

WRX *STI* 2015

SUBARU
ALL 4 THE DRIVER™

Our DNA is what makes every Subaru a Subaru. It's our constant focus on Performance, Safety and protecting the Retained Value of your Subaru that makes Subaru distinct from any other car brand. Our DNA delivers you, the driver, the confidence to exploit your freedom everyday.

POISED PERFORMANCE

Subaru has long been highly regarded for its performance technologies. From the rally circuit to the highway, Subaru's engineering and driving characteristics are focused on delivering a driving experience unlike any other, handling different road and weather conditions with ease, control and comfort.

→ SYMMETRICAL ALL-WHEEL DRIVE

Delivers outstanding grip, balance and control in a variety of road conditions when combined with Subaru's horizontally-opposed Boxer engine technology and a symmetrical drivetrain.

→ HORIZONTALLY-OPPOSED BOXER ENGINE

Ensures smooth power delivery, with less vibration and its low centre of gravity gives optimum balance and control to you, the Driver.

SUPERIOR SAFETY

Impressive safety credentials have earned Subaru the maximum five-star ANCAP occupant safety rating, plus freedom from worry for you, thanks to Subaru's

→ VEHICLE DYNAMICS CONTROL SYSTEM

→ RING-SHAPED PASSENGER SAFETY CELL

→ DUAL FRONT, DUAL FRONT SIDE, CURTAIN & DRIVER'S KNEE AIRBAGS

→ ABS, EBD AND HYDRAULIC BRAKE ASSIST

RETAINED VALUE

Freedom comes from knowing that you've made a great investment. Every Subaru comes into the world as the best car it can be, and then we help you to keep it that way. We promise to protect your freedom by looking after the performance, safety and the retained value of your vehicle. With our dedicated Subaru Service Centres and microscopic theft **DATADOT**TM protection, your car is in good hands for many years to come.

ALL OF THIS ADDS UP TO A GREATER EXPERIENCE FOR YOU - THE SUBARU WRX STI DRIVER. SUBARU. ALL-WHEEL DRIVE MAKES ALL THE DIFFERENCE.

HIGH PERFORMANCE

MODEL SHOWN: SUBARU WRX STI PREMIUM

The turbocharged Subaru WRX STI is built like no other car. A performance icon that doesn't need to shout about its credentials, because they speak for themselves. It's refined and a little irreverent all at once, with a body honed to the last millimetre. The low centre of gravity and improved aerodynamics underpin the sleek new body design which features dynamic 18-inch alloy wheels. While those who want to go under the radar, can opt for more subtle styling that excludes the rear spoiler.

DESIGN UNDERPINNED BY TECHNOLOGY

New generation technology has been thoughtfully harnessed to create a direct connection between the driver and the road. The advanced Multi-Function Display unit, with 4.3-inch boost pressure display screen, is constantly providing the driver with vital performance statistics including fuel economy, VDC operating information, vehicle maintenance self-check and eco-gauge information. The in-dash 6.1-inch touch screen also delivers enhanced driver convenience with satellite navigation, intelligent *Bluetooth*^{®2} wireless connectivity and rear view reverse camera.

True to WRX STI principles, driver control is paramount and delivered through the tactile grip of the smaller D-shaped steering wheel. The design details that define the WRX STI are also evident in the instrument cluster with easy to read white needles, carbon trim panels and chrome sports pedals.

TOP TO BOTTOM:

- SINGLE IN-DASH CD PLAYER FEATURING AM/FM RADIO, MP3/WMA/IPOD COMPATIBILITY AND EIGHT HARMAN KARDON^{®1} SPEAKERS, SUBWOOFER AND AMPLIFIER

SPACE RACE

The interior of WRX STI is the result of the designers' astute observation of how the driver and passengers interact with the car. As a result, nothing is superfluous and there's a lightness that comes from knowing every instrument has a vital role to perform. Steering wheel-mounted controls allow for a seamless driving experience, while the red-based lighting featured in the instrument panel provides a contrast to the WRX STI's signature black.

The spacious cabin design is underpinned by a love of driving. Both the driver and the passengers benefit from more leg, elbow and shoulder room, while dual zone climate control air-conditioning maintains optimum cabin comfort. The superior eight harman kardon^{®1} speakers, subwoofer and amplifier have been custom tuned to the WRX STI's acoustics. And when you are not travelling light, the flexibility of 60/40 split rear seats adds a new found versatility for both cargo and passengers. The WRX STI Premium also boasts an eight-way power adjustable driver's seat, leather² seats and heated front seats.

THINK OUTSIDE

WRX *STI*

THE BOXER

Solid. Brave. Proven. Subaru's Boxer engine design lies at the heart of the Subaru WRX STI. However, the innovation doesn't stop there. Every inch of the Subaru WRX STI is a tribute to the boldness of Subaru's visionary engineers.

- > 2.5-litre turbocharged horizontally-opposed Boxer petrol engine with Dual Active Valve Control System (DAVCS).
- > Highly advanced Symmetrical All-Wheel Drive with cutting edge Active Torque Vectoring system
- > Advanced Vehicle Dynamics Control (VDC) system

Consistent across the Subaru WRX STI range is the famous Subaru Boxer engine that has been designed to sit lower and flatter in the engine bay than upright engines. Due to this unique design it delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road. Coupled with the Subaru WRX STI's symmetrical drivetrain, this configuration delivers superior handling confidence, better balance, smoothness and ultimately, outstanding driver enjoyment. The intelligent drive systems incorporated into the new Subaru WRX STI include the Active Torque Vectoring system which supplements the AWD system, making handling more precise and allowing for

improved cornering speeds. In addition, Multi-mode Driver Controlled Centre Differential (DCCD) ensures the WRX STI is a true high-performance vehicle.

The Subaru WRX STI engine has also been finely tuned to deliver optimum power, torque, exhaust emissions, fuel economy and idling stability via Subaru's Dual Active Valve Control System (DAVCS) which varies the inlet and exhaust camshaft timing. This helps the Subaru WRX STI produce an astonishing 221kW of power at 6,000rpm and maximum torque of 407Nm at 4,000rpm, providing thrilling sports performance and drivability. The Subaru WRX STI is a pure performance pedigree that demands and delivers the best with a precise six-speed manual transmission.

SUBARU WRX STI 2.5-LITRE, FOUR -CYLINDER DOHC TURBOCHARGED BOXER PETROL ENGINE - MANUAL TRANSMISSION¹

¹ This engine requires 98RON unleaded fuel. This fuel is not available in all areas of Australia.

MODEL SHOWN: SUBARU WRX STI WITHOUT SPOILER

AN INTERSECTION OF POWERFUL FORCES

Twenty years of rally and race winning performance included as standard in every Subaru WRX STI.

Contrary to its motorsports heritage, WRX STI comprises equal measures of both power and restraint. Driven by a 2.5-litre turbocharged horizontally-opposed Boxer engine, WRX STI delivers maximum performance when you want it. But its superior power, is tempered by superior control. The advanced Symmetrical All-Wheel Drive (SAWD), which is at the heart of Subaru, is partnered with WRX STI's cutting edge Active Torque Vectoring system to enhance cornering by applying braking force where required to keep you on line.

The six-speed close ratio manual transmission makes this a true driver's car which is further improved by the Advanced Vehicle Dynamics Control (VDC) system, Electronic Stability Control (ESC) and Active Torque Vectoring for the ultimate in handling. WRX STI is a beautifully balanced car and a performance classic with a Multi-mode Driver Controlled Centre Differential (DCCD) which allows you to control the centre Limited Slip Differential (LSD) to suit the road conditions, to deliver excellent traction and grip. Add improved body rigidity and a more finely-tuned suspension, and WRX STI delivers a winning drive.

SUBARU WRX STI AT SUBARU.COM.AU

ALL-WHEEL DRIVE MAKES ALL THE DIFFERENCE

Scientifically conceived. Rigorously tested for the last 40 years. Subaru's iconic Symmetrical All-Wheel Drive system is the pinnacle of superior Japanese technology. Technology that sets you free.

CONFIDENCE UNDER ALL CONDITIONS

The sign of a true performer is good balance. And when it comes to driving a Subaru, superior balance equals superior vehicle control. That's why Subaru has built its reputation on its Symmetrical All-Wheel Drive (SAWD) system and a symmetrical drivetrain that deliver an innate sense of balance from the ground up.

SAWD delivers engine power to all four wheels simultaneously. Having power distributed across all four wheels, rather than two on conventional vehicles, gives you twice the grip capacity. So under acceleration there's more grip for cornering and more capacity to keep on track through the corners. Ultimately, having the driving force spread across all four wheels means greater control and confidence under all conditions.

The traction and control delivered by SAWD is further enhanced by the Subaru WRX STI's suspension. The wide track rigid front suspension produces more responsive steering and cornering, while the independent double wishbone rear suspension lets you enjoy sharper handling and grip, instinctive responsiveness, better balance and a better feel on the road.

For you, the driver, it all adds up to an agile and responsive vehicle with optimum balance, control and confidence in a variety of driving conditions.

OVERSEAS TESTING SHOWN

SAFETY WE'RE PROUD TO RALLY BEHIND

On the rally or race track conditions can change in an instant. Driver reflexes are coiled tight, their attention is unwavering. Confidence in their car is paramount. While Subaru rally cars proudly carried the scars of uncompromising terrain, the lessons we've learned from their adventures are designed to help keep you unscathed.

CRUNCH TIME

Because you never know what's around the corner, Subaru have made safety an integral part of every vehicle. By incorporating the very latest safety technology, every vehicle in the Subaru range proudly carries the maximum five-star ANCAP* crashworthiness rating for occupant safety. The ring-shaped passenger cell is made from high-tensile strength steel, which directs impact energy around the passenger compartment, not through it.

Thanks to Subaru's electronic driver assist system, called Vehicle Dynamics Control (VDC), a range of stability and braking technologies step in to maintain safety in extreme situations. By automatically acting on information transmitted from a sophisticated array of sensors, the factors influencing the Subaru WRX STI's stability are constantly monitored to help the driver stay in control.

Subaru Vehicle Dynamics Control incorporates:

- > Electronic Stability Control (ESC)
- > Active Torque Vectoring system
- > Traction Control System (TCS)
- > TCS Limited Slip Device (LSD)
- > Anti-lock Braking System (ABS)
- > Electronic Brakeforce Distribution (EBD)
- > Brake Assist

Subaru WRX STI also features our Multi-mode Vehicle Dynamics Control system that provides greater driver control and flexibility. There are three modes: Normal, Traction and Off.

- > Normal mode utilises the full VDC system, controlling power, braking and torque delivery in emergency situations.
- > Traction mode delays and restricts the intervention of the Traction Control System and the Electronic Stability Control system allowing the driver additional control.
- > Off mode enables the driver to operate the car without VDC, while maintaining ABS and Active Torque Vectoring.

Active safety features on the Subaru WRX STI are complemented by an optimum blend of passive safety features, designed to enhance driver and passenger protection:

- > The Boxer engine sits low in the engine bay to help protect occupants by sliding below the cabin - not into it - in the event of a severe frontal collision.
- > Ring-shaped passenger safety cell combines rigid reinforced sections with crumple zones designed to absorb impact energy and reduce injury.
- > Seven SRS airbags - dual front, dual front side, curtain and driver's knee airbags.
- > Front seatbelts feature pretensioners and load limiters.
- > Automatic Emergency Locking Retractors on all rear seatbelts.

OUR SERVICE PROMISE

We are all **BORN FREE** but staying free, that's the hard part.

Once you get used to going anywhere
– and doing anything – you can **NEVER GO BACK.**

That **FREEDOM** is something you need to **HOLD ON** to.
Something to **GRAB** with both hands. **REMEMBER**, you still have
corners, countries, and continents **TO CONQUER.**

We are your **GUARDIANS OF FREEDOM.** This is your **PRIDE AND JOY.**
Love it, look after it and it'll look after you in return.

It took the finest minds in Japan to build **THIS INCREDIBLE VEHICLE.**
Why let just anyone tinker with it?

ENTRUST it only to those you **TRUST MOST.**

You can't put a price on **FREEDOM**, but confidence is
SURPRISINGLY AFFORDABLE.

WE WILL PROTECT YOUR FREEDOM.

TAKE TO THE ROAD WITH THE KNOWLEDGE THAT YOU HAVE THE EXPERIENCE AND SUPPORT OF SUBARU BEHIND YOU.

SUBARU GENUINE SERVICE

Entrust your Subaru only to those who know it best. They are the Subaru technicians who are passionate about maintaining your freedom and who train year after year until they know your vehicle inside out. Using specialist diagnostic equipment and Subaru Genuine Parts, they are committed to keeping your Subaru **performing** at its best. Delivering freedom from worry, while ensuring the **safety** of your family and the long-term **retained value** of your vehicle.

SUBARU NEW CAR WARRANTY - THREE YEARS / UNLIMITED KILOMETRES

Whether you're off the beaten track or cruising the open highway, you can rest assured knowing that your new Subaru is covered by a three year unlimited kilometre manufacturer's national warranty. That's three full years of worry free driving! For full details and our latest new car warranty information, visit subaru.com.au/service/warranty

But why stop there, when you're sure to have your Subaru for much longer? Protect your investment by purchasing an additional two year Subaru Assured New Vehicle Warranty. Ask your Subaru Retailer for more information.

DATADOTTM

Every Subaru is fitted with advanced engine immobilisers and the DataDot Theft Deterrent System - DATADOTTM. Approximately 7,000 microscopic dots are laser-etched with your vehicle's unique Vehicle Identification Number (VIN) - making your Subaru a much less attractive target for potential thieves. DATADOTTM is a theft deterrent not a theft prevention mechanism. Through publicity, word of mouth and stickers on the vehicle, thieves are discouraged from stealing Subaru vehicles due to the higher chance of successful prosecution when the vehicle or part is found.

SUBARU ASSURED USED VEHICLES

Owning a Subaru that has already traversed highways and byways is like travelling with an old friend. Every Subaru Assured Used Vehicle has passed a 116-point quality inspection and comes with a one year unlimited kilometre Subaru Assured Warranty - to complement the balance of a new vehicle warranty or the statutory warranty that remains - from participating Subaru Assured Retailers.

SUBARU FINANCE

Relax with Subaru Finance and enjoy your freedom faster with our range of personalised and affordable financial solutions to approved customers. Our finance specialists will help you find a finance package that is tailored to your individual needs - quickly and conveniently. So let Subaru Finance do the work for you, it's what we do best.

SUBARU INSURANCE

Freedom is limitless. So why keep your car in the garage. Explore your freedom, but also protect it. There is a range of Subaru Insurance options that offer features and benefits to complement your Subaru, including:

- Subaru Comprehensive Motor Vehicle Insurance
- Subaru Motor Equity Insurance
- Subaru Loan Protection Insurance

SUBARU LIFESTYLE

You wear your freedom like a badge of honour and now you can embrace all things Subaru with our range of quality merchandise. To see the entire Subaru merchandise range, visit shop.subaru.com.au, or ask your local authorised Subaru Retailer.

MY SUBARU - YOUR SUBARU COMMUNITY

Buying a new Subaru is more than gaining a shiny new vehicle, it's joining a club - one that comes with a range of perks. My Subaru is an owner's program that gives you access to a number of benefits:

→ My Subaru - Online Owner's Destination

My Subaru is an online destination for owners which provides access to exclusive benefits, tailored content and much more. Here you can also update your contact information and see your vehicle ownership history.

→ Subaru Roadside Assistance

A peace-of-mind, Australia-wide Roadside Assistance program run in partnership with your local state Motoring Club. As a new Subaru owner, you receive complimentary 12-months standard roadside assistance as well as all the extras that come with Motoring Club membership like member magazines and *Show Your Card and Save* discounts.

For more information visit subaru.com.au/owner-experience/benefits/roadside.

→ DATADOTTM Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess (up to a maximum of \$800 including GST) should your new Subaru be stolen and not recovered within 45 days despite the presence of DATADOTTM and warning labels*. This benefit is available during the first three years of your new vehicle purchase. For full terms and conditions visit subaru.com.au/subaru-dna/retained-value.

→ Subaru Preferred Collision Repairer Network

When you take the road less travelled, you're going to get wet and you're going to get dirty. But should you put a dent in your freedom, there is a dedicated Subaru Preferred Collision Repairer helpline available on 1800 737 179, 24-hours a day, seven days a week.

Plus the national network of appointed Subaru Preferred Collision Repairers can return your Subaru to its former glory.

→ Subaru Genuine Merchandise

You will enjoy a 10 per cent discount and free shipping for purchases over \$100 when purchasing merchandise from our online store: shop.subaru.com.au. Upon delivery of your new Subaru, visit My Subaru and locate the redemption code.

→ Subaru Genuine Accessories

You will enjoy a 10 per cent discount on the fitted recommended retail price for Subaru Genuine Accessories when purchased via the Subaru Retail Network. Upon delivery of your new Subaru, visit My Subaru and locate the redemption code.

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. 3. SRS: Supplemental Restraint System. Effective when used in conjunction with seat belts. 4. Colour Multi-Information Display (MID) includes Eco gauge, driving time, gear select indicator, cruise control set speed, odometer and trip computer. 5. Instrument cluster includes speedometer, tachometer, trip computer, fuel gauge, AT select monitor, cruise control indicator, high beam indicator and front fog light indicator. 6. Bluetooth[®] is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to the Bluetooth[®] wireless technology specification of individual's phone. 7. Some parts of the seating are not full natural leather. 8. harman kardon is a registered trademark of HARMAN International Industries, Incorporated. 9. MAP (message access profile) required for Hands Free SMS read functionality. Not all mobile phones have MAP. Please refer to specifications of your mobile phone to see if it has MAP. 10. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 11. 12 Month Roadside Assistance Program is standard upon activation with relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 Month Roadside Assistance program at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru on or after 1st June 2013 and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded.

ACCESSORIES

Freedom is in Subaru's DNA. But your DNA is unique. That's why we give you the freedom to exploit your individuality with Subaru Genuine Accessories. Factory approved by Subaru – for your Subaru – they can enhance your vehicle to meet your lifestyle. From the practical, to the purely aesthetic, the possibilities are endless. And naturally when you purchase Subaru Genuine Accessories, you are protected by our manufacturer's warranty.

For full warranty, pricing and applicability information visit us at subaru.com.au

GENUINE ACCESSORIES, GENUINE WARRANTY

All Subaru Genuine Accessories come with a manufacturer's warranty:

- > When you have them fitted at the time you purchase your new vehicle (or at your first scheduled service by your Subaru Retailer) you get a three-year/unlimited-kilometre warranty.
- > When you purchase accessories and have them fitted by your Subaru Retailer any other time you get a two-year/unlimited-kilometre warranty.
- > When you purchase accessories from your Subaru Retailer at any other time, you get a 12-month/unlimited kilometre warranty.

For full warranty, pricing and applicability information visit us at subaru.com.au. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Subaru Australia reserves the right to vary vehicle specifications, accessory range and standard features in Australia from those detailed in this brochure. Vehicles shown in this brochure may be fitted with accessories available at additional cost.
