.

Lane Departure Alert⁹

In the event that your car drifts from its lane, this presents a serious safety hazard. This is where Lane Departure Alert (LDA) helps. It provides a visible and audible alert should you inadvertently deviate from your lane, helping keep you, your passengers and other vehicles safe.

Pre-Collision Safety system⁹

Pre-Collision Safety system (PCS) helps keep you safe, with Forward Collision Warning (FCW) using radar to identify any threat up ahead and issue an alert. During braking, Brake Assist (BA) applies additional force, and if necessary, Autonomous Emergency Braking (AEB) will activate to reduce speed and mitigate impact.

Automatic High Beam⁹

Leaving your headlights on high beam can be a hazardous distraction to other drivers. By using a camera to sense either approaching headlights or the taillights ahead, Automatic High Beam (AHB) will switch between high and low beam as needed to help you maintain safe and considerate driving.

Yaris Hatch with optional Skyview™ roof shown

Ascent Hatch

- 1.8L Dual VVT-i engine
- 7-speed Continuously Variable Transmission (CVT) or 6-speed manual
- 16" steel wheels
- Multi Information Display (MID)
- Steering wheel controls for MID, telephone and audio
- Bluetooth® hands-free connectivity
- 6.1" touchscreen colour display with six speakers

- Reversing camera with fixed guidelines
- 60/40 split fold rear seats
- Driver and passenger sunvisors with vanity mirrors and lamps
- Front and rear cup holders
- Manual air conditioning
- Halogen projector headlamps with manual levelling
- Cruise control
- Seven SRS airbags
- Traction Control (TRC)

- Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD)
- Hill-start Assist Control (HAC)
- Three child restraint anchorage points
- Optional Toyota Safety Sense, including Pre-Collision Safety system⁹ (PCS), Lane Departure Alert⁹ (LDA) and Automatic High Beam⁹ (AHB)

The Toyota Advantage.

Every Toyota gives you a lifetime of advantages. That's what makes it a Toyota. You'll enjoy legendary Toyota value from the moment you drive away, and you'll continue to appreciate the quality, safety and innovation that's engineered into each model, every day you drive.

Discover the full range of products and services and find your nearest Dealer at toyota.com.au

A smarter way to buy.

Toyota Access puts you in complete control when buying a new car.¹³ Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with ongoing flexibility and assurance. To discover Toyota Access for yourself visit toyota.com.au/access

Capped price servicing.¹⁴

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit toyota.com.au/advantage

We've got your back.

Every new Toyota is built to exceptional standards, backed by a three year/100,000km¹⁵ warranty, giving you the peace of mind to feel confident for years to come. In the unlikely event that you need them, every Toyota Service Centre is committed to providing any warranty repairs you may need. They have the technology, the tools, and the skilled personnel to keep your Toyota in excellent condition.

Your battery goes further.¹⁶

The Hybrid battery used by Toyota, requires no maintenance, charges automatically while you drive and never needs to be plugged into a power supply. The battery is disposable, recyclable and your Toyota Dealership can arrange recycling at no extra cost.

Finance to get you going.

If you need a little help, Toyota Finance¹⁷ can offer you a wide range of vehicle financing. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Even more protection.

Our Comprehensive Motor Vehicle insurance policy is packed with great benefits including; agreed value cover, new vehicle replacement if your Toyota is written off within the first 3 years,¹⁸ Genuine Parts Promise and a Lifetime Repair Guarantee on repairs authorised by Toyota Insurance. And our Toyota Insurance Factory Approved Extended Warranty Insurance provides protection that continues after your Toyota New Vehicle Warranty ends.

Extend your peace of mind.

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist is never more than a phone call away. Available 24 hours a day, seven days a week, every day of the year, you'll have peace of mind, whatever your emergency.¹⁹

Disclaimers and Notice.
