

Yaris

Live now.

TOYOTA

toyota.com.au

Oh what a feeling!

Your life, your car, your way.

Meet the exciting and ever entertaining Yaris. It's the car that comes with the convenience and comfort you need, all within a fun sized package. So whether it's your daily commute to work or a relaxing weekend at the beach, Yaris has you covered.

More than just smart, Yaris will charm you with its sleek European styling and striking interiors. It's the car that gets you where you need to be, with a 1.3 litre engine in the Ascent Hatch and a 1.5 litre in the SX, ZR and across the Sedan range. You'll have the power to zip around town whilst achieving outstanding fuel efficiency.¹

And to help ensure you'll reach your chosen destination safely, every Yaris is packed with great safety features allowing you to drive with confidence and peace of mind.

There are five stylish models to choose from; the 5-door Hatch (Ascent, SX and ZR) and the 4-door Sedan (YRS and YRX). Each ready to make a big impression in its own way.

Front cover: ZR model shown
This spread: Ascent model shown

Make a statement.

Catching up with friends and family is one of life's simple pleasures. Whether that takes you to your much loved local restaurant or on to brand new adventures together, Yaris announces your presence.

With sporty front and rear bumpers, front grille, lower grille side mouldings and a sleek rear spoiler on the ZR, Yaris effortlessly catches the eye from every angle.

The compact dimensions make it perfect for zipping about town and finding the perfect parking spot. Not to mention, all of the Yaris Hatch range come standard with the convenience of a reversing camera.

Small outside, spacious inside.

Step into Yaris and you're in for a big surprise. Its compact yet spacious cabin packaging steps up design to a whole new dimension.

There's generous legroom and plenty of headroom. Adjustable bucket seats in the front and a full-width rear seat for three, to ensure outstanding comfort and support. Yaris' versatility allows you to transform the interior into your own unique personal space. Gym bags, beach gear, there's plenty of room for it all, with the flexibility of 60:40 split fold rear seats.

In Yaris Hatch, life gets easier with the convenience of steering wheel controls. Control the volume of your favourite song and answer calls with your fingertips via Bluetooth® connectivity.

You'll also find more storage space than you'd think possible in a car of this size, with Yaris Hatch offering a two-tier boot and convenient storage options such as dual level glove box.

60:40 split fold rear seats – ZR model shown

Satellite Navigation system – ZR model shown

Lower glove box

Packed with convenience.

For a small car Yaris is big on convenience. Centrally placed in the stylish dashboard panel is the 6.1" touch screen audio display with USB connectivity for iPod^{®3} and MP3 players plus Bluetooth^{®2} functions for added flexibility. Your favourite music can be heard through four speakers in the Sedan or six speakers in the Hatch range.

The Satellite Navigation⁴ system, available on YRX Sedan and ZR Hatch, can guide you with ease whenever you need it. Paired with the SUNA[™] Traffic Channel⁵, it gives you helpful updates on traffic conditions.

On the open road, cruise control is available across the Hatch range, helping to take a load off the journey. Yaris is also equipped with all the usual comforts such as air conditioning, remote central locking and power windows.

Plus on the Yaris Hatch range the Multi Information Display (MID) features all the information you need, such as outside temperature, trip data and other useful details for your journey.

The steering wheel controls across the Hatch range allow you to adjust audio functions while keeping your hands safely on the wheel. And with the convenience of Bluetooth^{®2} hands-free phone capabilities and voice recognition (ZR only), it's easy to see why Yaris will be your number one choice.

2ZR-FE engine

Ready when you are.

Whether you're dashing around town or cruising on the open road, you'll find Yaris gives you enough power to zip around.

The 1.3 litre engine on the Ascent and the 1.5 litre engine on the SX, ZR and Sedan models feature Variable Valve Timing with intelligence (VVT-i) technology delivering dynamic performance and greater fuel efficiency. This engine uses continual variations to the intake valve timing to improve drivability, performance and efficiency.

And with a low fuel consumption¹ on both the Hatch and Sedan, it's a great choice when it comes to filling up at the pump.

Yaris is available as a 4-speed automatic across the range or choose the 5-speed manual in the Ascent and SX Hatch or YRS Sedan. Allowing you to enjoy a smooth ride wherever you're heading.

Premium gear knob – ZR model shown

Small, but big on safety.

Even though Yaris is the perfect size to zip about around town, it stands tall when it comes to safety. With features like Vehicle Stability Control (VSC) and SRS airbags, every occupant can be reassured.

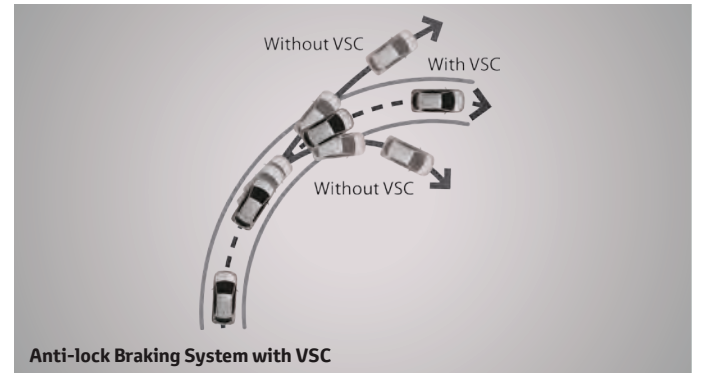

When driving you'll appreciate the control of Brake Assist (BA) which provides extra brake force during an emergency situation. The Anti-lock Braking System (ABS) prevents wheel lock-up and skidding, and Electronic Brake-force Distribution (EBD) maximises braking efficiency by automatically increasing the brake force to the wheel(s) that need it most.

Vehicle Stability Control (VSC) helps control any oversteer or understeer you may experience during cornering. While Traction Control (TRC) automatically controls the throttle or applies the brakes to any wheel that's slipping on slippery surfaces or where there's variable grip.

Choose from the Yaris Hatch range and you'll be equipped with seven SRS airbags and an emergency brake signal, which automatically activates and flashes the car's hazard warning lamps. This helps draw the attention of drivers behind you to assist in reducing the likelihood of a collision. All grades of Yaris Hatch have also been awarded the highest 5-star ANCAP safety rating.

Yaris Hatch's clever design helps minimise pedestrian injury – overseas model shown

Seven SRS airbags – ZR model shown

Ascent Hatch

- 1.3L VVT-i Engine
- 5-speed manual or 4-speed automatic transmission
- Reversing camera
- Seven SRS airbags

The Toyota Advantage.

Every Toyota gives you a lifetime of advantages. That's what makes it a Toyota. You'll enjoy legendary Toyota value from the moment you drive away, and you'll continue to appreciate the quality, safety and innovation that's engineered into each model, every day you drive.

A smarter way to buy.

Toyota Access puts you in complete control when buying a new car.¹¹ Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with ongoing flexibility and assurance. To discover Toyota Access for yourself visit toyota.com.au/access

Finance to get you going.

If you need a little help, Toyota Finance¹⁴ can offer you a wide range of vehicle financing. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Capped price servicing.¹²

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit toyota.com.au/advantage

Even more protection.

Our Comprehensive Motor Vehicle insurance¹⁵ policy is packed with great benefits including; agreed value cover or New vehicle replacement cover for Toyota vehicles damaged beyond repair within 3 years of original registration, Genuine Parts Promise and Lifetime Repair Guarantee. And our Toyota Insurance Factory Approved Extended Warranty Insurance provides protection that continues after your Toyota New Vehicle Warranty ends.

We've got your back.

Every new Toyota is built to exceptional standards, backed by a three year/100,000km¹³ warranty, giving you the peace of mind to feel confident for years to come. In the unlikely event that you need them, every Toyota Service Centre is committed to providing any warranty repairs you may need. They have the technology, the tools, and the skilled personnel to keep your Toyota in excellent condition.

Extend your peace of mind.

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist¹⁶ is never more than a phone call away. Available 24 hours a day, seven days a week, every day of the year, you'll have peace of mind, whatever your emergency. With two levels of cover available, Toyota Extra Care Roadside Assist provides one of the most professional, reliable, and technologically advanced assistance networks in Australia.

Disclaimers and Notice.

- 1 Fuel consumption varies depending on driving conditions/style, vehicle conditions and options/accessories. Source of fuel consumption data: ADR81/02 combined cycle (L/100km) for manual/auto models.
