# C70

This is a luxury car by any measure, and one that promises more than rewarding comfort and class-leading style. This is a luxury car that's smarter and stronger in all the right places, for all the right reasons: you. This is your Volvo C70.

This is why we sing.

What this car does to inspire your travels and make real your dreams, it does with the sky as your witness. This is where the emotional and the physical intersect: where the art and power of clean Scandinavian design come to be a spectacular convertible and a stylish coupe.

## Emotions may drive us, but you get to steer.

Where to? As you discover new roads and rediscover favourite journeys, expect a high level of comfort as well as exhilaration at every turn. Grip the supple steering wheel and settle into one of the world's most comfortable automobile seats. You'll recognise the cabin's elegance as a testament to simplicity and a model of ergonomic excellence, yet sophisticated on-board technology like Bluetooth® connectivity and GPS navigation are quietly at work and close at hand.

## The sky is not the only place to find stars.

From the wheels up you'll discover first-class comfort, world-class safety and form that beautifully serves function. At first glance you'll notice Volvo design details such as the headlamps that sweep back gracefully, yet seek out protectively with Active Bending Lights, brilliant new LED daytime running lights and the rear lamps that include state-of-the-art Adaptive Brake Lights that rapidly flash to warn cars behind when you have to brake harder than normal. Ever so stellar, nothing shines brighter than legendary Volvo safety.

## A magic carpet for the modern world.

Enjoy smooth sailing with the top up or down. The stiff, reinforced car body of the Volvo C70 enables the advanced suspension system to sense and predictably cope with all types of road surfaces. What's more, the informative electro-hydraulic steering responds immediately to your commands, while even the rear wheels will turn slightly to help you glide through corners. In every aspect of the petrol-fuelled T5, you'll find ample reserves of torque, smooth delivery of power and instant response at any speed. Like magic.

# What makes a moment sensational?

Moments are measured, in part, by their ability to recall a sound, taste, smell, touch or sight. A journey with the top down, with all senses engaged, seems to increase a moment's chance of being sensational.

And being sensational is okay with us.

## A short cut to the centre of attention.

The well-appointed cabin of the Volvo C70 seats four travellers in total comfort. Elegant simplicity and tasteful detailing are the hallmarks of sophisticated Scandinavian design and beautifully represented here with Volvo's real aluminium inlays and Volvo's genuine chrome-free leather. Up front, the unique floating centre stack is also available in Volvo's real wood and presents simple controls for information, entertainment, comfort and more. In the back, the rear-seat passengers can wave to the crowd while enjoying plenty of room and backrests with a comfortable tilt.

Put the top down. Turn the stereo up.  
Life is simple again.

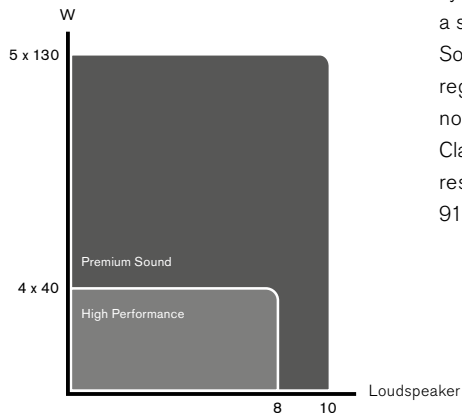

Music has a friend in Volvo's modern sound systems. With talent in abundance, here you'll find a choice of three excellent systems – each calibrated especially for the interior of the Volvo C70 (top-up and top-down). Each system features a CD player and radio as well as an auxiliary input so you can plug in a portable music player. For those with an iPod® or mp3 player, there is a USB and iPod® Music Interface available to make your playlists appear in the centre console display. And to make things ever so simple, all systems can be controlled from buttons on the steering wheel.

## Premium Sound. Total immersion.

This is an audiophile's dream. When you choose the Premium Sound system you are taking centre stage – surrounded by gloriously accurate sound reproduction provided by world-class components. Finessed by Dolby® Pro Logic® II Surround – which utilises a special centre loudspeaker and sophisticated sound processing – the Premium Sound system ensures that every passenger enjoys a well-balanced stereo presence regardless of their seating position (a remarkable achievement considering how nobody sits in the middle of the car). What's more, an extremely efficient digital Class D amplifier powers twelve perfectly matched loudspeakers with superior transient response and pure dynamics. But that's not all. Add two subwoofers (for a total of 910 watts!) and you have a convertible with a sound system that can blow the roof off.

## A marvel of engineering eclipsed only by the beauty it reveals.

The world's first three-piece retractable hardtop is a marvel of engineering. You'll soon discover this for yourself because as the roof automatically goes up, so will the corners of your mouth. In fact, it's hard not to smile. Just push a button on the centre console and the retractable top performs a synchronised metamorphosis that seems to inspire applause. And with the insulated roof hidden in the boot, there's still room in there for your tennis gear. From hardtop coupe to open-air convertible in less than thirty seconds – with a grin that lasts much longer. Having two dream cars on one set of wheels is a beautiful thing.

## Attractive, inviting, yet very exclusive – especially when locked.

Perhaps because it is built in Sweden, so close to the North Pole, this beautiful Volvo C70 has a certain undeniable magnetism. But with this magnetism comes a responsibility we take seriously – because Volvo safety doesn't stop when you park your car. With the hardtop up, this car provides a much higher level of anti-theft protection than an ordinary convertible. And with keyless drive, you can unlock doors as you grasp the handle and start the car with the key still in your pocket or handbag.

It doesn't have to be complicated. Stress disappears, fun begins. Luxury car drivers simply expect perfection – with exhilaration on demand and personalisation in every detail. The magic of introducing ingenuity without complication, durability without boredom and luxury without superficiality is distinctively and proudly, a Volvo tradition.

**We build cars designed around you.**

## **Innovated for your enjoyment, Volvo safety technologies will protect more than the fun of driving.**

Across the world Volvo is synonymous with advanced safety technology. And with good reason, because few car makers can match our record of safety innovations and the commitment to safety that has guided us for more than 80 years. Of course, this makes us extremely proud. But we're not satisfied. Because we know what we want to achieve: zero accidents. This huge task calls for innovative thinking and a brand-new approach to the way we design cars. The good news

is that we've already come a long way. For starters, our cars are more fun and engaging to drive than ever. And the technology needed is no figment of the imagination – some is already available in your Volvo. This means driving a Volvo today is like having a first peek at a very exciting automotive future – a future where passionate engineering and design do more to empower you as driver.

### **Eyes in the back.**

Park Assist alerts you if you're too close to an obstacle behind your car when reversing. This feature is also available for the front.

### **Personal gatekeeping.**

Inspired by fighter aircraft technology, Intelligent Driver Information System (IDIS) can help reduce your workload in stressful situations.

### **An eye on the blind spot.**

Blind Spot Information System (BLIS) helps you detect vehicles entering your blind spot.

### **Stay on track.**

Volvo's Dynamic Stability and Traction Control (DSTC) anti-skid system improves handling and safety in a wide range of challenging situations.

### **On-road enlightenment.**

Active Bending Lights (ABL) with Dual Xenon technology expand your vision range when driving in the dark and provide considerably improved illumination around bends.

### **Exhilarating comfort.**

Ergonomic design in seats and the driver's environment makes you relaxed and helps you maintain your concentration on driving.

## The creation of your Volvo starts under the bonnet.

A major part of the experience ahead of you is defined by your engine. In your Volvo C70, you will enjoy instant power and smooth running while state-of-the-art fuel management systems make the most of every micro-drop of fuel. Enjoy the drive. ### T5

**234** CO<sub>2</sub> g/km | **9.8** l/100 km | **169** kW | **320** Nm | **Euro 5**

For a truly sporty driving experience, there's the high-performance 169kW five-cylinder T5 petrol engine. This smooth source of energy boasts a turbocharger and variable inlet and exhaust valve timing, delivering an exceptionally quick and powerful response throughout the entire rev range. The T5 is available with a five-speed Geartronic automatic that also allows manual gearshifts.

**WANT A DYNAMIC TOUCH?** If stylish and sporty looks get your pulse racing, this may be the Volvo C70 for you: Sovereign Hide Offblack upholstery in Offblack interior with aluminium centre stack and door panel inserts, a leather-clad steering wheel with an aluminium inlay, a leather-clad gear knob with an aluminium inlay and sports pedals. Exterior colour Ice White with colour-matched rear spoiler lip, Silver Metallic contrasting roof and Midir 18" Diamond Cut aluminium wheels.

**OR MODERN LUXURY?** Some people prefer sophisticated, timeless elegance. If that sounds like you, your new Volvo C70 could look like this: Sovereign Hide Calcite upholstery in Umbra interior with Nordic Light Oak centre stack and door panel inserts, a leather-clad steering wheel and a leather-clad gear knob. Exterior colour Twilight Bronze Metallic, LED daytime running lights with Chrome Trim and Morpheus 18" Silver Bright aluminium wheels.

## Complement with contrast.

Customise your C70 with a roof and body in contrasting colours. As your droptop disappears, your sense of style never does. Includes windscreen A-pillars and a 3-piece articulating roof painted in Silver Metallic. Contrasting body colours available are listed in the chart below. Which two-tone are you?

## Ergonomic design

Developed in cooperation with ergonomic specialists to provide generous support for the body during hours of driving, the seats in the Volvo C70 are among the most comfortable in the automotive world. Multiple adjustment possibilities and adjustable lumbar support make it easy to find the perfect driving position.

### Sovereign Hide

This exclusive leather upholstery is made from the finest Scottish hide. It's thick, soft to the touch and has an exquisite natural grain.

### Leather

These leather-faced seats give the Volvo C70 an atmosphere of luxury. It's a hide quality that's smooth, durable and has a fine grain pattern. Like all Volvo leather, it's organically tanned and ages beautifully.

### Haverdal

A striking combination of durable Flextech upholstery and smooth leather, reflecting the dynamic properties of the Volvo C70.

The Volvo Roadside Assistance program is valid for the length of the manufacturer warranty or Extended Volvo Roadside Assistance Program.

## Volvo Car Australia Service 2.0\*

### Free Software updates are just the beginning

In today's cars there are many computers and just like with desktop computers, their software should be updated from time to time.

So, in the interest of providing the best service possible, we've developed Volvo Car Australia Service 2.0, where your Volvo software is updated free of charge as part of a routine Volvo scheduled service. This means that your Volvo systems (which are unique to your vehicle) will always be optimised for top performance.

Free software updates are just the tip of the iceberg. Volvo Car Australia Service 2.0 ensures you'll always have your vehicle serviced by a Volvo-certified technician, using Volvo methods and Volvo Genuine parts.

You'll be offered 12 months free roadside assistance and a complimentary exterior wash. In fact, we'll even provide you access to an alternative transport solution while your vehicle is being serviced.

For more information on the many benefits of Volvo Car Australia Service 2.0, just call us on 1800 786 586, go to <http://www.volvocars.com.au> or visit your nearest Volvo dealer.

\* Volvo Car Australia Service 2.0 and all its benefits as set out herein, including the offer of free software updates, may only be accessed from authorised Volvo dealers at the time of your vehicle's scheduled servicing and is available for a period of six years from the date of a vehicle's first registration.
