

 **TOYOTA TARAGO**
oh what a *feeling!*

The ultimate support vehicle.

Ultima model shown.

More powerful reasons to choose Australia's top people mover.

Toyota Tarago has felt right at home in Australia for over two decades. After all, the very name 'Tarago' is derived from an Aboriginal word meaning 'my house'. Yet this 'house' is even more inviting than ever. It's more luxurious, more practical and more powerful than ever.

Across all the models, there's an impressive package of standard features, generous levels of comfort and impressive power. In addition to the responsive 125kW 4 cylinder, Tarago also offers you the choice of an advanced 3.5 litre, quad cam V6 enhanced with Dual VVT-i delivering a class-leading 202kW and a complete package of Toyota's innovative engine technology.

Front cover - V6 GLX model shown.

4 cylinder GLX model shown.

The power and peace of mind of advanced technologies.

When it comes to moving people, Australia's favourite people mover hasn't stood still. The economical 4 cylinder range is equipped with a VVT-i engine for power when you need it and economy when you're cruising. Step up to the V6 Tarago range and you'll find the improved benefits of Dual VVT-i enabling a powerful yet surprisingly economical drive and with low emissions.

In the Tarago, you'll often find yourself carting the most precious cargo in the world – so safety is always a priority. A comprehensive braking package called 'Active Braking with intelligence' (AB-i) improves stability and enhances control in emergency situations. This braking package, standard across the range, incorporates Anti-skid Braking System (ABS), depending on model, either mechanical or electric Brake Assist (BA) and Electronic Brake-force distribution (EBD). For the 4 cylinder GLX and all V6 models you also have the reassurance of Vehicle Stability Control (VSC) and Traction Control (TRC).

Dual front SRS airbags are standard, however an additional 5 airbags are available as either an option with the Enhanced Safety Pack on 4 cylinder GLi or as standard on 4 cylinder GLX and across the V6 range. Additional to the dual front airbags come front seat side, curtain shield & driver's knee airbags.

All these features, plus a range of impressive passive safety features mean you can shuttle your passengers with further reassurance.

Tarago. Toyota Genuine Accessories. Make a good thing even better.

Assert your sense of individuality.

Enhance your Tarago's practicality and individuality through Toyota's broad range of Genuine Accessories, all developed to strict quality and performance standards and backed by our Toyota warranty.

† The Bluetooth word mark is owned by Bluetooth SIG, Inc. Bluetooth™ will only operate with telephones enabled with compatible Bluetooth™ wireless technology (HFP (Hands Free Profile) v1.0 and OPP (Object Push Profile) v1.1 international standards). OPP functionality only works on satellite navigation equipment.

** Available on selected models where AUX-in option is part of audio unit. Suits iPod® models that have a dock connector. Refer to your Apple iPod® Instruction Manual. iPod® is a registered trademark of Apple Inc. This accessory is not a Toyota Genuine Accessory (supplier branded) and is warranted for 12 months from the date of purchase. This warranty is additional to the implied warranties under the Trade Practices Act 1974.

*** Current Navigation mapping database encompasses major capital and primary national road networks, as well as offering some coverage of regional areas.

+ The rear view camera does not provide a comprehensive view of the entire rear area of vehicle and should only be used as an aid for viewing when reversing.

** ParkAssist is designed as a driver assist device only and should not be used as a substitute for skilled driving and safe parking practises. The area into which the vehicle is to be reversed must be visually monitored by the driver while parking.

TOYOTA GENUINE ACCESSORIES COME WITH OUR TOYOTA WARRANTY*

*All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for 12 months. Conditions apply. All warranties are additional to the implied warranties under the Trade Practices Act 1974

IMPORTANT NOTICE - Please Read: Some Toyota Genuine Accessories are not applicable to all models/grades. Refer to the Accessories brochure (available from your Toyota salesperson) or visit accessories.toyota.com.au for details on warranty and which Accessories are suitable for your vehicle. Pictured accessories are sold separately. Accessory colours shown may vary from actual colour due to the printing process.

Ultima model shown.

A more accommodating, more inviting interior.

In this people mover, interior comfort moves into new territory. You'll discover all Tarago models are comprehensively equipped with smart design features. Standard features in the V6 Ultima include a convenient sliding centre console, remote electronic sliding doors, DVD Rear Seat Entertainment system as well as lush leather retractable Captain chairs with adjustable footrest. Other standard features across the range include armrests for added comfort, cruise control operated via controls on the steering column, dual zone climate control air conditioning with pollen filter and steering wheel mounted audio controls giving you fingertip adjustment during highway cruising. Your Tarago also comes equipped with a conversation mirror making it easy for the driver to view the rear seats without compromising safety by having to turn around. All these features and more will have you never wanting to leave.

The interior has been designed with a focus on maximising space and evoking a unique sense of comfort and style. For starters, Tarago offers space and comfort to easily accommodate up to eight full size adults. But, of course, people aren't all that Tarago has been designed to carry. For as we know, the bigger the family the greater the cargo that goes along for the ride. The base of the second row seat can be folded forward to create a flat luggage area, as well as a 60/40 split in the third row for bulkier items. V6 models also allow the third row seats to fold into the floor for added capacity, with the Ultima making things a touch easier, with power operation to stow the seats. Tarago is also big on little storage ideas to keep those smaller items in their place, with an abundance of handy storage compartments throughout the vehicle, including eight cupholders.

TOYOTA SERVICE ADVANTAGE CUTS NEW CAR RUNNING COSTS

Toyota Service Advantage makes owning your Tarago even more economical because you are entitled to low cost scheduled servicing. That's up to 6 standard services during the first three years or 60,000km, whichever occurs first. Terms and conditions apply. See your Toyota dealer or advantage.toyota.com.au for eligibility, pricing and more information. Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing which is as per 'maintenance for normal operating conditions' outlined in the Warranty & Service Handbook's service schedule. Service Advantage eligibility excludes Government and Rental vehicles and certain other exclusions apply.
