

TARAGO

The ultimate support vehicle.

TOYOTA

Oh what a feeling!

Wherever you go – go together.

“The more the merrier” – it’s never truer than when you’re with family and friends. And whether it’s getting away, getting down to the shops, or just getting on with the weekend, you’ll see that getting there together is the inspiration behind the stylish, spacious and comfortable Tarago.

One look at the low, sleek and confident profile of the exterior and it’s clear this isn’t just any old people mover. The smooth, flowing lines not only make a stylish statement, they contribute to aerodynamic performance as well. And with a range of features including sports roof rails (on GLX models) to dual-

power rear sliding doors (on the V6 GLX and Ultima), our designers have included an array of clever features that make every trip an adventure.

You’ll often find yourself carting precious cargo in the Tarago, so safety is of maximum importance. The Tarago is packed with safety features, delivering greater levels of control and protection than ever before. All models feature seven SRS airbags as standard, together with Emergency Locking Retractor (ELR) seatbelts so you can enjoy peace of mind every time you sit behind the wheel.

The only way to travel.

Step inside, and the Tarago only gets more intelligent and comfortable. From the adjustable seating (easily accommodating eight adults) and storage space, to the captain chairs up front on the V6 GLX and Ultima, to the front climate control air conditioning, sit back in comfort for every ride. And for the driver, Tarago's cruise control and the option of parking sensors¹ make every drive that much easier.

Bring some tunes to the trip, with a 6-speaker CD tuner audio system with 6.1" LCD touchscreen, iPod^{®2} and MP3 player connectivity³ and an AM/FM tuner.

You will stay connected too with Bluetooth^{®4} connectivity, whilst keeping rear seat passengers entertained with the Rear Seat Entertainment system (RSE) available in

Ultima models that plays your favourite DVD's on a high-resolution 9" LCD screen. We've fitted the Tarago with everything you need to make even a trip to the shops entertaining.
